A Jindera based, not-for-profit charity organisation.

Jindera's Got Talent!

We have shared stories about some extremely talented young Jindera people here in The Jindera News, doing amazing things with their skills locally, nationally and internationally.

This month we'd like to share a story about a couple of young local lads, who are making a name for themselves in the music scene with their band 'Mt Maze'.

Nathan and Adam Tollis grew up in Jindera from the ages of 5 and 6 years, living in Fallon Street, with plenty of adventuring around the town with other local kids. Their parents, Grant & Debbie Tollis, have operated Tollis and Sons Automotive, in the Jindera Industrial Estate for many years.

Growing up Nathan loved his video games, where Adam loved his footy, playing for the Jindera bulldogs, but the one love they shared was music.

Apparently, the boys didn't PLAY music together growing up, "we spent most of the time trying not to kill each other" jokes Adam.

Mt. Maze

L to R: Nathan Tollis—Drums, Adam Tollis—Vocals, Nick Musarra—Rhythm Guitar, Shane Ellwood—Bass Guitar, Grady Nigsch—Lead Guitar

went on to join an acoustic duo, busking late nights on the weekend and playing a couple of weddings.

"Since Mt. Maze, we have never gotten along better. Honestly, I absolutely love the fact that I get to play music with my brother and share this experience together! We're excited to see what the future holds for this band."

Whilst undertaking his apprenticeship as a carpenter, Nathan played drums for an Albury punk cover band. Adam, whilst completing his first apprenticeship as an electrician, dabbled in a little acoustic guitar and

After qualifying, Nathan started his own carpentry business. Adam moved to London for a time but has returned home and now works for the family business alongside Mum and Dad. He will be a qualified mechanic at the end of the year.

Story Continues with more photos on page 4

Huge Thank You to Jindera IGA!

What a wonderful surprise to receive a donation cheque from Jindera IGA's Community Chest.

This money helps us to continue to offer information and support to locals, as well as the wider community. Especially those experiencing financial hardship and needing basic necessities, which

unfortunately, we are seeing more and more.

Again, our sincere thanks to Belinda & Co from Jindera IGA.

Op Shop News

You may notice a couple of faces missing when you next visit our the Op Shop, with two of our stalwart staff members moving on.

Left: Judith Coles.

Above: Christene Batty (L) pictured with Colleen Lord OAM

Christene Batty has been a volunteer with RCL for some 12 years now. Travelling from Howlong twice each week, she has been an incredibly devoted and dependable member of the Op Shop team. Chrissy is moving on to other things, a trip away being high on her list, and although we will miss her greatly, we wish her well in her future endeavours.

Another tireless worker for RCL, Judith Coles, has been a volunteer in the Op Shop for around 7 years. For the last couple of those, she has stepped up as 2IC to the Co-ordinator, and has put in countless hours, at all times of day (and night) overseeing the general running of the shop, including managing and training staff, stock control, and Facebook sales, which have become a significant portion of overall sales.

The Op Shop is the "Life Blood" of Rural Care Link Inc., and Judy's dedication to the cause, has been truly commendable.

We will miss Judy immensely, and will be forever grateful for her legacy. Our hope is that her retirement from this position will lead to more time with family, and deservedly, more time for herself.

Sincere thanks Judy.

So, we may be having a 'changing of the guard', but rest assured, our little shop is still operating at full swing. Please feel free to phone the Op Shop if you have any enquiries.

Better still....come on in and find yourself a bargain!

Carers Plus Group Upcoming Workshop

The Carer Plus Group, an integral part of Rural Care Link, is pleased to present a FREE workshop, as part of its commitment to providing larger events to the wider Jindera Community and beyond, on topics that are relevant.

We are able to hold this FREE workshop, as a result of being nominated and successfully receiving an Australia Post Grant.

In recognition of the times we live in, both in rural and urban locations, where mental health is in the spotlight, we wish to offer some hands-on strategies for dealing with stress in our lives, whether you are out on a farm, or living in one of our smaller rural towns.

With practical examples, activities and discussion in small group situations plus a helpful handbook to take home, we hope to address issues that can be affecting us all, sometimes not even realising sometimes that we are in difficult times.

We are very fortunate to have Sally Jean share her professional skills, and through her business 'Glow Well-Being', offer some excellent tips, guiding us in ways to recognise the signs of, as well as ways to alleviate, levels of stress.

These are life skills, and best learnt as early as possible, so we would love to have an audience covering all ages, from teens up. We appreciate that not everyone feels free to speak in large groups, so we will be providing options for smaller more intimate, age-appropriate sessions, to be more informal, as well as larger group activities.

Please book in early with the Office at Rural Care Link, Jindera.

On the day, come and enjoy Morning Tea and a tea or coffee on Registering at 9.30am and a delicious catered Lunch, where you will then also have a chance to chat informally with Sally and other attendees.

We hope this might be a springboard to further such events in the community with flow-on gatherings happening as connections are formed during the day.

We look forward to welcoming you on the 24th September for an informative and wonderful day, full of practical ideas, strategies and new connections.

Please see details on our flyer on page 9 of the Jindera News.

Meet Another Committee Member

Hi, my name is Michelle Grenness. I am the treasurer of Rural Care Link; I have held this position since 2018.

I am married to Stephen and have 2 adult children. We live on a hobby farm

5 minutes from Jindera where we have lived for 17 years.

I became an active member of the Jindera Community when I became involved in the Morgan Country Car Club in 2008. I was secretary for 3 years and then treasurer for a further 7 years. I am still a current member.

I was also a member of the Jindera Pool Committee & the Jindera Recreation Reserve Committee for a few years during this period.

Currently I am also the treasurer of the Jindera Multi Purpose Hall Committee.

I started working for Elders Ltd in Albury in 1992 and still work there today some 31 years later.

In my spare time I enjoy catching up with family & friends, gardening & time away in our van.

I really enjoy contributing to our local community and I encourage others to make some time to get involved any way they can as it is very rewarding.

