

HOLBROOK HAPPENINGS

Issue 405 17 February 2021

HOLBROOK SHOW GOES ON

In spite of rumours to the contrary, plans are well underway for the 2021 Holbrook Show on Sunday 21 March.

There will be some changes to the usual show arrangements, due to the extensive infrastructure work taking place at the Sporting Complex and several other external factors.

These changes include: All of the horse events will be held at the Holbrook Equine Centre. The Cattle Section, Championship Dog Show, and the much anticipated Dachshund Dash will not be held this year and we do apologise for any inconvenience this may cause, but some things are out of our control.

The pavilion classes, poultry, sideshows, Dog High Jump and showgirls/boys will all run as usual at the Sporting Complex. We also have The Old Kentucky Animal Nursery booked and we will be operating under a CovidSafe Plan.

Schedules are close to being finalized and will be available around Holbrook or on the Greater Hume Council website.

Due to the event running across two different sites we will be offering a wristband pass-out system so people can visit both grounds. If anybody is able to help us out with some time we would most certainly appreciate having a few extra helpers. Send us a message on facebook or contact the secretary, Rita Bowler (0427 832 803).

FEVER DANCE STUDIO'S LAST CURTAIN CALL!

It is with great pride that I can say Fever Dance Studio has operated in Holbrook and the surrounding community for the past 15 years, providing creative and performing art as well as a sport. Now with a change of career and no longer living in Holbrook I have decided to close the stage curtains on Fever Dance Studio.

With so many wonderful memories and achievements over the years I would like to thank all dancers who have taken to the dance floor and been a part of the Fever family, their families and the local community for your support and embracing dance. A big thank you to my family for all your unconditional support and a special thank you to St Patrick's School for being so accommodating the past 10 years by providing their school hall, this has been a wonderful space as a dance studio.

I am extremely grateful to have been given the opportunity to pass on my love and passion for dance over this time.

It is something that never leaves you.

Yours in dancing,
Michelle

HOLBROOK ULTRALIGHT CLUB – EASTER FLY-IN

The Holbrook Ultralight Club's Easter Fly-in is on again over the Easter weekend (3-4 April) at the Holbrook airport.

The 2021 theme for the fly-in is "Back to Basics" and along with the Ultralight Museum will be showcasing aircraft from the heyday of ultralight flying. It is expected more than 50 aircraft will be flying in and will be on display for visitors to view close up as well as talk to the owners.

While visiting the fly-in why not take an instructional flight where you do the flying under the guidance of an instructor. Flights start at \$100 for 30 minutes.

The Fly-in Dinner 'amongst the aircraft' will be served in the hangar on Saturday evening commencing with pre-dinner drinks at 6.00pm followed by dinner and light entertainment. The Dinner speaker will be Retired RAAF Squadron Leader and test Pilot Steve Bekker. Steve spent time in the US and had the opportunity to fly the U2 supersonic jet to the edges of space. Tickets for the dinner are \$30 and can be purchased at the fly-in.

There is no entry fee to come along and have a look.

If you would like any further information please visit our website www.holbrookultralightclub.asn.au, our facebook page <https://www.facebook.com/HolbrookUltralightClub> or contact Andrew on 0488 579 256

Library Complex

holbrookctc@greaterhume.nsw.gov.au

Ph: 02 6036 3262 **OPENING HOURS** Tues—Fri: 11.00--5.30pm Saturdays-9.30-12.30pm

Story Time is back for 2021. Every second and fourth Thursday of the month during the school terms. 11am start.

Mums and Dads avoid the stress of homework. Homework club starts again on Tuesday 16th February at the library. For Year 3 and up. \$3 per student. Afternoon tea provided.

The Border Mail newspaper is delivered to Holbrook Library Tuesday to Saturday. Find a quiet spot in the library to catch up on the latest news. Don't forget we have a great range of magazines to borrow. Choose from Country Style, Women's Weekly, Earth Garden and Choice magazines.

Free Women's Week event
11th March 2021 from 9.30 @ The Ten Mile
with guest speaker and Q & A panel
followed by brunch.
Booking essential. RSVP by 23/2/21

NSW Women's Week celebrates the diverse contributions of women and girls.

