STARLIGHT CHILDREN'S FOUNDATION SWIMMING FOR SICK KIDS.

For years Steph Hartwich has swum lap after lap to support this charity close to her heart. This year Steph teamed up with friends Paul Rossiter and Margot Pitzen. They set out to swim 100km & raise \$1000 for the Starlight Foundation. In February they smashed all their personal & team goals.

\$3466 raised, 163.68km, 4,960 laps of the pool.

Thank you to everyone who sponsored and supported us.

GREATER HUME CHILDREN SERVICES HOLBROOK

Welcome back! Greater Hume Children Services in Holbrook are thrilled to have all the children returning back to our Centre this year and to welcome our new families as well. The Staff are excited to drive into another wholesome year filled with community adventures, learning and laughter.

Our three rooms (babies, toddlers and preschool) are all buzzing with excitement and fun activities. The children have been busy learning and developing skills in a variety of ways from water based activities, to music and obstacle courses. Our staff are committed to finding new and engaging ways to provide quality care and activities for the children.

Out and About in the Community: Our Preschool Room have already adventured out and about into the Holbrook community. The children went on an excursion down to the community gardens where they were shown around the garden. The children were able to be hands on in the garden and help the volunteers pick some tomatoes, they also had the opportunity to taste some fresh rockmelon. They then had a picnic morning tea within the gardens before heading back to school to tell their friends about their adventure.

We would like to say a big thank you to the Community Garden volunteers who took the time to show the children around the beautiful gardens and to share the fresh pickings with us. The Children loved the adventure and can't wait for their next community outing!

For any enquiries regarding Children Services, please reach out to the Team at the Holbrook Centre.

COUNCIL NEWS FROM THE MARCH COUNCIL MEETING

At the March Council meeting some key decisions for our community were made.

At the meeting Council resolved to approve:

- The development of a new quarry at 3556 Olympic Highway, Culcairn. This new quarry will extract material up to 30,000 tonnes per annum and provide a valuable resource and economic benefit to our area.

- To not take a stance as yet in the current Albury Wodonga Health conversation in regards to whether to support a new single hospital on a new site or the redevelopment of the current Albury Health Campus. Council will undertake further discussions in regards to the new hospital with Albury Wodonga Health and seek a presentation from Infrastructure NSW.

- Change the dates for the April, June and September ordinary Council meetings to allow sufficient time for exhibition periods and to avoid the September meeting falling within the Henty Machinery Field Days week.

The new meeting dates are:

Wednesday, 23 April 2025

Wednesday, 25 June 2025

Wednesday, 17 September 2025

- Place the revised Payment of Expenses and Provision of Facilities to Mayor and Councillors Policy on public exhibition for 28 days.

This policy relates to the reimbursement of expenses and provision of facilities to Councillors to help them undertake their civic duties.

To view the revised policy and have your say, go to <https://shorturl.at/WA2cA>.

- Place the Draft Community Strategic Plan on public exhibition until 19 April 2025.

This draft policy has been developed based on the feedback received during the 'Help Shape Greater Hume's Future' community consultation and will outline the actions and direction for Council for the next 10 years.

To view the draft Strategic Plan and to have your say, go to <https://shorturl.at/4WShB>.

For more information on these decisions and to read the full Council minutes from the meeting, Go to <https://shorturl.at/h6oDr>.

JUNIORS SHINING AT THE 2025 SHOW

Congratulations to all the children who entered the Showgirl and Showboy competition at the annual Holbrook Show. It was fantastic to see the children make an effort after a long hot weekend. Thanks to Tanya Saunders and Kaylene Laffen for tackling the huge task of organising the entrants, then choosing winners.

Each of the winners received a sash and a prize from The Holbrook Pharmacy, Hello Maude or The Holbrook Post Office. Thank you to these sponsors for their continued support of this competition.

HOLBROOK PONY CLUB SPORTING DAY

Holbrook Pony Club hosted a very successful competition day on March 23 with 38 riders coming from as far as Leeton, Howlong and Wagga along with local clubs of Jindera, Tumbarumba, Tarcutta, Rosewood and Culcairn.

The youngest competitor was just 3 years old who laughed and giggled his way around the six sporting events that included an old favourite, the Sack Race. Riders race to a sack (Chaff Bag), dismount, get into the sack and jump/run/fall over while leading the horse back to the finish. It provided some classic, laugh aloud moments for everyone.