Mt Maze hits the road!

(continued from front page)

So how did Mt. Maze come about?

Nick Musarra (rhythm guitar) and Shane Ellwood (bass) had met the Tollis Brothers through high school. Nathan (Drums) joined with Nick and Shane after graduation and started playing a few house parties in a band together.

Adam (Vocals) was trying to start a band after moving home from London, putting up flyers and ads on social media to find members. Grady Nigsch (lead guitar) responded to a flyer and started jamming with Adam. They went on to record a single together which hasn't yet been released.

Towards the end of COVID, all 5 boys decided to get together for a jam and they just clicked!

Forming in early 2022, they gained confidence performing at Sodens open mic nights in Albury, and from there the gigs came rolling in from Melbourne to Wollongong. They have been rubbing shoulders with some of Australia's big contemporary bands, such as Kingswood and Smith Street Band, playing opening gigs for both.

Adam tells a story of note: "We got a call up one Saturday around lunch time, to support a Melbourne band at the iconic music venue, Cherry Bar. So, at 2pm, we all jumped into Mum and Dads Prado, making it to Melbourne just in time for sound check. We played the gig, went to China town for some dumplings and drove home. Very random trip, but a lot of fun."

The boys say that their main influences are primarily built up of contemporary bands such as Ocean Alley, Skeggs, and Letters to Lions, "but we have covered an old Aussie Crawl tune."

"I think that's what makes us a little different as a band. We're all into different music which makes the writing process pretty fun".

Mt Maze are currently supporting Tassie legends, Lennon Wells, on their Need To Feel Something tour through NSW & TAS and possibly Vic. This has given the band an opportunity to play at some iconic music venues such as La La La's in Wollongong and the Sydney Oxford Art Factory.

Mt. Maze have released 5 singles to date; Fool For You, Sweet Escape, Wasteland, Silver Rings, and their latest, Run To Me, which came out the week of the tour.

The band have recorded all current releases through Simon McKenna in Albury. Simon's attention to detail with producing and tracking, gave the lads the push in the right direction that they needed, to bring the quality of their music to a high standard. Simon brings a wealth of knowledge to the group and gives the boys in depth and professional focus throughout the recording process.

With no sign of slowing down, the boys are working towards tracking an EP and many more singles for our listening pleasure.

"We're definitely keen to get back into the studio"

Keep an eye out for these Gents as they obviously have a big future in Music. They will no doubt be appearing at a venue near you at some stage.

Look out for their 'Mt. Mazemobile'!

"We've built a band bus out of two broken down Tarago's to get us around to future gigs."

What else would you expect from a couple of young Muso Mechanics!

Keep up with Mt Maze on Facebook at <https://www.facebook.com/mtmazeband/>

The groups interest in different styles of music is what helps them to hone their specific sound. Having input from all members of the band brings a variety of writing styles and musical composition. Techniques from metal to folk are used by the boys to greater enhance their sound, which is becoming more and more popular as they grow and develop their fan base.

Hello Jindera!

In the Studio with Simon McKenna

Having grown up in Jindera and having strong family ties in the area Christian is excited to assist locals on their property journey. Offering a fresh approach to the industry, Christian Clark began his real estate career in 2019 and has fast earned a reputation as a real estate professional who achieves results. Genuinely passionate about property, Christian has an intimate knowledge of the local market and prides himself on his ability to provide informative and honest property advice.

With a background in restaurant consultancy and hospitality, Christian uses his experience in customer service to provide 6-star service to his clients and thrives on being able to match buyers and sellers alike. Christian's ability to think outside of the square means that his clients benefit from an agent who is willing to go the extra mile in order to succeed.

In his free time, Christian enjoys keeping fit, good coffee and family time. If you're looking for a proactive agent to work with, Christian is definitely the person to contact for trusted real estate advice.

Last term engineering students from the University of Technology Sydney visited SMMC to provide a series of STEM Workshops. Pictured we have our Year 4 class creating a floating house design with the aim of holding the most marbles before sinking. This activity focused on civil engineering and the application of buoyancy to construct a simulation model for the floating houses on the Tonle Sap River in Cambodia. *(right and below)*

Our Year 11 Visual Arts class took a trip to Yackandandah. The purpose of the excursion was to visit the studio and gallery of local award-winning landscape artist, Gordon Dickson. Gordon was kind enough to spend over an hour with us, explaining everything from his process and choice of materials, to the stories and events in his life that have shaped him as an artist. The students had lots of insightful questions for him and came away from the visit with inspiration for their own journey as artists.

Wasting no time, the students then spent a couple of hours sketching the high street from various perspectives, taking photos as they went. They will use both their sketches and their photos to assist them with some paintings in class over the coming weeks. *(both right)*

Jindera Rural Care Link Inc. presents a Community Well-Being Workshop

**A FREE practical workshop aimed at supporting the
mental and physical well-being of our communities.**

All ages welcome.

Sunday 24th September 2023

9.30am to 3.00pm

Jindera HUB - (Opposite IGA)

In this workshop we will:

- Practise proactive well-being tools that can be implemented into your life.
- Develop a deeper understanding of how your body can manage stress effectively.
- Explore the science behind stress and trauma.
- Get creative and have fun!

Jindera Preschool welcomes our Families and Children back for Term 3. Our amazing and dedicated staff have been working to prepare and plan an environment and program that will support learning, creativity, investigation, and wonder.

Transient Art and Loose Parts Play is the creative experience of placing open ended resources together on a surface. As our preschoolers play and move the pieces, they are exploring shape, space, pattern, positioning, colour, texture and design. They experience opportunities to build and create without permanence or restrictions. It provides the freedom to change ideas, position, and pieces.

Learning through Play

We are observing our preschoolers explore new ways to create and be artistic with resources and tools they can access in their own natural environments and homes.

