

NATIONAL MEALS ON WHEELS DAY CELEBRATION

Meals on Wheels Day 2023 celebrates 70 years of serving up #morethanjustameal to older Aussies. **Thursday 31st August at 2.00pm, we are hosting HIGH TEA** at the Holbrook Library meeting room. All current and past volunteers and clients or interested people are invited to attend. For catering purposes, please give us a call to RSVP on 02 6036 3677. National Meals on Wheels Day recognizes the outstanding contribution of our wonderful volunteers, who ensure older Australians remain nourished and safe at home every day. We offer gratitude and thanks to all 14,000 volunteers in NSW, and the growing band of individuals and organisations that have come on board who continue to support us. Their efforts have made us stronger and more focused than ever, and this annual celebration recognizes their contribution to our service.

It shows great community spirit that people are freely stepping forward to give their time to help others. We are only able to provide a hot meals service in Holbrook 6 days a week thanks to volunteers! Not only do our volunteers provide meals deliveries, they provide a social support assistance by helping with shopping, paying bills or other needs, transport to appointments, gentle exercise sessions, outings and our Cooking with Friends group (pictured).

We have had many volunteers over the years who have provided many, many years of service. This year Holbrook volunteers being acknowledged on the NSW Meals on Wheels Volunteer Honour Roll are: Mr Ken Hulme - 53 years

Mrs Sharyn Bartels-Waller - 28 years
Mrs Anne Keogh- 21 years
Mr Robert Langford - 20 years

Congratulations to them and all our wonderful volunteers, past and present! You are the lifeblood of our organisation, and we could not provide such a wonderful service across the Greater Hume Area without you all!

We are participating in the 5000 Step Challenge this year. The challenge starts on the 5 September and runs until 1 October 2023. By participating you just need to record your daily steps from the 5 September to the 1 October 2023. We will provide you with the pedometer (if you don't have one) and the information you need to record your steps. Even if you don't want to participate in the challenge join us for a walk.

Going for a walk is a great way to enjoy the outdoors, get some fresh air and exercise.

Each Tuesday we will meet at the Knox Hall at 9.30am to take a leisurely walk on flat and even foot paths in the area, catch up with our friends and most importantly keep moving! We might even stop and have a coffee on the way.

WOOLPACK INN MUSEUM

The Woolpack Inn Museum thanks all their supporters who voted in the recent Essential Energy Community Choices grant process. The outcome was fantastic for our community with the museum coming in at 4th place for Zone 3, thus winning \$1,250. These funds, together with materials donated by the Pincott Family of Holbrook Paddock Eggs, will be used to undertake some restoration works on the old 'Hillside' school house located within the museum's precinct.

FROM THE LIBRARY

Book Week runs this week, from the 19-25 August and so in the lead up to Book Week, Holbrook Library invited the infants children from St. Patrick's and Holbrook Public schools to enjoy a visit from a children's book author. Debra Tidball is an award-winning author of picture books, short stories, poems and plays for children. With qualifications in social work and children's literature, Debra has a particular passion for picture books and the profound way they can touch children's lives. After introducing her latest book *Anchored* to the children, Debra engaged the kids with some fun activities, including step by step instructions on how to draw the little tugboat character in her new book.

To follow is a review of three of her books that we have at Holbrook Library. They are all beautiful books to share with your child.

Anchored is the story of Ship and Tug who are connected by bonds of love despite being oceans apart. In a world where so many parents are separated from their children due to work and/or living arrangements, *Anchored* is a reassuring book. It reminds children that they are firmly anchored in each other's hearts.

When I See Grandma Debra weaves the past and present together throughout the story. Each present day moment is balanced with an illustration of Grandma's past when she was young and healthy. The book explores the themes of losing those who are close to us, a topic that is often hard to effectively convey to children. Gentle in nature, *When I See Grandma* is a beautiful construction of family history and how memory and love are passed down generations.

The Scared Book is an interactive picture book packed with fun and humour. What makes this book unique is that the book is actually a character itself, hence the title "The Scared Book." While children are having fun interacting with the book, they're also learning about the physical signs of feeling scared, as well as strategies to cope with these feelings.

No cost and morning tea provided.
Please phone 0260360100 to book your spot.

MEN'S TABLE - ENTRÉE EVENT

After the 19th June gathering in Holbrook and hearing good feedback from local connected men of all backgrounds and ages... we feel confident an Entree Event is welcome in this town, and is not going to mean someone has to take a job or more labour!

Monday 11th September 2023 in the upstairs room at the "Top Pub". There are spaces limited to 14 so please book your spot at the table.

