LIONS CLUB OF HOLBROOK AUSTRALIA DAY SERVICE

Many thanks to Father Jomar for opening the Service at Holbrook with the Prayer to Australia.

Jenni Wines gave an informative update on the Holbrook Community Gardens.

Rotary Pride of Workmanship Awards were presented by President Scott Beatty, Jenny Kane and Rick Bull to Gavin Dusterhoft and the staff of St Patrick's Primary School, Rhiana Richardson (Holbrook Hotel) and Taylah Schirmer (Holbrook Children's Centre)

Lions Club of Holbrook recognised the valuable contribution over 50 to 60 years of the Anglican Op Shop to the community. Currently it has 32 volunteers making up 11 shifts per week. A presentation made by President Elizabeth MacLean.

Thank you to Colin Strong for the Australian Flag and to James Bartels - Waller for the sound and music.

Brekky was enjoyed with a chin wag. The new building at the Holbrook Sporting Complex proved to be an excellent venue, after the threatening weather resulted in a change of plans. Congratulations to all award recipients and thank you to all those that attended.

Recognition for the Anglican Op Shop volunteers, represented by Christine Musgrave, Sharon Bartels-Waller & Irene Lister

OLIVER KILLALEA - 100 YEARS YOUNG

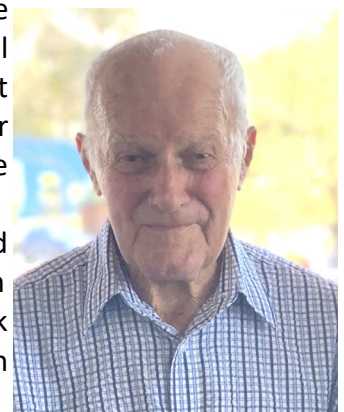

On Saturday 10 February family and friends gathered in Holbrook to help Oliver Killalea celebrate his 100th birthday.

Oliver was born in Wagga and enlisted in the Army from 1942 to 1947 and served in Papua New Guinea (1 year), Bougainville (1 year), Morotai (6 mths), Japan (1 year) and Australia (16 mths). During this period he served with the 47th Battalion, 67th Battalion, 3rd Battalion, 2/1 General Regiment and on several other small assignments.

He moved to the Holbrook district in 1959 and spent the first 10 years at Lankeys Creek, before moving to Annandayle and finally Killandayle, where he has lived for the past 45 years.

Oliver has always been heavily involved in his local community. He is a Life member and Patron of the Holbrook Show Society, was on the Agricultural Societies Council (ASC) for 4 years, President of the Australian Poll Dorset Society and Captain of 3 different Bush Fire Brigades (Lankeys Creek, four Mile and Wantagong), in addition to being a member of the Country Fire Authority (CFA) for 74 years.

He is still keeping himself active, drives himself to attend luncheons and attend "Old Men's" meetings, while enjoying his retirement living happily on his farm. Oliver believes that some of the benefits to living in the Holbrook district include the medical support, access to a local hospital, Meals on Wheels and the Returned Services League.

HOLBROOK LANDCARE

Landholder Advisory Committee Meeting: If you are involved in this group, don't forget that our next meeting will be from 12 noon at the HLN office on Tuesday 27 February.

Changes on the Holbrook Landcare Board: The most recent meeting of the HLN Board saw a couple of changes, with Colin Geddes stepping down from the Chair for a well-deserved break after holding the position for many years. The Board thanked Colin for his years of service and welcomed Marcus Richardson to the position, with Angela Avery stepping up to the Deputy Chair role.

Update on the Refreshing Rivers project: As part of Refreshing Rivers, we have been on the monthly water quality monitoring run on creeks around the Upper Billabong so we can get some idea of what the range of water quality is like. There are only 2 gauges in our catchment so very little data. Last week Kylie and Jo also took eDNA samples to get a snapshot across the catchment of what might be living in the creeks - with lower water levels - hopefully easy to detect and maybe even uncover the Platypus' secret hiding place! We are still interested in hearing any sightings or info - call Kylie 0418 198 522. This monitoring is supported by the NSW Government's Environmental Trust in partnership with Murray Local Land Services

Southern NSW Birds on Farms Events: The Southern NSW Birds on Farms project team invite you to celebrate at BirdLife Australia's 4th Birthday event & bird walk on **Saturday 2 March**. This is a chance for landholders, birdwatchers, volunteers and project partners to catch up and celebrate project achievements. The day will begin with a bird walk through the woodlands of Wirraminna Environmental Education Centre, followed by morning tea, short presentations and project updates, then a delicious lunch.

