## VIVIENNE TAYLOR

31<sup>st</sup> July 1946 – 27<sup>th</sup> April 2024

Viv touched the lives of so many families in Holbrook.

We are all so much better for having had Viv in our lives.

Words such as kind, generous, inspirational, young at heart, strong, amazing, vibrant and a leader have all been used to describe her.

Viv's teaching journey began at Pymble Public School, where she taught for three years. She then transitioned to Holbrook Central School 1966. Just recently Viv recounted the tale of taking the train from Sydney to Culcairn, and then the freight train from Culcairn to Holbrook. She took lodgings at the pub, however that was frowned upon, and Viv soon found more suitable accommodations.

Viv's posting turned out to be quite significant, as this is where she met Peter Taylor whom she would marry in 1968 and settle at "Oak Hill" near Cookardinia. Together, they managed the family farm and had two children Nick & Alisa. Viv engaged in casual teaching opportunities across the district while raising her family.

Her teaching took her to the Holbrook Preschool originally held at the Anglican Hall. Viv was involved in the Pre-school for over 30 years, serving as both teacher and director. She was involved in the building of the new Pre-School in Swift Street in 1976 and later the addition of the Childcare Centre. Viv retired from the Pre-school in 2004 and started teaching TAFE at Wagga and later at Albury Tafe.

Viv's impact extended far beyond the classroom, as she forged wonderful friendships within the

communities of Culcairn and Holbrook. Her boundless community spirit endeared her to many, and her involvement in various committees solidified these connections

Eventually, the pace slowed as Peter and Viv retired and settled in Albury 2006. Peter passed away suddenly in April 2011. Viv filled her life with family, friends, travel, community volunteering, coffee, choir & book club.

One of Viv's passions was swimming which was evident from a young age, earning her several championship titles and a collection of impressive silverware. Remarkably, Viv's love for swimming continued until the end of 2023.

Viv embraced her role as mother and grandmother. She was a cherished sister, mum, grandmother, aunt, great aunt, sister in-law, mother-in-law, friend, teacher, and mentor. It was an extraordinary life, she was someone who made the world a brighter place. Rest in Peace

### Poem- written by Nick Taylor

In Morven's embrace, where fields stretch wide,  
my mother lived, with love as her guide.  
A farmer's wife, with hands of gold,  
her warmth and kindness, forever told.  
In Holbrook's heart, her childcare bloomed,  
A haven for young souls, brightly groomed.  
With nurturing arms, she cradled dreams,  
In laughter and play, love's endless streams.  
Among friends, her light did shine,  
In Friday night dinners, a joy divine.  
With laughter and stories, they'd gather 'round,  
In her embrace, true treasures found.  
Her grandchildren's laughter, a melody sweet,  
In her eyes, their futures complete.  
With love unending, she held them near,  
Each hug and kiss, a treasure dear.  
Amongst her cats, she found solace true,  
their purrs and snuggles, a comfort too.  
Now reunited with Dad, in eternal bliss,  
Their love, an eternal, unbroken kiss.  
Though tears may fall, and hearts may ache,  
her memory, like a beacon, will never forsake.  
In Morven's fields, and Holbrook's embrace,  
Her spirit lives on, in love's eternal grace.

## HOLBROOK LANDCARE

New research from CSU's Gulbali Institute has found that wombat burrows can act as a refuge for native wildlife during and after bushfires, offering shelter, food, and water.

While wombats may not actively herd other animals into their burrows, as some social media stories suggested during the Black Summer bushfires, the study confirmed that many native species utilise these burrows.

Researchers examined wombat burrows in Woomargama National Park and Woomargama State Forest, where a large bushfire occurred in 2019-20. They found that native animals like bush rats, agile antechinus, lace monitors, and painted button-quails were more prevalent around burrows compared to areas without them.

The study suggests that wombats, by altering the soil and vegetation around their burrows, create better foraging opportunities for smaller animals, which in turn attracts larger predators.

Wombat burrows may also offer refuge from predators and harsh conditions, with several instances of burrows filling with water and providing a drinking source for other animals.

"The value of wombat burrows as shelter and refuge for numerous species will only increase as fires become more intense in the future," said lead author Grant Linley. He emphasized the importance of protecting wombats, as they are the only native species capable of digging these complex, deep burrows.

This research is being conducted by Professor Dale Nemo and Charles Sturt PhD candidate Grant Linley, and adds to a growing body of evidence highlighting the ecological significance of wombat burrows for a variety of native wildlife.

