

HOLBROOK HAPPENINGS

Issue 495

19 February 2025

FESTIVAL BY THE SUB

Don't Miss Out! Join us on Saturday, 1st March 2025, from 4pm until late, at the Holbrook Submarine Park for an incredible evening of music, markets, food, drinks, and entertainment.

Entry is free, so bring your family and friends and be part of this amazing celebration, all set against the striking backdrop of the **HMAS Otway submarine**! Don't forget to pack a rug or chair, hat and sunscreen. No BYO Alcohol!

A Stellar Music Line-Up: Music lovers are in for a treat with an incredible lineup of live performances that will keep the festival energy alive throughout the evening. Headlining the event are Baker Boys Band, The Mighty Yak, and Riff Music, delivering a diverse mix of genres that cater to all musical tastes, from rock and pop to jazz and folk.

Market Stalls & Local Flavours: The Holbrook Festival is not just about music - it's a showcase of the town's rich creativity and culinary delights.

The festival's artisan markets will feature local makers and businesses displaying their handcrafted goods, including jewellery, clothing, home décor, and unique artworks. Attendees can browse, shop, and support the region's talented artisans.

Food lovers will also be in for a gastronomic adventure, with local food vendors serving up an array of mouthwatering dishes. From classic festival favourites to gourmet street food, there's something to satisfy every craving. To complement the feast, local breweries will offer a selection of craft beers, ciders, and refreshing

beverages.

Fun for the Whole Family: The Holbrook Festival is a family-friendly event, ensuring that even the youngest festival-goers have a fantastic time. A variety of children's activities will be available, making it a fun-filled outing for all ages.

Car Show Extravaganza: Car enthusiasts can marvel at an impressive collection of classic and contemporary vehicles at the festival's car show. From vintage beauties to modern masterpieces, the display will be a highlight for automotive fans.

A True Celebration of Holbrook: Organised by the Holbrook Business & Community Development Group, the Holbrook Festival by the Sub encapsulates the spirit of community and celebration. Whether you're a music enthusiast, a foodie, a car lover, or simply looking for a fantastic evening out, this event has something for everyone.

VOLUNTEERS NEEDED

Would you be interested in joining our friendly group of helpers who fold the Holbrook Happenings ready for delivery each fortnight?

Maybe you have some computer skills and would be interested in helping out with the production of this newsletter.

Even if you are only available to help out while one of our regular volunteers is away, we'd love to hear from you. Our regular people are always happy to show you what they do and assist with any questions.

We have a fantastic group of dedicated volunteers who carry out a wide range of tasks to ensure that the Holbrook community continues to enjoy this newsletter, but we always welcome new faces.

If you are interested in becoming involved in any way, call in & ask at the library or send us an email (holbrookhappenings@gmail.com).

DEMENTIA CAFÉ MEETING

Our monthly Dementia Café morning teas are back again in 2025 and great to see some familiar faces and new people join us, it has been great getting to know one another and feeling comfortable in our environment, great chats, sharing ideas and stories which brings a positive vibe to our mornings which is so good to see, anyone is Welcome!

There is no obligation so, if you want to come whenever it suits, please do so or if you have other ideas please share them with us, so we can continue this fun, friendship and support in our Dementia friendly Community. **'To create a more inclusive, supportive and welcoming place where everyone can thrive.'** This year, we hope to have information days to learn more about what we face and how we can help each other. **The next meeting will be held at the Holbrook Sporting Complex on the Thursday, 6th March 2025, starting 10am – 11.30.** All Welcome **Include, Encourage and Empower**

PROBUS

Great to see most of our members back again. Welcome to our visitors, Tex & Helen Morton & Jenny Parer, today's guest speaker. Still a few on the sick list, in particular, we send best wishes to Jill Winnett, who won't be with us for some time due to ongoing health problems.

This year we hope to be able to do some little trips, Morgan's Lookout, Gerogery Doll Museum, Jindera Museum which will be our first trip with lunch at the hotel. Alan Buchanan has kindly offered to drive the RS Club bus. A date will be set next meeting.

Jenny Parer shared her fascinating trip to Sicily, a tiny island about ½ the size of Tasmania, where approximately 5,000,000 people live. Jenny said it was a good place to travel, cheap and with friendly people! A very mountainous country totally dominated by Mt Edna, which is continually erupting. An interesting fact was that prickly pear is grown everywhere and is used in many different foods. Tourists are of great importance in Sicily. Jenny had a fabulous array of photos and information about her travels. Thank you Jenny. Our next meeting will be on Tuesday 25th February, 11:00am at the RS Club.

