## HOLBROOK HOSPITAL

Today Holbrook Hospital received a generous donation of Trauma Teddies donated by the Australian Red Cross.

Thank you to all our local teddy knitter volunteers who support with this amazing cause.

Please see images below of Pat who volunteers as a Teddy knitter for the Australian Red Cross who stopped by to bring joy and comfort to children accessing our HealthServices.

**Over 1 million children have cuddled a colourful, comforting Trauma Teddy since we first started hand-knitting them back in 1990.**

Trauma Teddies provide care in so many ways:

- comfort to children fleeing bushfires, floods and other emergencies
- a warm welcome to refugee children
- company in a speeding ambulance
- friendly security in hospital
- a happy face in a lonely time.

At last count, more than **600 volunteer knitters** and knitting groups hand knit Teddies in Australia. They lovingly craft around **50,000 Trauma Teddies a year**. That's a huge number of children who each year receive the care of a teddy bear.

It takes about 5 hours to knit and finish each Teddy. By our calculations, that's a whopping **250,000 volunteer knitting hours** each year – or a mind-blowing **7.5 million volunteer hours over the past 30 years**.

Every Trauma Teddy is lovingly put together. They must also pass a quality control test to guarantee comfort and safety. **Thanks for Trauma Teddies and the knitters who make them.**

## A DAY OUT AT THE MUSEUM

Join us on Saturday, April 26th, for our Open Day! We'll be welcoming visitors starting at 10:30 AM, with entry through the front door. For those requiring disabled access, the side gate will be available. The official program will begin at 11:00 AM with the grand opening of our newly refurbished Military Room. Thanks to generous grants from the NSW Government Office for Veterans Affairs and the Commonwealth Government, we've been able to bring this project to life.

Light refreshments will be available for the official party, and visitors can enjoy a light lunch or morning tea for a small fee.

Take the opportunity to explore the museum and experience "Stepping into the Past." Don't miss our newly refurbished bar and entry room, where you'll find three stunning historic photos of the Criterion Hotel on display, adding a unique charm to the area. Throughout the day, enjoy activities such as soap making, spinning, and weaving. Kids will have a blast with the "Find the Object" hunt, the "Try Me" table, and large wooden outdoor games. We look forward to seeing you there!

Pictured above is a Wallaby Bike. Designed for children with polio who couldn't use their legs, this bike allowed them to use their arms.

## DEMENTIA MORNING TEA AND GUEST SPEAKER IN MAY

The Holbrook  
Dementia Alliance  
group is excited to

announce a guest speaker from Dementia Australia, Lance Dale who is the Consumer Engagement Coordinator. He advocates and helps people engage in the community and raise awareness and understanding of Dementia and will give us an insight of his role, resources and how we can help our communities be Dementia friendly. With his guidance we aim that Holbrook and the Greater Hume can be Dementia friendly communities where people feel supported and valued and have a social network to help them with their challenges.

Did you know around two thirds of people living with dementia live in the Community, learning more about dementia can help you support them.

Our morning tea is on the **Monday 5<sup>th</sup> May at the Holbrook Sporting Complex at 10 – 11.30 am. Everyone is welcome.**

We hope everyone in our community can be involved especially businesses and other community groups to meet with John Cox and Lance later in the afternoon, **(approximately 2pm) at the Meals on Wheels Community room.**

**Mortimer Shield** - A big congratulations to our Year 5/6 Mortimer Shield Teams who competed in Albury on the 3rd April. Our girls competed in the League Tag and boys in Rugby League (tackle). Both teams played very well and worked as a team! 'Players of the day' were awarded to Clare C and Logan M. A big thanks to Mr Liddell, who assisted in coaching the girls team.

A big thanks to **Greater Hume Council** who provided the opportunity for 'The King & Queen of Greens Realm of Rubbish' show to visit Holbrook Public School. This show taught students from Kindergarten to Year 6 about recycling and using the new 3 bin waste collection system.

**Riverina Rugby League Trials** - Last week Zayne, Zye & Henry B travelled to Wagga to trial for the Riverina Rugby League team. All boys gave it their all scoring tries & showing a high level of skill. Congratulations to Henry B who was selected in the team to travel to Sydney next term to play at the State Championships!

**School Cricket Team** - HPS Knockout Cricket team played [Lavington Public School](#) almost a fortnight ago and came away with a great win. Our team bowled out Lavington PS for 44 runs with a consistent effort by all of our bowlers. Our opening batters ran some quick runs and we were able to get the runs with the loss of only 1 wicket. Thanks to all the parents for transporting our students into Albury and to Mr Liddell for scoring our game.