Find out more on the CSU website (<https://news.csu.edu.au/opinion/cameras-reveal-wombat-burrows-can-be-safe-havens-after-fire-and-waterholes-after-rain>).

## HOLBROOK COMMUNITY GARDENS

Holbrook Community Gardens is hosting a **wreath making workshop on Monday 24 June 2024 at 9:30am** to be held indoors at the Library. This is a creative and enjoyable workshop and is **FREE** to interested people, due to a grant from FRRR. Additionally, lunch will be provided through the grant.

Please confirm your wish to attend by responding to the Community Gardens FB page, or by signing the sheet on the table at the entrance to the Library.

At the time of writing, there is considerable interest in this workshop. Should you put your name down and miss out this time, and there are enough people to warrant another workshop, we will consider a repeat at a future date. Your name will go on a waiting list.

The Community Gardens members have been busy readying the Gardens for the winter months. We always enjoy welcoming new members when we meet each Monday. Consider joining us, not just for the love of gardening, but also for the joy of camaraderie. We are a happy bunch.

## JULY SCHOOL HOLIDAY FUN AT THE HOLBROOK LIBRARY

### Colour Me Backpacks

Create your own backpack. Lots of designs to choose from with bright texta colours to use.

## MEN'S SHED

Hello readers, just a catchup from the Men's Shed. We have just about moved out of the old Men's Shed. Just a few more loads & all is done. It has been a big job. We have plenty of timber for small jobs if needed.

It's been a while since our last update, so we will take this opportunity to thank the community for the on-going support. Another project the men recently did was the pallet rabbits for Easter. They ended up being very popular. Doug Spokes was the winner of our last wood raffle, well done.

Kindling is available for sale at the new shed, (Wednesday 8am 'til 12 & Thursday 8am 'til 12) at the price of \$10 box.

Don't forget if you would like to drop in for a cuppa, or to become a member of your local Men's Shed, feel free. 2/22 Millswood Rd (the cream shed - the only one in that street).

## STRONG SUPPORT FOR SHEEP SHOW

The annual Holbrook Sheep & Wool Fair has wrapped up for another year. It was fantastic to see Lockhart Central School attend for the first time and to welcome back Yanco Ag High School after a break for several years. Several groups had travelled over 4 hours to come to the event.

Over 170 high school students participated in the Schools' Day educational workshops on the Wednesday morning, with 95 students choosing to compete in the fleece judging competition. Workshops covered a range of topics, including choosing & training working dogs, a sheep autopsy, fleece and sheep assessment and ringcraft.

The remainder of the 2½ day event was taken up with competitions involving both sheep & fleece. Students also took the opportunity to challenge themselves in judging meat and merino sheep.

Thanks go out to our many local & visiting presenters and judges, Lions Club, Rotary, the local Council staff for moving all of the bins of sheep panels & Dev Carman (for cleaning out our sheds afterwards).

*The smile says it all.*

## WHAT'S ON AT HOLBROOK RETURNED SERVICEMEN'S CLUB

## BIGGEST MORNING TEA AT LANKEY'S CREEK

About 40 people attended the Lankey's Creek Biggest Morning Tea on Sunday 26<sup>th</sup> May.

After the fog cleared it was a lovely autumn day. The hall looked nice with the handmade table decorations and everyone was kept warm with the heater going and a fire drum outside.

We had people come from as far away as Walwa and Holbrook and the Hall Committee are keen to make this an annual event. We raised \$1134.50 for the Cancer Council.

Thanks to John Ware for cooking the BBQ, Bridget Yensch for the beautiful table decorations and the Hall Committee for organising the event and cooking for it.

Thankyou to everyone who supported us,  
*Alison Hawkins, President of the Hall Committee*

*Carmel Darlow and  
100yo Oliver Killalea  
from Wantagong.*

## HOLBROOK DEMENTIA FRIENDLY CAFÉ MEETING

After the great success of our first morning tea, the Holbrook Dementia Alliance Group is holding another get-together **at the Holbrook Sporting Complex on the Thursday, 6 June 2024, starting 10am – 11.30am.**

There will be lots of friendly conversation and understanding of how Dementia affects many different people at any age or circumstance. Let's keep the momentum of our group going by enjoying another morning tea out with each other.

**'Where we aim to create a more inclusive, supportive and welcoming place where everyone can thrive.'** If you have any queries please contact; John Cox 0437 263 062 or Sue Winnett 0428 466 455.

