

THE JINDERERA NEWS

FREE local Newsletter distributed by the first Saturday of each month (except January) published by:-

A Jindera based, not-for-profit charity organisation.

Congratulations to Denise Knight (Osborne) OAM!

The community of Jindera congratulates Denise on being awarded the Order of Australia Medal on the King's Birthday 2023 Honours List. This well-deserved recognition has been a long time coming!

During her long time as a resident of Jindera she epitomised what it means to belong to and be actively supportive of the community you live in. Her roles in both Hume and, after amalgamation, Greater Hume Councils, showed a keen representation and advocacy for the ratepayers throughout the Council areas. She was an inspiration to many.

Her change of address from Jindera to Bairnsdale, Victoria was a sad loss to this community and we especially acknowledge her tireless efforts particularly relating to the Multi-Purpose Hall/Stadium fundraising. The below list shows some of her many achievements she worked tirelessly for and the reason Denise received this prestigious award.

Denise & Peter at their Jindera farewell.

- Hidden Treasures Honour Roll, Rural Women's Network, New South Wales Department of Primary Industries, 2013.
- Federal Minister's Award for Women in Local Government.

Professional

- Director, Apprenticeship Trainees Employment Limited (now known as Squad), 18 years.
- Employee, New South Wales Department of Family and Community Services - Housing, 24 years.

Homelessness... close to home

Over the past year RCL have been involved with an increasing number of people who have become homeless. This is very disturbing, and has been a challenge in many ways for us to try and assist these people.

As mortgage interest rates continue to increase, rental properties are becoming more expensive, and people experiencing financial hardship really struggle to find suitable accommodation that they can afford.

The demand for emergency accommodation appears to be very high, as RCL have on many occasions made contact with NSW Housing, Link 2 Home and Yes Unlimited in an attempt to find emergency accommodation. We have phoned countless Motels and Cabin Parks who advertise that they hold rooms for crisis accommodation, only to be told that there is nothing available, or they are priced so high that the person can't afford to stay there for any beneficial period of time.

Often people who are experiencing displacement have a pet, which also adds to their difficulty securing a rental. This is disappointing, as for some of these people, their pet is often their only family at that time.

Another challenge for clients in our area, is that they may wish to stay local, due to children in school or their work or transport situation for example, but affordable accommodation often means having to live in Lavington or Albury.

We have, in the past, had some wonderfully generous locals come forward, who offered up their Granny Flat to temporarily house a person who had become homeless. This gesture made such a world of difference for this person, who was able to keep their little dog with them, and was less anxious and more able to think clearly and take the

necessary steps to eventually find a permanent place to live.

If you are in a position to help someone in this way, whether you have a Granny Flat, or a well developed Man Cave, or some form of self contained accommodation that is not being used on a permanent basis, we would love it if you would consider going on a register with us, for the purpose of offering crisis accommodation to someone in need.

It is hard to say how long a person may need to stay, but from experience so far, just 3-4 weeks can make a huge difference to someone, who may be currently living in their car and moving around to free camps, and at this time of year, that is a horrible experience for them. Just to be able to sleep safe and warm, to be able to shower, wash their clothes, make some food, and keep their phone charged, means that they can continue applying for rentals, work, etc., instead of every day being taken up with just surviving.

Rural Care Link Inc. reaches out to anyone who may be able to offer this type of support, and we guarantee discreet and professional handling of your details.

So whether you are able to help us, or we are able to help you in some way, the number to call is **0475 594 073**. The phone is manned continuously, so messages will be replied to promptly.

Carers Support Group

The Carer Support Group met in June at St. John's Chapel. A smaller group due to some members away with illness or appointments and others were lucky to be away on Holiday.

The Group will meet again on the 3rd Tuesday of July. Enquiries to Vickie Priscina on **0428 406 060**. We welcome anyone in the community in a caring role to join us for support, information and respite.

Op Shop News

Sales this month have been exceptionally good. Thank you to our valued customers, who have braved the cold, inclement conditions to visit the store.

We will be having a half Price Bric a Brac Sale starting on 4th July. Exclusions are the English Ware and items advertised on Facebook.

We have a steady turnover of furniture items being sold via St John's Chapel. These items are listed on our Facebook page. Please phone the Op Shop on **6026 3001** or the Office **0475 594 073**.

Meet Another Committee Member

Hi. My name is Vickie Priscina and my role is

Carer Support Group Coordinator.

A little about my working life and my commitment to "make a difference".

My Career in the Welfare field began at Woodstock Residential Care Centre, Lavington in the early 80's. This was a time when parents of Children born with disabilities were encouraged by Medical Professionals to place their Children into care. As a Residential Care Worker I cared for up to 8 Children in a Unit that was their Home. All children were totally dependent. It was an honour to be part of their lives everyday.

