## Headlines and Happenings

Glow Well-being Workshop, Sunday 3rd March: HOORAY...we did it!!!

28 bookings made, but 21 attendees on the day took away deeper understandings of identifying what lies within or beyond our control, the physical warning signs of anxiety and stress and ways to counterbalance. Sally's calm manner was contagious, and without being overly scientific, explained the Nervous System States, going from feeling safe and connected, to hyperarousal, going into fight or flight mode, and disconnected and immobilised states.

Handbooks were filled with learnt strategies, regulation tools for everyday life, ways to adapt to various situations, and individual types of Self-Care.

People felt comfortable to safely share experiences and supported by those around them—many finding that they were not alone in what they felt. It was wonderful for us to see people as they left - smiles on their faces, more self-empowered and very grateful to Sally and to Rural Care Link for organising such an event.

It also proved to be a very useful way to convey more information on what Rural Care Link does in the community- Vickie talking with guests informally about our Carers Support Group, Lizzie in her introduction, running through a brief list of our various Core Business areas...(must have been successful as we managed to recruit some terrific new members!)

We were very pleased to support local catering businesses and thank Holly and Mick Mendham (**Jindera Pizza**) for skewers and salads, "**Rosie's Raw Treats**" adding to the morning tea grazing and fruit platters, (supplied by RCL), with some Leeny and Lizzie slices providing wholesome nourishment throughout the day- body and soul both catered for.

Without Sue-Ellen's skills, for which I am most grateful, I'd still be trying to plough through, but with them, we jointly completed the Acquittal, sending the requested information and feedback to Australia Post, along with the photographic evidence.

Funded for the most part by our \$1,000.00 Australia Post Grant received in May 2023, Rural Care Link's financial and philosophical capabilities support such initiatives taken on by the Carers Plus Group in support of the wider community, with the aim to hold 2-3 such events per year, as identified by us, or through community request.

We have received some fantastic feedback from several of our participants, impressed by Sally's gentle but insightful manner and content, particularly happy with our venue, the structure of the day and...they LOVED the food!

It has been a big effort to hold this event, amid the many other Committee tasks at hand, and we thank Sue-Ellen for her role in assisting us in many ways. Thank you to Dave for organising a 'fellow-firrie' to put our name 'up in lights' on the Fire Brigade Billboard.

However, this event had to take place after postponement in 2023, for us to still retain the Grant money. Our **BIGGEST THANKS** go to **Burrumbuttock Post Office**, where our nomination originated.

We found a 'silver lining' with 7 less attendees, enabling us to send home several food packages with a number of very grateful recipients - a lovely opportunity to show some impromptu charity beginning at home.

Some lovely feedback quotes:

Sally Jean, our facilitator wrote: "I had a really nice day facilitating the well-being workshop in collaboration with Jindera Rural Care Link. We were lucky to have a very engaging and open group of people who participated wholeheartedly and generously shared their experiences of personal well-being.

We developed a toolkit of practical resources that can be used to support regulation and did some creative activities that are supportive of well-being. It was wonderful to see such positive participation and amazing creative expressions!

Thank you to the wonderful group of women from Jindera Rural Care Link who worked tirelessly to host the workshop".

Others wrote:

"Dear Volunteers who never have enough time to themselves.

So much appreciated the venue, wonderful vegetable and nibbles plates and water and coffee available on arrival. All introductions were clear and informative.

The session structure was excellent with a break for a very welcoming lunch. Information was presented by Sally Jean in a clear way with a handout and writing/drawing and painting equipment, allowing for feedback, questions from the workshop participants.

Sally Jean gave workshop participants the opportunity of hands-on learning. .. Combined with information conveyed in her presentation all the aspects taught and shared made sense and are easily applied in daily living. Sally Jean provided for our need for 'fun' and asked us to join in group activities – laughter was the response from the room – such a delightful time.

Once again – hearing about the amazing work of Rural Care Link and feeling so welcomed at this very useful workshop encouraged my online donation to the organisation as a way of supporting the dedicated volunteers involved.

With thanks".

"What a delightful day.

I immediately felt the warm welcome and the attention to detail for what was a very successful Event.

The offer of a morning coffee along with a share platter on each table was enjoyed as I got to say hello to some other attendees.

Sally delivered a most interesting and interactive forum. Her workbook was concise and assisted in understanding Stress in our lives.

## SAVE THE DATE Rural Care Link AGM Sunday May 19th

Keep your eyes peeled for the information on our proposed Constitution amendments arriving soon for your perusal and your subsequent vote at the AGM.

A document I have kept and will find valuable to review from time to time. Sally @ Glow Well-Being shared her knowledge freely and in a safe manner. A great facilitator.

Over the delicious lunch we mingled and shared stories of thoughts ignited through the morning session.

The art therapy in the afternoon session demonstrated how to find relaxation in the painting process and act as a personal escape. It was good fun.

