ROTARY PROVIDES HEART STARTER FOR HOLBROOK

Rotarians Scott Beattie and Milt Golenberg installed the defibrillator machine at the Holbrook Ampol Service Centre on Friday November 12.

The Holbrook Rotary Club received a \$1 for \$1 grant from Rotary District 9790 to purchase the defibrillator. Scott as Community Service Director identified the right type of defibrillator for our purpose – it has audio and visual cues regarding its operation. On opening the unit, an alarm will sound for a short period and then clear, simple instructions assist with its use.

Club treasurer Milt Golenberg said the defibrillator was located at the Ampol Service Centre (former Caltex) because it is the only business open 24/7.

“Our Rotary club is responsible for the upkeep of the machine including batteries which will be purchased and installed each Melbourne Cup Day,” Scott said.

BOOK WEEK COMPETITION

Our Book Week competition closed on Friday 19th November and the entries are amazing!!! With this year's theme being Old Worlds, New Worlds, Other Worlds, children have been creating self-portraits that have a clue to their chosen book around this year's theme.

We would like to say a big thank you to the teachers from our local schools for being so enthusiastic in helping the children take part in our Book Week competition.

The older children are wearing sunglasses in their self-portrait as they were required to show the world they have chosen within the reflection of their sunglasses. Here is a sneak peek of part of one of the clever entries. We have put a selection of the entries (including the winning entries) on our social media pages and over the coming weeks we will post more. With over 100 entries we unfortunately won't be able to show them all on social media however we also have entries on display at the library. We would love for you to call in to the library to admire the talent of our local children.

WOOLPACK INN MUSEUM

The Museum Committee held a very successful cake stall on Saturday 13th November. The winner of our raffle was Dave Blackwell from the Mitta Valley. A big thank you to the community members who supported us.

We will be holding another stall on **Saturday 4th December** at the Country Garden Markets in the beautiful garden at **4 Byng Street, Holbrook**. Come along and purchase some delicious cakes, a Devonshire tea and some plants. All funds raised go to assisting the operation of the Museum.

MEN'S SHED

Hello from the Men's Shed

The guys are starting to plan for the move to our new shed in Millswood Road in the industrial area. There is a lot of work to do sorting what we want to keep and what we want to get rid of. I think most people know what it's like packing to move the amount of junk and bits and bobs that accumulate over the years.

On Tuesday Dale and I drove down to Rowville in Melbourne to pick up a combination saw bench and planer, that they had in excess of requirements. We also took possession of several other bits of equipment that they wanted gone. They have a pretty good set up in Rowville. They are in a council owned shed. They pay for the utilities and maintenance of the shed, which has a large workshop area, with a woodwork area, a metalwork area and a tech area. It's a really nice kitchen and dining room. You might have guessed I am suffering from shed envy.

HOLBROOK LANDCARE

Emma Smith has joined Holbrook Landcare as our new Project Officer in NRM and Agriculture. She will be handling the Dung Beetle Project as well as the new MLA Tropical Pastures PDS, to start with, so she will be out and about in the area as she gets to know people and the district. Emma is an agribusiness graduate with hands-on experience in a wide range of different agricultural enterprises.

She has also been involved in the Hay Inc. Rural Education Program and travelled to Fiji & Samoa as part of a Pacific Island Agricultural Study Tour, to help broaden her knowledge.

FIRE RECOVERY IN LANDSCAPE BUT NO INVENTORY OF SPECIES

Landcare's Kylie Durant suggested to local Rotarians that we live in an amazing part of Australia – beautiful landscapes, forests, wildflowers, and fauna and it's all at our doorstep. Kylie mixed business with pleasure when she took off by bicycle to take-a-look at the bushfire landscapes and how much they had recovered in the Upper Murray.

She described it as a big bush trip, 250kms over 6 days through Woomargama National Forest trails, River Road, McPherson Plains, Tooma River Gorge, Powerline Road, and Black-Jack, where a lot of the Upper Murray streams begin.

Kylie witnessed alpine landscapes where hot fires have been too frequent and not much seed left so undergrowth but not a lot of trees. Then there were amazing areas of recovery – Woomargama National Forest, Mountain Creek Road, River Road: "recovery beautiful, wildflowers amazing," she said.