I formed Limb Kids Vic/ Tas after our first baby was born with a limb deficiency. Through sponsorship, Children and their Parents were flown to Sydney to attend the Paralympic Games. This was one of the happiest occasions I have ever witnessed where young people made lifelong connections with the Paralympians that they saw compete. I am proud to say also that through a grant from the Paul Newman Foundation a group of Families and mentors, including Paralympians, attended a 2 day Camp at Lake Hume. This made a huge difference to the young people with limb loss as well as their Parents and siblings.

After a break to look after my Children and be

involved in School activities, I returned to work at Cooina Family Support Group. Here I organised social activities and Education sessions for Families of Children with disabilities. Some of the most memorable times were Family Camps, Fashion Parades to celebrate International Day of People with a Disability, Respite trips away for Mothers, Fathers, Siblings, Couples. It certainly was a fun job where we got to think "out of the box" in ways to offer support. While there I contributed to a book entitled "Capability Dialogues" it documents my story of having a child with a disability as well as many other Albury/Wodonga people. A lot of my work required promotion and interviews with local media, for this I received a national award from "Bar None" for inclusiveness and excellence in promoting disability issues in a positive manner. At Cooina I also had the role of Play Group Facilitator, offering Parents of Children with disabilities a supportive environment to bring their little ones and talk with others who had similar issues, enjoying some respite while the Play Worker offered activities.

Following on from this I worked at Carer Assist as a Carer Advocate. This job enabled me to help Families of people with a Mental Illness with emotional support and education. I worked closely with the staff of the Albury Hospital to help people through some very challenging and distressing times. During my time in this role I was commended for being able to advance the relationships between medical professionals, families and patients. I delivered Education Sessions on all aspects of Mental Illness, this knowledge for people was very powerful in their caring role, allowing them to understand and become better advocates.

I remain passionate about issues that affect people facing adversity. Being part of Rural Care Link gives me the opportunity to continue making a difference.

We would love to hear from you if you have any news of interest to our local community!

Jindera lass Lily Delahunty 'wired' for success!

Story by Jodie O'Sullivan

Jindera's Lily Delahunty is proving a bright spark in the auto-electrical trade through her apprenticeship with local business **NA Auto**.

The 18-year-old born and bred local lass, who plays netball for Jindera, is the only female in her TAFE automotive electrician course at Wagga.

It doesn't worry the second-year apprentice one bit. "I reckon it is a male-dominated industry but I really don't care," she says. Lily adds that she's never really been into "girly girly things".

Her parents Melanie and Allan, together with her brothers Thomas, 15, and Jack, 10 always thought she might get into a trade, she says.

In an interview with the Border Mail recently, she mentioned she'd just spent the weekend four-wheel driving with her grandfather Neville Power, some mates and a few of their family's neighbours up Mitta way.

Lily dreams of travelling 'round Australia - in a four-wheel drive, of course; she's pretty proud of the Suzuki Jimny she saved for and bought brand new. "I'm going to get a bull-bar and put some driving lights on it soon," she explains.

Her "hard-working" and "inquisitive" nature has been a welcome addition to the family run **NA Auto**.

It was in Year 12 that Lily "hit a bit of a downfall" and knew she didn't want to be at school anymore. She'd done some work experience with a local electrician and liked the tradie environment. "It was really interesting and I loved meeting new people," she explains.

Lily went online and applied for a few jobs and, by sheer luck, an auto-electrical job came up at Jindera.

NA Auto's Kathy Anderson recalls it was "an amazing coincidence" that Lily applied just at the right time; and of course, they were thrilled to find a local who fit the bill.

It didn't hurt that there was also a connection between the Andersons and Lily's grandmother Deb Delahunty.

Robert Anderson, 25, says the family had no reservations about hiring a girl in what is a male-dominated field. "I know it's not considered an inclusive industry but there's never been a barrier here I'd like to think," he says. "Lily came for a week of work experience and was far more capable than any of the young men we've had. She's got an inquisitive nature and our job requires a genuine interest because we work on things that are not always seen."

And while Lily admits she "still has a lot to learn", she reckons she knows a "fair bit more about cars" than many boys - and girls - her age. "My bosses (Neil and Robert) are always sending me things to read and they take the time to explain things," she says.

As for whether girls could well have the upper hand when it comes to performance in the workshop? "Girls weigh the risks - you're not jumping the gun all the time," she says.

