Rural Care Link Inc. Committee

Officer, Sue-Ellen White.

Hi, my name is Jenny O'Neill. My involvement with Rural Care Link Inc. has been over many years with a few breaks in between. Currently I am on the committee and also volunteer in the Op shop on Saturdays. I am the Jindera News Coordinator, working with the editor, Julia Martin and Admin

As many of you would know I am a councillor with Greater Hume Council and have been for 18 years. I am Secretary/ Treasurer of the Jindera Recreation Reserve Committee, Chairman of Jindera Lutheran Church, supporter of the Jindera Community Garden, member of the Jindera Swimming Pool committee and Multi-Purpose Hall fundraising committee. Occasionally I can be seen at the Museum Tearooms or helping at other Museum events. My function as a councillor also means I attend many other community meetings and events.

Jindera is where I have lived most of my life apart from thirteen years in Canberra where I completed my teacher training and then stayed to teach for ten years. My husband Philip and I decided to move back to Jindera so we have been here now for 38 years. We have three grown up children and four grandchildren.

In 2019 I retired from full time teaching at St John's Lutheran School Jindera after 34 years. I still do some casual relief teaching and volunteer in the Library.

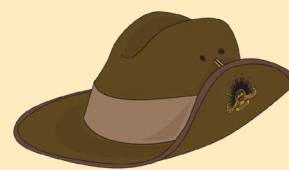

Being involved in the community is very important to me and I like to encourage others to do so. Even though Jindera has really expanded over the past years it is still very important that people become involved in community events and preserve the country feel. It is a privilege to be part of Rural CareLink and help others in a concrete way.

I enjoy cooking for, and running cake stalls outside IGA and selling raffle tickets for various good causes with the help of others. My current project is to get uplights on seven of the Village Green trees. This is supported by Rural CareLink and the Jindera Community Forum.

Responding to Our Environment

This month our Preschoolers have had front row seats to council road works and large machinery moving in front of our preschool. The children are learning from watching and hearing the machinery move, pick up objects, and dig through the road. It is inspiring our play and encouraging the children to share their ideas, observations, and experiences with one another. We are observing our Preschoolers paint their ideas, build machinery from blocks and craft and resource dress ups and equipment to imitate the workers through the fence. The children are making sense of their experiences and building knowledge and ideas through play.

Jindera Preschool is continually working hard to build our skills and grow as professionals in Early Childhood Education. This maintains the high standard of service we provide to our children, families, staff and community. This month we have engaged in professional development with KU Sector Capacity Building Program:

- Identifying Developmental Concerns and Challenging Conversations
- Inclusion - A Whole Team approach/Individual Learning Plans

Out and About in Our Community!

Our Kangaroos visited the new Jindera Post Office this month and enjoyed a tour of the mailing system with Marylynn, Pat and Margie. The children posted letters to their families and friends and even picked up our preschool mail. A big thank you to the Jindera Post Office for teaching us about our postal system and important people and businesses within our Community.

The exciting news for March is the brigade is a recipient of a grant of \$1999 for training equipment from the Australian Track Corporation (ARTC) Inland Rail Community Sponsorships and Donations Program - <https://inlandrail.artc.com.au/opportunities/sponsorships-and-donations/>

Further details can be found on the following link: <https://inlandrail.artc.com.au/jindera-bush-fire-brigade-receive-training-boost-from-inland-rail/>

Many thanks to Inland Rail for their support and the Jindera brigade encourages other community organisations in the area to investigate the Community Sponsorships and Donations Program.

The Jindera brigade responded to **three incidents** in the past month: a suspected structure fire; an incorrectly documented planned burn and a vehicle fire.

We would like to remind the community that we are still in the **Bushfire Danger Period** until at least **1 April 2023**.

Even if you do have a written permit, it is important to notify your neighbours and the NSW Rural Fire Service of your intention to burn at least 24 hours prior to lighting up. Further details are available on the NSW RFS website: - <https://www.rfs.nsw.gov.au/fire-information/BFDP/burn-notifications>

Truck maintenance has now been finalised with the faulty truck back on the road and loan truck returned.

Celebrations and congratulations go to **Samantha and Robert** on the announcement of their engagement and we would like to wish our loved up couple all the best for the next chapter of their lives.

Don't forget the Fire Brigade will be out on the road for the Good Friday Appeal on Friday 7 April and the Anzac Day dawn service breakfast will be served at the fire shed.