She talked about the impact of fires on arboreal mammals – the Greater Gliders; as well as Red-necked wallabies and the Swamp wallabies; the Macquarie perch at Mannus (still there but low in numbers) and the Gang-gang cockatoos that appeared to have moved further down in search of habitat and food.

There were no brumbies and no past inventories on the impact of fire on species, so we don't really understand what has been lost. The good news is that Holbrook Landcare received a \$500K grant to help landholders with wildlife habitat recovery.

MEALS ON WHEELS

Holbrook Meals on Wheels is hosting our annual Christmas Party this Friday 3rd December. Service users, volunteers and staff are coming together from across our service area to enjoy lunch and a get together at the Holbrook RS Club from 12 noon. Due to NSW government regulations people attending must be double vaccinated. Please remember to bring your mask and your proof of vaccination.

Our very grateful thanks to Lieschke Bus Lines for providing the transport from Walla Walla and Culcairn and no charge. Their Community Spirit is very much appreciated!

Our annual Christmas Raffle has kicked off with tickets being sold last Saturday. We will be at Holbrook Stores on the 10th December for ticket sales and the raffle will be drawn that day. We have 2 great hampers coming together with, among other things, toys, wine, grocery goods and chocolates. You have to be in it to win it!

Our ACT! Emergency Readiness project, supported by funding from Greater Hume Council Bushfire Recovery Grant, is progressing well. Our very busy project worker, Annie, has been out and about helping people think about and prepare for emergencies. With all this rain it may not seem like a problem, but grass and weed growth has been tremendous this year and we know eventually it is going to dry out and cause fire dangers.

To get prepared now, please call us for an assessment with Annie. Annie can help you with referrals to the RFS Aider program, Fire & Rescue NSW fire alarms program and Red Cross. She will check your fire alarm during her visit and help you think about preparing a "Grab and Go" box. We will supply the lightweight box for you along with a torch and other items which may be necessary. There is no charge for the program and equipment is supplied to you free of charge! Call us on 02 6036 3677 for more information.

PLANT PICK PLATE

I recently received a beautiful potted Hydrangea "Black Lace" and was both surprised and delighted, although a little apprehensive. You see, in the past, my experience of growing these wonderful flowering shrubs has not been all that great. It goes back many decades when I moved to a home where there were massed plantings of Hydrangea on the southern aspect of the house where they enjoyed mostly shade and a little sun in the summer. Every summer multiple "mophead" flowering clusters in shades of pink and purple through to blue dominated and were the focal point of the garden.

That is where my success finished. When I moved on to my next home I took cuttings with grand visions of recreating the same Hydrangea display in my new garden. Alas, all the cuttings failed to take root with the exception of one. One lonely Hydrangea in my garden, on its own, was too much for it and the plant eventually died. The aspect was not compatible with the shaded requirements of the plant so ever since I have steered clear of these stunning shrubs.

Now I have this beautiful "Black Lace" complete with a larger pot. My current home has the same aspect problem as last – a lack of southern aspect with shade. Do I cull some shade loving plants to make room or engage my garden helper to create a shade house? The latter is probably not an option. My saving grace is that this new cultivar of Hydrangea is frost tolerant and will withstand warm temperatures and morning sun.

I have repotted my gift into a larger pot and found, I hope, a suitable position in my semi shaded courtyard. Now eagerly awaiting the cobalt blue floral display on jet black stems to emerge and again become the focal point of my garden.

Passionate Gardener, June.

SMART TV FOR HOSTEL RESIDENTS

Covid has made fundraising difficult for community groups. The Lions club in conjunction with the Friends of the Holbrook Hostel were very pleased to donate a Smart TV and portable stand for the Holbrook Hostel residents. The residents and staff of Holbrook Hostel would like to thank the members of the Lions Club and the Friends of the Hostel for kindly donating the new TV and stand. This has been used every day to watch special programs. The residents enjoyed watching the Melbourne Cup this year on the big screen. This has improved residents' enjoyment in programs particularly those with sight impairment. Lions have also donated \$1,000 to the Albury Cancer Centre and the Holbrook Sporting Complex redevelopment. \$200 each to St Patrick's School, Holbrook Public School, Billabong High and Greater Hume Children's Services.

The Lions Club Christmas cake sale is now on and is a great way for Lions to fundraise to give back to the community. Christmas cakes are available at the Holbrook Pharmacy and Lady Gail's Book Shop and Curio's.