PLANT PICK PLATE

A hedge or no hedge? This is a question that requires very careful consideration when landscaping a new garden or redeveloping an existent one. Do you want to add to the garden duties of weekly mowing the lawn and also regularly trimming that hedge? Do you have the skills and equipment required to trim straight and even to create a hedge master piece? Do you realise that this is time that is eating into other essential activities, such as fishing. A point well made by my garden helper so our vigorous growing front hedge was cut down. He wasted no time is firing up the chainsaw when I agreed. I must admit it was ugly, a mixture of old plants, Nandina, Crab-apple, Japonica and Variegated Privet that once trimmed, sprouted again the minute your back was turned.

The low Buxus hedge lining the driveway is much less robust, however it has been neglected somewhat, so out came the hedge trimmer and my garden helper attacked that with vigour, while keeping it at an acceptable height. I eyed up the many tubs full of trimmings, cuttings I thought. Several handfuls I placed in water for striking later. I envisaged a low and slow growing, lush green Buxus hedge along our front fence to provide a neat boundary and to complement its cousins down the driveway. "NO, not another hedge" I heard him say as he reached for his fishing line.

Well, I certainly do not want to trim another hedge so I can see his point. What was I thinking? Maybe a row of long strappy leafed plants that are attractive but also low maintenance would provide a more amenable option.

**Passionate
Gardener, June.**

HOLBROOK ROTARY 4 WHEEL DRIVE DAY SATURDAY 29 MARCH

Walwa Victoria will be our starting point for the 2025 drive. We will gather at the Walwa store at 8:30 a.m. Following a briefing, we will depart at 9am for Shelley and Burrowye forests.

Leaving Holbrook with a full tank of fuel or topping up at Walwa is recommended.

A corner man system will be used. The four-wheel drive directly behind the lead vehicle marks the turn/intersection until the sweep vehicle arrives. The corner is marked by everyone in turn.

We are having a bush picnic so do not forget to bring morning tea, lunch, and anything you may need like your picnic rug, chairs, folding table, and drinks.

These days are a great introduction to four-wheel driving with the security of others along with you.

A 4-wheel drive with moderate ground clearance and all terrain tyres fitted is recommended. It is a great family day out exploring the Upper Murray area, with an activity sheet to keep the passengers busy.

The finish will be at the Walwa Hotel with a prize draw on your entry ticket and a prize for the best activity sheet.

So, if you want to make a night of it hook on your van or bring a tent and book into the Walwa Caravan Park or take a room at the pub.

For more info phone Murray 0429 992 636.

VOLUNTEER AT WOOLPACK INN MUSEUM:

A Unique Opportunity to Make a Difference

Are you looking for a rewarding way to give back to your community? The Woolpack Inn Museum offers an exciting volunteer opportunity for individuals who want to help preserve local history while contributing to the upkeep of this historical site, your time and talents can make a lasting impact.

Why Volunteer at the Woolpack Inn Museum?

The Woolpack Inn Museum is a rich and vibrant part of our community's heritage. As a volunteer, you will have the chance to contribute to the preservation and enhancement of this unique historical landmark. Your efforts will help ensure that future generations can experience and appreciate the fascinating stories and artifacts housed within the museum.

How Can You Help? There are several ways you can contribute to the success of the museum, no matter your skills or availability:

1. Adopt a Room: One of the most exciting ways to get involved is by adopting a room in the museum. This role allows you to take ownership of a specific area of the museum and help keep it in top condition. You'll be responsible for the upkeep of the room's displays, ensuring the area is clean, organized, and that artifacts are properly cared for. It's an excellent way to build a personal connection with the museum's history while making a real difference.

2. Cleaning and Maintenance: The museum needs volunteers to help with regular cleaning and upkeep. Whether it's dusting exhibits, cleaning windows, or polishing display cases, your efforts will ensure the museum remains a welcoming and tidy environment for visitors. Attention to detail and a passion for preserving history will make this a rewarding volunteer experience.

3. Gardening and Outdoor Work: The museum's garden and surrounding grounds require regular attention to maintain their beauty and charm. If you have a green thumb or simply enjoy being outdoors, we invite you to help with planting, weeding, trimming, and general gardening tasks. Your contributions will enhance the exterior of the museum and create a pleasant, inviting atmosphere for visitors.

4. Handyman Jobs: If you have basic handyman

skills, we could use your help! From light carpentry to minor repairs, maintaining the museum's historic building requires ongoing attention. Whether it's fixing a leaky tap, repairing furniture, or ensuring the museum's safety features are up to code, your practical skills will keep the museum running smoothly.

5. Door Duty: Volunteer for a shift on duty to receive and welcome visitors. If anyone is new to Holbrook this would be a good way to learn about the history of the town and area you are now part of.

