Oasis Contributions

We are seeking articles from community groups and residents that would be of interest to the Culcairn community.

Articles are free to submit and will be included in the next edition.

We encourage sporting groups, clubs, schools, associations to use the Oasis to keep your community informed of coming dates, events and news. If you would like to receive a reminder email before the due date please send us your email address.

Email articles to lhibberson@greaterhume.nsw.gov.au or phone 0260363262 for more information

ANY DAY IN MAY IS GREAT TO VACCINATE AGAINST FLU

Parents of small children and people in high-risk groups are being urged to set a reminder for 1 May to phone their GP and book a flu jab ahead of winter.

NSW Health's Communicable Diseases Director, Dr Vicky Sheppard said most GP clinics should receive their Commonwealth flu vaccines by next month.

"Now is a great time to set a reminder in your phone or circle the date in your calendar, particularly if you or your family are in a high-risk group, to ensure you get your flu jab," Dr Sheppard said.

"There have already been 7,584 recorded flu cases in NSW during the warmer months so the best protection ahead of winter is to be vaccinated to build up resistance."

More than 250,000 flu vaccines have been delivered so far, including over 42,000 to aged care facilities across the state. "Flu vaccines have already been distributed to aged care facilities but for the wider population, supplies should be with their GP by May 1," Dr Sheppard said. So far this year, two strains of influenza A virus are causing most of the infections in NSW, similar to the strains that circulated in 2018.

Dr Sheppard said free vaccines will again be available through GPs for all children aged from six months to under five years of age, under the NSW Government's \$2.6 million program. Based on orders for vaccine in 2019, NSW Health is hopeful more children aged between six months to five years will be vaccinated against flu in 2019.

The NSW Government has invested around \$130 million in the 2018-19 Immunisation Program budget, including Commonwealth and state vaccines.

"Free flu vaccines are also available for pregnant women, Aboriginal people, those aged over 65, and anyone with conditions such as asthma, diabetes, and heart disease," Dr Sheppard said.

People who are not eligible for free vaccines can get vaccines on the private market from their GP or an eligible pharmacist. Influenza vaccines are recommended for children and adults to reduce their risk of flu and spreading it to vulnerable people. "Last year we had the mildest flu season in five years but as we all remember, more than 650 people died from influenza-related illness in 2017. Thanks to many factors, including the vigilance of the community last year, we avoided repeating the deadly flu season of 2017. We must not be complacent this year."

In addition to booking a flu jab, people are reminded that to help reduce the spread of flu, sneeze into your elbow, wash your hands regularly and stay home if you are sick.

THE OASIS MOVING FORWARD

The recent revival of the Culcairn Oasis has been met with great enthusiasm by the Culcairn community and we have received excellent feedback and positive suggestions. We have had good support with advertising from businesses and thank all those who have contributed already to the newsletter.

We do however require more community input. The newsletter will be as informative and comprehensive as the information you provide. What you submit makes the content so we need support from the entire community with news, stories, events, calendar dates, and regular articles from clubs and organisations.

This is the 4th issue produced from the funding provided through the Healthy Towns project funding. As there is only 2 months till this finishes we need to move quickly in securing the long term future of the Oasis.

If you are interested in assisting or finding out more about how the organising of each issue of the Oasis works or are able to offer to volunteer in some capacity please attend the Community Development meeting 21st May at the Culcairn Council chambers 7pm (in the small committee room).

If you unable to attend the meeting please contact are Leonie on 02 6036 3262

or email oasis@greaterhume.nsw.gov.au.

Some of the task that we will need volunteers for include:

- Coordinator- to assist with the overall running of the newsletter and volunteers
- Sending email reminders about deadline for current issue
- Responding to email/phone inquiries re the newsletter
- Email booking forms to advertisers
- Receiving ads/articles via email
- Save and record all articles/ads received
- Compiling each issue

WE NEED YOUR HELP!!!!