Over the term break we have had some maintenance and landscaping work within our outdoor environment. We are always working towards maintaining a safe and stimulating environment. A big *thank you* to SPH Landscaping and Contracting for all your work and expertise.

The Jindera Preschool Committee aim to continually improve the preschool to ensure that we provide the best experience possible for both children and families. Throughout 2023 thus far our Preschool has seen a great deal of improvement that has not only enriched the experience for the children but also created stronger ties within our broader Jindera Community. These improvements and the benefits that we are seeing would not be possible without our staff.

We are fortunate at Jindera Preschool to have such an amazing and long serving team that are committed to delivering quality programs and experiences for our children.

A big *thankyou* to our local community for the kind and thoughtful donations to our preschool. We are proud to be in your thoughts and have you connected to our children and program through resources and opportunities.

Jindera - Net Set Go

By coaches Rio & Cass

If you're between the ages of 5 - 10 and you like football & netball - then Jindera is the place to be on Friday nights!

With 2 netball mad daughters between us approaching school age, Rio & I floated the idea of starting a Net Set Go program in 2023 to our netball committee. With the full support of our committee behind us, we reached out to our Jindera community, hoping to have enough interest to have 1 or 2 teams. When registrations for Net Set Go opened, we were inundated - what a thrill!

Our first night of Net Set Go saw close to 40 very excited young girls take to the court to learn all about netball. We'll be honest - our girls started the season very green however they have come along in leaps and bounds!

We've even had the opportunity to play against some of the other Net Set Go teams in the Hume League and even though we don't keep score - we have definitely won at least 1 game! Our favourite thing to do is shoot goals and sing our song at the end of the game!

Net Set Go is held on **Friday nights** at the **Jindera Netball Courts**. Our trainings run **from 5.15pm - 6pm** to allow for those players who also do Auskick on the oval at 6pm. Our season is drawing to a close, our final training will be on the 18th of August, however we hope to see all our players and plenty of new faces return for 2024.

A **big thank you** must go to Jindera Auskick for their support, our junior and senior netballers who volunteer their time on Friday nights to help run training and to the parents who have donated sausages and their time to organize BBQ dinner for us all after training.

By Kieran Williams

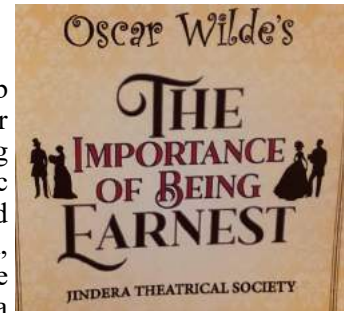

Sold Out Performance

Over the weekend of July 28th-29th, **Jindera Theatrical Society** presented Oscar Wilde's hilarious comedy **The Importance of Being Earnest** at the School of Arts hall.

We performed three shows, two of which were completely sold out. It was so pleasing to see the response from the community and we sincerely thank everyone who came to see the show.

Unlike our last production, Agatha Christie's *Spider's Web*, this play presented the challenge of requiring three distinct sets. We performed Acts One and Three inside the curtain line, and Act Two (the garden scene) in front of a closed curtain, while our backstage crew frantically changed the interior space in order to reveal an entirely new interior location for Act 3. It worked beautifully. All credit goes to Daniel Clark and Michael Green, who designed and built all the components of these incredible sets.

The cast did a wonderful job and should be commended for their thoroughly entertaining portrayals of these iconic characters. The cast included Michael Cramer, Edith Griffin, Michael Patino, Catherine O'Brien, Caleb Smith, Gianna Meade, Anath Firmager and Xavier Wall. As the director of the show, it was a pleasure to see each of these individuals grow into their roles and reach such great heights in their performances.

Once again, we had so much help from the community. The **Jindera Museum**, **Rural Carelink** and **Jindera Pizza** were very generous with their support of the show. The efforts of all those backstage and at the candy bar were also integral to the show's success.

In the end the show came together beautifully and we received great feedback from our audiences. For now, it's back to the drawing board as we plan another show some time in the not too distant future.

The Prostate Cancer Foundation of Australia has officially launched **Life Force**, a prostate cancer awareness program championed by community volunteers, including Greg Finster in Jindera.

Prostate cancer is now the most diagnosed cancer in Australia and the most common cancer among Australian men.

More than 24,000 men are diagnosed with prostate cancer each year, with 1 in 5 men diagnosed by age 85.

Through PCFA's Life Force program, local businesses and community organisations will have the opportunity to welcome a trained community speaker like Greg on site, to present on prostate cancer symptoms, diagnosis and treatment.

When detected early, prostate cancer is easier to treat and easier to beat, with survival rates at nearly 100 per cent for stage one diagnoses.

Greg spoke to his decision to participate in Life Force as a prostate cancer survivor. "Public awareness of prostate cancer saves lives through early detection which is why I decided to join the Life Force program," he said.

"I am one of the men diagnosed every 22 minutes in Australia and my own experience with the disease has motivated me to speak out about men's health. Alongside fellow volunteers from across the country, I will be visiting local businesses and community organisations to give people the chance to learn life-saving information on symptoms, diagnosis and treatment options. I encourage you to reach out and book in a presentation today – you could help save another life."

PCFA CEO, Anne Savage, said that the launch of Life Force is key to the organisation's mission. "The Life Force program will help us reduce the burden of prostate cancer for all Australians, mobilising the community to drive research, prevention and early detection, improved treatment, and world-class psychosocial care," she said.

"Our team of dedicated and passionate community speakers are activating and motivating workplaces and community groups to play their part in helping to make prostate cancer history. There has never been a more important time to prioritise health and wellbeing in the workplace and in the community."

To get involved with Life Force, visit www.pcfa.org.au/awareness/pcfa-life-force-program/ or phone 1800 22 00 99.

For prostate cancer information and support, visit www.pcfa.org.au.