18.30 Arrive and order dinner, 19.00 kick off, 21:00 - Close. Registrations include a meal (BOOKING required): <https://themenstable.org/hume-holbrook11sep/>

The Men's Table is all about men serving men. It is a registered charity which creates a unique environment for men to share openly about their lives, their challenges, their highs and lows with a group of men who they learn to know, like and trust.

The Men's Table creates a sense of belonging, community, peer support and camaraderie that is lacking for many men, even for some who already have a group of mates. There are no membership fees to be part of a Table; it's a grass roots activity driven by men in the local community

Find out more on The Men's Table website – www.themenstable.org. For more information, you can contact Michael Collins on 0450 612 358 or via email at michael.collins@themenstable.org.

LITTLE BILLABONG HISTORY

Research is progressing well for the book "Stuck in the Median Strip Remembering those buried at Little Billabong".

This book is not just the history of the cemetery and those buried there but also encompasses some of the history of the district.

I have some photos but am hoping that some of the readers may have more photos which would help compliment the book. Once again full recognition will be given to contributors.

For more information contact me on email: cherylcrighton@bigpond.com or by mail "Bringa" 187 Mooney Road, Gaeta, Qld 4671.

Thank you for your support, Cheryl Crighton

"Life doesn't make any sense without interdependence. We need each other, and the sooner we learn that, the better for us all."

DYING TO KNOW DAY - 30TH AUGUST

'Dying to Know Day' is a health initiative that empowers all adult Australians to be strong self-advocates for their own personal planning when it comes to their future.

'Dying to Know Day' urges adults of all ages to take individual action and improve their knowledge around their plans and choices for their end-of-life. It encourages adults to prioritise self-advocacy when it comes to end-of-life planning and to embrace their unique and personal choices, so they truly align with their values and wishes. 'Dying to Know Day' seeks to encourage the 'tough conversations' now, to reduce the anguish, distress and grief experienced by loved ones later. And to take action, thoughtful action, that starts the process of advanced aged planning.

Australians can 'get dead set' by proactively planning to:

- Capture their choices in writing.
- Prepare their send-off.
- Have conversations with people important to them.

Murrumbidgee Local Health District Palliative Care Services together with the Holbrook Local Health Advisory Committee (LHAC) are holding an event on **Wednesday August 30th at 9.30am - 12.15pm, at the Holbrook Library Meeting Room.** This event aims to empower everyone to have informed conversations around their choices for end of life however far into the future that may be. Morning tea will be provided prior to the beginning of the session.

The MLHD Specialist Palliative Care team will provide a short education session about the team and what supports they offer, followed by guest speakers from the local area offering information around topics such as:

- The importance and preparation of wills, enduring guardianship and power of attorney documents
- Funeral planning
- Superannuation

ANGLICAN NEWS

There is not a lot happening this fortnight. Every Wednesday at 10.30am a small group of enthusiastic ladies meet at the Anglican Centre for craft & a cuppa. It is an informal gathering & everyone brings their own craft to work on. A great time to share ideas & encourage one another.

If you are interested you would be very welcome. Operation Christmas Child is a project of Samaritan's Purse. It is a hands-on way for you to bless children in need across the world by filling shoeboxes with toys, hygiene items, school supplies and gifts. Boxes are distributed in the name of Jesus Christ to children in vulnerable situations.

The mission of Operation Christmas Child is our mission – to provide God's love in a tangible way to children in need around the world, and to share the Good News of Jesus Christ. Last year more than ten million shoeboxes were sent to children in over 100 countries. **Can you help bring joy this Christmas?** You can donate goods or just give some money to help with postage or allow somebody involved with it to buy gifts to use in the shoeboxes. **Contact Sharyn on 0428 566 802.**

LITTLE BILLABONG PUBLIC HALL

The Little Billabong Public Hall will be celebrating its Centenary in December 2024 and research has commenced to collate the history of the hall.

What is needed are photos, please. Any photos pertaining to the hall would be appreciated. Whether it be from a 21st birthday, concert, fundraising night, Christmas celebration etc. Full recognition will be given to those who contribute. For more information contact Bruce Strong at email: bruwstro@bigpond.com or Elaine Strong.

SPECIAL MORNING TEA AT GRIMWOODS CRAFT SHOP & TEA ROOMS

Fathers' Day is fast approaching and Grimwood's would like to invite Dads to come and have a lovely Morning Tea with us on **Saturday 2nd September from 10.30am** at the shop - **83 Albury Street Holbrook.**

"Just remember, you are not alone, in fact, you are in a very common place with millions of others. We need to help each other and keep striving to reach our goals." *Mike Moreno*

HOLBROOK LANDCARE

Nick ran a Murray Salinity and Hydrogeological Landscape Training Day at Mullengandra recently, as part of the West Hume Landcare and Murray Local Land Services Salinity project and the Refreshing Rivers.