On **Friday 8 March** celebrate International Women's Day with the Birds on Farms teams, to celebrate the passionate contributions local women make to our birding community and to bird conservation more broadly.

RSVP to Rhonda Vile to join them at a local birding hotspot! (rhonda.vile@birdlife.org.au)

Birds are indicators of the environment. If they are in trouble, we know we'll soon be in trouble.

PROBUS

Our first meeting for the year was quite well attended although we had a few members on the sick list. Hope you are all feeling like your old selves again.

A big thank you to Jill Winnett who read us two of her poems. One in particular called 'Aussie' was just extraordinary. A talented lady.

Our guest speaker was Liz Plunkett (assisted by her daughter, Phoebe) who told of her family's fantastic trip to Italy last year. 'Cinque terra' (which means 5 towns) was their principal area of the trip, Phoebe's choice after completing school. Liz's photos were gorgeous(a few funny ones included!) and her commentary even better!

Thank you Liz and Phoebe.

Our next meeting is Tuesday 27th February at the RS Club at 11:00am. All welcome!

ANGLICAN NEWS

We have had to do a little maintenance on the church hall. The fascia boards had given way and the guttering had sagged. Fortunately it was repaired quickly and our thanks go to the repairmen for their time and expertise.

The time is getting closer for the **Mainly Music** programme and we have already had some interest so we are really excited. We hope to start in early March.

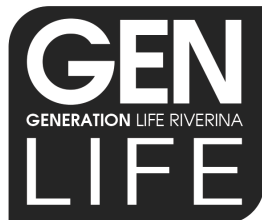

There is a Ladies craft group every Wednesday in the Church Parish Centre. A small group of ladies meet to do whatever craft they do and have a natter and a cuppa. If you would like to join them call Sharyn on 0428 566 802.

Speaking of Wednesday, last Wednesday was Ash Wednesday, which in the Christian tradition, marks the start of the holy season of Lent, a time for reflection and repentance in preparation for the celebration of Easter. The period of Lent lasts for 40 days. To repent means choosing to change direction, act a new way, turn towards God. Or simply stated, stop what you are doing because you know it's wrong, and turn towards God with the intention of never doing it again. It's not such a scary thing.

The **Harvest Festival** is coming up on **Sunday 25th February**. We all bring the fruits of the harvest including making of goodies, the church service is based around the theme of harvest followed by much fun and frivolity as the goodies are auctioned off for outrageous prices to raise money for a special mission.

The **World Day of Prayer** is being held at the Anglican Church on **Friday 1st March at 10 am**. All people are welcome whether you are a church goer or not.

Gen Life Riverina Church meets every Sunday at 10am at 81A Albury St Holbrook, (opposite the Police Station)

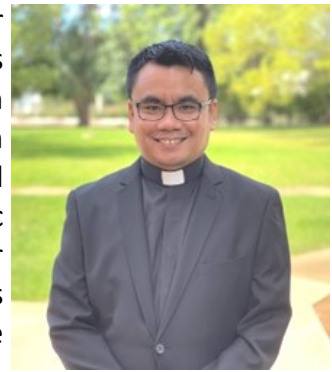

Come on down for a fellowship & a chat, coffee & morning tea.

For any enquiries please contact Matt Bennetts on 0408 296 203

HOLBROOK COMMUNITY GARDENS

On Saturday 24th February 2024 a free bus trip to Beechworth, including lunch, is planned. The bus will leave the Holbrook Library Complex at 8:15am. Community members are warmly invited to attend. The bus accommodates twenty people and will be available to those who sign up first. Please note there is a sign-up sheet in the Holbrook Library. This free trip - made possible by a grant from FRRR - has also been advertised on the Community Gardens FB page. Our last bus trip was a wonderful day out for all.

Monday 12th February was a very busy and hot day in the Community Gardens. The sprinkler system was well checked out for the summer heat and is in good working order, thanks to Kevin. We are fortunate to have such expertise among our members.

The cherry tomatoes (delicious to all palates) were removed and - those remaining after grazing by attendees - distributed. The empty beds were readied for planting seedlings and the carrots sown. Weeding and cutting back receives weekly attention. Our first rockmelon of the season was harvested and unanimously pronounced delicious.