I thought the timing was perfect and enjoyed the day.

Thanks to all the organisers and Aust. Post for assistance."

"I thoroughly enjoyed the day and found it very beneficial. I thought our presenter was genuine and very knowledgeable, she presented the day in a very thoughtful manner, considerate of the varied backgrounds of those present. I came away from the day with a greater understanding of the many things that can cause stress... I feel Sally provided realistic tools and ideas to help some of which I have been able to use already.

The venue was great! It was spacious with all the amenities required. Last but by no means least you lovely Rural Care Link ladies made the day very special and enjoyable. The rooms and tables were beautifully presented and the food was delicious. The attention to detail was very much appreciated.

I would also like to add my appreciation to **Australia Post** for the grant that made funding the event possible."

## Jindera War Memorial in need of Restoration

Recently the Jindera Recreational Reserve Management Committee were successful in securing a grant for \$3,000.00 to have the Jindera War Memorial assessed by qualified conservationists, due to its current condition.

With the report now being received and provided to several specialists in memorial restoration, the unanimous response received indicated that the damage to the memorial is extensive. The majority of this damage is due to the age of the War Memorial which was constructed to commemorate the First World War which took place from 1914 to 1918.

Furthermore, the cost and practicality of being able to successfully repair the memorial so it's structurally sound long into the future is simply not achievable.

The Jindera Recreational Reserve Committee are considering investigating the possibility of removing the existing structure, and either rebuilding it to the current specifications or redesigning a new war memorial for our local community.

If you have any feedback, thoughts or suggestions regarding this process, please either send them to [jinderawarmemorial@gmail.com](mailto:jinderawarmemorial@gmail.com) or you are welcome to drop letters to the 'Jindera Recreational Reserve Management Committee' at the Jindera Post Office.

The committee will provide updates to the Jindera community as we are able to when more informed plans are available.

**We would love to hear from you if you have any news of interest to our local community!**

## “Fortified Six” part of ‘24 Hours of Heroes’ in support of ... Wounded Heroes Australia

The dawn breaks and I start my drive to Wodonga. The 25 minutes fly by as I try to settle what seems to be a combination of nerves, excitement and a sense of dread that maybe I have not prepared enough for what lay ahead of me. It's 7am on the 23rd of April 2023 as I approach CrossFit TMA, the chatter of 12 teams is barely audible over the blaring music. The feeling in the air is palpable as we gather to hear Zak (CrossFit TMA owner, my friend and a Veteran himself) announce the beginning of “24 Hours of Heroes” in support of **Wounded Heroes Australia**.

Silence falls as I hear the very familiar “Last Post” play. I glance around the room at the athletes, most of whom are what I refer to as “Civilians”, my medical retirement is still quite raw and 30 years of Army service is hard to shake. The first of the many hourly workouts to be completed over the next 24 hours is announced “Turns”. Dedicated to Ian Turner, a highly respected Operator from Sydney's 2nd Commando Regiment. Like all we will honour, he is no longer with us. I choke back and bury my emotions like I have done so many times before, but the greater part of the room is awash with tears & emotion.

A similar scene awaits my team “**Fortified Six**” this year, along with now 16 Wodonga teams and many more nationally on 27-28 April. Wounded Heroes Australia is a national charity organisation providing crisis support to current and ex-serving ADF veterans and their families. The 24 Hours of Heroes national event has quickly become a major contributor to this very worthy cause.

My team's **Monster Raffle** is a great opportunity to contribute to this very worthy cause, and perhaps win yourself an awesome prize! All funds raised through both online and cash ticket sales will go directly to Wounded Heroes. At the time of writing this article my team and I have secured nearly \$5,500 worth of prizes from some great Border businesses, now is the time to get your tickets before the draw during the event.

*Adam Paris selling ‘Monster Raffle’ tickets at the Morgan Country Car Club’s Swap Meet + Show & Shine held in Jindera last month.*

So if you happen to pass me or a member of team “Fortified Six” remember we are not trying to sell you the latest and greatest gym membership, nor are we trying to lock you into a costly solar panel contract, we simply wish to raise awareness in the community and offer you the opportunity to win some great prizes, whilst supporting Veterans during trying times.

You can purchase **Monster Raffle tickets** by scanning the QR code on our poster (IGA, Post Office and Council notice boards) or directly online at <https://www.rafflelink.com.au/fortifiedsix>.

To commemorate the likes of Ian Turner, Cameron Baird, VC, Benjamin Ranaudo, Todd Langley, Brett Wood, MG, Mathew Hopkins, and many other fallen comrades is a great honour and deeply personal for me. On the morning of the **28th of April 2024** I will know that the aches and pains, that I will no doubt be suffering, pales in comparison to what these true heroes went through in their final moments. I hope that in that moment I have given my all to support those that need it.

