Holbrook Under 12's Green headed to Osborne for what was going to be a close match.

Holbrook won the toss and fielded. It was their best fielding performance of the year which along with some very tight bowling put a lot of pressure on Osborne. Hamish Livermore took 2 catches and Jim Henry and Oscar Preston were Excellent behind the stumps. Bowling was very good with very few extras. Jed Davis 2/7, Jim Henry 2/20, Izak Schirmer 1/3 Osborne ended their innings with 101.

Holbrooks batting was solid with four batters retiring. They kept the runs ticking over with some excellent running between the wickets and some unselfish options down the order. They achieved the runs with 4 balls to go.

Wil Jenkyn 27, Izak Schirmer 15no, Jim Henry 14, Maddie Black 11no. The match was played with excellent sportsmanship from both sides. Holbrooks manner and attitude was fantastic. (see photo page 6)

BOOK REVIEW King

Rich by Joe Bennett

King Rich is set in post-earth quake Christchurch .

A man sets up residence in a toppling hotel after the city centre has been cleared of residents .

Meanwhile in London, an expat on the verge of marrying an English man talks to her mother living north of Christchurch , but the question of the whereabouts of her long estranged father surfaces and she makes the impulsive decision to go back to Christchurch to see if she can trace him. This is the story of Annie and Rich. Rich battles the demons and his failing health while Annie meets her father's friends and foes and discovers the reasons that he left her and her mother without any contact, many years before. I really enjoyed this story after spending two weeks in New Zealand with the final day spent walking around Christchurch City centre which is still under construction after 8 years. Available from Bolinda Digital or reserve from Tumut Library

HOLBROOK LANDCARE

The Common (or Indian Mynah) is an introduced bird common in cities and towns. It has been spreading in our region over the last couple of years and we are now seeing birds in our local area. It has been in the district for a few years, usually on-farm around silos etc. Recently we have spotted it crossing the highway at Mully. Although not often a problem in the bush, it does displace native species in our farmland and is a competitor of the already limited hollows and nestboxes. Control of the few birds now may prevent them from establishing in numbers.

This is different to the native Noisy Miner—it is a brown to black bird with distinctive yellow feet and beak. Come and pick up a factsheet, or go to

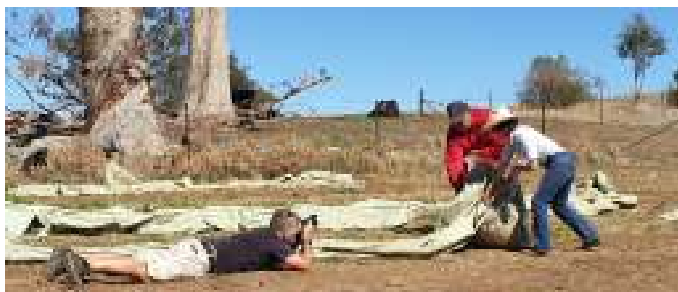

<https://www.pestsmart.org.au/pestsmart-common-indian-myna/>

Next week is the annual **Wild Pollinator Count**—we want to know what bees, flies and other insects are on your flowers and crops. We have the ID guides at Landcare or you can find the info at www.wildpollinatorcount.com.

If you are looking for a school holiday activity, there is a **Squirrel Glider Stagwatch** at Gum Swamp, Walla Walla, on Friday 26th April (4pm-6pm).

ANGLICAN CHURCH NEWS

The Holbrook Anglican Church is continuing to spread the word of God after we farewelled our rector James Coats and his family. Services run at 9.30am every Sunday morning and we welcome locals and visitors to the town alike to share God's word. We are blessed by the presence and leadership provided by Reverend Doctor Grant Bell, who is leading the worship during the period where we search for a replacement. Dr Bell is currently the head of St Martins College at Charles Sturt University at Wagga Wagga, an Anglican residential co-educational college. Easter Services at Holbrook Anglican Church will include a Good Friday service at 9.30am and an Easter Sunday service, again at 9.30am. Meanwhile, the church would like to thank the Holbrook Show Society for its award for the best show window leading up to the event. It was a wonderful example of two community organisations supporting each other, with the display put together by Jeanette Reid.

THE HOLBROOK OP SHOP HAS A NEW HOME

The Op Shop, which is run by a group of dedicated volunteers, has shifted to 112 Albury Street, the former home of the town's wool stores.

It has taken a massive effort from a huge team but the stock has been unpacked and the doors will open on Monday.

Holbrook Anglican church congregation member and op shop stalwart Irene Lister has largely been responsible for organising the logistics of the move and said the new premises would offer a larger space to show off items.

