## HOLBROOK LIONS CELEBRATE 50 YEARS OF SERVICE

Holbrook Lions celebrated their 50<sup>th</sup> Birthday on 26<sup>th</sup> June 2023. What a milestone! This achievement was only possible by the dedication and service provided by Charter Members, past and current members. Thank you all.

Holbrook Lions were joined on the night by past members, Lions from Walla Walla, Culcairn, Henty and Walwa-Jingellic, the 201V6 Zone Chairman Julie Colley and local community members to mark the occasion.

The celebrations included a two-course meal, a walk down memory lane through old photographs and newspaper clippings (how young we all looked). The visiting Lions Clubs were given the job of talking about their current projects and their Holbrook Lions' memories.

Many thanks to Peter Straw for the booklet containing current members' memories, old photos and a copy of the Charter.

The 50<sup>th</sup> Birthday Cake was of course, a Lions' Christmas Cake, which was iced and decorated by Lion Katie Locke, thank you, and served with coffee and tea. Five lucky seats received a gift bag and three raffle prizes were drawn.

Holbrook Lions look forward to many more years of service in our local community.

## LOCAL RECIPIENT OF SARAH LLOYD SCHOLARSHIP

Lauren Hawkins, a Light Vehicle Mechanic apprentice with Holbrook Tyre Service, is one of three recipients of the Sarah Lloyd Scholarship.

The Sarah Lloyd Scholarship Fund, which was set up in loving memory of Sarah Lloyd by her family, giving female apprentices residing or working in New South Wales the opportunity to apply for a scholarship. It is aimed at supporting other women who wish to work in non-traditional trades and provides the recipients with mentoring and some financial support for tools and other expenses.

The other recipients this year were Michaela Douglas from Sydney, a Marine Mechanic apprentice, and Makayla McMillan from Thurgoona, a Painting & Decorating apprentice.

## EXPRESSIONS OF INTEREST TO PARTICIPATE IN AN AUSLAN WORKSHOP

Please contact Holbrook Library if you would be interested in participating in an introductory workshop which covers the Auslan alphabet, numbers and simple conversation.

**What is Auslan?** Auslan is short for Australian sign language, a language developed by, and for, Australians who are deaf or hearing impaired. It's a visual form of communication that uses hand, arm and body movements to convey meaning. The workshop runs for 2.5 hours and is presented by Diana Nobbs who runs Auslan workshops in the Albury/Wodonga area and is keen to run one in Holbrook. A minimum of 10 participants is required at a cost of \$25 per person. Phone 02 6036 0100 if you would like to attend an Auslan workshop. A workshop date will be set if there are 10 or more people who are interested.

## ANGLICAN NEWS

On Sunday the 25<sup>th</sup> of June we were delighted to welcome ladies from The CWA to our service. We were enlightened about the good work they do around the community and beyond. The service was followed by morning tea, a good portion of which was provided by those who are known for their catering skills, i.e. the CWA Ladies.

The date for **Craig and Sharon Rogers' induction** is drawing near. We look forward to the service on **Wednesday 12<sup>th</sup> July at 4pm.** there will be around 25 people coming from Wagga as well as friends and relatives from the eastern states. Bishop Mark Short will be conducting the induction. We are expecting the church to be full to overflowing. There will be a light supper after the service in the hall so we look forward to seeing you all there.

## RS CLUB BOWLS

With the winter rain well and truly kicking us in the bias not a lot of bowls can be played.

However, the days we can get on the green for a game, it has been worth it. The greens are holding up very well for this time of year, thanks Rowan & Scott.

Please note social days are now Wednesday mornings from 9.30am, Friday afternoons from 1.30pm and Sunday mornings from 10am.

All new bowlers are very welcome to come along and have a roll. There are spare bowls available, and you will get a lesson as well.

Some State news: Jo Merkel is competing in the N.S.W. State Singles on the 20<sup>th</sup> & 21<sup>st</sup> July. This event is sectional play and if Jo wins her section, she will play the final on the 22<sup>nd</sup> July. The event is

being held at the Figtree Bowling Club, Wollongong. If anyone is in the area call in and see some great bowls. Good luck, Jo.