## Open Day!

It was great to see so many families attend our recent Open Day. If you, your family or friends are thinking about enrolling at St John's in 2025 or beyond we encourage them to reach out for an enrolment pack.

## Building Update

We are getting closer to our first class moving into their fresh new learning hub. Painting is finished, new split system air conditioning is installed, shelving is being built, new lights are being installed and flooring is currently being laid. New furniture has been delivered and is ready to be moved in. It has been a long time waiting but our whole school refurbishment project is now well underway.

## Year 6 Leadership Day

We were so blessed to have Victory Lutheran College, Lutheran Wagga Wagga School and St Paul's Lutheran School, Henty come along and join us for the Year 6 Leadership Day.

Year 6 students were equipped with skills to successfully carry out their leader roles not only for this year, but also for years to come.

We had a great day with a special thank you to Emma Graetz, Director of Applied Learning at the Australian Lutheran College who ran the Student Leadership program.

Students learned about the 4S's of Leadership:

1. Spiritual Leadership
2. Significant Others
3. Servant Leadership
4. Support in Leadership

*We can't wait to see these skills in action!*

- A site meeting was held at the **new playground** involving the Director of Engineering, Greg Blackie, Aaron Dixon, Procurement Officer, Greater Hume Council and representatives from the Gazebo and Shade Centre to discuss **shade** needs and designs. Designs and quotes will now be prepared.

- With a half day holiday in Albury for the Gold Cup and schools closed some boys decided that they had more money than sense and dumped a whole box of the café's delicious chips all over one of the toilets, trashing the place. Luckily this was witnessed by others who took a photo not only of the mess but the boys involved. Of course, the new **security camera** has been installed and will also provide evidence. Council will be following up on this incident.

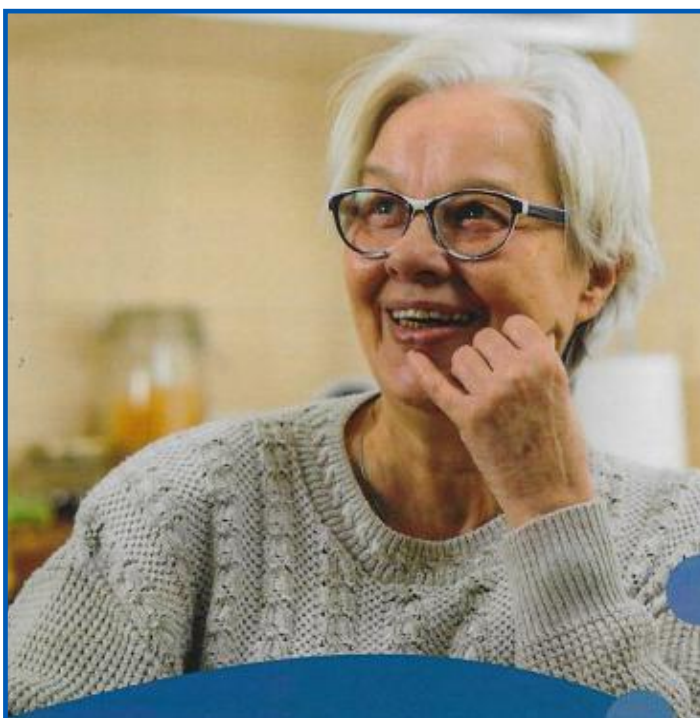

- Following the Local Traffic Control Committee meeting held in February it was recommended that **speed zones** and safety requirements at the intersections of Walla Road, Drumwood and Urana Roads be investigated and reviewed.

- **Council** held it's **monthly meeting** at the Jindera Hub which gave the residents attending a chance to see how a Council meeting runs. Unfortunately the **Public Forum** which is held at the start of the meeting was only open to people speaking on matters included on the agenda.

At the meeting the application to operate a riding school, car parking and signage on Dight's Forest Road was approved. Council was also advised of the proposed cost and contribution by landowners for the Molkentin Road and Urana Street footpath and curb and channel project. The finalising of these works will provide a safe passage for pedestrians from Cade Court and Molkentin Road to Urana Street.

# WELCOME BACK!

Jindera Preschool hosted an afternoon tea with our children and families of 2023 who have transitioned into their first year Primary School. This was such a wonderful event and represents our commitment to our Jindera Preschool children, families, and community.

We thank you for attending our Welcome Back Afternoon Tea! It was wonderful to see your happy faces! We have missed you! Everyone looked very grown up and tall in their school uniform. Friends were excited to reunite and share experiences of primary school and holiday tales. Thank you to our parents who supported this event and shared their afternoon reuniting with our Preschool and connecting with staff and friends.

We wish you all a positive, healthy, and happy journey as you continue to grow and learn.

Jindera Preschool will always be here cheering you on and celebrating your achievements.