"We are really thrilled with the displays and the goods we have for sale, which people can now see clearly," Mrs Lister said.

"It was a big decision to move but we are delighted with how everything looks and cannot wait to open the doors and welcome visitors."

The former Op Shop, which will continue to trade for some time to sell off existing stock, had been rented from Robert Peardon for 29 years and parish council paid tribute to Mr Peardon for providing a home for the business over that period.

It is expected the new op shop will be open for limited hours during Easter, to take advantage of passing trade.

The volunteers have unpacked a large range of winter goods which have been held over for the opening, with high quality jumpers, coats and winter wear now on display.

Income from the Holbrook Anglican Op Shop is devoted to the provision of a rector for the parish, but also acts as a service to the town by providing high quality goods at a reasonable cost.

Furniture sales will continue at their existing site next to Lieschke Motors.

Rotary Club of Holbrook

You too can help fund a cure for melanoma

Jay's Longest Melanoma March spanning 50 days; 2000 kms from Adelaide to Sydney, will pass through Holbrook on Thursday May 2. Jay and his team of walkers will chat with children from both schools to deliver vital sun safe messages.

Supported by The Rotary Club of Holbrook, everyone is invited for a night of Musical Bingo and fun at the RS Club on Thursday 2nd May starting at 6.30pm to raise funds for melanoma research, meet the team and hear Jay's story. Funds raised through Jays Longest Melanoma March 2019 will support a clinical trial combining radiation with immunotherapy for patients whose melanoma has spread to the brain.

Rotarian Jen Parer said the walkers are now underway and their progress can be tracked on <http://live.com.au/wheres-jay/> "Donations can be made to the Rotary Club of Holbrook if people would like to donate locally or they can donate directly to the charity and get a tax break at: <http://donate.melanomamarch.org.au/cms/Donate>." Follow Jay's longest march on social media and learn more about melanoma, and information on how to get free skin checks. Although only five walkers accompany Jay on any given leg for safety reasons, people keen to join in the walk can email jaysmarch@melanoma.org.au.

Finding a cure for melanoma is close to Jay's heart. He was 32 years old when diagnosed with melanoma. A typical Aussie bloke, husband, dad, son and mate to many, he went from being a truck driver to cancer patient. Jay underwent immediate surgery and treatment and 10 years on, fighting fit and fighting for the cause to help raise awareness and find a cure for melanoma which kills one Australian every five hours. The Holbrook link: an enthusiastic member of Jay's team is Tony Locke, a cousin to the Holbrook Lockes. He is walking the 2000km with Jay and will catch up with family members during his whistle stop epic trek through the local area.

BENDIGO BANK - Giving Back to Locals

Holbrook Bendigo Agency held an information night at the local RS Club on 28th February 2019. The full local team were on hand to give advice about all your banking needs. Bendigo is the 5th largest bank in the country, as well as supporting local organisations, so are well worth considering when you are looking around for a banking service.

On the night we also gave away two x\$250 cash vouchers based on names of organisations which had been put into a hat. The winners were the Holbrook Men's Shed and the Holbrook Women's Bowling Club. I had the chance to present the winning cheques to each of these organisations and I was surprised to find out how big the Men's Shed shed was and the range of resources they had. I was not surprised by the joyful and joking camaraderie that happens when 9 men get together with a cuppa and talk about things they like to create.

I Look forward to seeing the shed and its volunteers grow. I strongly urge that if you have the opportunity to become involved then you will take away more than what you give.

I then had a lovely cuppa with the ladies from the Bowling Club after just a quick game of bowls.

HOLBROOK PUBLIC SCHOOL Year 6 shone on April 3 and 4. They attended the **Peer Support Camp** training at the Great Aussie Holiday Park, where they participated in canoeing, high and low ropes, cooperative games, the flying fox, not to mention learning about how to run a group successfully. Each and every person found challenging aspects, but not one baulked, or gave up. They will continue to grow in their leadership capacity. We are extremely proud of our Year 6 team.

After a long tournament, Byron Flewin and Jye Livermore defeated Reuben Wilton and Isaac Bennetts, in a close **Boccia Final**. The grand final was played in front of a large, and very appreciative, audience. Well done to all teams. Several players were chosen to represent Holbrook Public in a knockout competition. **ANZAC Day:** Our school ANZAC service was very well run by our school leaders. They led a solemn ceremony that was well attended by parents, Mr Ian Harpley from the RSL and our guest speaker, Captain Craig McLeod. Captain McLeod spoke about how lucky we are to live in Australia, and how it is important for us to emulate honesty, fairness, mateship and empathy. The school choir sang a lovely rendition of 'The Last ANZAC'. Thank you to all the parents who donated flowers for the wreathes.