Our last club event was played with Ian Meiklejohn (Mickle Mayhem) defeating Rob Montague (Duck on the Pond) Well done, Mickle.

Our presentation day is coming in September. Date and time TBA.

Keep warm and good bowling, Kui

## HOLBROOK LANDCARE

**Holbrook Drought Preparedness Community Planning Workshop:** HLN has secured individual funds for two events. This will be the first of the two (taking place this year), and the second to be held next year, with details to follow.

With the forecasted El Nino event in mind, this event will bring our community together to discuss ways for us to cope with the potential impacts this drought period will bring, build our resilience and support one another through times of hardship. So that, when the next drought hits:

- everyone knows what the vulnerabilities are within the community
- roles within community
- how groups can work together and with what resources to support community, and
- build stronger, better working relationships with Greater Hume Council

Leaders from across whole of community will be invited to be part of a facilitated workshop designed to set a pathway for future drought preparedness for Holbrook and surrounds. This will be dovetailed in with a dinner showcasing local provenance and ethically produced foods cooked by signature chefs.

### **National Soil Judging Competition - Darwin**

Nick McGrath was back in his old stomping ground of the Top End Tropical Savanna late last month for the 11<sup>th</sup> Annual National Soil Judging Competition in Darwin.

Nick was a judge for the competition, which involved 70 university students and early career scientists from around Australia and New Zealand. They were competing against each other to describe and classify soils in several soil pits.

The participants spent 2 days practising in soil pits located on the outskirts of Darwin, fine tuning their skills in a range of Top End soils.

The competition day itself, was held on a Jackfruit

and Durian plantation at Humpty Doo, and the overall winner was Team Victoria (University of Melbourne and Monash University).

### **Seeding Success: Free Financial Skills Course for Youth in Agriculture**

Friday 28 Jul, - Friday 04 Aug.  
Are you 18-24 and considering a career in agriculture, have just started employment or know someone who is?

RFCS NSW are hosting a free two-part 'Seeding Success' financial skills course where you will learn how you can set yourself up to gain the most from your employment by understanding personal finances as well as future business finance opportunities.

The workshop consists of two sessions:

- A face-to-face workshop on Personal Finances. Youth Law Australia will be providing knowledge of how to interpret your payslip, comprehend employment terms and conditions, awards and contractual agreements and understand the pros and cons of using recruitment agencies. We will then unlock the skills and knowledge to avoid financial snares that many young people fall into and help you to understand your cashflows to create a workable budget.

- An online webinar on Business Finances will build your knowledge further by learning how to commence your own business, understanding the different finance options available and what information is required when approaching banks to streamline the process.

## PROBUS

Our June meeting was well attended in spite of this terrible weather we've been having! President Cathy welcomed our visitors, Helen and Tex Morton. Unfortunately, our Guest Speaker didn't arrive so we updated some of our details and had some fellowship time.

Hopefully we will have our speaker at another time. A lovely roast lunch was then enjoyed by all. Next meeting is 11:00am on Tuesday 25<sup>th</sup> July at the RS Club.

**Meetings should have as few people as possible, but all the right people.**  
- Charles W. Scharf

People who enjoy meetings should not be in charge of anything. - Thomas Sowell

## BOWEL CANCER TEST KITS

Are you filing your Bowel Cancer test kits in the rubbish bin or drawer? If you are, you need to stop and think. Recent surveys in our Local council area and Local Medical District show that the Murrumbidgee region, and even more importantly, the Greater Hume Council area have a higher incidence of Bowel Cancer than the rest of the NSW population.

Any changes to normal habits should be investigated as bowel cancer can strike at any age. More and more younger (fit and healthy) people are being diagnosed with Bowel Cancer.

Bowel Cancer kits and testing are free for those aged 50 to 74 and early detection can mean the difference between successful treatment and possible long-term consequences. Kits should arrive in the mail every two years but are also available to these individuals through National Cancer Screening Register on ph 1800 627 701. Soon some testing kits will also be made available at the Holbrook Pharmacy, if you feel you would benefit from a test please drop in and pick one up.

Bowel screening is important as bowel cancer often develops without any symptoms. The cancer can grow in the bowel for years before then spreading to other parts of the body. It is important to listen to your body, be aware of changes and seek medical advice as soon as possible.