The Kangaroo and Kookaburra Groups have been learning about seeds. We have been exploring what different seeds look like, how to help them grow and observing the changes in the seed as it develops into a plant. We have found seeds in our garden, seeds in our flowers and seeds in our food! We have also discovered our local birds enjoy eating our seeds. Seeds can be food for people and animals.

# Women's Week Celebration

Jindera celebrated Women's Week with a Floral Arranging Workshop and High Tea which were held at Jindera Community Hub on Wednesday 6th March.

This event booked out fast with **Flower Mill Jindera** presenting the Floral Arranging Workshop. A big thank you to **Rachel** for providing us with her knowledge and her beautiful flowers! Our High Tea was beautifully presented and served by **Jindera Pioneer Museum**. Thank you to **Margie** for organising and catering for us!

Also, a huge thank you for all those who attended. The night was all about you and it was wonderful to have you all supporting us and our Women's Week Celebration here in Jindera

Last but not least, a big thank you to **Betty** for facilitating the event!

This event was funded in partnership with NSW Government through the 2024 NSW Women's Week Grant Program

## Colour Mixing

We embarked on an exciting journey of exploration with chalk. Our time spent experimenting with chalk they were allowed us to develop our fine motor skills, coordination, and descriptive language.

It also allowed us to use the colours of dry chalk together and watch in wonder as the colours transformed before our eyes.

The excitement increased as we added water, creating a beautiful sticky substance we were eager to play with.

Watching the chalk dry as the water evaporated was a fascinating experience that we all enjoyed. The children led

this activity and offered a genuinely inspiring sensory experience.

## Keeping Cool

We have been able to use play and connection to ‘cool down on hot days!’

Initially, we talked about making a shopping list together of fruit we could freeze to cool us down in the hot weather over the previous hot days. We then spent time together in small groups, cutting up the fruit and freezing it.

There was so much STEM in this experience — a sense of temperature, using a force with a knife, halves and quartered fruits, etc. We even had a discussion about the water we used to rinse the knife off, making a ‘vortex,’ with children offering their own pre-knowledge about this.

To be truthful, it was in this conversation that we reflected that children’s current understanding of the world should never be underestimated.

The word vortex and the reason for a vortex was eloquently explained by a 4 year old.

It also allowed for a great sense of well-being for children - being

allowed to take a safe risk with safe equipment brings with it a sense of confidence and achievement.

It builds a relationship of respect. We also were able to build on resilience - we created this shopping list, which meant some children who helped create the list were not going to be at preschool the next day - and yes, they would miss out tomorrow, but we know that they will have other opportunities at another time.

## Exploring Magnets

Humans are born with a natural desire to figure out how things in their world work.

Magnets are a great way for children to explore their world, especially when they are encouraged to move around to examine scientific properties.

Our favourite discovery was finding that the tunnel is magnetic. The children used the magnet tiles to create starry nights, swings and spikes.

# JINDERA COMMUNITY FORUM

Next Meeting is at the **Jindera Community Hub** (entry via rear carpark) on  
**Tuesday, April 16, 2024**

**7:30pm**

Items for the agenda are welcome by emailing below.

*Come and join a group of locals who are interested in our community and its people, and who would like to help improve the facilities our community offers to both visitors and residents alike.*

The April meeting will be held with **Greg Blackie** (Director of Engineering) from **Greater Hume Council** in attendance, who will address us on upcoming projects for Jindera and discuss issues affecting Jindera.

Please **advise by email** as shown below, a week in advance, of any Jindera issues you would like discussed, so Greg is able to form a response.

**For more information contact:**

## Jindera Pool News

**Wally Wipeout's** final appearance attracted record numbers to the pool for our final day of the season.

We were also able to offer a free sausage sizzle, courtesy of the Greater Hume Council. Ingredients had already been purchased (for the cancelled film night) so were passed on to us to see out the season with a Sizzling Banger or two. Thankyou to those who chipped in to cook them.

**The Canteen** volunteers would also like to send a special thankyou to **Brad** from the **Jindera Butchery** for his contribution of boxes for hot food. This saved us not only dollars, but quite a bit of washing up.

**The Pool Committee's** final meeting for the season was held on Thursday 21<sup>st</sup> March 2024.

We welcomed two new members - **Kellie and Adam** - who came armed with a list of ideas for the pool – spectacular thank you.

**JINDERA WETLANDS - Update**

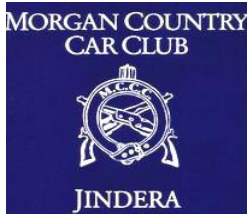

by Henry Taylor-Dening

A month of damage control at the Wetlands. I was surprised to see on my walk to work that a large branch had snapped off from one of our established Gums onto the pathway. With help from a friend, we were able to clear the path again, and even utilise the fallen wood as garden edging for the sclerophyll garden in the wetlands.

