## BALD ARCHY MAKES ITS DEBUT AT HOLBROOK

**For the very first time Holbrook will hold its official opening of the Bald Archy Prize at the Shire Hall on Saturday 29<sup>th</sup> June 24, 6.00pm to 8.00pm**

As the Archibald Prize draws attention at the NSW Art Gallery in Sydney, its antithesis, the Bald Archy, Australia's most popular and satirical portrait award will be held in the country town of Holbrook in Greater Hume Shire near the NSW-Victorian border.

Judged by Professor Maude Cockatoo, the world's only avian critic, it celebrates the lighter side of art and the larrikin Australian spirit: portraits that will make you think, talk, and laugh.

Winning subjects in the past have included Kerry Packer, Shane Warne, John Howard, Pauline Hanson and a myriad of other Australian icons.

Local organizers - the Rotary Club of Holbrook sent representatives to Canberra to the official opening of the exhibition. Rotarians Bruce Quick, Milt and Jenny Golenberg, Jen Parer and Jenny Kane were there for the announcement of this year's winner.

The award went to Newcastle artist Judy Nadin for her work Flippin' Kerfection, a caricature of Australian professional soccer player Sam Kerr OAM's iconic, celebratory backflip.

Back in 2016, the late Peter Batey OAM jokingly said, "It takes 11 galahs to judge the Archibald but only one cockatoo to judge the Bald Archy."

The Bald Archy had its origins in the Coolac Festival of Fun, and when the festival retired after 12 years, the popular Bald Archy lived on under the auspices of the Museum of the Riverina, Wagga Wagga.

Art lovers who enjoy the sharp, witty side of art will appreciate the humour behind images of Member for Farrer Sussan Ley and Leader

*Rotarians Bruce Quick, Milt Golenberg and Murray Jones invite the community to the opening of the Bald Archy.*

of the Opposition Peter Dutton by John Skillington, and Michael Mack's Minister for Environment Tanya Plibersek. At least two artists recorded infamy and fame of former Premier of Victoria Daniel Andrews, and King Charles was depicted by Wagga Wagga artist Chris Roe who posed the question: is he our last king of Australia?

Holbrook Rotarians are happy to bring the fine art of satire focusing on our politicians, athletes, and VIPs to the bush to entertain, amuse and laugh out loud!

Before the Bald Archy continues on its tour of Australia, "Come along to our opening and have a funny evening with your friends – fine company, fine food, and fine art!"

**AND LAUGH OUT LOUD!**

Member for Albury Justin Clancy and the Mayor of Greater Hume Shire Tony Quinn will open the Bald Archy on Saturday 29<sup>th</sup> June 6pm – 8pm at the Holbrook Shire Hall.

Payment may be made via the QR Code or at the door. The exhibition will be open daily from Sunday June 30<sup>th</sup> to Saturday July 27<sup>th</sup> from 10am to 4pm. Thank you to our community volunteers.

## HOLBROOK LANDCARE

Did you see us soil testing along the Hume Hwy a couple of weeks ago?

HLN staff traded the paddocks and demonstration sites for a couple days of soil testing in some rather unfamiliar terrain – the edge of the Hume Highway in Albury. Engaged to investigate some unsuccessful revegetation sites, we put our expertise and equipment to the test.

Our task was to assess soil conditions that

could be hindering plant growth. We used our trusty penetrometer to measure soil compaction down to a depth of 1.5 m, and collected numerous soil cores, carefully extracting samples for laboratory analysis. These samples will undergo rigorous testing to determine nutrient levels, pH, and other factors that could be affecting the revegetation efforts.

This project presents a unique opportunity for HLN to apply our knowledge and skills in a new environment, contributing to the understanding of how to successfully revegetate areas along busy transportation corridors.

### Can you help us find Bogong moths in their winter breeding grounds outside of the Alps?

We have been approached by some researchers looking to eDNA sample area that they think may be breeding areas for Bogong Moths. Bogong moths are an ecologically and culturally important species. They undertake a unique migration from the plains of south-east Australia to the alps where they are an essential food source for species like the critically endangered mountain pygmy-possum.

Have you seen a Bogong Moth this year? (Peter caught one back in December). Have you got cutworms? Or cutworm damage on your crop or pastures? It is pretty astonishing that we still don't know much about the breeding of this iconic species. Get in touch with Kylie or Peter if you think you can help out.

## HOLBROOK RSL SUB-BRANCH NEWS

There was no meeting in June due to the tradition of a 'winter break'. Legend has it this was a time many years ago most of the members would head north for warmth and good fishing. Perhaps a tradition to continue with!