During the lunch break of beautiful Lamb burgers, provided by Holbrook Butchery, there were awards in each age group for "Best Shirt". Riders were invited to wear their favourite shirt instead of Pony Club uniforms and the frills and colours were on display.

After lunch, a timed Challenge Course was completed that included jumps along with walking the horses over a tarp, ramp and through a gate. The older horses with the youngest riders showed it wasn't a challenge at all.

We'd like to thank BEST LEATHER CARE for the prize pack for best shirt awards.

A LITTLE BIT HISTORY OF HOLBROOK

Holbrook has changed its name at least five times. When the explorers Hume and Hovell passed through the area in 1825 they named it Friday Mount and Camden Forest. By 1836 it was known as Therry's or Billabong after the Rev John Therry. By 1838 it was known as Ten Mile Creek and by 1858 it had changed again and was known as Germanton. A map produced in 1860 named it Kings after the local pub, King's Public House, but in 1876 it was officially gazetted as Germanton. As with many Australian towns which smacked of some connection with Germany, it was changed again in 1915 to Holbrook after Submarine Commander Norman Douglas Holbrook.

WINTER ENERGY SAVINGS

Layer Up: Wear warm clothing instead of relying solely on heating. **Keep Doors to Unused Rooms Closed:** Reduce the area you need to heat. **Close Curtains and Blinds:** Prevent heat loss through windows. **Set Your Thermostat Lower:** Reduce heating costs by setting the thermostat to a comfortable but lower temperature. **Use Thicker Bedding:** Stay warm in bed without running the heating overnight. **Ensure Blinds are Closed Before it Gets Dark:** Prevent heat loss through windows. **Replace Old Heaters with More Efficient Ones:** Choose heaters with a high energy efficiency rating. **Insulate Your Roof:** Insulation can help prevent heat loss in winter and heat gain in summer.

DEMENTIA MORNING TEA APRIL

Holbrook Dementia Alliance Group has now been gathering in Holbrook for the past year and it has seen many different people come together and offer support, understanding and helpful conversations that benefit both carers and dementia people to be supported and understood and engage in our community.

Our next **Morning Tea**, is on **3 April 2025 at the Holbrook Sporting Complex room from 10-11.30am** for all community members, to promote a Dementia Friendly Community.

In May we have been lucky enough to have Lance Dale from Dementia advocates coordinator NSW to come along at our next meeting to help us continue to support and engage with the community and share his wealth of knowledge his experiences, and resources. Therefore, the next months meeting will be on Monday 5th May (**subject to confirmation**), to work in with his schedule at the usual place the Holbrook Sporting Complex. We hope to have a great response within our community and the Greater Hume area. **INCLUDE, ENCOURAGE AND EMPOWER**

PLANT PICK PLATE

My rhubarb plant looked at me with its sad, droopy leaves atop limp red stalks. Whilst I had not disturbed the crown, I had recently widened the garden bed adding and adjusting the soil composition and inadvertently severing a thick, long root that protruded beyond the bed. I also removed excess stalks to assist with the plants recovery however, this was just too much and obviously not to the rhubarbs liking.

Serious TLC was in order to restore its former healthy growth. Sulphur crystals were added to adjust the PH of the soil, a nitrogen rich fertiliser together with composted straw from the chicken coup were applied and everything well watered. Fingers crossed my treasured rhubarb will smile again as I enjoy it cooked with apple on my breakfast.

In comparison the fig tree I was gifted, having been struck from a cutting, is radiating happiness after only 2 months in the ground. Its vertical growth has been so strong that I have cut off the top to encourage the formation of lateral limbs, then the tree sprouted 5 small fig fruits. Like the passion fruit plant, figs produce 2 crops per year when the conditions are favourable, although this crop in the cooler months is called Breba and is of less quality than that produced in warmer climatic conditions. Despite my fig tree exuding happiness it also requires some TLC. It loves lime and water but not frost so a protection frame and cloth needs to be erected before the first frost of the year arrives. From a lesson learnt, I need to be careful not to disturb its roots as I dig an outer perimeter in which to apply fertiliser and act as a water catchment.

MAINLY MUSIC HOLBROOK

Mainly Music Holbrook is almost one year old! Mainly Music is all about "Creating joy-filled communities of belonging".

Our sessions consist of thirty minutes of songs and music (with actions and dancing), morning tea for the children and then creative play. Mums and caregivers are able to enjoy a cuppa and homemade treat while the volunteers engage the children in free play or an activity.