Jindera Jottings - June 1982

GOOD GARBAGE

Do you have clean waste products that could be used by children and others in a variety of exciting, creative ways in their art and craft? Industries, retailers, commercial organisations and individuals are asked to help. Called "The Good Time Junk Machine", this is a community based service that is to operate in Albury-Wodonga shortly. It collects, sorts and distributes materials that can be used by children in their growth and development activities. The first stage of the service is at Darjon, 507 Swift Street, Albury, which is to act as the Children's Resources Centre. Darjon is employing Ann Birchell to get the service going as quickly as possible. Ann welcomes ideas, suggestions, enthusiasm and assistance from all sections of the community. She can be contacted personally at Darjon on Wednesdays. On other days messages can be left for her at Darjon between 9.30am and 4.30pm Monday to Friday.

KELLAIME PARK KENNELS - 26-3388

BUSH FIRE BRIGADE LADIES' AUXILIARY

An enjoyable evening was had by about 200 people at the pig-on-a-spit, which was held last month at Alan and Helen Begg's property.

Everyone appreciated the pigs which were donated by Col Rainbow and Bruce Klein, and superbly cooked by Col Rainbow. The evening raised \$270, which will enable the Auxiliary to function next summer. Many thanks to those who attended or contributed to this highly successful community event.

We are grateful to these sponsors:

- Gary Tonkin 26-3461
- Jindera Hotel 26-3258
- Mike Tracey 26-3396
- Anderson's Garage 26-3345

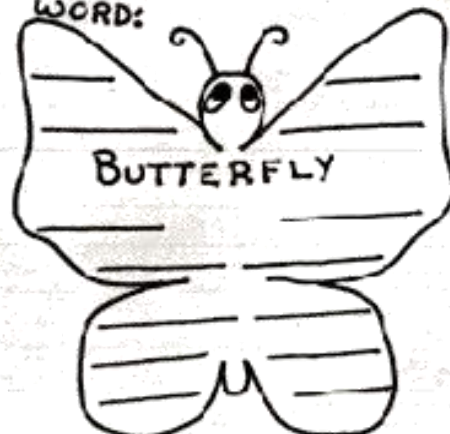

JINDERA - THE IDEAL ENVIRONMENT

Lillian and Geoff Ralph found Jindera not only to provide the ideal spot behind the museum for their concept of an environment oriented house, but also to provide some of the materials. Mud to be used for the rammed bricks was acquired from the surrounds of a local quarry and the hand made clay bricks from Jindera's old bakery will be used for their fireplace and woodstove. The Ralphs are very keen to reproduce the nineteenth century look of their surroundings and they have been very successful in acquiring some unique materials. Some of the timbers from the old Albury wooden bridge will be used for the frame. Doors with leadlighting were acquired from a house being demolished in Albury. Many trips to local clearing sales have provided other leadlight features and old timber mantelpieces. They are living onsite in a caravan and will be building the house themselves. The little 80 year old cottage on the block will be restored to be used by Lillian as a craft workshop. They start building soon and when they move into the house next summer will have the satisfaction of having built and designed their own concept which will blend easily with the surroundings and take full advantage of the insulation properties of mud brick.

Also in Jindera are mud brick accommodated ducks and geese. Their story will be in a future issue.

DAIRY FARMER'S PRODUCTS 263462.

How MANY WORDS CAN
YOU MAKE FROM THE
WORD:

Children's Corner

- * Thank you to Rural CareLink for providing **Welcome Bags** to be distributed by the Post Office to new residents to the town. Donations from some local businesses including the Museum are much appreciated. Hopefully supply will keep up with demand!
- * Unfortunately, wet weather has held up the playground construction completion, which also affects when the new toilets will be available for use. Power needs to be connected in both areas.
- * A section of the path along Adams St at the end of Wood St has been replaced.
- * A structural inspection was carried out on all buildings on the Recreation Reserve by a contractor hired by Council as part of the Assets Management program. The School of Arts was also inspected during this process.
- * An application for grant funding to help conserve the **War Memorial** on the corner of Dight and Urana St sought by the Jindera Recreation Reserve Committee has been successful. \$3,000 was granted by the NSW Government's Community War Memorials Fund. Thanks to Aimee Reilly for her application skills.
- * Crown Lands have provided Telstra the licence to relocate to the Optus tower on the Rec. Reserve but due to some restructuring within Telstra, they need to sign a new head licence before the tenure can be officially granted. Given the recent outages the change can't come too soon. This whole process started twelve months ago.
- * Fundraising continues for the installation of up-lights on the Village Green. Thank you to the **Morgan Country Car Club** for their donation of **\$500**. Any other community clubs who would like to make a contribution please contact myself on 0438263417.
- * Vandals have struck again with graffiti on the netball clubrooms. Please keep an eye out for people doing the wrong thing and report it to Council or the Police. It is only by the whole community being vigilant can we try and stop this sort of behaviour.