## 80 YEARS YOUNG

Pat Reid was joined by friends to celebrate her 80th Birthday at the "Top Pub" in early June. The amazing food and music added to the atmosphere and made the occasion very special.

**HOLBROOK CHILDREN'S CENTRE**

In the Toddlers Room we have been focusing on sustainability.

We had a visit from Kylie from Holbrook Landcare. Kylie had a look at our worm farm and showed the children pictures of a mountain worm. The children looked through their magnifying glasses and watched the worm wiggle and move.

In the Babies Room we have focused on social, emotional and language development. We have been using our transitional routine times to sing songs and make creative expression through dance.

## 2023 PAUL HARRIS FELLOWSHIP

Rotary Vice-President Rick Bull presented Holbrook businesswoman Vicki Schuur with Rotary's prestigious Paul Harris Fellowship at the group's changeover dinner.

Rick said, "Vicki has joined a remarkable group of people throughout the world, recognised for their commitment to "Service above Self," to benefit local and international communities."

Married to Peter, and coming to Holbrook in 2000, the couple have two daughters Casey and Olivia. Nine years ago, Vicki took over the Holbrook Post Office, then for the past two years, she has operated the Holbrook Newsagency. At the same time as she started the Newsagency, Vicki was involved in setting up the Holbrook Business and Community Development Group, a 355 committee of Greater Hume Shire Council.

Vicki's vision for the committee is that it provides a voice to council. Voices are good, she says, and the committee has shown its value by running two highly successful events: the Christmas Market

and Festival by the Sub. The committee has recently taken over the responsibility for the Holbrook Happenings, making it possible to again have this valuable publication every two weeks. They are continuing the push to have input into Council's Strategic Plan for Holbrook.

Over the years, Vicki has been an active parent involved in the doings at St Patrick's School, as well as netball, and getting the swimming pool back into the water. She is a life member of the Holbrook Swimming Club.

Rotarians asked Vicki what she does for fun. "I bought a Newsagency," she said.

She also does strappings for both the Holbrook Football and Netball Clubs.

On receiving Paul Harris recognition, Vicki said, "we are lucky to live in such a beautiful community. I feel this is very premature (the recognition) – I promise I will continue to serve the Holbrook community, and when I see my way clear, I will join Rotary."

# Advance Care Planning Australia

**BE OPEN | BE READY | BE HEARD**

Advance care planning is an important part of planning for future medical care, particularly for people who are older, have a chronic health condition, early cognitive impairment, or a life limiting illness. You may be caring for someone in one of these situations, or you may be in one of these situations yourself.

Starting the conversation about advance care planning is an important first step in ensuring a person's preferences for future care are known and respected. Having an advance care directive ensures a person's health care preferences are known and respected when or if the time comes. Discussions are best held when the person is healthy, formalising decisions before there is an urgent need or an emergency. It is a good idea to discuss one's wishes with a doctor as well as close friends and relatives. Knowing the person's wishes will help them if there is a need to make decisions on that person's behalf in the future.

## What does advance care planning involve?

There are two parts to advance care planning:

### 1. Appointing an Enduring Guardian

An Enduring Guardian is appointed by a person to manage their future health care if they are no longer able to make decisions. For more information go to the Advance Care Planning Australia or the NSW trustee and Guardian websites.

### 2. Completing an Advance Care Directive

An Advance Care Directive records a person's specific preferences for future health care. This includes treatments they would accept or refuse if they had a life-threatening illness or injury.

An Advance Care Directive will only be used if the person does not have capacity to make decisions or to communicate their preferences.

There is no official format in which an Advanced Care Directive needs to be written. A typed or handwritten letter is acceptable but there are also forms that can be accessed on the Advance Care Planning Australia website or at your local GP practice.

## Where to store your Advance Care Directive

There is also no official place to register an Advance Care Directive in NSW. However, it is

important that carers and other family members have quick access to it if required. Advance Care Directives can be stored in paper or electronic format by:

\* Uploading it onto a My Health Record

\* Including it in a will

\* Giving a copy to a GP or treatment team

'The Advance Care Planning Australia' website ([www.advancecareplanning.org.au](http://www.advancecareplanning.org.au)) provides a range of resources and information for individuals, family, friends, carers and for health care professionals about advance care planning. On their website you will find specific resources for people living in NSW.