Celebrating Book Week 2023 at the Greater Hume Council libraries

Jindera-2pm-3pm Wednesday 16 August at the Jindera Community Hub

We are excited to welcome Debra Tidball as our guest children's author. She will visit the libraries where we have invited the children from the infant's departments from our local schools to meet Debra. Debra will introduce her beautiful books to the children.

JINDERA LIBRARY

NAIL ART

On Monday 10 July - At the Hub there was a Nail Art event held as part of our Library and Council School holiday events.

The participants all brought their artistic flare with them and produced some wonderful examples of style and glamour that can be achieved through colour and texture on nails. The colours and designs were varied and exciting – each chosen with care and displayed with pride.

Paint & Pizza

Wednesday 12 July 2023 at the Hub we held a painting and pizza event which brought out Jindera's budding artists and pizza lovers.

They were guided through a landscape painting which provided fabulous results as shown in the photo. When the participants reached the halfway line - while their painting were drying - they indulged in pizzas, fruit and chocolates.

A great time was had by all.

We would like to take this opportunity to thank each participant for their attendance and involvement in our programs. I would also like to thank the Leaders of the day – Tarran and Jo who held a very successful event. Our thanks also goes to the Library and Council for the funding and staffing to be able to hold these events for our younger residents.

Celebrating Book Week 2023 (see page 16 opposite) **Jindera - 2pm-3pm Wed 16 August at Jindera Community Hub**

We also have a Book Week competition for children from preschool through to Primary School. The competition involves creating a plant collage based on this year's Book Week theme of Read, Grow, Inspire. Call in to the library to pick up your entry form, plant template and competition details. The prize for

Greater
Hume
Council

the winning entry is a movie ticket package for one child and one adult at Regent Cinemas Albury.

***** **Tuesday, August 15, 2023** *****

***** **7:30pm** *****

Items for the agenda are welcome by emailing below.

Come and join a group of locals who are interested in our community and its people, and who would like to help improve the facilities our community offers to both visitors and residents alike.

WHAT DOES THE FORUM DO?

The Forum holds community meetings which are open to residents of Jindera to attend and discuss what is happening in Jindera, as well as consider the future of Jindera. Meetings are generally held bi-monthly on the third Tuesday in February, April, June, August and October.

The Forum is able to put forward ideas and comments to Greater Hume Council on issues facing our Jindera community, facilitate direct discussion with Councillors who are in attendance at regular meetings, in addition to holding special meetings relating to specific issues.

JINDERERA

• PIONEER MUSEUM •

The museum is continuing to work on having the blacksmith yard and sheds open in September. A new access system will be installed and exit will be by the side gate. Many of the buggies and sulkies used for transportation have been relocated to this site and a wonderful collection of items from the property 'Wyseworth' near Howlong, will be on display in the old stables. We will have new information boards showing aspects of the wheelwrighting trade that was conducted in the blacksmith, along with the hot and heavy blacksmith work conducted in the forge.

The grant received from the Federal Government through the office of Sussan Ley has been used to purchase a selection of tools for the Tim Fischer shed. This saves those who get together to undertake this work, having to bring their own tools to repair and modify many of the machines we have on display.

The school holiday period saw many families venture out to the museum, a great place to spend a few hours when there are limited things to do in this cold time of the year. A round trip to the museum, then taking in Wirramina at Burrumbuttock & then on to Morgans Look-out at Walla Walla takes a full day & is ensured to use up a good deal of energy. We have seen lots of grandparents with children this month as well as visitors from all over NSW and Victoria and a smattering of further afield visitors.

We had a successful **Heritage Dinner** early last month, with a new collection of guests along with a few regular attendees to our functions. The entertainment provided by John-Paul on the fiddle was outstanding, with guests revelling in his wonderful music and Irish brogue. With a range of heaters, we were able to keep guests warm for the evening, which is quite a feat in our notoriously cold vestibule. Without regular heating, the cold seeps into every corner of the museum buildings until they long for the start of the Spring weather and the return to some warmth.

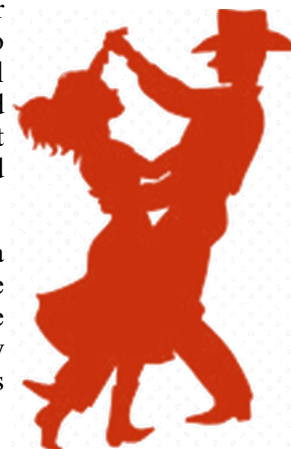

The **Tea Room** has remained extremely busy, even though we haven't had very pleasant weather for much of July. The cosiness of the Tea Room and the wonderful collection of cakes, scones and lunch specials available each Sunday make it a very desirable place to catch up with friends or family, or just grab a coffee and a sweet treat.

Preparation work continues as we hope to launch our fundraising program for the new building complex before the end of the year. The new building will house a learning and discovery centre, an undercover area for workshops and skill development, along with a place for students to centre themselves, take time out from their visit and keep out of wet weather.

On the **26th of this month**, the museum intends to host a **Bush Dance** in the local School of Arts Hall. This is a great way to wave the winter blues goodbye as we look to welcome in the Spring. Music will be provided by the bush band "GMO" – we're not sure what it stands for but come along and find out.

The evening will also have as a highlight an old-fashioned dance hall supper, renowned in these areas, with cream sponges and jelly slice, lamingtons and sausage rolls and lots more.

There will be a dance caller for those who don't know their way around a bush dance and prizes for those that go to the trouble to dress for the occasion. We have been given permission to open the bar for the night as well. Tickets must be pre-booked via the Trybooking website. See the advertisement on *page 23* of this Jindera News.

Also, check-out the Museum's Spring/Summer program (*see below*) of events, find something to look forward to in your own town, there is always plenty happening.

We look forward to seeing you.

Margie Wehner

President

Jindera Pioneer Museum & Historical Society Inc.