Squash, apples and cucumbers are still being picked weekly.

We invite community members to join us, whatever your level of expertise. We meet every Monday morning at 9am. It is a happy place to gather.

HOLBROOK PUBLIC SCHOOL

It's been a hectic month. Our new and eager Kindergarten students are slowly getting to know the routine; we held our annual swimming carnival, put on our widest smiles for the school photographer, and invited parents to our school information sessions.

School Swimming Carnival: On Thursday, 8 February, we held the annual school swimming carnival at the Lavington Swim Centre. Seeing so many students participating in as many races as possible and encouraging their teammates was terrific. Five records were broken at this year's

carnival. An excellent effort!

All-age Boys 25m Freestyle – Parker D (25.00) broke Orlando W's 2023 record (26.50).

8 Yr Girls 50m Freestyle – Poppy S (54.06) broke Abby Pincott's 2018 record (54.12)

11 Yr Boys backstroke – Cess L (49.25) broke Ewan Mackinlay's 2014 record (54.16).

11 Yr Boys butterfly – Harry P (57.37) broke Ewan Mackinlay's 2014 record (58.13).

Senior Boys Individual Medley – Harry P (3.44.16) and Cess L (4.04.94) broke Lachie Holmes' 2014 record (4.26.18).

Senior Boys Relay – Paterson (3.02.01) broke

Lawson's 2015 record (3.08.22)

The Resilience Project: During the January school holidays, the P&C Committee operated the canteen at the 3-day Berragoon Production Horse Sale, which was a huge success. The goal was to raise sufficient funds to enrol Holbrook Public School in the 2024 Wellbeing Project run by The Resilience Project.

The P&C and staff are very excited as they believe this program will positively impact our community. They look forward to working with students to improve their resilience and wellbeing this year. They are thrilled to announce that they raised more than enough money to fund this program, taking home a profit of \$13,000 for the school. The P&C could not have done this without these generous sponsors.

ST PATRICK'S SCHOOL

Greetings to the Holbrook Community

Pray: Last week we celebrated Shrove Tuesday with a pancake feast. The student leaders were responsible for planning the whole event from writing the shopping list to cooking the pancakes. It was wonderful to have Father Jomer come and join us for our pancake lunch. On Wednesday we joined parishioners for Ash Wednesday Mass to signal the beginning of Lent, a holy time that prepares us for the Easter Season. Our students spend the forty days of Lent fasting, almsgiving, and prayer. Fasting for children may include giving up TV or chocolate, almsgiving is about giving to those less fortunate and prayer assists us in our spiritual growth.

Live: Last week staff and students concluded their second full week of school, however on the calendar it was officially the third week of the term. In that time our Year 3- Year 6 students participated in two refresher swimming sessions before joining the students of St. Joseph's Culcairn at the Culcairn Public Swimming Pool for a combined swimming carnival. As a result of that carnival several of our students are progressing to the next level and will compete at the Albury Deanery Carnival on Tuesday 27 February. We wish them good luck on their progression.

Learn: The first couple of weeks of the school year are set making strong classroom routines and ensuring students have an understanding of the school norms. School norms (or rules) are a set of expectations that are determined collaboratively to ensure a deeper understanding. At St. Patrick's we focus on building respect, reverence, responsibility and resilience.

A huge congratulations to our Kindergarten students who have settled into school life like rock stars!

HOLBROOK VACATION CARE

Holbrook Vacation Care was an absolute blast! Our Christmas week was filled with festive cheer, from decorating mini gingerbread houses, to singing and dancing to Christmas tunes. In January, we ventured out to the local surroundings, first to the skate park, we got our adrenaline pumping as we tried new tricks, then we soaked up the sun as we took a dip at the local Holbrook pool. Another highlight was Crazy Day where we embrace our wild hairstyles and laughed until our stomachs hurt. Our trip to Wagga Wagga Zoo was a memorable adventure, surrounded by animals and fascinating exhibits. And amidst all the excitement, our meditation day provided a serene retreat, allowing us to unwind and find some peace before school went back. From exhilarating activities to tranquil moments, every day at Holbrook Vacation Care was an unforgettable experience, filled with friends and fun.