'CareSearch' provides easy to understand information on planning for the future when living with a serious illness. Connecting patients, carers and their families with trustworthy resources, their website includes information on Advance Care Planning, Wills and funerals.

Although these conversations are not easy to have, it is very important to plan into the future and record your wishes, and those of your loved ones, for times when significant medical decisions may need to be made.

## HOLBROOK PUBLIC SCHOOL

Holbrook Public School is preparing for a busy Term 3, which includes sports lessons from Flyaway Gymnastics, a visit to the town library, and the Whole School Performance. Despite enjoying their winter break, staff and students are already thinking ahead to ensure a successful Term 3.

**Now taking enrolments for 2024** If you or someone you know has a child due to start Kindergarten next year, it's a great time to enrol them now. Don't wait until the last minute to secure a spot in your preferred school. Starting the enrolment process early will give you time to complete the necessary paperwork and get your child's name on our Kindergarten transition list.

Don't delay; enrol today! <https://enrol.education.nsw.gov.au/#/?schoolCode=2170>

**SAVE THE DATE: Whole School Performance:**

**"Holbrook's Got Talent" - Wed 13 & Thurs 14 September 2023**

Next term, we will once again be holding our annual Whole School Performance at Holbrook Public School. The school performance is a spectacular celebration of the Arts in our school, combining singing, dancing and acting with artwork and props for our sets to create something memorable for our whole school community. Contact the school next term for more information about ticket sales.

**Riverina Cross Country:** Congratulations to Sophie Burey, Braxton McKillop, and Ollie Cardile, who have gained selection in the Riverina Cross Country team with outstanding performances at the event in Gundagai. Sophie, Braxton and Ollie will compete in Week 1 next term in Sydney at the State Cross Country Carnival.

**Would you like to help us earn points and dollars for our school?**

We are collecting recyclable bottles, cans and fruit boxes for Return and Earn. Please ensure these items are clean and free of food, liquid, or other contaminants. This is a simple, easy way to help raise more funds for our students.

## COMMUNITY CHEST SUPPORT FOR HIVE PROGRAM

On Wednesday 28<sup>th</sup> June I was fortunate to be able to attend the Billabong High School and present a cheque for \$500 from our Community Chest funds. These funds will go towards assisting the Hive Project at the school. Ted Bates, who assists with the project welcomed me and accepted the donation on behalf of the school. He also explained to me the reasoning behind the project, as per the following: In lieu of not having an operating canteen and students not being able to go down the street to purchase food and with the increase of living pressures, the school created the Hive.

The concept is simple, there is available fresh fruit and a hot cheese toastie on offer for students to collect and eat. The programme is autonomous in that students assist with the preparation, the running and the cleaning to enable this opportunity to continue. Further to this there is no cost associated for the students, only that they support and help when it's their turn and use their respectful manners.

Holbrook Stores is pleased to be able to donate from our Community Chest funds to assist such a worthy cause within the community.

## CHANGING OF THE GUARD

Holbrook Rotary President for 2023-24 Scott Beattie was inducted by District Governor Elect Stephen O'Connell at the changeover dinner held at the RS Club a week ago.

Scott announced his team on the new board which included – Murray Jones – vice president, community services; Rick Bull – secretary, Foundation; Milt Golenberg – Treasurer, public officer; Craig Rowe – catering; Belinda Izzard- youth; Marg Geddes - Rotary International; Jenny Kane – publicity; Kerry Morton - membership.

Taking up the leadership mantle, Scott said priority will be given to encourage new members, working as a team, community service, and at the end of the day - having fun.