Spring/Summer Program of Events

* Saturday	26 th August	Bush Dance at the Jindera School of Arts Hall
* Monday	18 th September	Blacksmith grounds open to the public
* Sunday	8 th October	Spring High Tea

Tickets are available approximately 4 weeks prior to the event and are advertised through our website and Facebook page, or via our direct marketing email – if you would like to be notified when events are available for ticket sales, contact info@jinderamuseum.com.au

MATILDAS Alumni ... Weekend in Town!

This respected group of **past Matildas** have spent the weekend of 29-30 August visiting Jindera on their way to Melbourne for the game of the current Matildas against Canada.

These past Matildas have remained good friends since their time playing in this iconic Australian representative team and several continue to coach younger up and coming players in this sport. The group are travelling around the country to attend all the games that the Matildas are playing in for Australia.

They are enjoying seeing friends and parts of the country that they wouldn't normally visit, as well as supporting the current Matildas. While here in Jindera these incredible sportspeople enjoyed themselves by spending time at the Pub and also paid the Museum a visit.

Their names and the years of playing with the Matildas are - from left to right (*below photo*):

Carol Vinson	1988 to 1991
Gill Foster	2002 to 2005
Leigh Wardell	1978 to 1988
Vicki Cerny	1983 to 1985
Renaye Iserief	1983 to 1988

Jindera Village Post Office reinstalls significant Community Notice Board

For many years Jindera had a Community Notice Board attached to the building occupied by Rural Care Link and the Op Shop. The Notice Board was donated by the Sowden family in honour of their son Ben.

However, with the redevelopment of those buildings the notice board was taken down and put into safe storage until a suitable place was found to reinstall it.

Thanks to Pat and Mary-Lynne Hayes the sign has now been rejuvenated and reinstalled for the use of the Jindera community.

It can be easily found and accessed on the wall in the post box area of the Post Office.

The original location of the Community Notice Board

The rejuvenated Community Notice Board in the post box area of the Post Office

6 BEGG DRIVE, JINDERA

***Fixing the old and broken, designing
and manufacturing the new!***

- ◆ We are all wondering what the new playground is up to. Unfortunately with all the rain we had, the construction crew were moved to another job and are still to return. How exciting it will be when we start to see equipment being installed!
- ◆ Another meeting took place at the Hueske Rd bus stop last week involving Justin Clancy, two members from the Dept of Transport, a couple of parents and myself. This dangerous situation had been raised at the Local Traffic Committee meeting. The Dept. of Transport will be investigating ways to improve matters which may involve a bus route and pickups in Glenholm Estate.
- ◆ What was also very concerning to us all was the number of vehicles who are not slowing down at that intersection when a bus has pulled over at the bus stop and has it's lights flashing and then overtake. The rule is to slow down to 40kph when passing a stationery bus.
- ◆ Everyone is getting excited about the re-opening of the Fox and Brew. Interviews have been held with potential staff so fingers crossed it won't be long!
- ◆ Work on the Molkenntin Rd drainage project has also been held up because of the weather and contractors working elsewhere.
- ◆ You may have noticed that the Regional Express On Demand bus has grown in size. This is because the bus now has wheelchair access. More information in next month's edition of the Jindera News.

Does your volunteer group need up to \$5000 cash?

Farrer MP Sussan Ley has announced new small-grant funding for her electorate through a new round of the Australian Government's Volunteer Grants program.

A total of \$10 million is being allocated nationwide with amounts from \$1,000 to \$5,000 awarded to eligible not-for-profit groups after a local community committee and department assessment process. Ms Ley said the grants can be used to upgrade or buy new equipment, cover the cost of a training course or screening check, funds for eligible transport needs, and for activities which help increase volunteer numbers and participation with your group.

Last year 24 organisations in Farrer were successful, using their cash to buy work tools, a defibrillator, sending volunteers off to a first-aid course, purchasing a new mower, laptop and iPads, even to find some new bench seats. The idea is to help strengthen and support volunteer organisations, which in turn improves social outcomes and the wellbeing of our local communities.

Funding is capped at the same amount for each federal electorate, with eligibility, criteria details and expressions of interest (EOI) forms available by the links below, contacting Sussan's electorate office or through her website www.sussanley.com. EOIs close **31 August 2023**.

Further information is available from below links:

[Families and Communities Program 2023-24 Volunteer Grants Grant Opportunity Guidelines](#)
[2023-24 Farrer Volunteer Grants EOI form](#) please complete only after carefully checking guidelines.

SUSSAN LEY
FEDERAL MEMBER FOR **FARRER**
Putting Farrer First

Could your volunteer group use up to \$5k cash?

Small-grant funding from the Australian Government is being allocated to eligible not-for-profit organisations in Farrer looking for some extra money to support their members.

From new equipment, training and transport costs, even funding to help boost volunteer numbers, applications for the 2023-24 Volunteer Grants Program open soon.

To check on your eligibility & the submission process, please get in touch or head to my website and search for 'volunteer'.

PUBLIC SCHOOL

Stage 2 Excursion Beauty and the Beast and MAMA

On Thursday of the first week back, our Stage 2 students attended a full day excursion to support and enhance our learning in Creative and Practical Arts. The group started by attending a performance of Beauty and the Beast at The Cube Wodonga. This fantastic performance was delivered by the students from Murray High School and was thoroughly enjoyable and highly skilled performance. Our students, many of whom, had never seen a live stage show were extremely impressed by the quality of the performance.

We then travelled to MAMA Albury for group activities including drawing and book design and an interesting, guided tour of the current displays. This, again, was enjoyed by all.

Public Speaking Finalists

Our whole school public speaking finals took place at the end of Term 2, and we were excited to send our junior and senior primary finalists through to the interschool final held last week at Springdale Heights Public School. Both Harry (Year 4), and Grace (Year 6) presented fabulous speeches on their chosen topics, and we were extremely proud of their efforts, preparation, and courage.

