Beyond the Lockdown: take the family to the movies

As NSW and Victoria make cautious moves towards lifting COVID-19 restrictions, it's time for us to start thinking about life beyond lockdown.

Rural Care Link wants to use this time to help build a stronger sense of community. That is, let's use this transition time to rebuild the social bridges and bonds that bind us together.

It has been particularly disruptive for families during the pandemic. And as this coming Friday 19th November is world children's day - a day to shed light on and encourage action to improve the welfare of all children - Rural Care Link wants to do something to encourage families and help our kids rebuild those bonds.

COMMUNITY
CALENDAR
COMPETITION
2022

We are inviting all primary school aged children who live in the Jindera community and surrounding areas of Gerogery, Glenellen, Brocklesby and Burrumbuttock to contribute to what will become our local 2022 community calendar.

The calendar will have artwork from local children on each page. Each child who has their artwork selected wins a family pass to a Regent Cinema movie (i.e., a pass for 2x Adults & 2x Children or 1x Adult & 3x Children).

The theme for our artwork competition is *"What I like best about my local area"*. It could be a place, a pet, a family member, a particular meal, or something you like doing. It is up to you.

We hope when we print the calendar and make it available, the artwork in the calendar will inspire the wider community to emerge from the lockdown and explore all the 'jewels' our local area has to offer.

The calendar will also earmark key dates and events in 2022 for the local community.

When placed front and centre in your home office, kitchen, or family dining room, this wall calendar will also help you manage important dates and events next year. Of course, there will also be plenty of space to include all of your most important personal engagements, too, like birthdays, project due dates, and more.

News

As you may not be aware, it has been a bit of a roller coaster, with closing due to COVID again, and re-opening under new advice.

We are all experiencing some degree of apprehension under the current situation, and we hope that you can be patient with us as we navigate this journey as it evolves.

Currently we have strict conditions of entry and we understand that they are not accepted by everyone, however, we truly hope that potential customers can understand that our volunteers, as do any other employee, need to feel safe in this environment. Rest assured we are monitoring the situation closely and will make changes as needed.

We would also like to remind customers that if you are unable to come in to the shop, our volunteer staff are happy to browse on your behalf and try to find items that you may be

looking for. You can phone our Office with your request, or message us on Facebook, where we also list some of our specialty items.

We sincerely thank all of our customers who continue to support this worthwhile charity business in Jindera. With your support we are able to continue to assist the wider community in many ways, as mentioned on the previous page.

Here are some items of fine china, crystal, silver-wear and jewellery, that might spark your interest.

Come and sit for a while!

"Do you know that you are probably some of the first people to have sat on that seat!"

"Oh, we've been sitting here every day on our afternoon walk!" So replied the two people, an adult and a child who had sat on the seat while I was spreading mulch. "We plan to come for a picnic tomorrow. We can put our food and drink on the seat between us. And we are so pleased the grassy weeds in the woodland area have been slashed. The grasses and shrubs in the woodland can now be easily seen from this seat".

I met this pair last week and they were sitting on a concrete seat, a recent addition to the Jindera Wetlands. There are now three seats in the area where people can 'come and sit for a while'.

The new addition has been generously donated by the Gallagher family. A plaque acknowledging is to be fixed to the seat.

Collection, transport and unloading of the seat were accomplished by Phil Walther, Manager of Phil's Custom Steel. A similar plaque acknowledges this.

National Carers Week 10-16 October

A carer is any individual who provides care and support to a family member or friend who lives with a disability, mental illness, alcohol or drug dependency, chronic condition, terminal illness or who is frail due to age.

The Rural CareLink carers support group celebrated this special week by attending a private screening of 'Respect'... the story of Aretha Franklin at the Albury Regent Cinema in Gold Class. This was the first time some of the participants had been to Gold Class. Everyone enjoyed the movie, a meal and drink. It was a great time of fellowship and relaxation.

Thank you to Carers NSW for the grant we received and Rural CareLink for covering the remainder of the cost.