This bordering will come in useful as we begin to add mulch to the wetlands! I'm looking forward to keeping the community updated with any developments; in the meantime, please come and visit this serene and peaceful pocket of the recreation reserve, and take a while in nature and contemplate a poem!

# Morgan Country CAR CLUB - *do it again* ...

While we may all be looking for some more rain, the weather gods were very kind to us on Sunday March 24<sup>th</sup> when we held our Annual Swap Meet / Show & Shine at Jindera Recreation Reserve.

Many of our Stall holders arrived on Saturday, in preparation for the big day, with the rest arriving well before sunrise on Sunday, so they could be ready for when the crowds started strolling in at 7am. Although the morning was a little cool (& dark) to start with, it was good to see so many early shoppers, looking for that elusive item.

For the not so serious shopper or collector, there was plenty of great variety for those who took the time to wander down all the rows and browse, ranging from household items, car parts & memorabilia, home-made & baked goodies, antiques and all things in between. Not to mention plenty of food and good coffee.

For those who were more interested in all things with wheels and engines, a great display of over 220 old and new motorcycles and vehicles were on display in the Jindera Primary School grounds. Also on display were Karl Richards, award winning AC motorcar, a rear beauty which was admired by many; an historic tractor on loan from the Pioneer Museum, member Peter Schmidt's replica US Patrol car, plus one of our local fire trucks.

The day also allowed us to present the **Jindera Rural Fire Brigade** a donation, to help them to support the local & surrounding communities.

# ... **biggest and best ever** the 2024 Annual SWAP MEET & SHOW + SHINE

The Morgan Country Car Club would like to thank so many for what was an amazingly big day and saw in excess of 6,000 people through the gates. The Show N Shine was also well attended with over 230 cars entered into the event.

A **big thank you** to the following for their support.....

- ◆ Our Club members, their family and friends for all the hours they gave in the days before and on the day, so that this huge event ran smoothly.
- ◆ The Jindera Primary School, and Greater Hume Shire for the use of their grounds.
- ◆ The Jindera Rural Fire Brigade, Karl Richards, Peter Schmidt and The Jindera Pioneer Museum for their display contributions.

All the Show & Shine entrants, plus our sponsors:

- ◆ Shannon's Insurance ◆ Albany Auto Paints ◆ Quinlan's Auto Spares ◆ The Fox & Brew ◆ Autobarn Albany
- ◆ Border Bandag ◆ Zealous Automotive ◆ Bridgestone (Lavington Tyre & Exhaust Centre) ◆ Repco Albany
- ◆ Border Pumps ◆ Burson's Auto Parts Albany ◆ Repco Wodonga ◆ Pedders Albany ◆ Whitehouse Motorcycles
- ◆ Albany Engraving + Paul's Medals ◆ Hamblin Hire.

The Car Club is also **very grateful** to all our sellers & buyers. - Without your support, this event would not have been such a great success.

• PIONEER MUSEUM •

The Museum has had a big month during March with the very special **Grigoryan Brothers** performing on Saturday night the 23rd March. This event was very well

patronised with over 200 people attending the performance. The Grigoryan Brothers performed works from their latest album 'This is Us' which features works inspired by historical objects from the National Gallery. The museum provides an intimate setting in the beautifully presented outdoor area, for this kind of performance. The weather for the evening was exceptionally lovely and by all accounts the night was enjoyed by all. The museum was very proud to be able to host this event in conjunction with Murray River Fine Music.

This past month the museum also hosted the **Rural Fire Service Association (RFSA) family day**. The

association has been set up to support the volunteers from the Rural Fire Service, a government body that is responsible for all fires outside of metropolitan areas across NSW. The NSW Rural Fire Service has a paid staff that provide the administration support to the many thousands of volunteers that manage and fight fires across the state of NSW. The Association looks to support these volunteers and their families. To thank the volunteers for their efforts in some small way, the Association puts on family days across the state, usually about 4 per year.

The museum was very pleased to host this event for the RFSA which was provided for the many RFS volunteers in this part of southern NSW. Again around 200 members and their families attended this day. They were treated to food provided

by the museum's great catering team, outdoor games, the Corowa Apex jumping castle with White Line providing back-ground music for the afternoon. The museum was open for the volunteers to enjoy and again the weather was perfect. We have been blessed.

Work on the refurbishment of the Post Office is nearly complete with special thanks to John McInnis and the Men's Shed crew for the work that has gone into completing this job. We are hopeful of having the Post Office re-opened for Easter. Some clean-up work will then be done on the area around the Post Office in preparation for the Camp-fire Night to be held in May.

The Museum's Annual General Meeting was held during March with a good roll-up of members. Several Executive were returned to office at the meeting and we were all entertained with reports from the various areas of the museum. The museum is again blessed with the people who hold executive positions, given their exceptional level of expertise and dedication. The work that has been accomplished in this last year is again impressive, with visitor numbers increasing and events and functions well attended and varied.