The Sub-Branch made a donation of \$1500.00 towards an upgrade project at the Murraguldrie Veterans Retreat at Kyeamba. The retreat is run by the Vietnam Veterans Association of Australia, and provides a peaceful camping area for all Veterans.

Last weekend, members of the Sub-Branch assisted volunteers from Disaster Relief Australia in conducting a working-bee at the retreat, involving building maintenance, tree felling and bushfire hazard reduction.

The Holbrook RSL Sub-Branch AGM will be held at 6.00pm, Wednesday 17<sup>th</sup> July at the R&S Club, followed by a regular meeting.

Are you the holder of a White or Gold DVA Card? Many concessions are available to you in recognition of your service, from reduced vehicle registration, cheap or free public transport, council rates concessions and gas and electricity rebates. Oh, and for those of you with a certain type of Gold Card – never having to buy a fishing licence in NSW or VIC again!

## ROTARY SAFE FAMILIES

### 1. **RECOGNISE** the signs of abuse

Are you a "bystander"? It can be really worrying when someone you care about is being hurt or abused by their partner. This guide will help you to become an "active bystander" in supporting female and male victims of abuse. Throughout the guide we refer to the victim as 'she' for simplicity and because the majority of victims are women. However, we encourage supporters of men who are being abused to use this guide and apply the Rotary SAFE Families "3RRR's" of primary prevention of abuse.

**2. RAISE Your Concerns "Safely" with victim:** Should I get involved? Many people worry that they will be 'interfering' if they get involved, or that it is a 'private matter'. But it is equally worrying if someone is being abused and you say nothing. Your support can make a difference. You might risk some embarrassment if you approach her and she rejects your support or tells you your suspicions are wrong.

But if you approach her sensitively, without being critical, most people will appreciate an expression of concern for their well-being, even if they are not ready to talk about their situation. It is unlikely you will make things 'worse' by expressing concern.

**3. REFER to professional support or make the call yourself!** To increase her safety, whether she is staying in the relationship or has separated, it is important to think about how she can be protected from further abuse.

*You could:*

- ◆ Help her to plan where she and her children could go in an emergency, or if she decides to leave. If she needs to stay at a secret location, tell her about safe accommodation services (refuges). She can ring the Women's Domestic Violence Crisis Service to find out about refuges in New South Wales
- ◆ Agree on a code word or signal that she can use to let you know she needs help. (See the item on "Hand Signals" in Rotary SAFE Families website/Latest News)

What can I do if I witness or overhear physical violence or threats?

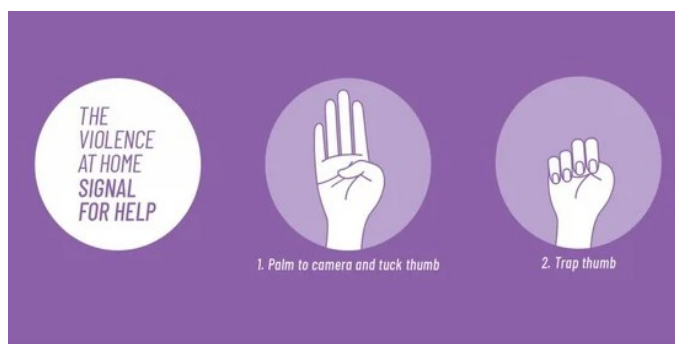

*If you believe there is immediate physical danger*

*and that she and her children are about to be harmed, call the police on **000** immediately.*

If you do have the opportunity to talk to her at another time, ask about whether or not she would like you to call the police. She may fear that calling the police may make things worse for her. Many people are afraid of involving the police, especially those from non-English speaking backgrounds or indigenous communities who may have had bad past experiences. You could call a domestic violence service to find out about how you could help in this situation.

**But remember, when you think there is immediate physical danger, call the police on 000.**

*It involves a simple two-step movement of placing their palm forward with their thumb tucked in before "trapping" their thumb under their four fingers.*

## ANGLICAN NEWS

After months of planning and preparation, our mainly music program commenced on Wednesday 15<sup>th</sup> May, with an enthusiastic team, and excited families. Our program offers music with movement, morning tea and playtime for children 0-5 years old, and an opportunity for their carers to connect over a cuppa.

Our places are limited, but we are maintaining an active waiting list, so if you are interested, please contact our coordinator Sharon on 0429 863 841. Our program runs on Wednesdays during school term (except first week back), from 09:30am, at the Holbrook Anglican Church Hall.