JINDERAPUBLIC SCHOOL

Term 1 at Jindera Public School

With only a couple of weeks remaining in the term, it has certainly been a fun and eventful start to the year. The following is a snapshot of some of the main events from February and March.

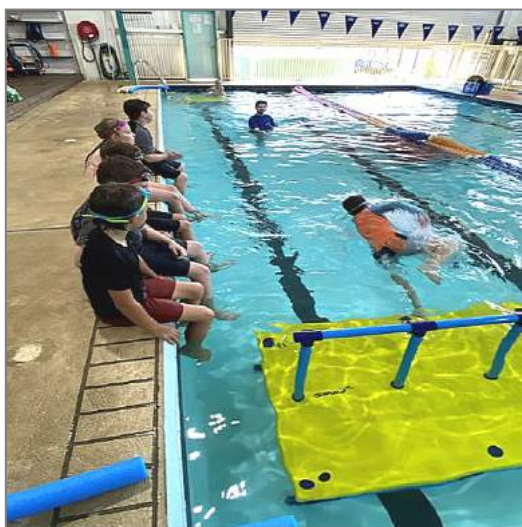

Student Representative Council

Earlier in the term, classes voted on and elected representatives to form the 2023 Student Representative Council. This is a highly sought after leadership role within the school, giving students the opportunity to help direct some of the activities and decisions made during the school year. This year, we elected two students from each class who have already met on a number of occasions to discuss ideas for fundraising and ways to acknowledge important people within our school community. Our induction ceremony will be held on Friday where students, accompanied by family will accept their badges and enter into the leadership team for the coming year.

School Swimming Scheme

Our students, again have had the opportunity to participate in the school swimming scheme. For the past two weeks, 25 students have travelled daily into Gould Swim Academy to participate in this highly important program. We know that the children have really enjoyed the experience and have all increased their swim survival skills.

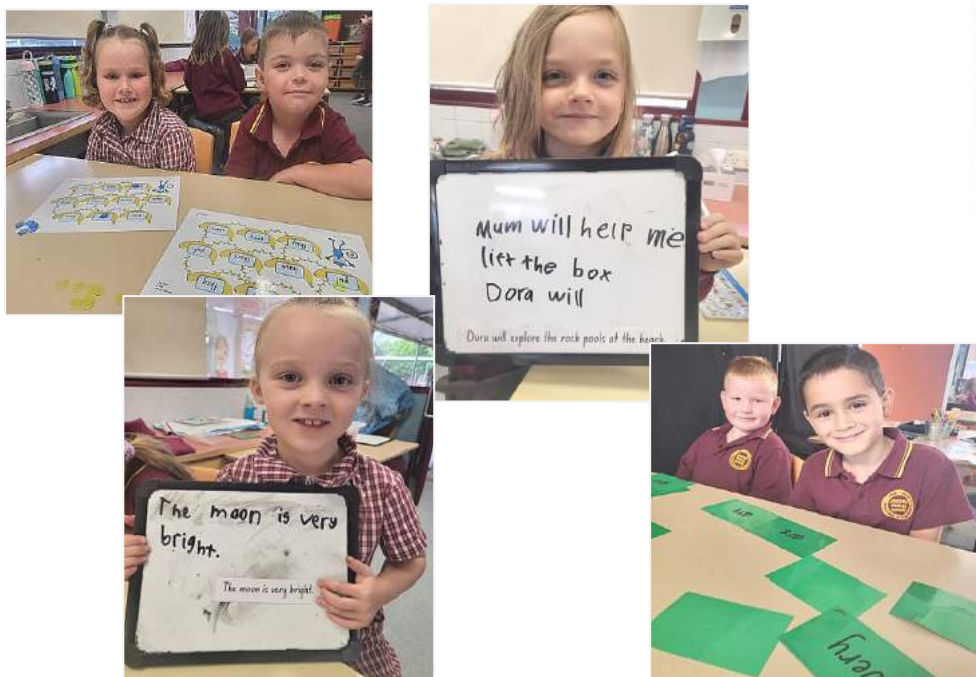

Story Poles

Over the past few months, our students have been learning more about Dreamtime stories. As part of this learning staff and students have designed and created artworks for story poles. Staff worked with students to inspire cultural awareness within our school. These artworks will continue to be used for many years to welcome families and strengthen our teaching of Aboriginal culture and local landmarks.