6. Join the committee - or take on a position.

Join Us Today! If you're ready to make a difference, we invite you to get in touch with the Woolpack Inn Museum. Volunteering is an opportunity to support the museum in a variety of ways, and we'd love to have you join our team. Your help will ensure that the history of the Woolpack Inn continues to thrive and be shared with generations to come.

Please contact us today to learn more about how you can get involved. Whether it's cleaning, gardening, handyman tasks, or adopting a room, there's a role for you at the Woolpack Inn Museum.

ST PATRICK'S SCHOOL

Welcome to the 2025 school year!

Let me introduce myself. My name is Paul Spain and I have been in education as a teacher, subject leader, stage coordinator, Assistant Principal and Principal for over 30 years, having commenced my career at McAuley Catholic School in Tumut. I have also worked at Sacred Heart Primary School Pearce, ACT, Canberra Grammar School, St Kevin's College Toorak, VIC, Australian International School Hong Kong and I was the Assistant Principal at St Joseph's Primary School in Wagga for four years and Principal for the past seven years at St Brendan's Primary School, Ganmain.

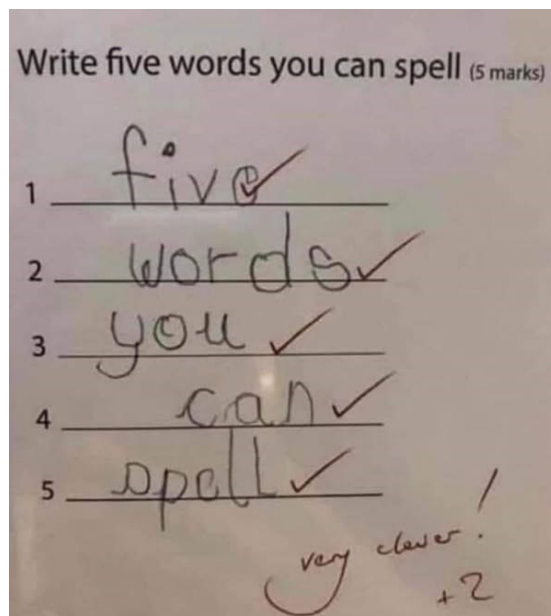

I am incredibly excited to take on the Principal of St Patrick's role in 2025. We have an amazing school where our children are supported and nurtured to be their very best as both a young person and as a student. Our teachers are dedicated and experienced and are committed to supporting their students to achieve their very best. The low class numbers at St Patrick's provides our students with the ideal opportunity to receive the direct instruction and feedback required for them to grow academically.

From 2025 our Kindergarten students will be in a class themselves for the vital key learning areas of Literacy and Numeracy. This allows teachers to spend more time with each student, identifying and addressing their specific needs and challenges. These smaller classes foster stronger connections, leading to increased student motivation and a more supportive learning atmosphere.

All are welcome at St Patrick's, Catholics and non-Catholics alike. Feel free to come in and see what advantages an education at St Pat's provides a young person.

I am looking forward to getting to know members of the Holbrook community and working in partnership to provide young people with an outstanding education.

HOLBROOK PUBLIC SCHOOL

Holbrook Public School was a hive of activity as students returned through the gates on Thursday 6th of February. Amongst the students were 26 Kindergarten enrolments and 14 new families to our school community. We welcome these new families and look forward to working with them over the coming years.

Friends catching up

We have been lucky to have all our dedicated staff return after the Christmas break with some staff in new roles across the school. This year our school is structured according:

K/1TP – Jessica Trethowan & Karen Pontt (Wednesday)

K/1YR – Megan Young & Kimberly Ross (Friday)

Year 1/2 – Anna McGown

Year 3/4 – Isabella Minall

Year 4/5 – Ashleigh Hemphill

Year 5/6 – Christina Lavis & Kate Wedgwood

(Wednesday & Thursday Term 1)

Release from face to face (RFF) – Chontelle Henderson

Assistant Principal Curriculum & Instruction – Amelia White

Together, our staff are looking forward to a positive 2025!

Once again a mammoth effort was put in by the P&C in January as we catered for the Berragoon Horse Sale. This was a three day fundraising opportunity for our school which brought in just over \$13,000. Thank you to the 15 HPS families that donated their time in the various ways to help make our fundraiser so successful. In the busy world that we live in, time is so precious. Staff and students are appreciative of all that gave their time. A huge thank you to the P&C executive, especially Akear Boers and Jocelyn Burey who were the driving force in setting up, behind the scenes organising/ordering and all round smooth running of the fundraiser. Lastly, we thank our sponsors, Holbrook Paddock Eggs, Holbrook IGA, Albury Polocrosse and Helen Towes who donated the coolroom for 5 days. We thank you for your support.