**AUSTRALIA DAY
IN GREATER HUME**

NSW Bushfire Danger Period Starts on the 1st of November ...

... **RURAL FIRE SERVICE** are prepared - are you?

NSW Rural Fire Service Southern Border Team Group 4 Brigades held their 2021 Operational Readiness/Preparedness day at the Jindera Recreation reserve on the 10th of October. If you were around the Recreation Reserve, you would have noticed that we held the event following NSW RFS COVID 19 safety protocols.

You may have seen the trucks driving around Jindera looking for hydrant points to make it a bit more challenging for them, crews were only given map co-ordinates and had to use these to find the hydrant point.

Group Captain Brian Millar said, the day included some fun activities, sadly this year our Jindera Captain lost his long-time record of filling a bucket in 2 minutes using a knapsack.

Southern Border Team District Manager Inspector Sandra Huer said it is great to see the Brigades attend the event to update and practice the vital skills we need to protect our communities in the Region and beyond.

This year the Bungowannah crew did it in well under the Captain Yensch 2-minute record. He also thanked all brigades and the Southern Border Team staff for attending, we all found things we needed practice with our brigades and as always, we learn new ways of protecting our communities for the coming fire season.

The annual event brings our Group 4 Brigades together to hone their operational skills to ensure they are ready for the 2021/2022 fire season. The day had brigades work across 9 events ranging from using self-priming pumps, drafting from an open water source, using foam, a refresh of our skills at motor vehicle fires.

Crews also, updated their First Aid skills, and worked with Reynir Potter, Fire Control Operations Officer to ensure we are providing accurate information from the incidents we are responding to during the year.

The day also included pointers on maintaining our trucks, how we can use equipment that was donated to the District during the 2019/2020 fires and ways we can position our trucks in tight spots when crews on the ground are needed to help their driver using hand signals.

NSW RURAL FIRE SERVICE

MEDIA RELEASE

"Fire Permits return to the NSW Southern Border from 1st November"

27th October 2021

Fire Permits will be required from the 1st November as the NSW Southern Border eases into the Bushfire Danger Period.

Operational Officer Reynir Potter said: "Even though our community has had significant rainfall this Spring, landowners should not be complacent as recent rainfall has increased fuel loads especially in grassland environments. The NSW Rural Fire Service requires landowners to apply for fire permits for the remainder of the bush fire danger period (ending 31 March 2022)".

Permits outline conditions for landowners to safely conduct grass and stubble burning only and ways for landowners to prevent accidental fire escape which impact neighbouring properties. Inspector Sandra Huer, Manager of the RFS Southern Border Team, states that fire permits will only be approved during low risk weather periods. During high fire danger periods, permits are unlikely to be approved.

"To prevent our volunteers from responding to controlled burns, it is also a requirement for permit holders to notify the Rural Fire Service and their neighbours 24 hours prior to lighting their fire. Many landowners find it quick and easy to do this on the RFS website" reiterated Mr Potter.

Senior volunteers are anxious about the risk of escaped fires this season, Tocumwal based Group Officer Mark MacCullagh said: "It's pretty simple, if you don't think you can keep the fire controlled and within your property boundaries, don't light the fire".

Permit application process: All permit applications are to be made through:
<https://www.bit.ly/shfiremits>

Burn notifications (must be 24 hours in advance) to be submitted by the permit holder at:
<https://www.rfs.nsw.gov.au/fire-information/BFD/burn-notifications> (or point your smart phone camera at the following QR Code):

Fines apply to landowners lighting fires who do not have a permit and/or do not notify the Rural Fire Service 24hrs prior

In addition landowner's neighbours also have to be informed 24hrs prior

Landowners please feel free to seek further information regarding permits by calling the RFS Southern Border Team on (02) 6051 1511 during business hours

For more information contact RFS State Media on 02 9898 1855

Children's Week 2021

To celebrate Children's Week, Greater Hume Children Services staff hosted a remote story and sing along using facetime and Zoom. We were not able to hold a playgroup but instead talked to children and family day care educators via video to provide support and connections.