InitialLit at Jindera Public School:

Here are some photos of our Early Stage One and Stage One students engaged in the InitialLit program. InitialLit is an evidence-based whole-class literacy program providing all children with the essential core knowledge and strong foundations to become successful readers and writers.

Spotlight on Wallabies and Goannas:

This month, we want to shine the spotlight on our Stage Three classes and celebrate some of their academic, sporting and leadership successes.

Our two senior classes, the Wallabies and Goannas have led the way this term, setting a fantastic tone and acting as role models for the rest of the school to look towards. Classroom teachers, Mr Heath Quinn and Mr Dylan Cook, have both been very impressed with the way the classes have come together so quickly, and are now kicking some excellent learning and leadership goals.

Please enjoy some photos and from our Stage Three learning environments.

From the kids

AROUND THE TOWN **UPDATE**

with
Cr. Jenny O'Neill

- Due to the increasing traffic and pedestrian movements in the CBD section of Jindera the current school bus stop in front of the Post Office is being moved to in front of the School of Arts and Village Green. The new bus stop will be ready to use when school commences after the term holidays.
- Work on the new playground and toilet block will commence after Easter to be completed by the end of June. As the Swap Meet was on it couldn't start earlier.
- Once again there was an incident at the Village Green with the toilets being trashed. Not a good promotion for the town when there were close to 200 visitors using the Village Green. Some youths were seen sitting outside the Next Level Café at midnight Saturday. Footage from the council cameras on the corner will be looked at when it is downloaded. Council will be installing security cameras within the Village Green. Thanks to the Jindera Service Station for making their facilities available.
- The cake stall and raffle last Saturday to raise funds for up-lights in some of the trees in the Village Green was very successful with **\$1500 raised**. The raffle will be drawn on April 1st.
- The proposed Telstra colocation on the Optus tower at the Jindera Recreation Reserve is a step closer. The application process with Crown Lands has been completed and stakeholder feedback is being sought. It is unlikely that there will be negative feedback so once this period has ended Crown Lands will provide the licence and building the site can be scheduled.

Stitch and Chat Craft Group

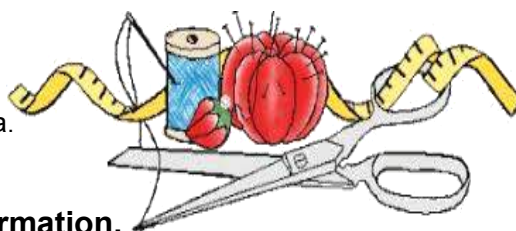

This group meets on the first Wednesday afternoon of each month at **2.00pm** at the Jindera Hub.

All welcome, just bring whatever you are working on & come along for a chat and cuppa.

ANZAC DAY in Jindera

We're excited to say that this year St John's is hosting the **ANZAC Day Service** at the **Jindera Memorial Park**.

We look forward to welcoming our students and their families, Jindera Schools and the wider community to join us for this momentous occasion, in respect of our ANZACs.

We've seen our Year 5/6 students working together and sharing their thoughts on what it means to be a leader, now they are the senior students at the school.

Our Year 3/4 LK students spent time working in pairs to review their narrative writing about their talking pet. Classmates used their active listening skills to pay attention to the flow of their partner's story. In working together their role was to positively contribute ideas and encourage each other in how they could improve their writing. Students also got to celebrate each other's writing by naming their favourite word, phrase and sentence in their partners writing.

What a wonderful way we're able to demonstrate actively with our students, that working collaboratively can be as small as working in pairs, whether it's sharing their own ideas or listening to the other's ideas – we all know that two heads are better than one!

Fundraising Motorcycle Ride

Jindera Village Green - Sunday 19th March 2023

By Bernie Garvey - Victorian State Co-Ordinator (Volunteer)

The Committee for Albury Wodonga Black Dog Ride would like to **Thank** the **Community of Jindera** for their interaction and support of our Annual Fundraising event. Local Business, Residents and Families assisted us to hold a successful Days event.

Black Dog Ride is a National Charity, without the support of Government funding, which promotes Conversations around good mental health, specifically around Depression Awareness and Suicide Prevention, using the spectacle of Motorcycles as a conversation starter.

The Charity has a grant program, allowing Community Organisations to apply for funding to support their own specific local Mental Health Programs.