The workshop's aims were to identify:

- The processes involved in dryland salinity – salt land, salinity, salt load, urban salinity, and the variability within the Upper Murray.
- What is the Hydrogeological Landscapes (HGLs) framework, and how it can be used for salinity management in the Upper Murray.
- How information will help “day to day business” of landholders and advisors.

There was a good gathering on the day and it was a great opportunity to host extension staff from across the region and learn from the greats - Andrew Woolridge (Woolley) and Allan Nicholson (Nico) from NSW Department of Primary Industries. To complement the informative speaker presentations, the attendees visited an active salinity site and another that has been successfully treated; learning about the landscape processes that cause salinity and what

can be done about it.

The Millenium Drought gave us a break from the issue but the wet periods in 2010-2016 and more recently have recharged some groundwater systems, and we do have some localised issues that are a source of salt loads into the Billabong Creek.

Think you might have a problem? *We can do a few simple EC measurements of the water and soil, look at the landscape and try and pinpoint what might be going on.*

YOGA IN HOLBROOK

Yoga in Holbrook has been established for several years now and many local students have enjoyed the benefits of what yoga has to offer. Some students come for the movement wanting to stretch more, others for mindfulness and relaxation. Whatever the reason, there is more often than not, the welcome discovery of a sense of total wellbeing.

I have been practicing yoga for 20 years and teaching casually for over 15 years. Over these years yoga has supported my overall health and wellbeing. Through the practice of asanas; which are the yogic postures designed to support the functionality and movement of the body. I like to encourage students to feel what their body needs to balance with their daily activities and work. For example, if we are repeatedly bending forward during the day then movements in an opposing direction brings a sense of balance to the body.

The yogic practices of breath awareness and mindfulness have enabled myself and students to find a sense of calmness in the busyness of life and through stressful times. Breathwork and mindfulness can help us to find space and create an openness to be in the present moment.

Let yoga support you to function with greater ease in your daily life; create a sense of general wellbeing so that you can live the life you want to live; working, travelling, being with family, playing sport and generally having fun.

Join me for the Spring/Summer session of Yoga in Holbrook each Wednesday at the Library Complex, commencing on Wednesday 13th September. There will be two classes; one at 9.30am and then at 5.30pm. Both classes will be suitable for all levels from beginners to more experienced students, women and men.

Spring/Summer classes will focus on tuning in to your body... Exploring how is my body and mind? What will support me? What will connect me to the present moment? Whether you play team sport, walk, run or do other exercise modalities, yoga is a practice that supports and compliments these activities.

ST PATRICK'S SCHOOL

Pray: August provides many opportunities for liturgy including the solemnities of Mary Mackillop of the Cross and The Assumption of the Blessed Virgin Mary. These rich liturgical celebrations provide opportunities for the children to reflect on themselves and how they treat others.

We also celebrated a prayer service in memory of Father Terence. All in attendance lit a candle and reflected on Father Terence's contributions to our school community. A Memorial Mass will be held on Monday 21 August in Holbrook starting at 5.30pm with his funeral taking place in Culcairn on Thursday 24 August 12.00pm.

Live: Students at St. Patrick's school live by the values of respect, reverence, responsibility and resilience. One way we are helping the children build these skills is through our whole school STEM program. Working in multi-age groups, students complete tasks which are designed to encourage critical thinking, communication and cooperation. These important skills are crucial for our children to function beyond their school years. Our next challenge, to align with Book Week, will see them create a picture book in a given period of time.

Learn: On Tuesday 15 August Dr Andrew Watson, Director of Catholic Education in the Diocese of Wagga Wagga, visited our school. Dr Watson visited each classroom where the children excitedly shared their learning. It is always a great pleasure to host guests to our school to share the innovative teaching and learning that takes place here.

Enrolments are now open for 2024. For all enquiries please contact the front office 6036 2288 to make an appointment to have a tour of our facilities. We know you will love what you see! Transition to School Packs are available via the front office or from the Greater Hume Children's Services Holbrook Centre.

May God's Blessings be with you all, Melanie Dusterhoft Mavrack, Principal

ST PAUL'S
COLLEGE

Empowering students to embrace the future with confidence

HOLBROOK PUBLIC SCHOOL

Education Week: Holbrook Public School recently

held an Education Week Open Day where students showcased their learning. The event

focused on literacy and numeracy, with families participating in classroom activities. Students were excited to share their progress, allowing families and friends to see how much they learned. The school's commitment to learning was evident, and the event was an excellent opportunity for parents to see their children's progress and engage in their education. Overall, it was a successful and positive event promoting our school's education.