No experience is necessary! Training and support provided. We are urgently recruiting Meals on Wheels drivers, Transport drivers and Social Support volunteers. We are looking for people who are good communicators and have a caring and positive outlook to life. Our volunteers are supported with mentoring and training and reimbursed all out of pocket expenses. All of our volunteers are required by government legislation to undergo a national police check and this is done through our office at no charge to volunteers.

Holbrook Meals on Wheels service provides services to Culcairn as well as Walla Walla and other more remote areas of the Greater Hume Shire. The Meals on Wheels service is recruiting volunteer drivers to deliver meals in Culcairn. Volunteers will need to be reliable and enjoy a bit of a chat. You will be reimbursed your fuel expenses. For more information please contact Sue or Jenna at the office.

We are also especially keen to hear from volunteers who are willing and able to help people attend appointments through Transport assistance. You will be reimbursed all out of pocket expenses (such as fuel).

If you think you could help us out by volunteering some time, please contact the office for more information. If you or someone you know would like more information about receiving Meals on Wheels or Social Support or would like to join any of our groups please contact Jenna, Sue or Marion at the office on 02 60363677

Plumbers, Drainers & Gasfitters | Bobcats, Excavators & Tippers

BILLABONG HIGHLIGHTS

ANZAC Presentation at Assembly in Week 11. Hannah Godde, Anastascia Coles, Rachael Honeywill, Josh McIntyre, Jessica Toogood, Jaide Hughes, Erin Hogan, Ellie Webster and Katarina Stewart from Year 9 History, researched and organised a presentation on War Nurses for the assembly in Week 11. Under the leadership of teacher Mrs Mackinlay, the students documented the lives of three special nurses from World War I, World War II and the Korean War. Ably assisted on the day by Margaret Jamieson and Miss Farrell, four members of the group delivered a memorable presentation that left an impact on the audience. The well-rehearsed speaking, the effective photographs and the moving final film clip were outstanding, highlighting the contributions and sacrifices of nurses in conflict.

Billabong Bowlers progress to the third round of Regional Competition. Billabong travelled to Corowa last Tuesday to play against the winner of the Round 2 game between Murray High and Corowa High. These two schools had a see-sawing match with Corowa coming out winners with the narrowest of margins 13-12. In our match against Corowa we jumped out to an early lead and then had to fight off a strong revival, eventually winning 17-10. Max Davis is new to the school team but he filled the important role of 'lead' with style. He has a great action. Veteran Sam Harrison skipped well as usual, showing calmness when under the pump towards the end of the game. Most valuable player (as voted by coach, assistant coach Bill and Corowa members) was Blake Roulston, who bowled at a high level for the entire match. Well done, our next game is likely to be against a western Riverina team. Coach

SPORTSABILITY DAY AT THE CULCAIRN RECREATIONAL SPORTS GROUND

On Monday 3 June Billabong High and St Pauls College Students are very excited to participate in the SportsAbility Day held at the Culcairn Sports Ground. The Greater Hume Council has partnered with Intereach Ability Links to provide an opportunity for students of all abilities to participate in many different sports that perhaps they haven't had the opportunity to try. This event works perfectly in conjunction with Culcairn Healthy Towns Challenge as young people are getting out, getting active, and are trying something new!

The sports that the participants will be able to try out include Netball, Soccer, Cricket, Wheelchair Tennis, NRL, and Blind Cricket. All these sports will be supervised and ran by professionals so plenty of opportunities for learning and playing experience for the students on the day – some future athletes might even be created! This day is designed to allow for the possibility for everyone to have a go at every sport in the most enjoyable way possible while learning something new and being coached by some of the best in their sports. We hope the students will enjoy the day and discover and develop a love for sports and being active regardless of ability.

