ANZAC Day at The G-Rodge

The G-Rodge

The G-Rodge has been buzzing lately with lots of holiday travellers popping in on their way to various destinations or heading home! We took a little break over Easter so our staff could enjoy some time with family and recharge! We hope everyone had a wonderful break with loved ones!

The parade had more than 30 kids joining in, which is awesome! There were tons of creative hats, but only 3 could win! Here are our 1st, 2nd, and 3rd place winners from the Easter Hat Parade! Big thanks to everyone who showed up for a fun night at the G-Rodge!

Easter @ the G-Rodge was buzzing with excitement for a few hours on the Thursday before the break, and everyone had an awesome time! The Easter Bunny dropped by, sharing hugs with the kids, handing out tons of eggs, and joining in on the fun activities we organized - like the Egg & Spoon race, a Colouring Competition, and the much-awaited Easter Hat Parade!

GEROGERY FIRE BRIGADE

What a dry summer it has been! Even though there is little growth in the paddocks the roadsides still pose a fire risk - As do pile burns. So please make sure you create a good firebreak around it and keep an eye on it until it is completely out. Twenty four hours before you burn you are still required to notify your neighbours and provide notification to RFS.

Thanks Gerogery and Gerogery West for your awesome donations for the Good Friday Appeal. You raised \$2,153.95 for the Royal Children's Hospital in Melbourne and got to meet some of our local Fire Brigade members. The people you don't want to HAVE to meet.

With the colder weather coming, please clean your chimneys before you light the fire, keep the lint filters clean on your clothes dryer, make sure your gas heaters aren't leaking and give a dust over to remove built up dust and fluff.

Importantly, check your wood pile for sleeping snakes that have moved in or you will be needing more than a Fire Truck. We do however know first aid.

Our Good Friday Appeal raffle was claimed and we hope they enjoyed the takeaway which was kindly donated by the Gerogery Store.

Our adorable little cafe is definitely the buzz around town! We often hear from our customers about how they've been wanting to visit and finally made it, or how a friend recommended us, or that we're on their holiday to-do list, along with the G-Rodge!

These heart-warming moments brighten our day, every single day! It's also fantastic to see so many familiar faces who have made Cafe @ the

G-Rodge a part of their daily lives, and we truly appreciate your support!

Don't forget, you can also call in your order at 02 6026 5016, and there's plenty of parking in the pub car park for a quick pick-up on your way!