Our Catering Team is headed up by Sandra Schilg and Brian Millar; Maintenance by Paul O'Grady and Peter Davenport provides IT support.

With this great crew we are planning another successful year with fund raising for the new building being our primary focus. We are hopeful we may be able to commence building this year.

Tickets are now available for our fabulous **High Tea** event to be held on the **21st April**, always a great afternoon. This month we will also be holding a **flower making workshop – Sunday 14th April** and the **book launch for Valerie Volk's new book 'Finding Emma' on 18th April**. See further details for bookings on **page 23 (opposite)** in this edition of Jindera News.

We hope to see you at one of these events.

essential for this free event  
Book here: [www.trybooking.com/CPOYE](http://www.trybooking.com/CPOYE)

Once again Valerie proves to be a great story-teller and the  
creator of Emma Werner, a character who may not be likeable,  
but is always intriguing.

Now an old woman, Emma is domineering and difficult to love, but she has  
not always been so. What happened to the bright young woman she once  
was? And why does she still take flowers to the grave of her first love?  
Emma turns to the journals from her youth to rediscover her old self, and  
to reclaim her future.

*'Finding Emma is a finely and cleverly crafted migration saga set in rural NSW,  
encompassing two centuries and three wars. Valerie Volk's succinct prose portrays an  
honest, raw and riveting account of one woman's life and the mark she leaves on the  
lives of others.'*

— Rosanne Hawke, author of *Marrying Ameera*, *The Messenger Bird* and *Zena Dare*

## National Pet Day 2024

### THURSDAY 11th APRIL 2024

Australia, where pets play a significant role in society and with an estimated 30.4 million pets delivering a dose of love, loyalty and companionship in households right across the country, it's no wonder that we are known as an animal-loving nation.

More than 60% of Australian households own pets and with one of the highest pet ownership rates in the world, the significance of National Pet Day in this country is substantial. National Pet Day is observed through various activities including pet-friendly events, adoption drives, and fundraisers for animal welfare organizations.

#### 5 ways to recognise National Pet Day

1. Plan a Special Day at Home
2. Shop or Make Treats or Toys For Your Pet
3. Organise a Pet Friendly Get-together
4. Promote the Day on Social Media
5. Volunteer at Your Local Animal Shelter

# Jindera CWA News

APRIL 2024

Three branches, Jerilderie, Berrigan and Murray Hutt (Finley) have joined Murray Group, making a total of 11 branches in the Group. They were welcomed at the Group Cookery-Handicraft and Ag/Environment Day at Gerogery on 13th March.

Branches entered Handicraft and Cookery for judging to go to the State Conference in May at Coffs Harbour. Congratulations to our branch Jindera winning the trophy for Handicraft with a score of 66 1/2. Two items were selected to go to Conference. Jindera was placed 3rd in the Cooking Competition and new member Amy Kelly was delighted when her Butter Cake was selected for Conference.

Guest speakers for the day, were Laura Jennings from "Home Instead" and Christine – "Lupins for Life" Jindera. Olivia Hanel and Margaret McMaster will be Jindera's representatives to attend the NSW CWA State Conference at Coffs Harbour in May.

## NEWS FROM HEAD OFFICE

The CWA of NSW is stepping up to advocate for change and ensure that the recommendations from the **Royal Commission into Aged Care Quality and Safety** regarding dental and oral care are adopted by the Australian Government. We believe that everyone, regardless of age, deserves access to proper dental and oral health services.

Following the **ANZAC Day** Commemorative Service at 10.30am, **Jindera CWA** will be providing a **Morning Tea** at the **School of Arts Hall**. Donations to help with the supply of this morning tea would be appreciated by your local CWA group.

OUR NEXT MEETING WILL BE  
**3RD APRIL AT THE JINDERA MUSEUM**  
– which will include lunch and entertainment.

Yours in CWA Friendship,  
**Bev. Blair**  
Publicity Officer.

# Jindera Community Garden

We are a social group who are creating a garden for EVERYONE to enjoy. Check our news on Facebook, and read *here* each month for updates. If anyone has ideas or suggestions, please let us know. Phone or Message - Michelle at JCG on Ph: 0417 481791 or email [jcg2642@gmail.com](mailto:jcg2642@gmail.com)

## Jindera Garage Sale - 14th April !

We still have space at the Community Garden for garden themed stalls during the annual Jindera Garage Sale. Plants, bird feeders, garden art, any garden associated items etc...

**Garage SALE!**

Come along and support both the Rural Care Link **Garage Sale** and the **Jindera**

**Community Garden (JCG)** while enjoying the peaceful surroundings. We will have a coffee van, food and seating available.

If you are interested in having a stall at the gardens, please give me, Michelle a call ASAP or send an email.

## Garden FAQ's

Q - Who can use the Community Garden?