## PLANT PICK PLATE

I have been given some Jerusalem Artichoke tubers to taste and not having eaten them before, I am enthusiastic to seek out their growing conditions, nutritional values and recipes. However, I discovered more information on Globe Artichokes. These plants are not related but both are rich in antioxidants, magnesium, folate and potassium all essential for healthy heart and digestion functions. However, this is where the similarity ends.

The Jerusalem Artichoke is a hardy perennial with bright yellow flowers similar to sunflowers. This root vegetable is exceptionally easy to grow with each plant producing a large number of knobby tubers which can be left in the ground until required. Like potatoes, the tubers are used for the next crop. The plant can reach a height of 3 mt, hence it is advised to cut the growth back to 1.5 mt prior to flowering so as not to overshadow other plants in the garden. Known to cause flatulence after eating large quantities, the tubers have a nutty flavour and can be eaten raw grated in a salad, roasted and added to soups and stews. The Globe Artichoke is a tall thistle like plant up to 1 mt that requires a sheltered position with young plants harvested from offsets. A mature plant can produce a dozen or more large green or purple flowerheads and it is these immature flowerheads that are eaten. The Artichoke heart is cocooned by soft fleshy leaves with the whole head and a short stem edible. Apply lemon juice to all cut areas to avoid oxidation prior to cooking whether it be boiled or fried. When stuffing with herbed breadcrumbs and Parmesan or even an egg, peel off outer leaves and cut 1/3 off the heart to hollow out the centre.

**Passionate Gardener, June.**

## MEALS ON WHEELS

**King's Birthday High Tea! This Friday 7<sup>th</sup> June from 10.30am.** Celebrating the King's birthday and appreciating our volunteers and clients, you are invited to attend High Tea at the Sporting Complex new Pavilion. Why not come along dressed in your finest royal outfit? Prize for Best Dressed Male and Female. For catering purposes, we would appreciate RSVP by Thursday 6<sup>th</sup> June. All are welcome to come along and join us for lucky door prizes, fun and games.

**Cooking with Friends** is also kicking off on Wednesday 12<sup>th</sup> June at 10.30am. Being hosted at the Sporting Complex kitchen. Please let us know, as soon as possible, if you would like to come along, learn some new skills and enjoy a meal with friends.

We are also now able to assist you with your **Domestic Assistance** and **Personal Care** services. Domestic Assistance can help you with

maintaining a clean home, help you change your linen or do some washing, do your shopping and help with meal preparation. Personal Care services can help you with self-care, showering and dressing. If you have a My Aged Care referral and would like our friendly staff to help you, just let us know.

We will soon be commencing **Group Social Support** activities and will be engaging with our clients to hear about what form you would like GROUP activities to take. Outings? Centre based crafts or hobbies? Other suggestions welcome. Other social support services available include friendly visitors, someone to help you with your shopping or attending appointments.

If you would like to try the meals for yourself, or would like more information about our other services, call us and we will send you our menu and information.

You can call on 6036 3677 or visit our office at 114 Albury Street, Holbrook, or you can call My Aged Care on 1800 200 422.

## HOLBROOK PUBLIC SCHOOL

### Biggest Morning Tea & Resilience Project Day:

On Friday, 24 May, Holbrook Public School's Student Representative Council hosted the Biggest Morning Tea & Resilience Project Day. The day was a resounding success, bringing together the community for a cause close to everyone's hearts. The event, aimed at raising funds for cancer research and support, saw an impressive turnout of students, parents, and teachers.

The day was filled with laughter, delicious homemade treats, and a spirit of giving. Attendees enjoyed a variety of baked goods and snacks, all generously donated by the school community.

Thanks to the collective efforts of everyone involved, the event raised around \$1300 for the Cancer Council. This success is a testament to Holbrook Public School's strong community spirit and commitment to making a difference. Thank you to all who participated and contributed.

**Athletics Carnival:** Despite the inclement weather, the school athletics carnival was a day of

excitement, competition, and school spirit. Held at the Les O'Brien Athletics Precinct, the event saw enthusiastic participation from students, making it a memorable occasion for all.

Students competed in various events, including long jump, shot put and track events. The level of talent and determination on display was awe-inspiring. House spirit was high as students donned their house colours and cheered on their peers.

The event was a fantastic showcase of athletic talent and community spirit. Thank you to the P&C for cooking a delicious barbecue and to all the volunteers, teachers, and parents who helped make the day successful.

Holbrook Public School looks forward to another thrilling Athletics Carnival next year!