The Friends of the Hostel will be selling their Christmas raffle tickets over the next few weeks. Please support their work and buy a ticket or two if you see them down the street.

Resident Frankie Cottrell, Activities co-ordinator Sandra Pyers, resident Nano Mackinlay, Friends of the hostel president Kaye Dean & Lions President Elizabeth McLean.

ANGLICAN CHURCH

The Anglican Op-Shop will be closed from 12noon on Thursday 2nd December for the Op-Shop staff Christmas Lunch which will be held in the Holbrook Church Hall. A BIG thank you goes out to everyone who has supported us over this year. Covid-19 closures and restrictions had us worried as the income from the Shop makes up a substantial part of our Annual Budget, and thanks to you and our Staff and God's grace our budget is holding up.

On Sunday 5th December there will be no Sunday Service at Holbrook as we will be gathering in the Woomargama Park from 10:30 for our Parish Picnic. Please bring your food, chairs, drinks etc. The service at Woomargama for 12th December at 11am is cancelled.

The 100th Anglican Parish Flower Show & Plant Sale, held on 6th November, went very well. Thank you to all who supported it, especially the Community Gardens team. Due to Covid-19 the sale of tickets for the Raffle for the Quilt and Gardening Goods was very low. A street stall will be held on 11th December in front of the News agency and the Raffle will be drawn on Sunday 19th December.

The **Anglican Christmas services** are being planned as follows: Friday 24th December is Christmas Eve at Cookardinia 5pm. Christmas Eve at Woomargama 7pm. Christmas Day Saturday 25th December at Holbrook at 9:30am, and Boxing Day Sunday 26th December at Holbrook at 9:30am.

I would like to give a THANK YOU to the Staff and volunteers at the local Library for producing the "Holbrook Happenings" as it is a lot of work. We live in an age where communication is important and it is one of our main local outlets to share with the community, well done.

In the Gospel of Luke in Chapter 17 verse 11, is the account of where Jesus healed 10 Lepers, but only one returned to Him to thank him." Let us not overlook saying "thank you" to those who do good things for us. My mother taught me that, "good manners cost you nothing and can get you everything."

Let us say thank you to God for Christmas and the Birth of Jesus because, what would you be doing on December 25 without Jesus?

Best wishes from the Anglican Church at Holbrook and Woomargama. Reverend Stephen Davis, 0429 845 525.

HOLBROOK PUBLIC SCHOOL

Public Speaking Competition: Recently, all students from Kindergarten to Year 6 prepared and presented a speech to their class on a topic of their choice. After this, two students from each class were chosen to represent their year at a school final. Students then entertained the whole school under the COLA with their prepared speeches. The following day, students from Years 3 to 6 presented an impromptu speech to the entire school. Congratulations to all our speakers. They did an excellent job, and we are very proud of them all. Winners of the competition for Early Stage 1/Stage 1, Stage 2, and Stage 3 will be announced at our Presentation Day at the end of the year.

Appointment of new permanent Assistant Principal: Holbrook Public School has been very fortunate to receive and fill an additional permanent Assistant Principal role that will focus on Curriculum and Instructional leadership in 2022 and beyond. All government schools have been provided funding for this position at varying capacities across their schools. Amelia-Kate White will join our team next year and bring a wealth of knowledge and experience. She is currently working at Thurgoona Public School in a similar role, and our school, in every aspect, will benefit greatly from her presence.

In other staffing news, next year (for one day per week), we will also be employing a Digital Classroom Officer to act as an instructional leader for the high-quality integration of technology in all classrooms. Exciting times ahead!

Intensive Swimming: Our intensive program will be held in Weeks 9 & 10 for Kindergarten, Year 1, and Year 2. Due to COVID restrictions, students will be participating in class groups only and will be walking to and from the pool each day. We are certainly looking forward to the warmer weather being more consistent over the next two weeks!

Welcoming our Fishy Friends: Isabel Yensch and Jasmine Lieschke are responsible for caring for our Kangaroo Creek duboulayis, pacific blue-eyes, olive perchlets, and purple-spotted gudgeons, which reside in the fish tank in the office. Bred by Lachlan Nevinson and Megan Adams, the olive perchlets and purple-spotted gudgeons are threatened species. Issy and Jasmine tend to our aquatic friends by scrubbing the tank, changing

the water regularly, and feeding them three times a week. All visitors to our office enjoy engaging with the fish.