The theme for Children's week 2021 is "Children have the right to meet together and join groups, choose their friends and connect with others".

Greater Hume Children Services work hard to build relationships and support Educators caring for children.

Staff acted out the story "The Very Itchy Bear" by Nick Bland, and sang songs of the Wiggles and contemporary songs for children to join in and dance along. We also shared some craft ideas for educators to do later with children. We have been out in our community taking photos to share with Educators to encourage them to dress up and celebrate in their homes.

Staff have had to be creative with how to make connections and "be together" while keeping apart from children and educators in recent times, while staff are being cautious and staying close to the office. We are looking forward to being able to come together as a group and celebrate in person.

GREATER HUME CHILDREN SERVICES

Council's Children Centres and Family Day Care are OPEN

Greater Hume Children Services has continued to provide much needed child care services through its centre based services at Holbrook, Henty, Culcairn and Walla Walla in addition to the more than 60 Family Day Care educators based across the region from Batlow to Benalla.

It's been a challenging year with the impact of COVID-19 affecting all services with the many changes, cross border issues and requirements required in order to remain open, maintain services, in addition to managing health and safety risks to remain compliant.

The Culcairn Early Learning Centre successfully transitioned to Greater Hume Children Services in July and continues to provide a full range of child care.

A new van was purchased to provide additional mobile playgroup and other services across all of our delivery areas.

With skills shortages in the early childhood education sector, staff recruitment was a key action; pleasingly, Council has appointed new Centre Directors to all centre based services.

Greater Hume Children Services Manager, Fiona Pattinson said "Our focus continues to be on the children and families and being able to provide services. Our service staff and educators have been amazing and continue to step up and meet all of the challenges that have been thrown at us and I would like to acknowledge and thank all of them for the valuable work they do on a daily basis."

Demand for services remains strong with Family Day Care having a waiting list for the first time in a long time and the Holbrook centre operating close to capacity.

We still have vacancies available for families who need the service for work and who want to maintain routines and consistency for their children.

Additionally, there are work opportunities for new educators to work with the service particularly in the Family Day Care sector.

Contact the service on 1800 984 999 for more information.

Many Projects Are Happening

Jindera Community Gardeners have achieved so many things over the last few weeks. We would like to thank everyone that has made it possible for this to happen; too many people to name.

Some jobs were big and some were small but everyone that helped gave up their time and commitments and worked as a team using their skills.

Their energy and muscles were put to use; even young Hannah showed us how it should be done well done everyone.

Positive Behaviour for Learning (PBL) Acknowledgement Day

Jindera Public School students are very aware of the school's core values.

Respect, Responsibility, Relationships and Resilience are the cornerstones of the way the school goes about its day to day business.

Positive Behaviour for Learning (PBL) has provided our school community with the language to talk about choices and the positive impact that students can have on the school and its members. Teaching students what each of the values looks like in the real world plays an enormous part of our lessons and our daily conversations and our students proudly describe their actions according to how it aligns to one or more of our core values.

Recently, the students achieved an important milestone in their efforts to demonstrate the values on a daily basis with the acknowledgement ticket box reaching its next level. The celebration took place at the end of Term 3 with all students taking part in a structured play afternoon.

Football, basketball, the soft climbing equipment and outdoor 10 pin bowling were among the many popular choices for the students with our senior students leading the way, coordinating the activities and helping our younger students with the games.

Here are some photos of our students enjoying a celebration of their achievements and, no doubt, planning the next celebration as the ticket box continues to quickly fill.

• PIONEER MUSEUM •

There is real excitement around the museum as we see the easing of restrictions, not only in NSW but also in Victoria, where many of our visitors tend to come from. Already we have seen an increase in visitation, which is a relief after months of little to no visitors. We are hoping the better weather continues to encourage people to be out and about and to visit our wonderful museum and town.