A big thank you to the Holbrook IGA for their generous monetary donation to our school. Holbrook IGA sells products labelled 'Community Co.' They then receive money back from the sales of these products to then donate it to a local charity or group in the area. HPS is appreciative of the money received and would like to thank Jess Melbourne for nominating our school to receive this.

In Finland, only the top 10% of graduates who are qualified to be teachers can actually become one, and every teacher needs to have at least a master's degree.

In Italian schools, if anyone submits homework later than the day it is due, will automatically get a 4, which is similar to 0 (anything below 6 is a fail).

Committed to our region.

HOLBROOK LANDCARE

After two wonderful years in Holbrook, I'm moving on to a new role with a not-for-profit ecological organisation in Bairnsdale, East Gippsland.

It wasn't an easy decision to leave HLN, and the amazing Holbrook community that has welcomed me so warmly. I've come to hold so many of you close to my heart, and will dearly miss you all. I'm incredibly grateful for the opportunity to have worked with such a passionate group of people here at HLN (staff and board members). Holbrook is so fortunate to have an organisation like this in its corner, and HLN is equally fortunate to have such a supportive and passionate community. My main project during my time here was the revision of the two revegetation guides (South West Slopes Revegetation Guide, and Native Vegetation Guide for the Riverina), and the development of the associated website (www.revegetation.org.au), as part of the larger Landcare-Led Resilience project. The revegetation guides component of the LLR project was a massive undertaking! It was a true team effort, with so many incredible people generously sharing their time, knowledge and experience to bring the books and website to life. Working with our LLR project partner, the amazing team at Murrumbidgee Landcare, was an absolute joy.

I've also thoroughly enjoyed working on the Southern New South Wales Birds on Farms project with the wonderful team at BirdLife Australia, and the dedicated Refreshing River Management team. These projects (along with the Landcare Led Resilience project) gave me the chance to meet so many amazing farmers who are so passionately working to preserve and increase the biodiversity and natural resilience on their properties – something I'll always remember with great fondness.

I leave Holbrook with so many wonderful memories, many new friends, and a deep sense of gratitude. *Thank you to everyone! Peter Rowland*

Keep your bias, KUI

TENNIS

The season is drawing to a close with the **Sect 2** side still having a faint hope of finals after defeating Gerogery West last weekend, 9/74 to 7/65 games. Holbrook's men were 19 games up but the visiting ladies were equal to the task being 18 up. Into the mixed sets and the Brookers won the first 3 sets to secure the win.

In **Sect 3A** Holbrook hosted a very strong Pleasant Hills team who completely dominated the Brookers to with 96 to 31 games. As observed by a staunch former player the "Hills" team will be hard to beat come finals in 3 weeks.

On the social scene we have the **Trivia Night** at the R.S. Club this coming Saturday from 7.00 pm, thereabouts. Be early for a meal, Billy Barber Heriot will once again give the questions procured from the work truck cabin. The auction will have the usual firewood lots plus plenty of other interesting items on offer. A great family night is assured.

Wimbledon, or the Wimbledon Championships, is the oldest tennis tournament in the world, and also considered to be the most prestigious. The first Wimbledon was played in 1877.

The US Open was founded in 1881, the French in 1891, and the Australian in 1905. These four major tournaments have been designated as "Grand Slam" tournaments.

Are you the Publicity Person
or Secretary for one of our
local community or sporting
groups?

When you are planning an
event, we would like to ask that these dates
be sent through to "Holbrook Happenings"
for inclusion in our calendar.
This will help to spread the word about your
event and may help to reduce/avoid problems
created by a potential clash.
We'd also love to receive news from your
group and this may also help to let others
know what's going on. Remember, not
everyone relies on social media!

THE OLD PARSONAGE - A PIECE OF HOLBROOK'S HISTORY

The Old Parsonage' offers the opportunity to enjoy a peaceful semi-rural lifestyle. Purposely built in 1883, 'The Church of England Parsonage', was to provide a home for the Church of England Reverend. Modified over the years, by various owners, with the historic Victorian architecture, this property is now a family home. Set in beautiful surrounds, established old trees including Palms, Gums & Willows. Garden beds of roses, camellias & agapanthus among large lawn areas flowing down onto the Ten Mile Creek. The home comprises a large central room with high ceilings. Now an informal dining and lounge area, with beautiful East facing windows capturing the morning sun and giving ample lighting throughout. The formal front door leads to a paved veranda area and offers the perfect spot to enjoy the tranquility provided by the gardens and beautiful trees overlooking the Ten Mile Creek. Additional features include: A secure double garage, a workshop and carport, wood shed, solar panels, a private well and town water.