JINDERA SCHOOL of ARTS HALL

NEEDS YOUR VOTE

Our local School of Arts Hall needs some maintenance and a new sign ...
... so we have applied for a Grant with the Essential Energy Communities program.

This funding will be decided on the **number of VOTES** received.

The program provides communities with the opportunity to **VOTE** on causes that matter to them and established Community Halls will be in the running to win a greater share of the increased prize pool.

To find out more about the Essential Communities program visit essentialenergy.com.au/communities

VOTING will be open to the public from midday, **Monday 3 July 2023** till 5pm, **Monday 17 July 2023**.

VOTING will take place on the Essential Energy website at essentialenergy.com.au/choices
You can **VOTE** as many times as you like and Essential Energy will also publicly advertise (through press ads, Facebook and other online methods) that the **VOTING** period has opened.

Grants will be awarded according to eligibility and the number of **VOTES** received.

The current Jindera Hall - *circa 1899* - is still providing an alternative venue for residents whilst the new Jindera Multi-Purpose Hall is being planned and this lovely old building needs your help to continue to work for our community.

Please Show Your Support Jindera and **VOTE** for the School of Arts Hall Essential Energy Grant.

Jindera Preschool is learning and connecting with its broader community.

Our police are important people for our preschoolers to know. They keep us safe and are always there for us when we need help. From their visit to our preschool, we learnt about WHO the police are, WHAT they look like, HOW they can help us and most importantly how to call them for help.

WE PHONE 000

They showed us their car, lights, and sound. We know this helps people see them and keeps everyone safe. We also learnt that police are not always in cars.

They can be in boats, motor bikes, helicopters, bikes, horses and even just walking to get a nice coffee.

Thank you to the three police officers who visited.

We will make sure we say hello and give a friendly wave next time we see you at our local shops and coffee vans.

Thank you for meeting us.

Our Preschoolers are learning about our connection and belonging within our Jindera Community.

The children explore **The Jindera News** each month and connect with familiar faces, symbols, businesses, sporting groups and schools.

We are learning we are part of a broader community.

A **big thankyou** to our local community for the kind and thoughtful donations to our preschool.

We are proud to be in your thoughts and have you connected to our children and program through resources and opportunities.

Look at this beautiful basket of ribbons donated this week.

Our preschool can create, construct, imagine, investigate, and move with this gift.

Thankyou x

We are learning as we play:

Creativity, Hand Dexterity, Concentration, Spatial, Awareness, Tool Management, Colour Recognition, Shape Recognition, Descriptive Language.

Exploring new environments.

Our preschool groups have been utilising our environments and exploring new spaces within our preschool grounds. This has inspired questions, play, exploration, and creativity. It is connecting us with the land and supporting our knowledge of the world around us. We are learning from the animals, plants, rocks, and weather. We are asking questions, sharing our experiences, and guiding others. We are proud to play and learn on Wiradjuri Country.

For 2024 enrollments please access our Application Forms on our website: <https://jinderapreschool.com.au/> or email info@jinderapreschool.com.au

Expression of Interest for Participation on the Jindera Solar Farm Committee

Council is seeking interested individuals to sit as committee members of the Jindera Solar Farm Committee.

The appointment of a Jindera Solar Farm Committee is a requirement of the Voluntary Planning Agreement between Greater Hume Council and Jindera Solar Farm Pty Ltd. The Committee will ensure Council meets its legal obligations to the Voluntary Planning Agreement. As a Section 355 Committee of Council, the committee will be required to comply with Council's Management Committee Guidelines, Terms of Reference and procedures.

A Jindera Solar Farm Committee Terms of Reference has been developed in accordance with the respective Voluntary Planning Agreements and the agreed Committee Constitution.

An expression of interest document and the Terms of Reference for the Jindera Solar Farm Committee can be obtained by contacting Council's Manager Risk and Governance, Jane Gould, M: 0428 488 445 or jgould@greaterhume.nsw.gov.au.

EOI must be received by no later than 5 pm Friday, 28 July 2023 preferably by email to jgould@greaterhume.nsw.gov.au.

Jindera CWA News

JULY 2023

At our June meeting Olivia Hanel, who attended the CWA – NSW Conference at Bathurst in May, gave a comprehensive report to members.

SOME MOTIONS OF INTEREST:

Nursing in the Outback, Shingles Vaccination PBS, Palliative Care regional areas, Enduring Power of Attorney, Aspergillosis (a fungi infection mostly of the lungs and can affect humans, birds, animals), Housing crisis facing women, Dental care in aged care.