A - The community garden is available to the whole community to visit and get involved in, as little or as much as wanted.

Q - Do I have to be a member?

A - You do not have to be a member to wander through, pick some vegies or herbs and enjoy the peace.

If, however, you would like to be more involved and have time to assist on a regular/semi regular basis we would love to welcome you as a member, you would then be covered by insurance.

Also, memberships help the garden financially as there is always something to do around about.

Memberships Are \$10.00

*Having a cuppa and a chat after some gardening!*

## Woodworkers Needed!

**Talking of seating!** JCG would like to install permanent seating to make the garden area, more welcoming and usable. We are hoping to install wooden bench type seats and maybe a table. If possible, we would love to get these made locally.

Are you, or do you know some talented woodworkers who could help us with this project? Please get in touch with JCG.

Examples below but we are open to suggestions!

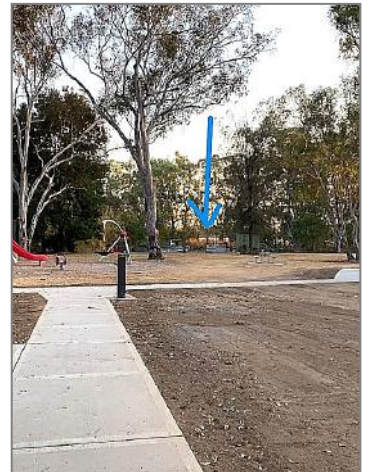

## New Paths

If you have been down to the gardens entering from Pioneer Park, over the walking bridge you will see the awesome new paths that Greater Hume Shire has installed for us.

This has provided very much easier access to the children's playground and the toilet.

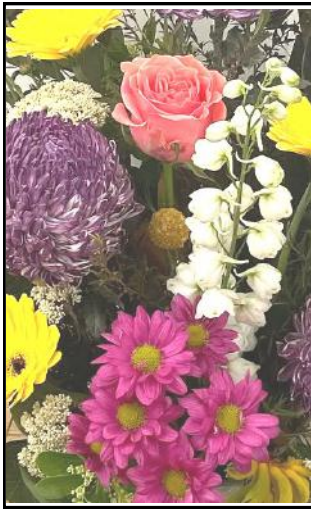

From there it is only a short walk to the garden.

## PROBUS Monthly News - by Helen Squires

**Introduction** - **Probus** is a club for retirees and aims to promote growth, development and support for former professional and business people fostering the true spirit of Probus - FRIENDSHIP-FELLOWSHIP-FUN.

**The Henty Probus Club** meet on the 2nd Wednesday of each month at 10.am at Henty Bowling Club. Membership is \$30 p.a. *Anyone from Jindera would be very welcome to attend our meetings.*

For more information - [www.probussouthpacific.org](http://www.probussouthpacific.org) or contact: Yvonne Booth 0428293193 - Kevin Fogarty 0428293480

**Henty/Culcairn Probus** Club met at the Zion Lutheran Hall at Walla Walla on **Wednesday 13th March 2024**.

It was to be the day of our Annual General Meeting. Our President Yvonne welcomed us and we sang the national anthem accompanied by Herb on violin. New member Robyn Long was welcomed.

Special anniversaries were Gary and Jeannie Kenney 55 years, Lila and Haydon 67 years, Diane and John 62 years and Ron and Shirley 6 years. We congratulate them all.

Jeannie Kenney was our five minute speaker and she told us about years of being a marching girl club member, and wore a bib weighted down with badges. It was an amazing story of moving people around the countryside in a furniture van so they could compete at towns across Victoria and march at the MCG at football grand final, the Royal Show and Moomba parade. Yvonne thanked Jeannie for sharing her memories and presented our Probus pen as a memento.

At our AGM, Gary Kenney declared all positions vacant. He then announced the newly elected members:

President - Warren Berkery	Vice President - Yvonne Booth
Secretary - Beryl Meyer	Assistant Secretary - Helen Squires
Treasurer - Fran Fifield	Program Director - Margaret Pumpa
Historian - Julie Parker	Newsletter - Kevin Fogarty
Welfare Person - Julie Parker	Publicity Person - Helen Squires
Travel and tour guide - Allison Schuster, also public office	

There is a vacancy for a membership officer.

We give thanks to Heather who has been our treasurer for many years and to Neil Parker who has been our program director finding our amazing speakers. Thank you too, to Yvonne Booth who has been our president for two years. A good job, beautifully done by all.

Our speakers for the day were Marian Viles and Libby Clarke who in their roles as speech therapists have formed a choir called Border Sonic. The members of the choir are recovering from stroke and other neurological situations like Parkinson's disease. The choir gives people an opportunity to participate and to improve their speech.

Singing is good for the brain and good for breathing and posture. The choir sang beautifully for us and we were invited to join them and their musical instruments - Mary Hunt on violin and others on drum, ukelele and mandolin. Ian Lieschke thanked our guests and presented pens to Libby and Marian and token gifts were given to singers and their carers .