Draft Delivery Program and Operational Plan - on exhibition

Council's *business plan* is called the Delivery Program 2017-2021 and Operational Plan 2019-2020. The plan is developed over three to four months by Council officers and via input from councillors at four workshops held between February to April. The plan is now on exhibition for community comment until 5pm Friday, 31 May 2019. Below is a financial snapshot of the plan and proposed highlights for the next 12 months commencing 1 July 2019.

Snapshot

Operating Expenditure Budget	\$28.9 million
Capital Works	\$16.7 million
Income from rates	\$8.74 million
Income from Government grants	\$9.7 million Operating \$6.2 million Capital

Highlights

- 65 cents in every dollar of capital expenditure is spent on roads and associated plant
- Henty and Walla Walla Children Services Centres operating Monday to Friday (from 1 July 2019)
- Solar power installed at Culcairn, Henty, Holbrook, Jindera and Walla Walla public swimming pools
- Water pricing - annual water access charge reduced by \$40 per annum for all connections
- Total rate yield will increase 2.7% in line with NSW Government rate pegging.

Have Your Say

You can view the documents on Council's website and comment on the Have Your Say page.

You can read a copy of the document at Council Offices at Culcairn, Henty, Holbrook, Jindera or Walla Walla, and write to General Manager, PO Box 99, Holbrook NSW 2644 or email mail@greaterhume.nsw.gov.au

greaterhume.nsw.gov.au

HEALTHY TOWNS – HALF WAY MARK

The Healthy Towns Challenge officially opened on Monday 4 February with Culcairn's breakfast launch held on 6 February at the Culcairn Coach Terminal Park.

Since then a lot has happened including:

- A FREE community healthy breakfast
- Oasis newsletter – 3 issues already
- A new outdoor table tennis table installed at Balfour Memorial Park
- A table tennis opening event
- Table Tennis Challenge for Active April
- Pete Denahy Free Community Event at the Culcairn Bowling Club
- More than 120 people signed up to the FREE Health Coaching and Information service
- 2 street stalls to inform community and sign up to FREE Health Coaching and Information service
- 4 Walking groups established with 17 walkers
- Volunteer requests for assisting with the Oasis newsletter
- Gentle exercise class numbers have been increased

Culcairn has embraced the opportunities and many people have been involved, however, we need more to ensure Culcairn is the winner of the NSW 2019 Healthy Towns challenge and that changes and improvements will be on-going.

Healthy Towns Upcoming Events/Projects

Tai Chi for Arthritis

Facilitator training will be held in Culcairn on May 10 and 11 with 14 people coming from surrounding areas including 2 from Culcairn and 1 from Holbrook. Once facilitators have been trained dates for upcoming Tai Chi classes will be advised. Thanks to our volunteer facilitators who will be trained to be able to deliver ongoing classes in Culcairn.

Walking Track

Watch out for the upcoming improvements to the walking track, including signage, water bubblers, benches and other improvements. The walking track provides a great environment for our enthusiastic walkers. Walking is such a great way to get active and stay healthy.

Join a Walking Group

Any one over the age of 18 can join so why not get the benefits of 30+ minutes a day of activity and get on board... Walk Yourself Happy by increasing your social connection as well as improving your health.

You can join online or pick up an application form at the Council, Pharmacy or Newsagency.

Mild and Moderate, Join Sue Warren, Walk Organiser

on Monday, Wednesday and Friday at 7.30am starting at the Culcairn Public Swimming Pool.

The Afternoon Strollers, Join Sandra Muller, Walk Organiser on Monday, Wednesday and Friday at 5.00pm starting at the Balfour Memorial Park.

Step it Out, Join David Dunbar, Walk Organiser on Tuesday and Thursday for a 5km walk starting at 5.00pm

Short and Sharp, we are still looking for a walk leader and interest in this group which is intended for those just starting out and who want a short, social walk. If there is not a group to suit your needs why not start up a new group. Please call Walk Coordinator, Lynnette O'Reilly at Greater Hume Council on 60360100.