Our Diocese is welcoming a new Assistant Bishop, replacing the existing assistant Bishop Carol Wagner who is moving to a well earned retirement. The new Bishop will be consecrated at St. Saviours Cathedral in Goulburn on Saturday 24<sup>th</sup> August. Her name is Vanessa Bennet and she is coming to us from Victoria. We will also be installing The Rev'd Gavin Krebbbs as the 8<sup>th</sup> Dean of St. Saviour's Cathedral on Tuesday 2<sup>nd</sup> July.

On Sunday 14<sup>th</sup> July we will be having our main service at St. Mark's in Woomargama at 11 am. We would love to fill the church to test the foundations of the building, so please come along. There will be a gathering at the Woomargama Hotel afterwards for buy your own lunch. Please contact Rev. Craig if you are going so he can give the hotel approximate numbers.

Keep an eye on our church in Young Street. We are renovating the front doors. This is a big job and will take some time.

## NEW BANNERS FOR HOLBROOK

Have you noticed the eye catching new banners on the poles at both the Submarine Park and Ten Mile Creek Gardens?

After having empty poles for many years, the Business & Community Development Group have Organised a full set of fresh new banners to welcome visitors to our town.

Any other groups within the town are also welcome to make use of these poles to promote their event/s. After numerous discussions about the design and style of banner, and a few false starts, we now have a template for others to use if they wish to "fly the flag" for something.

## HOLBROOK PUBLIC SCHOOL

**Responsible Pet Education Program:** On Thursday, 6 June, our Kindergarten to Year 2 students participated in the Responsible Pet Education Program. Students learned that owning pets can be a lot of fun, and they can provide us with company, stress relief and unconditional love. It also involves:

- choosing the right pet for your family's lifestyle, caring for all aspects of your pet's daily well-being and complying with the law and ensuring your pet doesn't cause problems in the community.

To help prevent instances of dog-related accidents and injury, students were taught to recognise:

- times when we should leave dogs alone,
- the warning signs given by dogs,

- how to safely approach and greet a dog and
- what to do if approached by an aggressive dog.

The feedback from both students and teachers has been overwhelmingly positive.

**Activate Interest Groups:** Last week, our school launched Activate Interest Groups, a fantastic opportunity for students to explore a wide range of activities and interests. From now until the end of the term, students can participate in crochet, photography, drumming, scrapbooking, STEM, tenpin bowling, Scrabble/word games, cooking, origami, bee bots, and

xylophone/marimbas each Friday between 12:10 and 1:40p.m.

Joining an Activate Interest Group is a wonderful way to pursue passions, learn new skills, and meet like-minded friends. There's something for everyone!

## ST PATRICK'S SCHOOL

Greetings to the Holbrook Community,

**Pray:** Last week I attended St. Mary's Corowa as a member of the Modern Slavery Working Party, where we launched the CEDWW Modern Slavery Statement. The Modern Slavery Statement is a commitment by CEDWW in recognising that action against modern slavery is fundamental to Catholic Social Teachings.

**Did you know?** In Australia, an estimated **41 000** people are enslaved. You can read more here <https://www.acan.org.au/modernslavery>

**Live:** On Wednesday we attended the Submarine Museum to celebrate the 10<sup>th</sup> Anniversary of the Yellow Submarine in Holbrook. Whilst the main event was called off due to inclement weather we were still invited down to perform and tour the museum. Thank you so much to the Holbrook Submarine Museum staff for providing this opportunity. Mr Carey and Mrs Munday taught some of our students to play, 'We All Live in a Yellow Submarine', on the ukulele whilst the remainder joined in to sing!

**Learn:** In Week 5, Mrs Gaynor, Mrs Elwin and I attended a Primary Curriculum Connections Day. We heard from Christine Keys (NSW Education and Standards Authority) about some of the changes in the English and Mathematics Curriculum and the timeline for the roll out of the other Key Learning Area Curriculums. The curriculum reform in NSW is the first in over 30 years. It is a privilege to attend these days with my colleagues to hear the message together, plan for the future and ensure we are implementing the curriculums with fidelity.

Are you aware? We take enrolment enquiries for

all year levels throughout the whole year and offer a transition session for your child to assist with the transition to a new school! I would like to thank our current families for advocating for our school. It is very affirming to receive enrolments as a direct result of your recommendations. Together we are great!

*May God's Blessings be with you,  
Melanie Dusterhoft Mavrick, Principal*

## PROBUS

Covid, 'flu and the cold weather took its toll on our meeting last month. Get well soon to all 'under the weather'! President Cathy has had a knee replacement but is on the mend! A decision on our Henty trip was put on hold until our sick members recover.