These motions were all discussed fully and made CWA policy.

MAJOR DONATIONS:

- **\$1,500,000.00 Disaster Fund - Lismore** CWA thanked members for their support in the floods.
- **\$36,500.00 Medical Research – for Ovarian Cancer.**
- **\$22,793 – International Donations.**

The 2024 CWA – NSW Conference will be held at Coffs Harbour 6-9th May.

Several Jindera members attended a CWA Service at St Matthews Church, Albury on Pentecost Sunday, 28th May. The service commenced by the clergy being led into the church by Roger Buck (husband of CWA member Lyn Buck) playing the bagpipes.

Roger has been a long time supporter of the Scott School Pipe Band Albury, who have again been invited to attend the Edinburgh Military Tattoo 4th to 26th August 2023.

Tickets are available from the Albury Entertainment Centre for a concert by the Scott School Pipe Band on 14th and 15th July.

Jindera CWA will hold a CAKE STALL at Bunnings on Wednesday 14th July.

Our next meeting will be held on **5th July** in the School of Arts Hall at **10am**.
Visitors welcome.

Yours in CWA Friendship,
BEV. BLAIR
Publicity Officer.

SMMC students recently participated in the college's annual Athletics Carnival held at the Les O'Brien Precinct. It was a fantastic day with all students having a go at the different events.

SMMC Year 10 students attended a 'Maths in Surveying' excursion at the National Environment Centre giving them the opportunity to experience a career that utilizes maths skills. They worked with surveyors and explored the practical applications of mathematics in real life situations. (left)

The Year 11 Biology Class recently participated in a field trip to Wonga Wetlands where they investigated the biotic and abiotic factors within the wetland's ecosystem. They used various sampling techniques and scientific equipment to collect and interpret information about the wetlands. (right)

Saint Mary MacKillop College - continued

On Thursday 15th June, SMMC Drama students in Years 9 and 10 held a performance for friends and family at the Jindera School of Arts hall. The students performed a series of short plays, which they themselves wrote from scratch. Aside from a time limit of 20 minutes, the other significant requirement was that the plays work within the context of the set design currently in place at the hall, from a previous Jindera Theatrical Society play back in November of last year. The set contained a series of doors, including french doors, and a 'secret passage' behind a bookshelf, which featured in each of the three performances.

The quality of the three plays was very impressive. They were well-thought out and original, and the standard of acting was excellent. Of the three plays, two were comedies, with the third was a historical drama. The students should be very proud of what they were able to achieve on the night.

We had a full house for the evening. The audience was very responsive to the students' sense of humour and seemed to thoroughly enjoy the evening. The School of Arts hall provides a wonderful intimacy for stage performances and with the smell of popcorn at the candy bar, thanks to Jindera Theatrical Society, the atmosphere in there was just perfect.

The set of the Spider's Web play

the play *The
Importance of Being
Earnest*.

SATURDAY:
Accomplished fiddler
John-Paul Sweeney will
be performing prior to our
acclaimed four course
dinner.

JINDERERA

• PIONEER MUSEUM •

The museum can be a cold place during these winter months, but our **Tea Room on a Sunday** is always a cozy spot to have lunch or a treat of cake or scones. The Tea Room continues to be a popular stop on a Sunday for regulars and passing traffic, of which there is a lot lately as many of the “gray nomads” head northward to escape the cold months in these southern parts of the country.

Many of our regular members also head north for the winter and we find our volunteer base rather depleted. If you have some spare time we always welcome new members to boost our volunteer base and to help with many of the jobs that are a constant here.

Our working bee this last month was well attended and we are getting closer to opening the blacksmith site on a regular basis. The stables are being fitted out with items from a property in the district that has been operating since land moved from the squatters to private acquisition. The owners have collected items across the property for all of this time and we have an interesting collection to display.

The blacksmith yard has been cleared and some additional items will be added over the next few months. There is always cleaning to be done, thanks to our possum population, but the site is looking good now that the loads of autumn leaves have been cleared. We have purchased some fabulous screens for the fences depicting old

photographs of the blacksmith site and we hope to install a photographic history of the kinds of work that were carried out in the blacksmith. It has been decided to leave the opening of the site until September when the weather is a little kinder and hopefully, dryer.

Our **Heritage Dinners** feature this month on **Friday 7th and Saturday 8th July** (see page 16). Tickets are still available from Trybooking. The Jindera Theatrical Society will supply a teaser to the full production of ‘The Importance of being Earnest’ which they will perform later in July. The first act will be performed prior to the dinner on Friday evening and acclaimed Irish singer and perform John-Paul Sweeney will perform prior to dinner on the Saturday.