The Holbrook Library is providing this opportunity for rural women to participate and learn from our successful, small, home-based and online local rural business women. Whilst enjoying a delicious brunch together, participants will have the opportunity to talk to our panel, share ideas and view the range of products that they sell.

This event aims to promote entrepreneurship and showcase a range of economic opportunities as well as provide information and resources to those thinking of setting up a business or looking for an alternative source of income. Kevin Bascomb from Business Enterprise Centre will be the guest speaker. For further information or booking please contact the Holbrook Library 02 6036 3262 or email holbrooklibrary@greaterhume.nsw.gov.au

If you have been thinking about

TUTORING SESSIONS

We have tutors available for most ages and abilities in a wide variety of subjects.

Winner of the box of chocolates prize for our Library Lovers Day competition is Kerrie Ford.

HOLBROOK PUBLIC SCHOOL

Holbrook Public School welcomed 18 new Kindergarten students to our school on Wednesday 3 February. The excitement of their first day was felt right across the school community as they were welcomed by their very enthusiastic buddies and fellow peers. Already, Kinder has been learning new and wonderful things with Miss Hemphill, and they are becoming more familiar with school routines each day. A particular welcome goes out to the new Kinder families at our school, the: Cronin, McCarthy, Twitchett, Finlay, Torocsik, Kalimuthu and Calvert families. It takes a village to raise a child, and the staff of HPS look forward to working with you all over the coming years.

Cricket trials at a school level were held early last week and from these Ryder McKillop, Cooper Glass, Isaac Bennetts and Liam Mathewson were chosen to represent our school at the Southern Riverina cricket trials. These boys represented our school extremely well, and Cooper and Isaac were chosen to represent the Southern Riverina, and then also, the Albury PSSA.

On Thursday 4 February, Miss Lavis convened the school swimming carnival. A big thank you to the teachers and parents who were able to help out on the day. The day was a huge success with beautiful weather and participation levels high. It was great to see so many students encouraging and supporting others having a go. Well done, HPS!

Last Friday, Years 1, 3/4 and 5/6 had their first Bluearth session with coach Teigan Pearson. Bluearth is a program that aims to improve health and wellbeing by making movement a part of everyday life. It engages every participant,

regardless of their abilities. The staff of HPS can vouch for this after participating in their own Bluearth session on one of the Staff Development Days this year. Teigan had all staff engaged, moving, puffing and even laughing during the session; sore knees and all!

The staff at Holbrook PS are extremely excited about the year ahead, with many new initiatives, grants and projects on the horizon. We have 152 wonderful students to begin the school year and a staff of 24 teachers and support staff to help them thrive.

It was great to receive news over the holiday period that we were successful in attaining two NSW Government grants; a \$5,000 grant for a Sustainable Garden Project, and approximately \$25,000 for a new Sports Court Upgrade.

The NSW Department of Education has also provided us with significant additional funds to support students whose learning was adversely affected due to COVID-19 in 2020.

MEN'S SHED

Well things have started to happen with our new shed. Earthworks are about to start and construction soon after that.

The guys are working on a project for the Harry Jarvis Wing at the moment, refurbishing the garden seats. One almost complete, one about to start and two still at the Wing. They will be started as soon as the others are sent back.

As well as this project we are starting to get stuff sorted out for the move, although we have a lot more fundraising to finish the work that will need to be done before we can move in, plumbing water and sewerage, and electrical work mainly.

HISTORY QUIZ

Previous Who am I? I spent 20 years in Holbrook working with the Holbrook Shire Council, am an ex member of Holbrook Apex, a founding member of the Holbrook Rotary Club and was made a Paul Harris Fellow.

Answer: Ray Hosken

Quiz: In 1989 Mary Anne Birrell, Jane Kemp, Lisa Hassett, Tonya McPherson, Narelle Hughes, Katie Strong and Jacinta Durell were competing for what?

Are you struggling with debt?

Case Study - Allen was \$94,343.43 in debt and had 7 defaults on his credit file, when he signed up with Princeville.