We look forward to more adventures for our next vacation care that we will be running in April 15th-26th. *From Mikala, Kasey and Oliva.*

PLANT PICK PLATE

Productive gardens are in full swing at this time of the year. Apples and summer citrus require harvesting, tomatoes are ripening on a daily basis while sweet corn, cucumbers and pumpkins have plumped up and are maturing. The quick growing vegetables such as spring onions, lettuce and radish provide light summer salads. All this delectable bounty available for our plate is also attracting a variety of bugs into our gardens.

An array of insects, whether it be flying, crawling, sucking, wriggling or chewing will devour ripening produce in no time at all. Some of these bugs are in my garden which subsequently piqued my interest in alternative natural pest control methods and products.

It is well known amongst gardeners that the aroma from Marigolds and Basil will deter pests and that a beer bath will attract snails and slugs who then drown in the sweet liquid. A sprinkling of borax will kill ants and of course there are many variations to add that claim to be most effective.

Homemade garlic spray is used by many and again variations using chilli or onion mixed with soapy water will halt chewing and sucking bugs when applied regularly. I plant sacrificial Nasturtiums amongst my vegetables as alternative bug food with some success. A lesser known natural control is a bath of cooking oil to attract earwigs with the addition of soy sauce for increased effectiveness. I am yet to try this but maybe it will also attract the slaters infesting my garden.

The only sure way to exclude bugs from any garden is fully netting the whole area which is not always practical. At present, I plant extra and am prepared to share a little of my produce with the bugs.

Passionate Gardener, June.

REWARDS FOR HOME BREWERS

Did you know that there is a competition section in the Holbrook Show for home brewers? The Riverina Hotel is sponsoring this section in 2024 with \$50 in prizemoney up for grabs for the best home brew beer, ginger beer, cordial and cider.

We are putting the finishing touches on the official schedule so keep an eye out for that. A number of changes have also been made so that there will be a competition suitable for all interests, ranging from stuff you make or things you grow. Ph 0427 832 803 for any enquiries.

TENNIS

The tennis season is at the pointy end of the season with the last round of home and away on Saturday 24, with finals commencing March 2.

The **Sect 2** team have secured their berth in the finals with a hard fought win against ladder leader Walla North Walla 9/74 to 7/70 games. The team sit in 3rd spot behind Walla Nth Walla on 46, Henty on 44pts, Holbrook on 41pts and Jindera 34pts. So the Holbrook team can still secure a top 2 finish, depending on results in the final round this coming weekend.

Sect 3 season is pretty much done after a big loss at Pleasant Hills 15/95 to 1/38 - leaving the team 8 pts adrift of 4th spot on the ladder - Howlong 50 pts, Walbundrie 45pts, Gerogery West 38pts, Pleasant Hills 37pts, Jindera 30pts, Holbrook 29pts. Prior to the drubbing at Pleasant Hills the team scored a good win at Gerogery West by 40 odd games to keep in the mix, but after the Pleasant Hills match, the team can start planning March activities. The team did enjoy the social aspect after "the drubbing" though, at the Pleasant Hills pub.

Wednesday night tennis will continue until the end of Daylight Saving. We have a catering job at the Holbrook Show (24 March), coming up for those willing to help out and also the town triathlon. The club AGM date will be advised shortly.

DAD'S ARMY GOLF

8 February: Winner Mark Lowry, 22 pts, 2nd Mark Winnett 17 pts, 3rd Vic Derbridge 16 pts on c/b. NTP 10th Mark Winnett, 14th Tony Castles, 16th Mark Lowry.

15 February: Winner Jimmy Maskus, 21 pts, 2nd Tony Castles 20 pts, 3rd Vic Derbridge 17 pts. NTP 3rd Jimmy Maskus, 5th Jimmy Maskus, 9th Tony Castles. naga Lawrie Ryan.

The local pennant team playing in the Hills pennant competition has won their final match which put them on top of the ladder. The final is to be played between Holbrook and Welaragang at Holbrook on Sunday 18th February. Hoping to be able to bring the news of a Holbrook win, next issue.

We have a number of golf clubs and club covers in the golf room. If you have lost any of these in the last couple of years, please come and collect.

LADIES' GOLF

Walwa - Holbrook Ladies: Liz Keogh, Liz Plunkett and Sol Webb played in the Walwa Golf Club's Australia Day 3 person Ambrose on January 27th, along with another 81 players.

61.5 Nett was not enough to be in the money, however, Liz Keogh did win the Longest Ladies' Drive. It was a great day out.