Heritage dinners have been a feature at the museum since the museum opened back in 1968 when a large Heritage festival was held each year – Heritage week provided the opportunity to acknowledge the European settlement in many areas and was celebrated with varying festivities across the state. The museum ran heritage dinners which feature all of the trappings of a Victorian style dinner of the time. Even your attendants are dressed in period style and the evening also features some of the idiosyncrasies of dining during this time. This provides a step back into this period of time that is not available anywhere else locally.

During these quieter months we are working on changing some of the exhibitions within the museum. Many clothing and fabric items that are on display need to be changed regularly as they deteriorate in the light and changing temperatures. Our dedicated curator, Chris, overseas these changes and the donations which we continue to receive. This is a very time consuming job as items need to be packed and stored correctly to ensure their preservation.

There is always something new and interesting to see at the museum and we continue to look for ways to improve and increase the interest.

In August we intend to put on a bush dance at the local School of Arts hall as this provides a great venue for us during the winter months when we are limited by our indoor and undercover areas and the cold. More details will follow in the next edition of Jindera News.

Project work - Healthy eating

We have been focusing on healthy eating, what are sometimes and always food, and their food groups.

We then put our learning into practice. We developed a shopping list of always food to add to our minced beef stir fry.

We ventured into our community and went down to the **IGA**.

In groups, we went around the **IGA**, finding our food items.

"Carrot, Corn, Broccoli, Lemon, Peas, Cabbage, Onion, Teriyaki Sauce, Beef Mince or Chicken, Beans, Sprouts, Potato"

We also visited Brad at the local butcher! We were provided with a total experience of tasting some Devon and finding out what a butcher does. They donated the meat to our experience.

Thank you, Brad, from **Jindera Butchers**, for donating the meat to our stir fry. The children enjoyed this whole experience of visiting you.

When we returned, we worked together to chop and prep all our veggies. Then using the electric fry pan, we cooked and stirred.

Next, the big test, taste testing! We got many thumbs up; some even took the leftovers home for dinner that night!

SCHOOL HOLIDAY

Student

This term, we were blessed with a university student!

We have loved having Desiree with us; she has built beautiful relationships with children and provided us with some inviting and extraordinary play experiences.

We wish her all the best with the rest of her studies.

School Holidays

Little Saints will be closed over the school holiday period.

Our last day will be **Friday the 30th of June**. We wish our educators, children, and families a safe and warm winter break!

We will re-open on **Tuesday the 18th of July**.

Child collaboration- repairing our cross.

Our cross that is displayed out the front of Little Saints Preschool broke. We decided to explore ways to display our cross differently so that it doesn't happen again.

Little Saints love all things nature.

So, we went to our Little Explorers' spot during the day to collect some sticks. This new learning environment was an excellent opportunity to explore mathematical concepts by measuring the sticks to match the required length. Being outside after a few wet and rainy days was also lovely to get physical play back into our routine.

Returning to Little Saints, we explored our fine motor skills and hand-eye coordination to wrap and wind the twine around the sticks to bunch them together.

We will continue to work through this process in the coming days to explore ways of being creative with our new cross.

We cannot wait to have it displayed for all to see.

THE BENEFITS OF VOLUNTEERING WITH LIFELINE ALBURY WODONGA

- ✔ **Meet new people**
Our local volunteers are a tight-knit group who are passionate about helping their local community - and have a great time doing it!
- ✔ **Connection with local community**
Volunteering is as great way to build connections with like-minded people whilst contributing to achieve Lifeline's vision of an Australia free from suicide.
- ✔ **Improve your health**
Volunteering has been shown to positively impact your mental and physical wellbeing!
- ✔ **Make a real difference**
Our drivers, balers, sorters and retail volunteers play a vital role in ensuring our work can continue.
- ✔ **Learn new skills**
When you volunteer for Lifeline, you gain valuable skills.

NAIDOC Day Celebrations

We were extremely fortunate to have Darren Wighton, an established Aboriginal artist and cultural performer and talented artist and educator, Kianna Edwards, joining us for our special NAIDOC Day celebration to share their talents and wealth of knowledge with us.

The day began with a welcome to country and smoking ceremony conducted by Darren, including a didgeridoo performance and a couple of stories of his connection to this country.

The day then included wonderful lessons and activities, including art, music, cooking, story-telling, language, building and culture.

Mandaang Guwu Darren and Kianna for such a fun, creative and inspired day of learning about the many rich customs and traditions of Aboriginal and Torres Strait Islander peoples.

Please enjoy the following photos captured during the day.

Here we are, halfway through the 2023 School year – here's what's been happening!