Across Victoria on Sunday March 19, we held 10 Awareness rides, mobilising over 800 motorcycles, raising significant funds for our programs and holding significant conversations with communities. Across Australia, on the same weekend, 29 rides were facilitated, with more than 3,000 motorcyclists and supporters engaging with Community.

Over 120 people gathered at Jindera Village Green from 7.30am last Sunday, to meet, display and ride their motorcycles in our parade ride.

After enjoying coffee and breakfast food from staff at the Pioneer Museum, with a long line supporting breakfast orders at times, we left Jindera in convoy at 9am, travelling to

the communities of Howlong and Corowa, before stopping for refreshments at Caffeine and Machine Café in Rutherglen, where we held a brief Auction to raise funds. From Rutherglen the 120 bikes travelled again in Convoy back to the Hume Freeway past Wodonga and Albury before turning at Ettamogah, and returning to Jindera Village Green, for a BBQ lunch and raffle draws.

The spectacle of a mixed group of motorcycles, is the catalyst to start conversations around Depression awareness and Suicide Prevention, and to offer avenues and options, should anyone need to talk further, or to refer their friends to, and many Jindera locals came out to speak with our riders.

We would like to thank and acknowledge the support of Albury Galvanizing and their Staff who volunteered and participated in our ride event. Albury Galvanizing has a strong commitment to the local community and supports their employees and the Jindera community in many ways, so we are very happy to have their support, and to support their staff and Jindera community in return.

We also thank our other sponsors and supporters of the day, including Jindera News, Jindera Pioneer Museum, Jindera Hotel, Hachibee Honey, Butcher On Rise, Ultimate Fasteners, Wodonga Mens Shed, Top Tune Motorcycles, Red Brik Café, Finer Frames Wodonga, Hills Moto, Fast Fuel Motorcycles, Grilld Albury, Blackwoods, Jindera Bearings, Tollis Automotive, Blacklocks and Arkon.

Jindera Pool News

The Swimming Season for 2022-2023 at the Jindera Pool ended on Sunday 12th March 2023 with an afternoon of **Wally Wipeout**.

Wally was a hit especially when it was a pretty cool day. There was an attendance of over 150 people, so it was a good end to the pool season.

The **Kiosk** had a successful season thanks to the hard work of Lorraine and Narelle. Their special items for sale on extraordinary days were much appreciated.

The Committee were appreciative of the services given by Alisha and her team of **Lifeguards** throughout the season, for the benefit and enjoyment of all who attended the pool.

Our Secretary of many years Alison has resigned from her position of secretary and the Committee would like to thank her for her hard work throughout her time in office.

We all look forward to another successful season in 2023-2024.

Join the committee!

We are small in number and would be very happy to welcome new members to our group.

Clean Up Australia Week!

Little Saints Preschool have been very busy working together to clean up our outdoor learning environments for not just one day, but the whole week!

We used our very special gloves to protect our hands, and our big bags to collect rubbish and gain concepts of cleaning up and respecting our play environments.

"That was so much fun!" to "clean up our world!" and "save the jellyfish"

Good Luck!

Miss Emma will be away every Thursday and Friday from the 16th of March to the 19th of May 2023 to complete her placement towards her Bachelor of Early Childhood Education.

We wish her all the best for this exciting journey.

School holidays

Little Saints will finish term 1 on Thursday the 6th of April at 4:30pm, we will be closed for 2 weeks as well as the public holiday for ANZAC day and we will return to normal operation hours on Wednesday the 26th of April.

We wish everyone a safe and Happy Easter.

Easter Raffle

We have been so blessed with the amount of donations we have received for our fundraising Easter Raffle!

We have **7 amazing prizes** ready to draw on **Monday the 3rd of April**

Remember, if you wish to purchase raffle tickets, you can come to Little Saints directly to purchase them.

JINDERA

• PIONEER MUSEUM •

Following on from the success of the Forgotten Trades Festival, we all would have enjoyed a month to catch our breath, but...it has been another busy month with several private functions at the museum.

We hosted a lovely wedding ceremony early in the month and the museum provides a beautiful setting for this type of event. The gardens are looking particularly lovely, thanks to our mower-man, Mark, and the gardens are always well attended thanks to a band of busy bees.