So far we have reduced his debt to \$36,018.17 and have also waived or reduced his interest.

In addition, we have removed 4 defaults off his credit file (so far).

Allen simply pays us an affordable fortnightly amount, and we do the rest.

ST PATRICK'S SCHOOL

We welcome the Holbrook community to a new year of learning and inspiration at St Patrick's.

Staff and students have well and truly settled into the routine of learning. Our school has such a calm feel, a credit to our teachers for creating warm and welcoming classrooms.

This Sunday is St Valentine's Day. The students used St Valentine as inspiration for our first Visual Art project which you can view in the Holbrook Stores (IGA) window facing Albury Street. Thank you to Steve for allowing St Patrick's to utilize this space to showcase our talented students' art!

On a personal note it is with great excitement that I can announce my appointment, by Bishop Mark Edwards, to the Catholic Education Council for the Diocese of Wagga Wagga. The function of the council is to assist the Bishop in fulfilling his role responsibilities and mission regarding the ministry of Catholic Education.

We hit the pool on Day 1 to ensure our students had an opportunity to build some swim fitness prior to our first House Swimming Carnival which focused on participation and fun and even saw the teachers (and Principal) race against the students.

Last Wednesday the Yr3-Yr6 students competed

at the Culcairn Swimming Pool hosted by St. Joseph's. A huge thank you to Mr Gaynor and his staff for hosting a great carnival. Thank you to Mrs Scholz and our staff who had our students organized and ready to compete. Our students were fabulous ambassadors for our school!

And whilst COVID-19 Guidelines are in place it was wonderful to see so many parents/Carers/Grandparents come out and support the children. As you would have noticed we are in the process of construction as we prepare to bring our students and staff modern learning and working spaces. We have encountered a slight hiccup, however, that hiccup has allowed us to go back to the drawing board and refine our original designs. The build will be more extensive than originally thought extending throughout all learning spaces, and into the grounds. Keep watching this space, Melanie Dusterhoft Mavrick, Principal

PLANT PICK PLATE

The inclusion of fruit trees in a garden not only provide delicious fruity treats but from a design prospective they also give shade, balance and structure to a garden. In many house yards today room is at a premium so it is important to position your tree to allow for growth with ample surrounding space for air flow to reduce disease as the tree matures. However, if you are like me and want to grow everything, apples, stone fruit, pear, citrus and more then dwarf varieties and multi grafted trees are the answer.

Dwarf varieties can be grown in a small corner of the yard and some, especially the citrus flourish in large pots. With multi grafted fruit trees you can have all those delicious fruity treats as two or more varieties are grown on the one plant, eg: the fruit salad tree. The issue of planting compatible pollinators, as with apples which require two trees, is eliminated with dual grafting on one plant. Cultivars are available that will suit your climate and position.

Although, be aware that all is not what it seems when it comes to fruiting trees. My young dwarf Pink Lady which I planted a few years ago has never produced these sweet pink apples. Rather, it produces sweet golden/green fruit. Initially I thought it was my neglect with incorrect fertilization, or lack thereof. But NO. The varieties of Lady William and Golden Delicious were crossbred to develop the Pink Lady cultivar. My plant has obviously thrown to the Golden Delicious.

Now, while the fruit trees are producing succulent, juicy apricots, nectarines, peaches and summer citrus with crisp new season apples and pears being harvested soon, make note of the fruity treats you would like to have in your garden, for planting in the cooler months.

Passionate gardener, June.

BUILDING A DAM!

Over the last few weeks we've had a small trickle of water emerge in the playground, from a broken pipe under the ground, and so ever so slowly, a large puddle has developed which has given us so many opportunities for learning. What fun we

have had exploring the properties of water and mud! So many of the children are familiar with the use of real excavators and diggers and used their knowledge to build creeks and dams, using the water and dirt and our own trucks and diggers, and we heard children using some amazing language – "gooey", "ohh gross!!" "that feels so good" as they played together. We also marvelled in the play that we saw in all age groups, and celebrated the way that the children drew on their own experiences to create the 'Holbrook Lake' in the sandpit.