You don't just have to join up to one group, for variety you can join a number of the wonderful Walking groups available.

You just have to take the first step and join a group!!

Table Tennis Challenge - May

Put out a challenge and have a game – book at the Council office or newsagency, play the game, record the results and go into the draw to win 2 table tennis bats and balls.

It's your choice, doubles, singles, any time... it's so easy.

Table Tennis Challenge prize winners for April

28 people took up the challenge and our 2 lucky prize winners of 2 table tennis bats and balls are;

1. Zara Honeywell 2. Savetti Bai

Congratulations to both our April winners.

Volunteers to help put the Oasis newsletter together and contribute articles

If you would like to use existing skills or learn new skills become a volunteer to ensure the sustainability of the Oasis newsletter. We are looking for passionate volunteers who would enjoy working with a team of people, love the social aspect and have great connections in Culcairn. If you are interested contact Leonie Hibberson 60363262

Community Healthy Breakfast

THE PERUVIAN PASO HORSE REGISTRY SERVICES

The Peruvian Paso Horse Registry Services is a non for profit and a private service offering Registration services to Registro Genealogical de Caballo de Paso in Peru, which is the main Studbook for the breed.

The breed is very versatile being used as a show horse to a trial riding horse, with also new disciplines being introduced to participate in the Peruvian Paso horse holds it's own!

Here in Australia, the main registry service to the main body calls the Greater Hume Shire Council home, with more to be planned in the community to see this rare breed in the flesh, with an exhibition of the breed being planned in the near future.

The breed suits the family unit with the ability of parents and teenagers to children being able to ride the breed and including stallions without any issues.

A photograph of a young child wearing a red fire helmet and a high-visibility yellow and green jacket, smiling at the camera. The background is slightly blurred, showing other people in similar gear.

AUTHOR LEITH RUSSELL TO VISIT THE CULCAIRN LIBRARY TO TALK ABOUT HER OUTBACK ADVENTURES IN ANEW BOOK A TOP END STORY

Author Leigh Russell will visit the Culcairn Library on Wednesday 15 May 19 from 11am. Leigh will talk about her new book *A Top End Story*. The book is an adventure of two retired people. Getting a new job, taking a mobile pre-school to children in remote areas of the Northern Territory. Everybody has an adventurous spirit in various degrees, and there are many diverse avenues available for creating excitement in our lives. Some want to bungee jump, while others prefer skydive or climb high peaks. In Leigh Russell and Dave Bussenschutt's case, it was the chance to spend 12 months travelling across the top end of the Northern Territory working with pre-school children which caught their imagination. Under the auspices of KICS, Leigh and Dave drove along many backtracks and through many dry gullies to reach isolated communities and stations to give the children an opportunity of social interaction and education through play. During the week, Leigh and Dave would camp out as they drove between the various stations and communities, only returning to Katherine on the weekends to replenish their stores and rest. During their time in the Northern Territory, Leigh kept a daily journal and also found time to make many sketches, all of which have been recorded in a book written and illustrated by Leigh, titled *A Top End Story* which she said took about six months to complete.

It is available through her website: <https://www.topendstory.com>.

Where: Culcairn Library When: Wednesday 15 May 19 Time: 11am

FREE AND FUN TECHNOLOGY TRAINING SESSIONS FOR SENIORS AT THE CULCAIRN LIBRARY

Digital literacy skills are essential for anyone who wants to actively engage with family and friends across the country and the world.

Join one of the small, friendly training group sessions supported by local library staff where you can learn new skills to help you get connected and take the first step to becoming tech savvy. The training is designed to make it easy for you to safely and confidently get connected and learn at your own pace. Find out how to access all the important information you need and things that you are interested in.