Tenpin Bowling: On Friday, 11 August, our tenpin bowling team (Blade M, Preston F, Ethan F and Harrison F) participated in the Inclusive Schools Sport Riverina Competition. Our team displayed impressive teamwork and excellent sportsmanship, representing our school in the best possible way. They did a fantastic job and secured 3rd place in the competition. We are proud of our team for their incredible performance and positive attitude towards the sport.

Book Week 2023, themed "Read, Grow, Inspire", is happening this

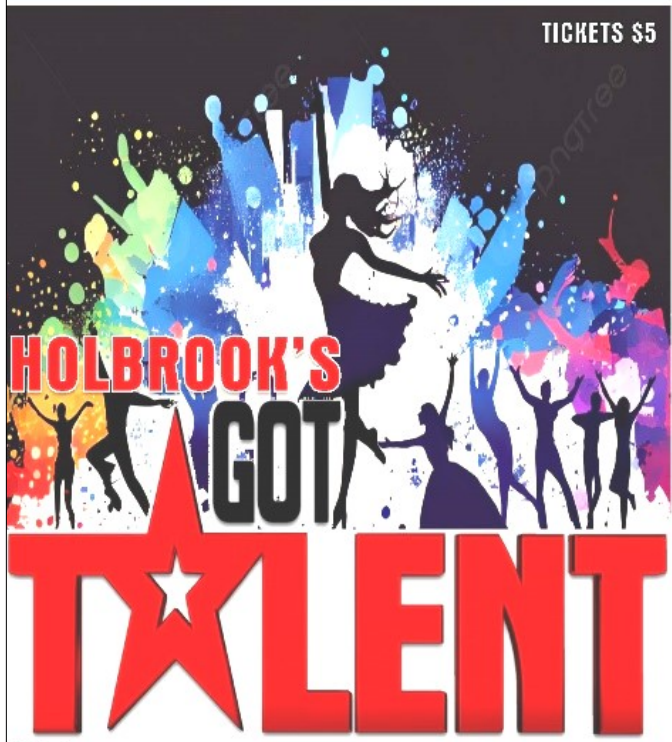

week. The event encourages people of all ages to pursue reading and its benefits. On 24 August, our school will be a hub of activity as our book character parade and book fair come to life. The event promises to bring joy and excitement to the students, parents, carers and staff alike. Get ready to read, grow and inspire!

TICKETS ARE ON SALE NOW! Whole School Performance: "Holbrook's Got Talent": Hurry up and grab your tickets for the ultimate school event, available for only \$5 at the school office. Don't miss out on the experience of a lifetime. Guarantee your spot now to avoid disappointment.

Holbrook Public School presents our
2023 School Performance
Wednesday, 13 September: 1 pm and 6:30 pm
Thursday, 14 September: 6:30 pm

NSW Education For more information, please call Holbrook Public School on 6036 2021.

Now taking enrolments for 2024: Our doors are open for Kindergarten 2024 enrolments. If you know of families with kindergarten-aged children, we ask you to share the information regarding enrolments and transition programs or direct them to the front office for a tour! <https://holbrook-p.schools.nsw.gov.au/about-our-school/enrolment.html>

Education's purpose is to replace an empty mind with an open one. – Malcolm Forbes

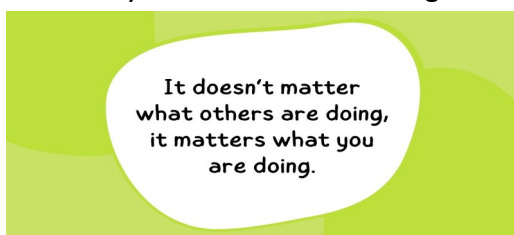

BIG SMILES AND BIG TITLES AWARDED IN 2023 HOLBROOK WANABROOK

August 13, 2023: It was a top weekend to mark the latest round of the 2023 Riverina Motorcycle Club's Championship here in Holbrook. With all the Final Moto's complete, 2023 winners have been crowned under grey skies and atop the track at "Wangoola". There was an overwhelmingly positive verdict from competitors and onlookers alike.

Over 120 class entries in total, ranging from the 4-year-old Nippers to veterans closer to 50. Riders travelled from as far away as the ACT, Albury-Wodonga, Balranald, Baulkham Hills, Canobolas, Condobolin, Cooma, Deniliquin, Forbes, Griffith, Leeton, Panorama, Temora, Wagga Wagga and Young. There were plenty of honours going to those riders to make their trip worthwhile. The whole day was a great success marked by some great camaraderie between competitors, who ranged from several aspiring champions to plenty of club-level riders who simply get out there to enjoy themselves. Many machines were able to contest more than one class so that certainly kept the riders very busy.