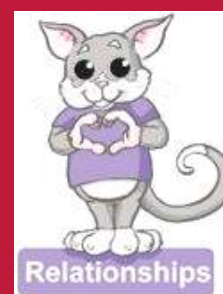

Sports Assembly

At Jindera Public School, we acknowledge effort in all aspects of life and one of our major presentations each year is the sporting awards assembly. We conducted this at the end of Term 2 with many children acknowledged for efforts in swimming, athletics, and cross country. Those children who performed most consistently in all major events were named as age champions and were presented with certificates to help celebrate their achievements.

with sincerity.

Jindera Jottings - July 1982

DONKEYS ARE FUN

Several years ago Wayne and Betty Coulthard of Jindera went to buy one donkey for their children to ride around their 40 acre farm. They were so taken with them that they came home with four, and have been breeding donkeys successfully ever since, at times running up to 15 of them. At present they have 3 jennies, their foals, and 1 jack.

The foals are sold at around 10 months of age, and the Coulthards say they have no trouble disposing of them when the time comes. Betty believes this is because small children will readily make friends with a donkey and feel confident with it, even if they are frightened of ponies, because of the donkey's greater affinity with people. They are naturally friendly and inquisitive, and children relate easily to this. Children can progress from riding a donkey to a pony, as the principles are the same.

Donkeys are sometimes used to train bulls to lead for the showing, where they must be quiet and easy to handle. The young bull is tied to a quiet old donkey, usually a jenny, who, unperturbed, leads the bull by the nose wherever she wants to go. Thus the bull is taught to lead and because donkeys love people, he learns to associate with people.

The Coulthards say their donkeys do not have to be broken in. From the earliest stages the foals are handled, stroked, their feet picked up, and generally taught to respond to and co-operate with people. Consequently, they only need to be mouthed and they are ready to ride.

Donkeys apparently are also easier to feed than horses, as they will do well on feed not suitable for mares and foals, and graze well in conjunction with other stock, such as cattle, cleaning up what they leave. In other respects, such as drenching for worms and vaccinating against diseases, such as tetanus, they are similar to horses in husbandry practice, although they are generally more sensible about fences.

There are several breeds of donkey, and the Coulthards run mainly the 'Jerusalem' type with its distinctive crucifix mark, and a 'Spanish' type which is darker in colour. Betty says that in all the time they have been breeding donkeys they have never come across a 'bad' or 'nasty' one.

The Coulthards obviously enjoy their donkeys immensely and are very enthusiastic about them. After meeting their gentle and friendly animals it is easy to understand why.

* GARY TONKIN - YOUR LOCAL PLUMBER 26-3461

'CARD SHARPERS'

A jolly group of Euchre players meets at the School of Arts on the third Saturday of each month at 8.00 p.m. If you like playing, or merely want to learn, do go along and enjoy the huge fire and supper afterwards. All proceeds go to local Hall funds.

✿ SANDRA'S SALON 26-3434

WEDDINGS

Narelle Roberts and Werner Kuehmemann were married at St. Paul's Church, Jindera, on May 27th. The reception was held in the School of Arts afterwards.

DEATHS

Mrs. Neville Klein has returned from Adelaide, S.A. where she attended the funeral of her father the Rev. Norman Crawford (C of E). The late Rev. Crawford is mentioned in Bishop Howell Witt's book "Bush Bishop".

Jindera CWA News

AUGUST 2023

At our July meeting members voted to donate \$1000 to Jindera Public School Learn to Swim and Water Safety Project to help support the Swimming Instructors Project. The cost is \$4,000.00, we are hoping other clubs will also help with this worthy cause.

Members gave a "Thumbs Up" to vote for the Essential Energy Communities Program to enable the School of Arts Hall to receive a Grant for much needed maintenance. The hall was built in 1899, and has served the community well over the years. CWA have used the meeting room and kitchen for many years and have organised many functions in the hall. We are hoping our support will be successful.

Save the Dates

1st August - Murray Group will be holding a Council meeting at Tabletop and discussing the Group's **60th Conference**.

10th August - Gerogery Branch is celebrating their **80th Birthday** in the Gerogery Hall.

12th August - A **FACTS DAY** will be held in the Albury CWA rooms at **10am**. State President Joy Beams, State Secretary Pamela Wright and State Treasurer Sharon Buck will be giving sessions on the workings of CWA and what is expected from branches. It will be a learning day about CWA.

L to R **Treasurer Denice Murphy, President Chris McIntyre, Heather Collis** - Give a "Thumbs Up" to voting for the Grant for the School of Arts Hall.

We recently held another successful cake stall at Bunnings, our sponges are very popular.

CWA next meeting will be 2nd August at 10am in the School of Arts Hall - Visitors Welcome.

Yours in CWA Friendship,
Bev. Blair. Publicity Officer.

Thank you

The **Jindera School of Arts** management committee would like to **thank** the Jindera community for their support in voting for us in the Essential Energy community choice's program. Although we were unsuccessful, we shall explore other avenues for funding towards improvements to our local historic hall.

The successful local projects are Albury Cricket Club Inc.; Albury Athletics; Albury Wodonga Ultimate Frisbee and Woolpack Inn Museum Holbrook, congratulations.

Thank you to everyone who voted!

Olivia Hanel - Secretary/Treasurer

IDEAS ... *does information so you can do life!*

Our purpose is to enable the frail, aged, people with disabilities, their families, carers, supporters, and service providers to become better informed when making decisions.

Providing high quality and accurate information and house it on our curated website through our resource hub. Information is also disseminated via our weekly eNews.

We also operate **Infoqore** which houses a free directory of disability services and supports, and the **eBility Classifieds** where people can buy and sell their pre-loved disability and aged care related items. To access more information, ideas, news, recipes (*see below*) and much more go to - www.ideas.org.au

Lamb shanks

This is an easy and hearty Italian recipe for those chilly wintery weekends. A great alternative to your traditional Sunday roast.