Reconciliation Week

Reconciliation Week is a time for all Australians to learn about our shared histories, cultures and achievements, and to explore how each of us can contribute to achieving reconciliation in Australia.

This year's theme, **"Be a Voice for Generations"** encourages all of us to be a voice for reconciliation in our every-day lives. We are urged to use our words and actions to create a better, more just Australia. Students have been immersed in indigenous culture through a performance called "Googabinj".

The Googabinj (Australian Bush Turkey) is Craig Kemp's spirit animal. Craig presented an amazing show to our whole school, teaching us about Indigenous culture and law through stories, demonstrating how to use different traditional tools and weapons and quizzed us on our knowledge of animals through playing the didgeridoo!

Project Based Learning (PBL)

Each term, our students work through a Project Based Learning (PBL) unit, where, as a class, they work on special topics to answer real life questions! At the end of each term, our classes put on a PBL Showcase and invite others to see what they have been working on!

This term, year 1's PBL question was "How can we make new students feel more welcome at St John's?". Here are some photos of their showcase!

Quiz Worx Puppet Show

On Wednesday of Week 9, Quiz Worx, a Christian organisation that shares the Good News of Jesus with primary aged students through puppetry, music, art and stories, came to our school. The story that they shared with us is based around the idea that "God Is Great!" and students laughed, danced and listened throughout the performance. Quiz Worx shared the story of Molly and the Good Shepherd highlighting that God is always there to support us, no matter whether we turn away from Him or not.

TRIVIA NIGHT - A GREAT SUCCESS

Last Friday (23rd June) the fundraising committee for the Jindera Multi-purpose Hall held a trivia night at the St John's hall. There was an impressive turnout for the evening, with 12 tables of between 8-10 members. It was a 'Who's Who' of Jindera, with celebrities like Postman Pat, Betty from the council office, Councillor Jenny O'Neill, & of course the editor of this fine publication, Julia Martin, just to name a few!

There were 7 rounds of trivia, and a continuous round, comprising 10 obscure photographs (in black and white, mind you!) from around the town, which only the most observant eyes were able to identify. With regular score updates throughout the evening, excitement built to a fever pitch by the final round, with Postman Pat's team "*Hey Siri!*" winning by just two points! (They assured us their team name had nothing to do with the tactics they employed to win.)

In addition to the trivia rounds, we threw in a few novelty activities to keep everyone on their toes. We played the coin toss game for a bottle of Scotch and a bottle of Baileys; the closest coin to the bottle at the end took home the bottle! We also played 5 rounds of "A Minute to Win It", where contestants were given a simple (or not so simple) task to complete within one minute. At times these tasks proved almost impossible for the contestants, but that didn't make their efforts any less entertaining for us.

Before the night concluded, we announced the winners of the raffle: first prize for which was a stunning meat tray from the Jindera Butcher! As it happened to be the birthday of two of the attendants present, we all sang *Happy Birthday* and a cake was brought out!

Overall, the night was a great success. We raised \$2,044, which is a fantastic result! On behalf of the fundraising committee, I would like to sincerely thank all the generous sponsors who donated prizes for the evening (*see list below!*). We are immensely grateful for your help.

Thank you also to the key organisers who made the evening possible. Kathy Anderson, Postman Pat, Jenny O'Neill, Michael Green, Peter and Jenny White and Michelle Gress were all instrumental in getting this off the ground.

Lastly, I would also like to thank St John's for allowing us to use their fantastic hall, and thank you to everyone who came along and made the evening such a night to remember.

We'll have to do it all again some time soon!

Thank You to the SPONSORS OF THE TRIVIA NIGHT

Authorised by Sussan Ley MP, Liberal Party of Australia, 517 Kiewa Street, Albury NSW 2640.

Winter is with us, but the competitions are still drawing good numbers.

There has been a lot of work going on around the club which has really added to the comfort of players and the ability to produce some quality golf.

Great news with further donations coming in for our Breast Cancer Charity Day. The total raised has now reached \$1727.

A special thanks to several of our members who have been helping make Royal Jindera a fantastic club.

Tony Corrin, Strop Weldon, Mickus, Tony Duus, Josh Kilo and Ian Perzel did a power of work organising the clubhouse and installing the new heater.

Greg Allen has also been busy installing our new security system.

We would all like to thank Tony Corrin in managing the bar supplies, especially over the busy time of the Charity Day.

Our little dynamo, Tony Duus, needs special mention for the outstanding work he has been doing with our, new pump shed, flashing, installing new downpipes and most notably the construction of our new storage shed.