Results were acknowledged with placegetters in each class receiving an award, but overall, the most telling outcomes were sentiments expressed at those presentations. Without exception, riders praised and thanked the club for organising the meeting which has become a 'must-do' for many riders. A huge thank you to our officials, sponsors and helpers and special mention to Wagga VRA for first aid and our own Holbrook Rotary for wonderful catering.

PLANT PICK PLATE

I recently tuned into a rural radio program while travelling and was captivated by the topic of discussion. An innovative wool grower looking to value add to her clip, had developed small wool pellets to apply to the garden as mulch and fertiliser. I am fully aware of the beneficial properties of wool, providing comfort and warmth as clothing, it's insulation properties in building products through to the extraction of moisturising lanolin oil from the fleece. The creative pursuits and tactile applications of using wool are vast when spun, felted or weaved.

However, I was not aware of the application, nor the benefits, of raw wool used in the garden. Apparently, the permaculture and organic gardeners world wide have been using this wonderful natural product for many decades, as have a creative group of home gardeners. I was flabbergasted, how did I not know this?

The pellets are just one product available. Wool matting is effective for large areas in controlling soil erosion and in orchards by keeping tree roots cool in summer and safe from frosts in the winter. Wool is naturally biodegradable, lasting up to 2 years, breaking down to add nitrogen fertiliser to the soil over this period. It also assists in retaining water and is effective in weed control. As a home gardener, the fact that the raw wool fibre is rough and therefore repels slugs, has my utmost attention.

The innovative wool grower utilised the coarse crossbreed fleece in her pellets due to its low monetary value, however gardeners who have access to any fleece, give it a try. I am now on the look out for waste wool, the dags, skirting and bellies that have little value to the wool grower to place on my productive garden.

Passionate Gardener, June.

RS CLUB BOWLS

With Spring just around the corner, the Bowls season is not far away. Social Bowl numbers have increased especially on Sundays. A great roll up 13th August. What a difference a bit of sunshine makes. Well done to the winners and participants. Times for Social Bowls Wednesday 2pm, Fridays 1.30pm and Sunday morning 10am... All welcome and new bowlers don't be shy to come down and have a roll.

A few events for your calendar: **Annual General Meeting** 17th September from 12pm, after Social Bowls. Also, Presentation Lunch after the AGM. There is a list on the notice board in the bowls office and, also in the back bar. Bring your partners and make it a great day. **The President Cup** will be held on 23rd & 24th September. Grade 5 and below Put your names on the sheet if you are interested. **Odewahn Shield** will be held in October, TBA on commencement date. **Marj Winnett Invitational Pairs** 10th & 11th November. **Trevor Craig Triples** 25th & 26th November. **Pennant** will commence in January under the same format as this year.

Also, start thinking about **Twilight Bowls** in November. Four weeks of fun competition, with the Gavin Duckworth Jones system in place and conducting the event. New teams very welcome to join. *Good bowling and keep your line. Kui.*

TENNIS The new tennis season is just around the corner with the proposed start date 7th October to be confirmed. The Holbrook Tennis Club will be entering two teams this upcoming season - Sect 2 and Sect 3A. Any new players to the area are invited to come along for a hit - usually on a Wednesday afternoon, starting early/ mid September, or call Stephen Parker on 0428 362 143 or Emma Jane Musgrave on 0429 687 051.

SWIMMING CLUB

As we get closer to the warmer weather and the season opening of the Holbrook Pool, it's time to start to get ready for The Holbrook Amateur Swimming Club's regular Point Score and Squad Training. **The Swim Club AGM is being held at the RS Club on Tuesday 5 September at 7pm.** Everyone is welcome, so if you haven't been involved before, or are new to town, come along and find out what is planned for the season.

HOLBROOK R&D Home Maintenance

For all your home maintenance

Painting, tiling, plaster, repairs, bathroom,
laundry, and reno's.

» **No Job Too Small**

ABN 33 146 093 819

Ring Rod 0418 675 193

RECYCLING

Aluminum Cans &
Clean Foil Containers

Steel & Empty Aerosol Cans

Remember your yellow-lidded recycling bin is not for scrap metal and steel - only food and household packaging metals are accepted like aluminium cans (e.g. soft drink cans), and steel cans (e.g. food, pet food tins). Remove any food and make sure any aerosol sprays are empty before popping them into the yellow lidded bin.

Easy!

**LIONS CLUB OF
HOLBROOK
TOWN GARAGE SALE**