Isabel Yensch & Jasmine Lieschke with their fishy friends

Meet Your Buddy: Last Wednesday was our final transition session for the 15 new Kindergarten students starting at Holbrook Public School in 2022. Our newest enrolments met their Year 5 'buddies' who will help guide and support them through their first year at school.

Christmas cakes and gift ideas available in store!

LEST WE FORGET – PRIVATE JOHN M. CARRINGTON

Private John “Jack” Carrington was born in December 1900, the fourth son born to Henry and Annie Carrington. Eager to join his two brothers Douglas and Gordon who were serving overseas, and to fight beside his fellow countrymen, Jack enlisted in the Australian Imperial Force in mid 1916 by putting up his age. He passed recruiters although he was only fifteen at the time. Jack embarked in November 1916 destined for France to join the 3rd Australian Infantry Battalion who had arrived earlier that year. For over two years the battalion took part in operations throughout regions in France and Belgium.

On the 23rd August 1918 Jack was killed while going up from support trenches to the front lines. The stretcher bearer who came to his aid, a friend of Jack’s stated that he had died from a concussion due to the forceful blast of a shell that had exploded close by. He was not killed instantly. A witness claimed he was unconscious until he passed away. Private John Carrington was only seventeen. He is buried in Heath Cemetery in France with the epitaph that was given to all three of the Carrington sons lost to the First World War: Just Safe In God’s Home Port He Is Not Dead. By JRM

SWIMMING CLUB

Although the weather has not been on our side, memberships are up and participation is high.

Squads have record numbers and everyone is enjoying Waterpolo, so hopefully December will see the pool temp rise just a little bit.

The good news is, our club is now a provider for the First Lap Program, a NSW Office of Sport initiative to give all kids the opportunity to learn to swim. Parents of 3-6yr olds are encouraged to take this opportunity.

First Lap Learn to Swim Voucher : The First Lap voucher program provides \$100 vouchers for children aged 3-6 years towards the cost of Swimming Lessons. **Who is eligible:** in kindergarten in 2021, are starting kindergarten in 2022, or have not yet started school. First Lap vouchers can be redeemed at Holbrook Swimming Club and are available to be printed from Dec 1/12/21. Both First Lap and Active Kids vouchers can be redeemed at Holbrook Swimming Club and the club is running the first Intensive Swim School from Thursday 16th Dec. Participants must be a member of the Holbrook Swimming Club for insurance purposes.

See you all next year!!

CRICKET

Saturday 13th November saw all Holbrook teams in all grades falling foul to the wet weather with all matches washed out.

The weather again affected Saturday 20th November with the U16's & B Grade washed out while the A Grade had a bye.

The U13's Gold played Rand at the Ten Mile No 2 & were able to have a win, scoring 99, Jye Livermore (19) & Isaac Matthewson (14) doing well with the bat. In reply, the young Rand team were bowled out for 21. Fergus Glass, (3 wickets) & Cooper Glass & Isaac Matthewson all showed good form with the ball.

The Green team travelled to Brocklesby & had a solid victory, 117 to Brock/Burru 71. Curtis Hallsbree 2/8 & Klay Liddell 2/8 were the pick of the bowlers, while Harry Greenhill (41), Klay Liddell (16), & Chase Liddell (16) led the scoring.

Cricket is set to return to the Holbrook Sporting Complex after the upgrade of the oval & the installation of a new synthetic wicket. Sat December 4th will see the U13's Gold play Osborne in the morning, while the senior game in the afternoon, the A grade will play host to The Rock/Yerong Creek.

TENNIS

The season is underway with the sect 1 team posting 2 good wins in the rounds played so far. Sect 2 and the Sect 3 teams have had limited players available and have yet to record a win. Hopefully this will change soon.

With weather improving and people available with various commitments no longer a cause to not be on court.

The Wednesday afternoon hit up from 5.30-6.00pm is still going ahead for newcomers to the area - just turn up at the courts for a hit or some solid sets.

Annual subs are now due: Family \$130, senior \$60, junior / student \$30.

Ball fees are set at \$7 per match.

A reminder that players must be double vaxxed for the pennant season as well as the hit up. Chas