Remember, the Holbrook Community ANZAC service will be held on 25 April, and all students are invited to march as part of our school. We assemble at 10:30am on Hume Street, wearing full school uniform, and commence the march at 10:45am. We have been fortunate to have Maggie Jameison and Kasey Henry, two students from Billabong High School, for **work experience**. Both girls experienced time in all classrooms and were real assets to our school.

Thanks girls, you are welcome back any time. **Multicultural Public Speaking**, an optional co-curricular activity, held on 10 April, showcased our excellent public speakers. All entrants spoke very well and delivered their prepared, and impromptu, speeches with authority. Georgie, Hattie, Annabel and Indi will now go on to represent our school. Thanks kids! The **Easter Activities** saw many fantastic hats and some very strange hair dos! The parade was entertaining, the barbecue was delicious and the huge Easter raffle was hugely successful. Thanks to our wonderful P & C. Congratulations to all the winners.

It was great to welcome St Pat's School to our **Easter Scripture Service**. We would like to thank our scripture teachers for their efforts during the term, and the service, which was very professionally and well run. Seven students attended a **debating workshop** in Wagga on Thursday 11 April. We look forward to many discussions, with rebuttals, as they practise and hone their skills. **Izak Schirmer** was selected in the Riverina AFL team to play at state. What a huge achievement! Izak is a very talented and versatile athlete, and it is wonderful to see him involved, and succeeding, in so many sports. On the other hand, his teachers are seriously thinking of pasting a cut-out in his desk so we remember what he looks like! Miss Lavis' maths group, have enjoyed building robots, using our recently purchased Lego Mindstorm kits. They then went onto coding, requiring them to create a sequence to guide their robot through a set course. The class displayed real perseverance, through much trial and error.

We wish the whole school community a happy, safe and restful holiday. **School resumes for teachers on Monday 29**

FOOTBALL

Round 1 versus Henty:

Holbrook seniors lost their first game of 2019 against Henty at Holbrook, however they won plenty of admirers with a brave display against the highly-rated Swans. The Brookers fought hard to lead by 9 points midway through the last term, before a late flurry by Henty saw the visitors prevail by 15 points. Holbrook unveiled a few recruits, with brothers Brendan and Andrew Dess (2 goals), and Andrew Dear proving their worth. Aaron Baker (Otway Bistro award) and Isaac Lampe kept Swan Damien Cupido goalless for three quarters, before the former AFL player broke loose late with 3 timely goals. Andy Taylor (Riv Hotel mug) celebrated his 100th game with an impressive display in defence, he often linked up with Brock Knights and Corey McCarthy to send the footy forward. Holbrook's prospects were hobbled early with some wayward kicking for goal, thankfully Lachie Trethowan (3 goals) and coach Matt Sharp (2 goals) made their kicks count. The Brookers best passage of play came in the last term when Cooper Walsh (Zambrero voucher) fired a pass to Lachie Holmes, who then passed to Lachie Trethowan who slotted the goal.

Reserves: Holbrook 6 14 50 Henty 4 2 26 **Goals:** Tyler Lampe 3, AJ Bender, Nick Cottrell, Lewis Bowen. **Best:** AJ Bender, Bailey Martin (Zambrero), Dave Tassell (Riv Hotel mug), Lewis Bowen (Kezza's Kitchen), Will Nichols (Sportspower), Lachlan Casey, Charlie Harbison (Players' player).

Round 2 versus Jindera:

Holbrook notched up their first win of the season on Saturday by overpowering Jindera at Jindera. Trailing by 2 points at the last break, the Brookers charged away thereafter to prevail by 29 points. The win came on the back of a top effort by Holbrook's defence in the second half, they restricted the home team to only 3 behinds in that period. Backmen Andy Taylor, Brock Knights, Isaac Lampe, and Luke Carman responded to every challenge from the Bulldogs. In the all-important midfield, Brendan Dess (Riv Hotel mug) won a stack of touches through hard running, while ruckman Randal Taylor relished the task of competing against a huge opponent in Michael D'Arcy. Andrew Dear (4 goals) and Andrew Dess (4 goals) formed a two-pronged attack, they were often on the end of some handy work from Corey McCarthy (Otway Bistro) and Lachie Holmes. Coach Matt Sharp was upbeat after the victory, he singled out Cooper Walsh (Zambrero) for his unwavering commitment from the outset.