The old dwellings in the grounds and the wagons and carts in the machinery area provide an interesting and unique back-drop for photographs. Visitors are always commenting on the lovely surrounds at the museum and we are happy for folk to bring a picnic on days when the Tea Room isn't open.

There have been several visits this month from service clubs, both for functions and visitation. Groups are always welcome and meals or morning and afternoon teas can also be arranged.

The town has also been busy with events this month, which also provide for opportunities for us and the other businesses in town to support or benefit. As I write this the town is inundated with vehicles and people attending the Morgan Country Car Club Swap Meet; this has become a huge event on the towns' calendar as people travel from all over to attend. Many visit the museum while here and enjoy the delights of the Tea Room. We hosted breakfast for the Black Dog Run during the month, with over 100 motorbikes rumbling through town.

The trusty builders who have constructed our disabled toilets have been working on some additional repairs at the blacksmith shop site opposite the museum, and we hope, before too much longer, to be able to open this whole additional area for viewing.

We have undertaken some rearranging of horse drawn vehicles and will have a new display cabinet open in the farm machinery area soon. We need to keep this area available for functions or events when the weather isn't as favourable, as it is our only large undercover space until our new building comes to fruition.

Easter is quickly approaching and we have some activities for children over the school holidays. Our **Treasure Hunt**, finding objects around the museum, is always popular with children and we also have a more difficult discovery activity for older children. There are also old fashioned games in the grounds and word games designed around objects in the museum.

Over the **Easter holiday** weekend the Tea Rooms will be **open from 11am**, Easter Saturday, Easter Sunday and

Easter Monday offering our scrumptious Devonshire Teas, cakes and lunch fare.

We look forward to seeing you.

Ride for A Cause - RoCan - Rides into Jindera

Jindera was a stopping point for about a dozen energetic cyclists on Sunday 19th who were riding to **raise funds for ovarian cancer research**. The route took riders around Northern Victoria from 18th March to 24th March via towns such as Wangaratta, Rutherglen, Albury and Bright. Over the border Walla Walla and Jindera were included. Although our local takeaways were closed the riders appreciated the food available at IGA and the service station.

Thanks girls, for the great job you did and also to Bob and John Waters for lifting those heavy pellets out. A job which had to be done!

New Apprenticeship Program for Baker Motors

The new program, is offering **ten (10) apprenticeships** to local job seekers hoping to get a start in the automotive industry.

Baker Motors' commitment to training the next generation has been given a significant boost with the announcement of **ten apprenticeship** positions within the local business.

Driving this initiative is Baker Motors Service Manager Michael Seinor.

"We has been employing local people for over 75 years, and this is a fantastic opportunity for anyone hoping to get a foot in the door in the industry," he said. "There are no restrictions when it comes to age or gender; all we require is a genuine love of cars and a solid work ethic."

Apprentices will experience working in all aspects of the Service Centre, from the hands-on job of servicing vehicles to assessing parts and working on the front counter.

The general manager Martin Baker agrees: "As a family-run business for over 75 years, we're proud to have trained generations of highly skilled service mechanics. Many have gone on to do great things, and a decent number have stayed on with Baker Motors for many years," he said.

"It's a testament to the standard of training they receive, that many Baker Motors employees stay with us for many years beyond their initial training". With ten positions available, interested applicants are encouraged to submit their CV via email or to the Service Centre directly.

JINDERANGLERS CLUB INC.

Mixed results for the fishing in March with **massive fish kills** in the Menindee lakes and adjoining rivers area seeing a sea of dead fish floating, the number of dead fish makes you wonder how you couldn't help but catch a fish a month ago.....

Lake Hume still has fish effected by the mystery virus effecting redfin and catches of redfin have generally been pretty ordinary with most decent fish having had the virus, however several local anglers have managed to get good catches of healthy fish from around Bowna and around the Drummonds bay region.

Fishing in the Murray and Murrumbidgee Rivers for Murray cod has been good with most anglers getting some legal sized cod mixed with lots of trout cod and undersized Murray cod. The water colour is strange however the fish are still biting well.

The washup from the recent South West Anglers Comp at Buckingbong was impressive, 59 anglers inc. 9 children and 12 ladies caught 325 fish with 31 anglers catching legal size Murray cod, 42 cod were in the 550 to 650 size range and 3 above that size, 79 trout cod were caught size between 250 up to 550, yellas were all good size 400 up to 500. Winning club was Corowa, best fish was a Murray cod 740.