**Cross Country** - Last Friday all students from K-6 participated in our school cross country. ## PLANT PICK PLATE

Many years ago there was a major infestation of borers in the parks' English elm trees. Most were saved with use of insecticides but others could not and required removal. These destructive pests will also attack garden ornamentals, some shrubs and fruit trees by eating out the bark and soft tissue beneath eventually ring barking the trunk resulting in killing the tree. The borer is the larvae (caterpillar) of a moth which chews the bark and tunnels into the stem or trunk then eventually emerges as a beetle.

I have just discovered these destructive borers in my ornamental weeping apricot tree. They have been there for sometime as the bark has been eaten three quarter of the way around the trunk and up onto lateral branches. The fabric (frass or sawdust) which coats the borers hole is evident along the trunk and limb joints with sap bleeding and pustules protruding on the branches, all indicators that the tree is under attack.

I have had this tree ear marked for removal as its foliage is not dense enough to shield the house from the western sun so I didn't show a lot of concern for the poor thing. That was until after checking my other fruit trees, I found another family of borers in my Moorpark Apricot tree. Now this tree has a full canopy and produces juicy apricots each year. Something must be done.

I scraped away the frass to locate the borer holes which at each evident location. Armed with a small syringe full of Malathion insecticide I attempted to fill each hole. Much dribbled onto the eaten bark and down the body of the tree but hopefully I applied enough to eradicate the borers. In sympathy, I also treated the weeping apricot although its days are still numbered.

**Passionate Gardener, June.**

On Sunday 6 April Jessie Power, of the Harry Jarvis Wing hosted a party at the local sporting complex for more than 120 people to celebrate her 100th birthday the following day. There was also a morning tea celebration at HJW on her birthday. Jessie was born on 7 April 1925 and grew up on a dairy farm in Hazelwood North Vic with two brothers and two sisters. Given that she was raised in country Gippsland Jessie showed a remarkable sense of adventure and resilience. Jessie went to Melbourne aged 16 to obtain her nursing qualifications. With WW11 moving people around it was not long before she was attracted to Alex in his Airforce uniform and sporting a large handlebar moustache. Eighty years ago they married in Morwell Vic in 1945. Jessie then took the big step of moving to Perth WA where she spent the next 9 years until 1954 when they returned to Melbourne with three children. Here the

family grew to a total of seven children, two boys and five girls and as a result Jessie's time was fully occupied running the household. It wasn't long before Jessie and Alex together with the three youngest (all girls) left for a most adventurous four year sojourn to Bangkok Thailand. While Alex worked for the Universal Postal Union - Jessie adopted the role of a United Nations Expat's wife with ease and thrived in this new and exciting environment. Jessie took on considerable volunteer work with the Australian-New Zealand Women's Group, Jim Thompson Foundation and Red Cross. That four years turned into eight years before the family returned again to Australia. Jessie's circle of friends were now spread across the globe Jessie continued her passion of exploring new countries and cultures, visiting friends and touring through much of Asia, Europe, Canada, America and Africa. Jessie and Alex were regulars at the Keilor Golf club where they played well into their eighties. In 2004 Jessie and Alex moved into Bridgewater Estate a retirement village where they made lots of friends and enjoyed an active social life for many years. Alex passed away in June 2010 followed by Susan, their third child in September of the same year. Fortunately, Jessie made the move to Holbrook to be with two of her daughters at the very beginning of Covid and by 2020 had settled easily into life at the Harry Jarvis Wing. Jessie is now the matriarch of a very large extended family.

## HOLBROOK CAMPDRAFT 2025

The Holbrook Campdraft Committee is excited to share with our local community that the annual Holbrook Campdraft will take place at the Holbrook Equine Centre from April 25th to 27th, 2025. This much-anticipated event showcases the thrilling sport of campdrafting and promises an action-packed weekend.

We warmly invite spectators to join us for the event and support our canteen, which will be open throughout the three days. As a small but dedicated committee, we take great pride in bringing this event to life and look forward to welcoming everyone.

Expect to hear familiar local names over the speakers, alongside competitors who have travelled from afar to be part of the competition. We are incredibly grateful for the generous support from our local farms and businesses, whose sponsorship and cattle contributions make this event possible.

Saturday night will feature live entertainment by the talented Lisa Wilson, along with an exciting Feature Cut Out event under the lights. With preparations well underway, we are looking forward to a great weekend.

## GREATER HUME LOCAL IILYSH RETALICK 2ND IN AUSTRALIAN IDOL

Iilysh Retaliick, a Year 12 student from Billabong High School and a proud Greater Hume local, was runner-up in the Grand Final of Australian Idol! What an amazing achievement.