While outgoing president Murray Jones admitted he didn't save the world, he reported on a long list of activities that took place during his watch. Community service, entertainment and fund-raising events included: Christmas in July at Morven Pub, selling raffle tickets for Henty's Respite Home and catering at Henty Machinery Field Days; providing Christmas lights and tree, supporting the Christmas market and night shopping event; running a popular poker run on Australia Day from Holbrook to Henty, Pleasant Hills, Walbundrie, and Gerogery. Rotary supported the Holbrook Rotary Triathlon, and organised a 4WD day visiting Rosewood, Manus Lake, Manus Falls, Mundaroo Fire Tower and Rosewood Club. Catering took place at the Hicks Bull Sales, Bull's Lambpro Sheep events, Community Garden Opening, the Schools Sheep Fair, and Bunnings BBQ in conjunction with the Community Gardens. The shed to house Rotary's catering equipment at the Men's Shed is almost complete and a grant of \$100,000 for the off-leash dog run was successful. Focus on Youth involved supporting two short term exchange students Audrey Lieschke (Italy) and Madison Lieschke (Germany) and their counterparts; as well as sponsoring three participants Tadhg Scholz, Oscar Preston, and Nikita Stevenson on the Tall Ship Sailing Challenge from Adelaide to Melbourne.

*Stephen O'Connell, Scott Beattie, Craig Rowe, John Cox*

This year's donations totaling \$24,775 included local youth programs \$7,193, Polio Plus \$1000, Wheelchairs for Kids \$500, Rotarians against Malaria \$300, Betty's Place \$500, Country Hope \$300, Make Me Mobile Albury/Wodonga \$300, Holbrook Xmas Late Night Shopping \$10,148, Woomargama Family Assistance \$800, Blaze Aid \$800, Shelter Box for disaster aid following floods in Pakistan and earthquakes in Turkey \$1,000.

## JULY IN THE GARDEN

**Maintenance Tasks:** July is a good time to get out into the fresh air. Don't be scared about pruning back roses, they like a good cut back. And when you've finished pruning them, give them a spray with lime sulphur.

Now is also the time to prune deciduous trees, including fruit trees. This not only promotes growth but pruning keeps the trees in good shape too.

July is the perfect time to feed citrus. Spray them with white oil to control the nymphal stage of bronze orange bugs and mites.

Don't forget to mulch your garden or vegetable beds. This will help prevent weeds and will feed the soil as it breaks down.

**Planting:** It's the perfect time to plant deciduous fruit trees while they are bare-rooted. There's a huge variety to choose from.

Fruit trees are a great asset in the garden because they provide beautiful, luscious fruit. And they have the added bonus of pretty, showy blossoms in spring, and coloured leaves in autumn. Some fruit trees are self-fertile, which means they produce fruit even if growing on their own. Peach and nectarines are good examples. Generally, others such as apples, pears and Japanese plums need more than one tree for cross-pollination to ensure they yield. When you're buying your fruit trees, get some in-store advice about this as well as the best trees to grow in your area. Plant your fruit trees in a sunny spot. Always dig a hole larger than the roots and add plenty of compost in the hole and surrounds at planting time. Also, stake your tree for support and protection against the wind.

## AND YOU HAVE A LOVELY DAY!

This greeting will no longer be heard as an era has come to an end.

Holbrook's township postie, Michael Haynes has parked the motorbike and hung up the parcel scanner. After 15 years, Michael ended his contract with Australia Post on June 30<sup>th</sup>.

During this long period, residents have embraced Michael's enthusiasm and appreciated his courtesy and dedication in providing the Holbrook township residents with a reliable and efficient mail and parcel delivery service. An enormous "thank you" to Michael. We all wish you well in the next chapter of your life.

A big "thank you" also to Michelle Haynes, the chief township mail sorter over this period, whose address knowledge is priceless and who may now be able to put her feet up.

Welcome to our new postie, Helen Towse. She has been a Holbrook resident for many years and is enthusiastic about her new role. Helen is very capable and ready to negotiate any challenges that may lie ahead. Please make her welcome.

### FREE GARDEN MULCH

Bedding straw left from livestock shows is available to collect from the Holbrook Sporting Complex (near the south-east gate and in the large nearby shed).

Take as much as you would like but you will need to load it yourself.

### HAPPENINGS ADVERTISING RATES

Please note that there has been a small increase in the cost of advertising in the Holbrook Happenings.

This is to assist in covering the cost of price rises in both paper and printing and is the first change in prices for some years.

The new advertising rates are shown in this issue of Holbrook Happenings.