**Looking for Lego:** Miss Hemphill is on the hunt for Lego bricks to add to our library collection for lunchtime use, and also to create another set for use in classrooms and other learning spaces. Traditional Lego is preferable, however if anyone happens to have a complete kit which they no longer need, we would be happy to make use of this too.

and spot spraying needs.

**Ph TROY: 0418 370 627**

## YOUR NEW 3 BIN SYSTEM IS COMING JULY 1ST

## ST PATRICK'S SCHOOL

Greetings to the Holbrook Community,

**Pray:** Last week we celebrated National Reconciliation Week. The preschool aged children from the Greater Hume Children's Services joined us in a variety of activities including playing music around the fire pit and playing in our Nature Play Space. We created two collaborative artworks, one for each school/centre, to show that we are connected even though we are separated geographically.

National Reconciliation Week is held each year in Australia from 27 May to 3 June. Reconciliation Australia describes the week as: "a time for all Australians to learn about our shared histories, cultures, and achievements, and to explore how each of us can contribute to achieving reconciliation in Australia".

God of all wonder,

We pause in the busyness of our days to listen deeply to the wisdom of this land and those who belong to it.

May our minds be open to dialogue,  
May our hearts be open to transformation and  
May our hands do the work of reconciliation.

We ask that the Spirit accompany us on our journey of healing on these lands, seas and waterways;

We also ask the Spirit of peace be with all those who are living a life of fear, dispossession and distress.

We make this prayer in the name of Jesus.

Amen.

**Live:** National Simultaneous Storytime was an incredible display of the amazing community that we have at St Patrick's School. The call to wear blue was met with great creativity and enthusiasm. The effort that went into each outfit

on the day was incredible with many excited children declaring the creative talents of their Mums and Dads. Bowerbird Blues by Aura Parker is a beautiful love story highlighting the value of relationships whilst providing a subtle message of the impacts of pollution and the importance of sustainable practices.

**Learn:** Even the Principal engages in ongoing learning! Recently I was able to attend a Primary Curriculum Connections Day with our Instructional Teachers in both Literacy and Mathematics. It was a great opportunity for us to join with our peers to engage deeper with the English and Mathematics Curriculum. We were blessed to have a session facilitated by Christine Keys of NESA updating us on some of the upcoming dates regarding the Curriculum reform and digging deeper with the Assessment Principles. We are very blessed to belong to a progressive system who supports and nurtures our ongoing Professional Learning to improve student outcomes.

May God's Blessings be with you,  
Melanie Dusterhoft Mavrick, Principal

## 60-YEAR REUNION

In 1964 the Holbrook Football Club won its first Premiership in the Farrer League. The Grand Final was played at Mangoplah against Temora on 29 September, with the final score being 10-18 78 to 9-17 71. The Holbrook team was coached by Brian Prior and was made up mainly of local players. Some of the younger team members had progressed through the Holbrook juniors.

On Saturday 18 May the Holbrook Football Club hosted a 60-year reunion for a large group of the players. Players and their wives enjoyed a delicious meal and lots of chats, while watching Holbrook notch up two great wins in the footy against Lockhart. They all appreciated the marvellous hospitality of the Holbrook Footy Club and extended their thanks to the Committee and the ladies who organised the meal.

Holbrook is a proud footy club with a proud history. This was highlighted when Doug Priest, a member of the 1964 Grand Final side, was recently inducted into the NSW AFL Hall of Fame, along with Bertie Haynes, who in 1970, played in Holbrook's only other Farrer League Grand Final win. Both players had come through from the Holbrook juniors.

*1964 Holbrook Premiership Team*

*L to R (Back): Simon Guest, John McKenzie, Ron Phillis, Doug Priest, Peter Jacobs, Les Muller, Henry Parker.*

*Front: John Cornish, Jack Smith, Tiny Emerson*

### HOLBROOK SENIORS FOOTBALL

**Rd 6:** In an entertaining contest, our seniors prevailed by 32 points against a determined Lockhart. The win was built on the back of a great defensive effort in the second half, where our back six only let the Demons post two goals. Earlier, the Brookers had trouble dealing with the visitors' run-and-carry tactics, and at half-time it was Lockhart leading by 4 points. However, the match was turned on its head in the third term when Holbrook piled on 5 goals 2 points, while keeping the Demons scoreless. Bailey Churchill (Holbrook Hotel meal) slotted two goals in that quarter, with his finishing skills when within range of goal on show. Sam Joyce (Players' Player) was in good form in his 100<sup>th</sup> match, as he helped to repel plenty of the visitors' attacking efforts - especially when the pressure was on in the first half. Lachie Semmler (Riverina Hotel tankard) and Matt Bender both played with spirit and energy, with this pair often involved in transitioning the ball from defence to attack. Luke Gestier was a commanding presence around the goal-mouth with 5 goals, while Josh Jones and Andrew Mackinlay underscored their leadership qualities with admirable efforts in the engine room. Ben Parker kept the visitors' goal umpire on his toes with a miss from point-blank range.