The past year has been filled with wonderful moments, laughter and a strong sense of togetherness. The Mainly Music program would not operate without our volunteers who lead our sessions, welcome our families each week, run tech, bake homemade goodies for our caregivers, cut fruit and cheese, serve morning tea, sing and dance, play games with the children and then pack it all away, all with a spirit of love and generosity.

We are very lucky to be backed up by a very supportive community at Holbrook Anglican who pray for us.

We started strong with 8 families at our first session, and we have connected with almost 20 families and 30 children since we began. Last winter saw our numbers fluctuate with children sometimes unwell and mums wisely opting to keep their child/children at home. We are very happy to keep a "flexible" mindset towards attendance for our registered families, and our small charge of \$5 per week per family is paid only when the family attends.

At Mainly Music, we celebrate four important occasions in the calendar – Mother's Day, Father's Day, Easter and Christmas, as well as the children's birthdays. We also have had some interesting visitors at Mainly Music, and recently the children were treated to a visit by ST (Small Turtle), many who were amazed and excited to be up close and personal with a real live turtle.

In 2025 we have been blessed with new families, babies and toddlers attending. Last year a few of our children headed off to "big school" or full-time pre-school, and what a privilege it is to be part of these milestones of their lives.

We are always looking to expand our volunteer base. All training is provided, so if you think this might be for you, please contact us. We meet in the Holbrook Anglican Church Hall, at 9:30am on Wednesdays during School Term.

Blessings, Sharon Rogers, Mainly Music Co Ordinator, 0429 863 841

MINIKHANA COME AND TRY DAY
SATURDAY, APRIL 5**

Minikhana Come and Try Day is aimed at improving a young rider's skill levels. Riders complete a series of fun courses designed to help them develop their use of brakes, clutch and using body position to corner and stop which will improve their bike control, and confidence.

To participate in the Minikhana RPD, riders must be under the age of 18. Bike sizes allowed are between 50cc capacity bikes and goes up to 125cc 2 strokes and 250cc four stroke bikes. This is a Rider Sport Australia sanctioned event and participants must hold a current full RSA membership, or alternatively a Trial membership may be acquired on the day by completing the paper RSA One Event and Trial Membership Application. Trial membership is \$0 (conditions apply)

Parents and carers are encouraged to get involved on

the day and help with set up, running the obstacles, and pack up of the event. Parental involvement in the Minikhana event ensures the child can continue to develop their skills outside of the formal Minikhana events and ensures the smooth running of the event. Many hands make light work.

BYO food and drinks as catering is not available.

It will be held at the Wangoola MX Track, 10288 Hume Highway, North of Holbrook. Gates open 12 noon - Entry Fee \$30

For More information check out our Facebook page or call Murray Jones 0429 992 636

LEARNING SUPPORT AT ST PATRICK'S PRIMARY SCHOOL

Learning support plays a crucial role in a student's educational journey, offering numerous benefits that contribute to their academic, social, and emotional well-being. Support for our students at St Patrick's takes several different forms all of which add up to giving them the best possible chance of learning and growing as a young person. Coordinating the learning support for all of our students is our Inclusive Diverse Learning Teacher Mrs Annie Gould. This particular role focuses on collaborating, journeying with and providing in-class support to classroom teachers. Annie works closely with teacher assistants and classroom teachers, promoting and modelling tailored learning support for students through the use of a 3-tiered intervention approach and setting student centred goals. Additionally, Annie assists teachers in differentiating the curriculum to support student learning, provides timely feedback to staff to aid in the developing of their teaching practices, and facilitates meetings between staff, families and external providers to design personal plans for students to ensure they experience prolonged academic and emotional success.

Intervention programs in both literacy and numeracy occur in our Infants classes. Our Year 1 and 2 students who require support in Numeracy participate in the Extended Mathematical Understanding program, where a small group of students meet with the teacher 4 times a week in addition to regular Maths classes. These lessons focus on building from the student's strengths and moving them forward in their mathematical understanding.

Year 1 students have a reading intervention program that aims to further develop the literacy skills of identified students. Research indicates that this is the most effective time for intervention, ensuring their needs are met before any gap widens. This support occurs in a small group with a teacher who has additional training to meet the requirements of these students.