Reserves: Jindera 10 8 68 Holbrook 7 11 53 **Goals:** Tyler

Lampe 3, Jeremy Lim 2, Nick Keogh, Jake Muller. **Best:** Jeremy Lim (Riv Hotel mug & Players' player), Dave Tassell (Sportspower), Tyler Lampe (Zambrero), Scott Tassell, AJ Bender (Kezza's Kitchen), Charlie Harbison.

BILLABONG HIGH P&C News: Our AGM was held Tuesday, 26 March and all positions were declared open and the following people took on positions: President: Rayne Le Busque, Vice President: Geoff Roulston, Secretary: Julie White, and Monque Doig stayed on as Treasurer. The committee would like to thank those who attended the meeting and became members on the night. Our next P&C Meeting will be held in the school common room, on Tuesday, 14 May (Week 3 Term 2). It would be great to see parents and carers attend. **Japanese Visitors:** We hosted an annual visit of Japanese students. Our visitors spent time in classrooms and with local host families during their stay. Many thanks to our students who made them so welcome, taking time to teach them how to kick a football and involving them in many conversations. A **National Remembrance Service** was held on Friday, 29 March 2019 at Hagley Park, Christchurch, New Zealand for the victims of the Christchurch terrorist attack. As a mark of mourning and respect we flew the Australian National Flag and NSW State Flag at half-mast. As a school community we continue to educate our students to understand different points of view and demonstrate compassion for those in need.

ST PATRICK'S SCHOOL Students were relieved and excited to commence holidays last Friday. Students will return to school on Monday 29th April.

The school annual cross country carnival was held on Holbrook Golf Course in perfect weather. The course was presented in superb condition for which we thank Holbrook RS Club and the Golf Club. Champions were Oscar, Ty, Lachie, Cruz, Willa, Isla and Neve. Our school team of 15 students will now compete at the Wagga Diocese cross country carnival to be held in Holbrook on Monday 6th May. Students enjoyed joining with 540 NSW primary schools and 40612 primary students in the big vegetable crunch last week. They munched on carrots, capsicums, cabbage, celery, lettuce and mushrooms during the morning. The aim of this activity is to encourage children to eat more vegetables.

We continue to actively support the Melanoma March which will pass through Holbrook on 2nd May. Holbrook Rotary Club is also organising activities to raise funds for this group. Holy Spirit School Lavington Principal, Matt Kean is joining the group walking between Cobram and Holbrook.

HISTORY QUIZ

Previous Quiz: Who am I? I am one of very few local footballers, who played against Holbrook. I played more than 600 games for my local club, from 1947 to 1981. **Answer:** Henry 'Splinter' Liston, who played 608 games for Culcairn. In 1953 he kicked 21 goals in an Albury & District League match against Cookardinia.

Quiz: The 1908 Melbourne Cup had a special significance for the McLaurin family. Why?

TENNIS

The Hume Country Tennis Association Grand Finals were played at Jindera on March 23, with 2 Holbrook sides playing for premiership honours and this saw 1 win and 1 loss on the day.

Sect 3 White were victorious in the 3B section overcoming Howlong Black 10 sets 84 games to 6 sets 58. Holbrook's men of Will Plunkett, Fletcher Parker, Stephan Parker and Oliver Whitley set up the days play being 17 games up after their 6 sets losing only 1 set 6/5. The ladies had a bit more of a battle being 7 games down. The ladies consisted of Zali Leischke, Vicky Schuur, Kacie Schuur and Olivia Schuur – The ladies won their last set 6/2 to have a 10 game advantage going into the mixed where Stephan and Olivia won 6/2 followed by Fletcher and Zali winning 6/1 to have the chocolates pretty safely. Will and Kacie put the result in the bag with a 6/0 win and in the last Ollie and Vicky won 6/5 to cap off a good season especially for the younger players who have improved markedly – well done team. Thank you to Ben Parker & Layne Parker for sitting on the reserves bench and to Kasey & Sophie who were unable to be there on the day.

Sect 2 Gold played Henty who proved to be too strong in both men's and ladies' combinations allowing the Brookers to win only 2 sets up to mixed and that being Jodie Parker with Megan Smith and Joy Quick respectively. Not helping Holbrook's cause was Hamish Paton going down injured mid-way through the men's sets. Into the last 4 sets for the season with Henty 33 games up it was Holbrook only shining moment winning 2 of the last 4 sets to go down 12 sets 82 games to 4 /51 games. The team consisted of Col King , Col Parker, Hamish Paton, Chris Crane, Jodie Parker, Megan Smith, Abbey Parker and Joy Quick – a good effort to reach the GF considering how even this grade was throughout the season.