What you need

- Lamb shanks (4 large or 8 small)
- A few tablespoons of plain flour (gluten free flour is fine)
- Olive oil
- Salt and pepper
- 1 brown onion
- 1 carrot
- 1 stalk of celery

- 1-2 cloves of garlic (optional)
- 500 ml of premade stock
- Oregano and thyme (fresh or dried)
- 1 or 2 400-ml cans of tomatoes
- 2 tablespoons of tomato paste
- Glass of wine (red or white) or 1 bottle or can

What to do

Coat shanks in flour, salt, and pepper. Brown on a moderately high heat for a few minutes on each side on your stove top. Use your Dutch oven or heavy based casserole dish, or fry in a frying pan and then transfer to your crockpot / slow cooker. Set shanks aside.

Dice the carrot, celery, onion, garlic, and thyme. Fry in olive oil in your pot or pan on the stove top. Fry for five to ten minutes until soft and golden. Add oregano and cook for a further three to five minutes.

Add stock, tomato, tomato paste and wine or beer. Reduce heat and simmer for around 10 more minutes to thicken.

Add the shanks back into the pot and make sure all the meat is covered by the sauce.

Cover with baking paper or foil or place a lid on your pot.

Cook in a moderate (170°C) oven or on high in your slow cooker for 3 or 4 hours. Lamb should be tender and fall away from the bone easily.

Garnish with rosemary sprigs (if desired). Serve with creamy polenta or mash potato.

For more recipes from IDEAS go to <https://www.ideas.org.au/blogs> - and search for recipes.

Committed to our region.

Henty/Culcairn Probus Monthly News - by Helen Squires

Introduction - Probus was begun by Rotary in England in 1965, in Australia in 1976. For former professional and business people, it aims to promote growth, development and support for the Probus community in the South Pacific Region as the most recognised and accessible organisation for retirees, fostering the true spirit of Probus -FRIENDSHIP FELLOWSHIP FUN. Monthly meetings attract excellent speakers, minimum business, perhaps a sing-song, a 5 minute speaker from the membership and the possible arrangements for outings. Interest groups such as walking, games, tennis, visits away may also be organised. Membership is \$30 p.a. Probus is sponsored by Rotary for 65 plus retirees.

If you would like to visit Henty Probus Club, we meet on the 2nd Wednesday of each month at 10.am at the Henty Bowling Club. You would be very welcome on 9th August or 13th September.

Anyone from Jindera would be very welcome to attend our meetings or else there would be clubs in the Albury area.

Probus meeting at Henty - Wednesday 12th July 2023

Our President Yvonne Booth welcomed everyone.

Shirley told of the Probus trip to the Recycling project of Halve Waste in Albury on 21st June 2023.

There was not just the recycling of furniture and bikes but the excitement of the maggot shed, where after eight days of eating, the maggots are turned into dried protein.

There has already been a suggestion that we go back again for another guided tour of the Halve Waste recycling works next year.

Our thanks to Sarah for arranging our guided tour, after her recent visit as a speaker to Probus.

Mavis told of a beautiful lunch on the 21st June, at the Purple Chicken, in Albury Purple Chicken is a training restaurant for people with disabilities.

Our Probus people are fans of Purple Chicken, the food, and lovely people, and a framed certificate of appreciation was presented to the Purple Chicken people, after the meal.

Yvonne Booth was our five minute speaker, and she told of writing a book of memories of her life, for her grandchildren.

Yvonne, as president presented herself with the Probus pen given as a token of appreciation to our speaker, amid much laughter and much discussion of memories.

Our main speaker was Tom White, introduced to us by Trevor Bedgood.

Tom is a farmer from Henty, working for Local land services, Riverina, and is involved with the Murray Darling Plan, particularly as it applies to the Murrumbidgee River. He came equipped with slides to show us the areas under discussion, regarding water, and the numbers of irrigation businesses and the potential of decisions to be made under the Murray Darling Basin plan, where there seems to be a want to have water for the environment, and birds, fish and animals, and farmers and the more than 2.3 million people in the basin area.

There are bridges and effects on farms and wetlands and public lands all to be taken into account with the potential of a Business Plan to be handed to Government regarding the Murrumbidgee River, mid next year .

Mr. White has given us just a touch of information so that we can do our own research to learn more about the Murray Darling basin plan and its management of water and possible effects on us all.

Neil Meyer thanked Tom White for his information and presented him with our Probus pen as a token of our appreciation.

We send our best wishes and kind thoughts to people dealing with illness and bereavement.

Our next Probus meeting will be on Wednesday 9th August at the Culcairn Bowling Club.9.30 for a 10.00am start.

We are re learning to talk to people, and always love extra company. Perhaps you might like to join us too.

Jindera Community Garden

We are a social group who are creating a garden for EVERYONE to enjoy. Check our news on Facebook, and read *here* each month for updates. If anyone has ideas or suggestions, please let us know. Phone or Message Eileen White—0400 023 290 or email jinderacommunitygarden@gmail.com.

Why we need to keep raising chickens!

- ☺ EGGS Are full of Protein.
- ☺ The costs of eggs are on the rise they are a very versatile dish.
- ☺ Chooks in your Garden can increase fertility, clean up old fruit, pest and increase nitrogen in the soil.
- ☺ Feeding your chickens table scraps improves the taste and size of eggs.
- ☺ Let them scratch under your fruit trees.
- ☺ Improves your garden soil using chook manure

Take Time Out

Spread your time out during the day so you can enjoy planting a few seeds. Cover with plastic and store in a warm area during winter.

How Many Seeds to Plant

Vegetables All the year rounders plus....

- * Cabbage
- * Turnips
- * Swedes
- * Spinach
- * Kale
- * Celeriac

A Computer Teacher Wanted HELP!

Is there anyone out there that can help with this new Windows 11 program.

Even a few lessons, keen to know more about Newsletters, Flyers or

Desktop Publishing.

Please let me know - Phone Eileen 0400 023 290

Planting Planting Planting

This is The Time to Plant Bulbs for Summer like:

- ☺ Gladioli
- ☺ Asparagus
- ☺ Deciduous Trees
- ☺ Rhubarb Crowns

Just do a Little Each Day

Planting what you like for the Sheer Joy of Growing is very satisfying and a deep feeling of satisfaction.