Alan Buchanan gave us a glimpse of his great trip travelling the length of the Darling River - over 3000kms. He was part of the backup group accompanying a motor bike group. It sounded like great fun! Alan & Treasurer Wendy have now headed for sunny Queensland for the winter. Enjoy!

Sam Pincott, of Holbrook Paddock Eggs, gave us some of the history of his family's enterprise. It began in 2010 with a caravan & 50 chooks and was initially to improve their pasture! Sam now runs 15000 hens, with 80% of the eggs sold in Sydney and 20% locally. His latest venture 'Paddock Eggs' in town, is where the eggs are packed and incorporates a delightful gift shop. The outbreak of bird 'flu is of great concern and extra care is being observed. Thank you Sam. Lastly, Jill Winnett recited two of her excellent poems, 'A Day in the Life of a Housewife'. So true!! Her second poem, 'Roadside Assist' was delightful! Thank you, Jill.

Members then enjoyed lunch at the Riverina Hotel.

Our next meeting Tuesday 25<sup>th</sup> June at the RS Club at 11:00am, with lunch at the Submarine Cafe.

## PLANT PICK PLATE

I have always aimed to work my productive garden within the guidelines of organic principles, which works well until there is an influx of pests chewing, sucking and crawling over my fruit and vegetables. I have used organic sprays and drowning baths. I physically pick off the bugs by hand, then at night armed with a torch and boots, I eliminate whatever pest I can find. However, this is still not enough to impact the infestations. It's time to introduce the heavy artillery – CHICKENS.

There is a lot riding on the success of my four girls, the pressure is enormous. Thelma, Louise, Bonnie and Dolly have their work cut out. Although Dolly is resembling a Donny and if that eventuates, Donny will be dinner. Putting that issue aside, their primary purpose is to devour as many bugs and pests as possible prior to my Spring/Summer vegetable plantings. My girls are only 9 weeks old and require tuition each day, learning to scratch for edible morsels other than pelleted chicken food and to follow me for rewards. I also speak chicken – “chick, chick, chick.....” and laugh at their hilarious antics and individual peculiarities. Who is laughing at me? When the girls are ready the plan is to fence them into areas of my garden to eat bugs, scratch up weeds and add manure to the soil then move into the next plot and so on. I have been warned that when my back is turned the chickens will escape and devour my newly planted lettuces in the blink of an eye. Well that is what heavy artillery does, ploughs in and makes a mess. Collateral damage must be accepted and tolerated as I do not want them facing the same fate as Donny.

Passionate Gardener, June.

## HOLBROOK RS GOLF CLUB

Championship month is well underway at the golf club with both Ladies and Men having played two rounds so far. Due to the fact that it is the best three out of four rounds that count towards the championships, the winners are generally only decided on the final day. A big thanks to Hume Bank who have generously sponsored some money this year for our club championships. A reminder that the golf club is currently raffling off a brand new Lion Golf Cart to try and raise much needed funds to replace equipment and improve on course facilities. The cart is on display in the RS Club. Please consider purchasing a ticket to support your local golf club.

## HOLBROOK FOOTBALL CLUB – UPCOMING ONLINE CLEARING SALE

Once again, the Holbrook Football Club is running their 4<sup>th</sup> Annual Online Clearing Sale. This will give you a chance to dispose of excess items around the farm that you have been wanting to sell and haven't got around to. The sale will run on the AuctionsPlus auction system in late July. This sale will give you the opportunity to dispose of surplus items and will help the Holbrook Football Club raise funds which will be used for ongoing development at the Holbrook Sporting Complex.

The sale will run for 4 days from Friday 19<sup>th</sup> July until Monday 22<sup>nd</sup> July. Online clearing sales have exploded in popularity since COVID and they are achieving outstanding results for vendors. The benefits of the online auction mean that your items stay on your farm until they are sold, and your payment is received. You do not have to ship them to an auction site and delivery is arranged by the purchaser. You also set your own start price & reserve. Purchasers can bid from their home and the Auction catalogue will be seen by all people who use the AuctionsPlus system Australia wide. The sale will also be advertised in the Holbrook, Albury-Wodonga & Wagga areas as well as promoted on social media and emailed out to a large database.

The Football Club will handle all invoicing and payments and the items will not leave your property until cleared payment has been made.

We believe that this is a great opportunity to dispose of that surplus equipment whilst helping a community organisation. So get out and have a look at what items you have that are no longer needed. If you are not familiar with AuctionsPlus check it out at [www.auctionsplus.com.au](http://www.auctionsplus.com.au)

For any further details about the auction please contact Matthew Pitzen on 0428 362 030, David Morton on 0428 625 939 or Andy Wettenhall on 0488 503 277.