This week we needed to call on the assistance of plumbers to attend to a leaky pipe under the ground because the water began to build up a little too much! The children looked on eagerly watching them work and fix the leak. We've started to see the water slowly seep away which has had everyone talking about the disappearing water and where it might have gone. The learning framework that guides our practices with children, The Early Years Learning Framework talks about taking these unexpected moments to extend and expand children's knowledge. We've explored maths, science and technology, used our imaginations and worked collaboratively to create rich learning opportunities for the children. Vacancies - We currently have vacancies, please

ANGLICAN NEWS

Before I was ordained and went into full time ministry, I had the oversight of a small country town and the Parish where I lived. My mentoring Priest Clive, was in the neighbouring parish about half an hour away. Clive helped me understand what being a Priest is about and he was a fountain of wisdom. One day he said to me, "*the ministry of a priest is to comfort the disturbed and disturb the comfortable.*" Another time Clive said; "*The church is full of the mad, the bad, the sad and the glad, you have to work our which person is what, and minister to them all,*" Clive's words have proven to be very sound.

The thing I ask myself is, "*which one am I.*" I have resolved that I, and everyone else, are all of these things at one time or another. One of the wonderful things that surprise me is when I discover that I have stopped ministering to others and they have been ministering to me. I guess that makes everyone a minister to each other, but only Jesus can minister to all of us, that is why we need Him.

I often say, "*my desire as a Priest is to make myself redundant.*" I say this because one day I will be gone, but people and Jesus will still be here. People need people and all people need Jesus because everyone needs disturbing or comforting, and we all qualify to be the mad, the

bad, the sad, and the glad. The problem with being human is that we are good at hiding our feelings and we stop people and Jesus from ministering to us.

The age of, "*the stiff upper British lip*" i.e., not showing your feelings, has passed." We have to be honest and reverse the old nursery rhyme that goes, "*sticks and stones will break my bones but names will never hurt me.*" The truth is that we do get hurt and names people call us hurt us, and we hurt them. We all need to be disturbed, comforted, own our feelings, and minister to each other with the love of Jesus.

A song from the 1960's had the chorus line; "*open up your heart and let the sun shine in.*" I add, "*open up your heart and let the Son of God shine in.*" The Son of God is Jesus. Best wishes from all the folk at Anglican Church and Rev Stephen Davis 0429 845 525.

How many tickles does it take to make an Octopus laugh? Ten-tickles.

***What time does a duck wake up?
The quack of down.***

*Some people eat snails.
They must not like fast food.*

***What do you call a pile of kittens?
A meowntain.***

WOOLPACK INN MUSEUM

Members of the museum's committee were delighted for the museum to be chosen as the venue for the recent wedding of Nicole Whitehead and Steve Feltrin. The wedding was held on 5 December in the picturesque museum garden with approximately 70 guests in attendance. Despite a few showers late in the afternoon the ceremony went off very well.

The committee recently received notification from Riverina Water of their successful grant application. The funds will be used to improve the amenities in the museum's grounds. Sadly we were unsuccessful with another application through Office of Responsible Gambling for funds to complete the roof restoration. We will keep trying.

Museum members held their AGM on 8th February with all Committee members retaining their positions. Gayl Ashman-Key was welcomed as a new Committee member. In his Presidential Report Chairman Hugh Reid said that 2020 had been a difficult year with the museum closed for 12 weeks due to Covid-19 compliance. Border closures throughout the year further reduced the number of travellers visiting the museum. Despite these difficulties the financial year ended with a small profit thanks to some generous donations and a market day held in Wilma Black's garden in early December.

The museum will be celebrating its **50th Birthday on Sunday 7th November** and planning is underway. The celebration will be in the form of an open day with stalls, competitions, wagon rides and hopefully a mini **Outback Stockman's Show** by **Lachie Cossor**. If anyone has any photographs or press clippings from past museum events we would love to be able to view them for possible use in a celebratory booklet. We look forward to community members helping us celebrate this important milestone. It is an achievement for any organisation to be operated continuously on a voluntary basis for 50 years.

Speaking of volunteers we are always on the search for new members, especially those who can spare a couple of hours a month to help out at the museum.