Born and bred in Culcairn and a self-proclaimed 'checkout chick' at the local Foodworks, Iilysh's journey to stardom is an inspiring testament to her hard work, dedication, and passion for music. Right from the beginning of her Australian Idol journey, Iilysh has wowed the nation with her powerful voice and undeniable talent.

The Greater Hume community has rallied behind Iilysh, and the immense support has been crucial in propelling her to this remarkable achievement. From community watch parties and video messages to special 'Iilysh' sausages, Greater Hume has shown community spirit and indicated just what level of support regional communities are capable of for each other. The outpouring of votes has been a true reflection of the love and pride felt by the whole of Greater Hume.

## Meals on Wheels: Nutrition, Safety, and Support at Your Door

Meals on Wheels, “More than just a meal”—it provides a vital welfare check and connection for people living at home who need extra support.

Every delivery includes a balanced meal tailored to the needs of older people and those recovering from illness or surgery. But the service is just as much about checking in as it is about feeding someone.

**Welfare Checks-** Our volunteers are trained to look out for anything unusual. If a client doesn’t come to the door, seems confused, unwell, or has changes in their usual routine, the team takes action. This may mean calling a family member, a health service, or emergency services.

These simple check-ins have helped catch serious health issues early, prevent hospital admissions, and in some cases, save lives.

For many clients, the person delivering the meal is the only face they see all day. That quick conversation or friendly greeting is more than social—it’s a safeguard. It provides comfort to clients and reassurance to their families.

**Supporting Independence -** Meals on Wheels helps people stay in their own homes for longer. Having a reliable meal service reduces the risk of malnutrition and supports recovery and long-term health. When combined with daily welfare checks, it becomes a lifeline that supports safe, independent living.

**A Local Service You Can Trust -** Home Support & Meals on Wheels Greater Hume Area coordinates this service for people aged over 65 across our region. We work closely with My Aged Care to make sure people get the support they need, when they need it.

We can also help you with Transport, Personal Care, Domestic Assistance and Social Support. Why not join one of our groups and meet some new people?

To access service or find out more, you can call us on 02 60363677 or contact My Aged Care on 1800 200 422 ☎ [www.myagedcare.gov.au](http://www.myagedcare.gov.au)

## SPORT AT ST PATRICK'S

Like any school, sport plays a significant role in the lives of all the students at St Patrick's. Every day, students are involved in formal and informal sporting activities. St Patrick's has a vibrant and active sporting culture.

Students begin their day with morning fitness. These 10-minute sessions may be playing games, completing an obstacle course, doing yoga or gymnastics or preparing for athletics or cross country carnivals.

Formal PE lessons occur on Fridays, where students are exposed to various sports and activities. Drills and games take place which involve students developing skills and importantly, having fun often playing sports of which they are unfamiliar. We have a very well-equipped sports shed with equipment for many sports and fitness activities.

**Sports Carnivals** Each year we join with our friends from St Joseph's Culcairn for combined swimming, athletics and cross-country carnivals. Swimming takes place at the Culcairn Pool, athletics at Alexandra Park in Albury and cross country at the magnificent Holbrook RSL Golf Club.

Our school often joins with St Joseph's to compete in events such as the Paul Kelly AFL competition and the Jackie Murphy netball carnival.

**Sporting Pathways** Following these respective carnivals the top place getters then compete against schools from Albury and Corowa. From this they progress to competing against students from schools across Wagga Diocese. From this carnival it is onto the MacKillop carnivals in Sydney with students from Catholic schools from Sydney and southern NSW. Top place getters then compete in the NSW PSSA carnival against all schools, including those from the Riverina.

The opportunity to represent the Wagga Diocese and then onto MacKillop at NSW PSSA carnivals exist in all sports. Our students have often attended trials for netball, AFL, cricket and other sports.

Being a small school, our students have many

opportunities to participate in sports at a school and inter-school level be it representing St Patrick's, the Wagga Diocese or MacKillop.

## Election day is Saturday 3 May 2025.

You can vote at any polling place in your state or territory on polling day. Polling places are usually located at local schools, churches and community halls, or public buildings.

### Voting before polling day

Hundreds of early voting centres will be open progressively across the country from Tuesday 22 April 2025 and will run up to and including Friday 2 May.

Check the opening dates as not all early voting centres are open for the entire two-week early voting period.

**All early voting centres will be closed on Easter Monday, 21 April, and Anzac Day, Friday 25 April.**

### Interstate voting

If on polling day you are outside the state or territory where you are enrolled, you will need to vote at an interstate voting centre.

If you are unable to get to a polling place to vote in the federal election, you may be eligible to apply for a postal vote. This means your ballot papers will be sent to you in the mail for the election. Carefully consider your options as voting early in person may be an easier option than voting by post.