Our Herb has made a new musical instrument to take to his caring visits at aged care and hospitals.

We thank the Mill shop at Walla Walla for preparing our picnic lunches and thank you too, to Monica who made sure we had clean toilets and hot water for cuppas, your work is much appreciated.

Our **next meeting** of Probus is to be at **Henty, second Wednesday of April**, 9.30am for a 10.00am start, at the Community club, possibly a tour of the Henty Primary school. We look forward to seeing lots of visitors.

The 2024 competition season kicked off on Sunday the 3rd March with the men's and mixed 2 Ball Ambrose. This was a great day with the course fully booked at 64 players a week before the event.

Justin Clancy, the NSW State Member was also in attendance to "Officially" open our new irrigation system courtesy of a \$154,000.00 grant from the NSW "Department of Responsible Gambling & Alcohol. His speech highlighted the tremendous effort of the club's volunteers in doing the majority of the installation which included the laying of around 3km of irrigation pipework, 30 automatic control valves & electrical works.

Major winners on the day were Ladies President Lucy Kimble and Casey Gamble with a score of "Net" 60.5 in the mixed & Ash Paech and Don Singleton with "Net" 61.25 in the men's.

The first men's "Monthly Medal" was played on Sunday the 10th March with Rhet Prescott winning with a great score of "Net" 63. The ladies competition season is also well underway with Marita Christensen winning the medal with "Net" 62.

The ladies competition will run over 2 days on Sunday and Monday each week. Please email admin@jinderagolfclub.com for any enquiries.

Another recent highlight was a "Hole In One" by Craig Christensen in just his second full 18-hole comp. since taking up the sport around 6 weeks ago. Golf is now a bit of a family affair for the Christensen's with Craig and wife Marita recently getting into the sport - following in their son Alex's footsteps - who has been playing as a junior at the club for a couple of years now.

The club has recently installed a facility to pay green fees by card, with a "VendiGolf" eftpos machine installed at the clubhouse. Non Members wishing to play golf can still pay by cash - at \$15.00 adults and \$10.00 for juniors or via eftpos which incurs a \$2.00 surcharge.

Please remember that ALL money coming into the club is re-invested in the course for the benefit of all players.

In the meantime, current comps are as follows: -

- **Sunday - Men's 18/9 holes**, event according to calendar on website Tee-off 8.30/9.00. (11.30/12.00 from June)
- **Wednesday - VETS 9 Holes**, Stableford (unless notified differently) Tee-off 8.30/9.00.
- **Friday - Chook Run - 9 Holes**, Open to all, 4.00 to 5.15pm, can also be played throughout the week - Play your game, place cards - signed and verified by partner with \$10.00 in an envelope and slide under the door.

**The club has an electric golf cart for hire by members and visitors. For bookings, contact us via email.**

**Membership** - To join our great community golf club, simply download a membership form from our website or request one via email, email it back and pay via eftpos.

**Annual memberships** become due on 31st March and cost \$140.00 (inc. GST), Juniors \$35.00 (inc. GST)

# Jindera AUSKICK

is now back on **FRIDAY 3RD MAY**

Our season start date  
has *changed*  
from 12th April to  
**Friday 3rd MAY**

*It's that time of the year again* and we are excited to kick off our first night on **3rd May**. To open the season, we'll be having a **free BBQ**. NAB AFL Auskick is the best way to introduce your kids to the world of Australian football. At Auskick, kids get to run, jump, kick, laugh, express themselves, and create special moments on the field. It doesn't matter if you are familiar with the game or not, as Auskick is inclusive for everyone, regardless of their ability to play.

We play on **Friday evenings** at the **Jindera oval** from **5.50pm to 7.00pm**. We have a **BBQ** at the end of every session, so you *don't* have to *worry* about *Friday night dinner*.

We follow the senior clubs' draw throughout the season, which means we get many opportunities to play morning and half-time games against other Hume League Auskick centres.

This year, we are proud to announce that we will be adding an **All-Abilities** group to our Auskick club to help and encourage those in need. We also welcome back our **Girls-Only** group, which aims to give girls more confidence and help them develop valuable skills, make new friends, and enjoy the game of footy that we all love.

We will be organizing girls-only games as well, against other Auskick centres in the Hume League throughout the season.

Our club is run by *amazing volunteers* and relies heavily on our parents to be involved in our training nights, so it's a full family affair. Who wouldn't want to be involved and watch their kids grow and have fun?

If you're interested in joining us, please visit <https://play.afl/play/auskick> and look for Jindera Auskick. Or contact [auskickjindera@gmail.com](mailto:auskickjindera@gmail.com) or Allana (*President*) 0419 332 314

*Happy Kicking ... see you at the oval!*