If you would like more information on volunteering please call our Caretaker Bert on 6036 2131 or our Secretary Wendy on 0488 062 669.

HOLBROOK LANDCARE

Our Project Officers have been out and about with site visits for a range of different projects and the positive effects of the LaNina weather patterns are evident in the excellent growth of the best stock areas of revegetation.

Even the areas affected by the Green Valley fire (bottom photo) last summer are benefiting from the ongoing rainfall over the summer months.

MEN'S BOWLS

District Pennant continues with rounds 4 and 5 having been played. Grade 6 had a good win over Rand at home (3 rinks, +60) in round 4 which put them 2nd on the ladder with a good percentage. However, because round 5 was washed out, they have slipped to 4th but with a game in hand (to be played at home against Commercial on 20th March). After a loss away to Commercial in round 5, Grade 4 has slipped out of the top 3, but can still make the finals with a bit of luck.

The 1st round of the B-Grade Championship was played on Sunday 7th with wins to Phil Gledhill, Bob Ellwood, Nick Lodge, Wayne Lawrence, Peter (Smurf) McKenna and Graeme Joyce. It is good to see newer bowlers being successful in the club competitions.

The first two rounds of night bowls have been completed with the Dags currently on top of the ladder. This is likely to change when the Duckworth-Jones scoring system is applied in the last two rounds.

Veterans 18 hole event: Winner Vic Derbridge, R/up Phil Spokes. NTP 3rd Alan Buchanan, 10th Jimmy Maskus, 14th Phil Spokes.

I am putting it out there that even though the weather has not been kind to us in running a successful Twilight Golf event over the last three weeks, the event is still ongoing. Hit off any time after four and cards in by 8-30.

Mini-Pennant has already started, if you left it too late to get your team in, do not worry as you can still put one in. There are still weekly prizes to be won.

We have been having a bit of trouble with vandals on the course of late. Persons unknown at this stage have amused themselves by breaking off a couple of young trees, stealing a flag stick and numerous tee markers.

The Players from our club that took part in the longest day of golf by playing 72 holes in one day have raised over \$4,000 for the Cancer Council. A big congratulations to all concerned. The 2021 program will be sent to the printer this week, so expect the new one out soon.

HOLBROOK R.S. CLUB VETERAN GOLFERS ASSOCIATION

Well it's that time of the year again, and we are looking forward to our Annual Veterans Cancer Appeal Golf Tournament with some excitement. This will be our 30th year and after having to cancel last year's event due to the Covid-19 pandemic we look forward to a successful day.

The Tournament will be held on Sunday 16th May 2021 at the Holbrook Golf Course. Tee off is set for 10.00am with a shotgun start. **All Veteran, Non-Veteran and Lady Golfers are welcome.** Entry is \$30 per player and includes a hot lunch at completion of play.

The day's events will be played under covid safe conditions and so if possible we ask those wishing to play to register prior to event as numbers will be limited and it will assist with catering. Entries will close Wednesday 12th May 2021 with Rick Murphy 0403 507 831 or Ian Wettenhall 0458 369 255.

Season 2020 was not a complete failure even though the Tournament and raffle had to be cancelled But with the support of some of our regular sponsors including Albury Commercial Club, Holbrook RS Club, Holbrook Newsagency, Elders Holbrook, The Wettenhall Family, The Snow Family, David Howard Plumbing, Nutrien (Landmark) Holbrook and Holbrook Breeders Australia we were able to donate \$1500 to The Albury Wodonga Cancer Foundation.

Prior to this year's tournament you will see our raffle ticket sellers set up at Holbrook Newsagency or Holbrook Stores on four alternate Fridays commencing 23rd April. Please support them whenever possible.

The Holbrook Veteran Golfers Association has raised in excess of \$140,000 for cancer research. Cancer is something that has touched everyone in the community and so I am sure that this year's fund raiser will receive the support that Holbrook and District has always given.

So mark it down in your diary or on your calendar: **Holbrook Veterans Cancer Appeal Golf Tournament - Sunday 16th May 2021** Hope to see you there.