Breast Cancer Charity Day

Twenty- two brave teams battled the elements to take part in the Charity Day on Sunday. Some outstanding golf was played highlighted by Rawinia's Hole-In-One on the 16th. \$1760 was raised to support Breast Cancer Research. Fantastic effort from the organising committee.

Winners on the day were: -

Ladies

Rawinia Smithenbecker & Laurie Morgan Net 71
Lucy Kimpton & Cheyenne Brooks Net 76

Mixed

Ron Smithenbecker & Sharney Ley Net 71
Daryl Klein & Joan Pryor Net 74.25

Mens

Jack Kimpton & Julian Hayes Net 65
Jeff Donney & Brandon Taylor Net 67

In the meantime, current comps are as follows: -

- **Sunday** – Men's 18/9 holes, event according to calendar on website Tee-off - 11.30/12.00 from June.
- **Wednesday** – VETS 9 Holes, Stableford (unless notified differently) Tee-off - 8.30/9.00
- **Friday** – Chook Run – 9 Holes, Open to all, 3.00 to 4.00pm, can also be played throughout the week – Play your game, place cards – signed and verified by partner with \$10.00 in an envelope and slide under the door.

The club has an electric golf cart for hire by members and visitors.

For bookings, contact us via email.

JINDERA ANGLERS CLUB INC.

Fishing in the region continues to be good with trout biting well at Dartmouth Dam, crayfish are being caught in the Murray and Murrumbidgee rivers, with cod and yellowbelly biting right along the Murray River. Lake Hume will get you a feed of redfin, the size is good, there is an odd cod being caught (Brian Shannon caught a very healthy 50cm cod this week) and some big bags of yellowbelly being caught around the trees on black grubs. The odd trout is about for those willing to put in the time. Best lures are the ambush soft plastic lures and my personal favorite is an icejig lure on the bottom with a clear soft plastic up the line.

Wet, cold, windy, with some sun ... that's what Jindera anglers had to endure during the latest fishing comp over the weekend of June 23rd, 24th and 25th. Considering the weather we had a top weigh-in with heaps of various fish and crays caught.

The stars of the weekend were Indi Brown who had a terrific day out with the family cray fishing in a very secret spot, Indi beat mum and dad for the best cray and won the junior comp. The other star was Erin Rogers whilst fishing with a very motely crew managed to land a ripper 63cm Murray cod from the weir and backed it up with a 43cm redfin. Erin won the best fish, Leif Wikman had the best bag with some big trout and yellowbelly, Brendan Kalina had a 58cm brown trout, Kirsty Taylor and Trevor Lieschke had good bags of redfin and a couple of 40cm fish. Other anglers caught redfin however were too embarrassed to show them.

The really exciting news from the weigh-in was anglers trolling big lures, caught Murray cod, Kevin Brown and Sham both picking up multiple cod whilst trolling for yellies and redfin.

Doughnuts went to the normal suspects !!!

Jindera Anglers Club members recently competed in the Dartmouth Dam classic fishing competition with all catching fish.....

A couple of well known club members may have caught more fish if they hadn't spent the best part of the day portaging boats over gravel bars, riding white water rapids, fighting off willows, abseiling cliffs and paddling in the Mitta River downstream of Dartmouth. It was a good plan and great to fish different water.

Save the Dates

Annual General Meeting will be held on **Friday 21st July** at the

Jindera Anglers Clubhouse, Dight Street at **5.30pm**.
Note:- Only financial members will be eligible to vote.

Make sure you get along and support your club, new and intending members will be made welcome.

Annual Presentation Day

is on **Sunday, 23rd July** starting at **midday**'ish , featuring a **gourmet lunch, trophy presentations and monster raffles**.

Next **fishing competition** will be held at the end of **July**, possibly from **Friday, 28th** with the weigh-in on Sunday 30th July at 4pm at the clubhouse.

South West Anglers are once again holding the **Kiffens Inter Club Fishing Comp** at the end of August at Lake Mulwala and it would be terrific to see as many Jindera Anglers as possible get down there and show them how to catch a decent cod.

Tight lines!

Plenty of fat redfin still biting

Only allowed 2, Gee they still taste great,

These are definitely worth a try at the weir .

These lurs have been dynamite at the weir

Amber with 2 terrific Murray crays

Indy Brown had a great day with the crayfish pulled up her own nets, one net had a dozen'ish Cray's in it.

Trevor Brown with a good sized doughnut presented at the Walwa comp

Brendan Kalina with a very nice brown trout

Trevor with 2 very nice redfin .

Jason Boyd with a nice Dartmouth brown trout

Leif nailed the best bag of fish with trout and yellowbelly

A nice trout caught at Dartmouth recently, nice looking thumb as well

Jindera