Our students have access to support from the Royal Far West organisation. Identified students participate in weekly speech or occupational therapy sessions with practitioners via Zoom. This service provides essential support to students and

their families who live outside of regional centres who do not always have access to these providers. Speech therapy assists students with their clarity and articulation and enhances language development, whilst OT helps our students with sensory processing and fine and gross motor skills. We are very fortunate to have access to such a highly regarded program as Royal Far West.

St Patrick's has access to the wonderful Centacare social service agency. We have an amazing school wellbeing professional who visits our school once a fortnight. During this

time they meet with individual students who require social and emotional support and also work with whole class groups on similar issues.

On top of all these formal programs, all of our classroom teachers differentiate the curriculum for our students every day. This form of differentiation focuses on providing varied pathways for students to learn effectively in a student-centred, flexible manner. The low teacher-to-student ratio provides an ideal opportunity for this to occur.

If you would like to know more about our tailored teaching approach, please feel free to book an appointment. Paul Spain Principal

HOLBROOK PUBLIC SCHOOL

Pulse Alive - WOW, what an adventure! The Pulse Alive Team, spent the end of last week travelling to Sydney, rehearsing with all the other students from around NSW and performing to thousands of proud and excited audience members! A big thank you goes to Mrs. Henderson, our creative arts queen, for making this experience happen for our country kids.

Mr Wedge has 'New Wheels' - A **HUGE** thank you to our amazing P&C and our Holbrook School Community for raising the funds to purchase the school a new ride on lawn mower. Mr. Wedgewood is very happy to be mowing our enormous playground with his 'very fancy' ride on mower. Thank you to **Holbrook Tyre Service** for supporting our school with this purchase.

World Down Syndrome Day - Last week our students wore 'odd socks' to raise awareness for **World Down Syndrome Day**.

The wearing of 'odd socks' symbolises the extra chromosome and the uniqueness of individuals with Down Syndrome. We also had the pleasure of having Ruth, 'Henry's Mum', speak to all students across the school and share some information, stories and awareness about inclusion and being a voice for individuals with Down Syndrome.

Canteen/ Kitchen Refurbish - Over the holidays our school canteen/ kitchen will be undergoing refurbishment. The funds for this were obtained through a Department of Education grant. We will be receiving new cupboards, benchtops, appliances and air conditioning. This will become a more functional space to use for HPS as well as the before and after school Care service.

Everyone Belongs at HPS - On Friday 21st March students and staff at Holbrook PS wore orange to celebrate Harmony Day. Harmony Day is a celebration that recognises our diversity and brings together Australians from all different backgrounds. Our students participated in many different activities to celebrate different cultures.

HOLBROOK RS GOLF CLUB

The course has greened up nicely after some much needed recent rain. We recently had some pruning/removal conducted on a few problematic trees to make them safer for golf course users. We are planning a few working bees soon to help prepare for a few busy months of tournaments and other major events. If you are able to help out in any way we would love to hear from you.

23/03/2025 M. Winnett took out the first Monthly Medal of the year, beating B. Walsh in a countback. It was another good turnout of golfers enjoying the cooler temps.

WOOLPACK INN MUSEUM

The Woolpack Inn Museum is quickly taking shape as we prepare for the anticipated official opening of the Military Room on **April 26th, 2025**. With the final touches now completed in the Entry/Bar room and four rooms now arranged for walk-in access, the museum is shaping up to be a wonderful destination for visitors.

What's New: We now have **three beautiful historic photos** of the Criterion Hotel on display, which add an interesting touch to the Entry/Bar area. Work continues on the **Military Room**, where we are currently finalising the finishing touches on cabinets and layout. We can't wait to showcase this room and invite everyone to join us for the grand opening celebration in just a few weeks. More information on activities planned for the day will be in the next issue!

Volunteer Opportunities:

We couldn't do this without the incredible support of our volunteers, and we're still looking for additional help! If you have a little time to spare, consider contributing in one of the following ways:

- **Manning the door** for a few hours a month to welcome visitors.
- **Adopting a room** to clean and arrange, helping us keep the museum looking its best.
- **Maintenance assistance:** if you're handy, we need volunteers who can spare an hour or so each month for small maintenance tasks.

Garden upkeep: help us maintain the museum's beautiful gardens and grounds.

Volunteering at the Woolpack Inn Museum is a rewarding way to give back to the community, meet new people, and contribute to preserving our local history. Your support makes a difference, and we are incredibly grateful for every volunteer who offers their time and talents.

If you're interested in volunteering, please reach out to us! We'd love to hear from you.