CRICKET

Congratulations to Harry Greenhill, Jack Pitzen, Ned Harrison & Nick Robarts who represented Holbrook for CAW Country Week & won the final of the Thunder Cup.

Junior Cricket: All grades of junior CAW Hume cricket resumed on the 30th January, but unfortunately, the Holbrook teams had their respective matches washed out.

Saturday 6th saw more wet weather but junior games were pushed to Sunday. Under 16's were washed out.

Holbrook Gold were defeated by Henty. Cooper Glass batted well with 42 runs. Dom Valena took 1 wicket, Liam Matthewson 2 wickets & 2 catches.

Holbrook Green defeated Brock-Burum by 146 runs. Alex Cox batted well 40 not out, Harry Greenhill 33 and Jack Pitzen 26. Wickets were shared, Ned Harrison 2, Nick Robards 2, Tom Parker 1, Klay Liddell 1 & Rory Gulliver took 3 catches.

A Grade Rd 12 v Henty: Due to the weather this game was transferred to Walbundrie. Henty won the toss & batted, & finished on 6/150 at the completion of its 40 overs. Skipper Corey McCarthy with 2/27 was the only multiple wicket taker for the Brookers. In replay, Holbrook struggled with the bat & were bowled out for 125. McCarthy (45) completed a good double, while veteran Robbie Mackinlay, Hamish Mackinlay, Josh Beer & Charlie Harbison were the only other batsmen to reach double figures.

B Grade Rd 12 v Henty Colts: The Brookers had a much needed win at Henty. Henty Colts made 7/195, with Ben Parker 4/25, Jayden Hucker 2/42 & Tom Anthony 1/29 the successful bowlers. Holbrook chased down the imposing total for the loss of five wickets. Veteran Daryl Hucker (50) stylish, Scott Lister (55), & the Joyce brothers, Sam (37) & Lachlan (10) leading the charge.

A Grade Rd 13 v The Rock / Yerong Creek: Fielding its best side for a couple of seasons, the Brookers travelled to Yerong Creek & came away with a much needed victory. Batting first, Holbrook finished on 7/208. The evergreen

Robbie Mackinlay (57 not out), Corey McCarthy (47), & Hamish Mackinlay (42) led the way, while Hayden Wishart (19) & Tom Heriot (11 not out) lent good support. In reply, The Rock / Yerong Crk were bowled out for 146, with Hamish Mackinlay 4/24, AB Mackinlay 3/38, Corey McCarthy 2/43 & Ben Parker 1/10 sharing the wickets. McCarthy took the catch of the century to dismiss the Combines' dangerman, Todd Hannam for 6

B Grade Rd 13 v Oaklands: Unfortunately this game against the top team was washed out.

Friendly reminder – get a table together for our **Annual Trivia/Auction Night: Holbrook Tennis Club, Adult Riding Club and Cricket Club - Saturday 27th February @ 7.00pm**

TENNIS

The tennis season is getting towards the pointy end of things with 2 matches to go to Finals. This sees *Sect 1* sitting in 2nd spot as at 6th Feb with a Finals' spot virtually assured. *Sect 3* are also in 2nd spot on 34 pts but have another 4 teams vying for a hit in March, with Jindera on 32 pts, Bungowannah on 28pts as is Pleasant Hills and Brocklesby on 26 pts. Culcairn is on top here with 42 pts.

Sect 2 Green are in 7th spot but only 1 win outside 4th with matches against a couple of top teams will need to win each match to have any hope.

The *Gold* team in *Sect 2* are making up the numbers but could influence the final ladder if they have a full team on court. *Sect 5* kids have struggled to get a full team on court each week but need more players for next season if any school age players are interested.

Sect 6B have had a pretty tough season against some pretty handy players but have improved and keep at it kids as this time next season we hope to see the team looking at a finals berth.

On the social scene the annual **Trivia Night is set for 27 February at the RS Club, in conjunction with the Adult Riding Club and Cricket Club.** Bring the whole family along for a laugh and also the auction which is always a good time to get a bargain.

The fun is scheduled to start at 7.30pm with Billy Barber Heriot the ringmaster of the circus.