(02) 6032 7137

There has been plenty of wet weather about with many of the Golf Courses in the area having to either close for short periods or restrict the use of golf carts. Fortunately, Royal Jindera handles the wet weather better than most and is still playing and looking great.

The local charity “Boys To The Bush” have been a great help around the course lately, with the boys and their supervisors/Mentors engaged in cleaning up sticks, cut branches and back-filling irrigation trenches with soil.

The June Monthly Medal was won by Peter Penny, with a very good score of Net 67 and the July medal by Greg Preston (his second this year) with net 69.

The ladies club championships were run from the 6th to 16th July as the best 3 of 4 rounds. Congratulations to Rawinia Smithenbecker for winning the ladies club championships with a gross stroke score of 270. Handicap winner was Lucy Kimpton with net 222 and Heather Chaston winning the putts with 81.

There has been some sad news over the past couple of weeks with a couple of long serving club stalwarts passing away. **Elizabeth Heir** was an active member of the club and ladies president for a number of years. **Bob Smith** was

also an active member until illness curtailed his golfing and was also a generous financial supporter of our club.

Both will be greatly missed.

The “9-Hole” Comp is still running in conjunction with the normal 18-hole Sunday comp and provides a great opportunity for those looking for an entry level into competition golf. Ideal for juniors or for those looking to get a handicap.

The Friday night ‘Chook Run-Tee Time’ is now 3-3.30pm.

The Sunday competition is now in winter times until September - Tee time 11.30/12.00.

In the meantime, current comps are as follows: -

- ♦ **Sunday - Men’s 18/9 holes**, event according to calendar on website Tee-off 8.30/9.00. (11.30/12.00 from June)
- ♦ **Wednesday - VETS 9 Holes**, Stableford (unless notified differently) Tee-off 8.30/9.00
- ♦ **Friday - Chook Run - 9 Holes**, Open to all, 3.00 to 4.00pm, can also be played throughout the week – Play your game, place cards – signed and verified by partner with \$10.00 in an envelope and slide under the door.

The club has an electric golf cart for hire by members and visitors.

For bookings, contact us via email.
admin@jinderagolfclub.com

Membership – To join our great community golf club, simply download a membership form from our website or request one via email, email it back and pay via eftpos.

Annual memberships become due on 31st March and cost \$110.00 (inc. GST), Juniors \$33.00 (inc. GST)

The irrigation upgrade - Is now practically completed with just a few “Tidy-ups” and top dressing of trenches.

JINDERA ANGLERS CLUB INC.

July was a huge month with an Annual general meeting and Presentation Day, the AGM was well attended with the President reporting a very successful year on and off the water, also thanking the committee and all the workers that made the clubs success possible.

Special mention to BJ, Sham, Laz and Graham (woody) Lyons. Treasurer Brian presented the financial report that despite rising costs we are able to continue membership at only \$25 per person or \$50 per family.

Considering rising costs of affiliations, insurance and general running expenses this is brilliant value, this includes a free Christmas Party and gourmet luncheon on the presentation day as well as nibbles and snacks at our monthly weighing.

Memberships are due now.....

Elections were held and the committee is President Wade Morey, Vice President Barry BJ Bermingham, Secretary Wayne Polley, with assistant secretary Glenn McGann, Treasurer is Brian Shannon with assistant Zac Lowen, weigh master is Shane Bradbury, shed/grounds/property committee is Graham Lyons assisted by Laz and Brendan Kalina.

The committee are working on this year's agenda with an open comp on the weekend of 28th, 29th to 30th July with the weighing at the clubrooms at 4pm.

Exciting news is that Jindera Anglers will be having a closed comp supporting the SWAA Annual fishing Comp at Kiffens reserve at Lake Mulwala on the **last weekend of August**. This will be a camping on site weekend.

The annual presentation day was held on Sunday, 23rd July at the clubhouse with a scrumptious meal, huge raffles and the presentation of annual trophies.

The most prestigious Fisherman of the year trophy was won by Laszlo Peli by the narrowest of margins. Fisherlady of the year was won by Erin Rodgers a newcomer to fishing, Erin thanked her 'netman' who sacrificed his own fish catching to ensure her success. This did result in Wade getting doughnut king of the year 2023 narrowly from squeaky.

Junior fisher of the year winner was Josh Bradbury, Leif Wilkman won an armful of trophies for cod, yellowbelly, redfin and Shane Bradbury won the best trout for the year.

Like Leif in the men's, Erin cleaned up in the ladies' trophies for best redfin, trout, yellowbelly were won by Erin and best cod went to Kirsty Taylor.

Best crayfish was won by Indi Brown, the digits (little juniors) Harvey, Matty, Luke, Hudson and a host of little tackers had a great year catching redfin, cod and of course European carp.

Results of July comp. - A really good weigh-in was held with heaps of fish presented, redfin, trout, cod and lots of yellowbelly. All native fish were released and sent in digitally.

The best fish was won by Laz Peli with a nice Blowering-Murray cod 850, Laz also had 3 very nice Dartmouth pontage trout, the biggest going 490.

Best bag of fish went to Sham with 3640mm of yellowbelly narrowly from Lockie Mac 3620mm and Alex Zigar with 3400 of length all measured in yellowbelly. Tim Davenport had a redfin 260.

Other good catches were Kevin Brown with a 670mm cod, Zol Peli had a bag of redfin with the biggest being 320mm.

Tight lines!

No wonder Leif is smiling, what a trophy haul

Outstanding, Laz fisherman of the year again, must be a fluke, about 12 times.

Hudson receiving his trophy for best yellowbelly.

Harvey received his best fish trophy.

Kirsty

*Wow ... Erin,
lady fisher
of the year,
congratulations!*

Josh is a happy camper with his trophies.