**Rd 7.** How the west was won: Our 122 kilometre

journey west to the bright lights of Oaklands proved fruitful, with the 43-point victory considered a good result. The Crows were only 7 points behind early in the second half, but as with the Lockhart match, the Brookers put the foot down in the third term to take control. The match saw 17-year-old Izak Schirmer make his senior debut, as well as Will Holmes play his first match in the green-and-gold since his Azzi Medal season in 2021. Izak (Players' Player) did all that was asked of him, although with twenty seconds left in the match he missed a set shot for goal that would've been the icing on the cake. Holmesy rolled up his sleeves early to have a busy day in the midfield, and looks to be over the after-effects of his snapped leg from last year. Kieren McCarthy (Holbrook Hotel meal) has been rock-solid in defence this season, and his two-bounce dash out of the back half in the third quarter summed up his commitment to clearing the ball away from danger. With Logan Hamilton being rested, Randal Taylor battled his heart out in the ruck, doing his utmost to feed the footy to the likes of Brad Carman (Riverina Hotel tankard), Jock Triggs, and Matt Bender. Josh Jones earned goal-of-the-day honours with a classy left-foot snap in the first term. He backed it up in the last term as well, when, after selling Zac Kerr some candy, slotted a long goal with his other foot.

## MOTOCROSS RIDE DAY

Sunday 26<sup>th</sup> May, Holbrook Motorcycle Sports Club held a sell-out Ride Park Day at the Wangoola MX track. A Ride Park Day is a non-competitive day aimed at the whole family where riders would go out on the track with other riders of matched ability. Also, at "Wangoola" is a separate Nippers (4yrs old and up, on 50cc or mini bikes) track just aimed at beginners.

On Saturday, President Mark, and club volunteers, watered the track well to keep the dust at bay. Liddell's Lolliland provided sweets for the sweet tooth and the Liddells were kept busy with 90 riders and their families and supporters.

Buzz's Bikes n Bits also attended the day with a pair of Stark Vargs. Is this the future of dirt bikes? Time will tell, but I suspect there will not be any complaints about noise, as these are full-sized electric dirt bikes with competition suspension and arm-pulling acceleration. Buzz was kept very busy with lots of test rides by all levels of riders.

In case you missed this one, the Bike Club is holding an Enduro Ride Park Day on Sunday, June 9<sup>th</sup> at "The Pines". This will be an off-road day in the bush with a beginner/nippers track, a track for the bigger kids, an Enduro track for the more experienced riders and a trail ride up Col's Morgan Ridge at the end of the day (a must see).

Lastly for the month, another Minikhana day at Wangoola MX track for the juniors to help them build confidence and skills. Visit the Holbrook Motorcycle Sports Club website or find us on Facebook to learn more about how to enter these events

## HOLBROOK RS GOLF CLUB

Winners are grinners. Congratulations to the Holbrook RS Golf Women's Pennant Team who won the Riverina Women's Golf Association District Pennant competition for 2024. The final team of Teresa, Brooke, Chris, Liz and Lea won 3-2 over Albury Commercial Golf, playing at the Wagga City course. The last time Holbrook has won this competition was in 1995. Well done to all involved.

The month of June is championships month at Holbrook Golf Club. Both the Women and Men have four championships rounds scheduled. Players' best three rounds count towards the championships, so if you have a bad round or are unavailable to play one week, you are not necessarily out of contention. It would be great to see as many players as possible competing in the championships with A, B and C Grades Scratch and Handicap awards up for grabs. **Dads Army 23 May** Winner L. ## HOLBROOK WORKING CATTLE DOG TRIAL

Over the weekend of 18-19 May, it was the turn of the canine competitors to feature at the Holbrook Equine Centre. 184 entries were received over 4 different categories in the Holbrook Working Cattle Dog Trial. This event saw the individual dogs scored on their ability to work three head of cattle through a set course of obstacles in the campdraft arena. Handlers were not permitted to assist the dogs, except by spoken command, whistle or signal. Thanks go out to all of the sponsors, the owners of the cattle and the many helpers.