Learn skills in:

- Email
- Smartphones and tablets
- Social media
- Online shopping
- Internet banking
- Cybersafety

The first session will be held at the Culcairn Library on the 23rd May 2019 from 12pm – 1pm

If you would like some more information please call – 02 6036 0100

COMPASSIONATE COMMUNITIES: CREATING A SUPPORTIVE CULTURE FOR CARERS

In Australia we have an aging population and more of us are living longer with complex chronic health issues. This means that carers are looking after their loved ones at home for longer periods of time. Caring for someone with a serious or life limiting illness has its challenges and families need support, from both local services and family and friends as well. The Culcairn Local Health Advisory Committee (LHAC), with the support of Murrumbidgee Primary Health Network (MPHN), are hosting a series of four free workshops in Culcairn this year, with the first being held on Friday 10th May at the Uniting Church Hall. All community members and local services are warmly invited to attend the free workshops. At the first workshop, attendees will hear about the various carer supports that are available through Intereach, our local Commonwealth Respite & Carelink Centre. Community members will also learn about what are our barriers to offering, asking for and accepting help. David Gilmore, Culcairn LHAC chair, said that 'there are many reasons why someone might turn down help, even when they could really use the help'. David also commented that it was important for all community members to think about how to access support, even if they are not currently caring for someone. David said 'we really hope that our Culcairn community comes along to these workshops, because caring for others is something we all do, in one way or another'. Encouraging Carers to say 'yes' to help Workshop Friday 10th May Uniting Church Hall 43 Balfour Street Culcairn 9.30 am to 12 midday Morning Tea provided To register your attendance: <https://mphn.org.au/compassionate-communities-registration> Culcairn LHAC Contact: David Gilmore Ph. 02 6029 8291

This workshop is a series of workshops that are part of the Murrumbidgee Primary Health Network At Home Palliative Care Project. This project is funded by the Federal Department of Health.

Jindera Multi-Purpose Hall

Council is proposing to develop the Jindera Multi-Purpose Hall to provide Jindera and surrounding residents with a modern public facility suitable for indoor sports and catering for community functions with disabled access throughout. The project is potentially a key future development at the Jindera Recreation Reserve.

Funding for the project (estimated at \$3.74M) is yet to be sourced.

Council values feedback and suggestions and has prepared a community engagement guide to inform the community about the proposed project.

The guide and plans of the multi-purpose hall can be viewed at the Jindera Community Hub, or via Council's website greaterhume.nsw.gov.au. A copy of the guide is included in the May issue of Jindera Community Newsletter.

Council welcomes feedback about the proposed project. Residents can comment via the Have Your Say page on Council's website or by completing a feedback form available at Jindera Community Hub.

Comments and feedback will be received until 1 July 2019. For enquiries and further information contact Colin Kane, Director Environment & Planning T: (02) 6036 0100.

CULCAIRN COMMUNITY DEVELOPMENT COMMITTEE

We are continuing to look into getting the 100year Centenary books reprinted. There are some community grants available from the NSW Government which need to be applied for by the 15th of May. The Lions Club community market held on the 30th of March were a success even though the weather was unkind that day. We have had 20+ surveys returned to us in the last month. A big thanks to those who filled them out and we will be combining the suggestions as we continue to look at the big picture of planning for Culcairn. We are hoping that Regional Design services (based in Corowa) might be able to help us do this. 3 committee members met with Aaron and Phillip and they had lots of ideas for us and we hope that we can have them on board with our future planning for the railway precinct. Some ideas floated were- a logo for our committee, a community Facebook page (which other towns have) and getting the 'Grants man' out from Albury for a workshop. Lookout for more details soon!

The Australia day celebrations for 2020 will be hosted by Culcairn and our committee also received a grant to have some rooves put up over the picnic tables in Eric Thomas Park. There is talk of the parking area there changing. Watch this space! If you have any ideas or comments for our committee about Culcairn and beautifying the town, please talk to Ken at the Culcairn Newsagents, or Kirsty (Secretary) on 0427298630. Our next meeting is on the 21st of May at 7pm, Council Chambers.