The High Tea held on the 24th October was a great success and we were blessed with particularly good weather, that was not too hot or cold. Everyone seemed to have a very lovely afternoon and there were many compliments on the food and delightful ambiance of the setting. The volunteers dressed in old world attire serving on tables are always admired and a great point of discussion for guests. There was a wonderful array of hot and cold savoury food and delicious sweet treats. Thank-you to all those that assisted in any way towards the success of the day.

There is a lot to see and get involved in at the museum over the next few months.

The museum will hold its first long lunch on Saturday the **27th November**; this will be another opportunity to sit, indulge and enjoy the lovely gardens and outdoor setting at the museum.

The lunch will consist of six courses highlighting Italian cuisine. Australian food has had the influence of a diverse range of international cuisines and we thought it would be interesting to showcase some of these at events that we hold at the museum.

The lunch will commence at 12 noon with antipasti and a glass of Prosecco. Bookings can be made via Trybooking.

As Christmas approaches, we will again hold our Christmas Wreath Making Workshop, hosted by Alison Viedt. Alison supplies all the items necessary to make your own individual Christmas Wreath to hang on your door or adorn your Christmas table. This workshop has been very popular with numbers attending increasing each year. Some of the beautiful creations made can be seen on our website or Facebook page. We will hold 2 sessions on Sunday 12th December, details to follow, bookings again via Trybooking.

From Sunday 14th November, 2 – 4pm, the Working Machines Shed will have several of the machines operating and a few of the regular guys will be around to talk to about the machines and the tinkering that goes on in the shed every Wednesday. This will be a great opportunity to see some of these old heritage motors that we have on display “strutting their stuff”. The Working Machines will be operational on the second Sunday every month during the warmer weather.

During **January, 2022**, the museum will again open on Friday the **7th, 14th, 21st and 28th** for our **Alfresco** evenings; music, food and the bar open for a relaxing evening in the museum grounds. From 6pm each Friday, this is an ideal way to wind down after a busy week or bring friends for a catch up.

Members continue to work on projects throughout the museum, with the refurbishment of the Marge Wehner Gallery almost complete and the concreting and paving of the back of the main residence finished. We continue to be hopeful on the awarding of several grants and we are looking for any opportunity for sponsors for our new building project which we hope will commence next year.

Come and visit this wonderful place, bring your family and friends that might be visiting in these next few months; help support one of the best icons in the district and your very own historical masterpiece.

JINDERA ANGLERS CLUB INC.

Another severe covid month has passed with Jindera again being in the mix, fortunately we appear to be over the worst of it and maybe we are now in the new normal.

Jindera anglers have had their October fishing competition with a good number of members fishing from the weir to Dartmouth and along the Murray River. All members are reminded that if you fish comps or are alleged to have fished comps or even *think* about fishing and don't turn up to weigh 'ins you automatically receive a 2 doughnut penalty.

The best fish for this comp was won by Laszlo Peli with a ripper 53cm brown trout taken from Dartmouth pondage, best bag went to Ricko with 20 redfin 5630 and midget fisher was won by Matty Kalina with a bag of redfin 800 and the best fish was 270.

Other good catches were Jason Boyd with a bag of 10 Dartmouth Trout 3980 and the best fish went 480, Brendan Kalina had a 480 yella and nice redfin, Leif had a ripper weekend with a 490 yella and a bag of 10 reddies measuring 3000, Wade Morey had redfin with the best being 300, Brian Shannon had a bag of redfin with the best being 320, Johnno Kalina had a bag of reddies with the best being 350.

Double doughnut winners were David Gray, Zol Peli and the Brown clan, doughnuts also went to Wayne, Phil and Chris Lavis got a doughnut on suspicion.

Thanks to Sham for the feed of redfin at the weigh-in.

Thanks to Laz for mowing around the clubhouse, BJ for cleaning the inside and Jono for fixing the security alarm.

IMPORTANT - change of date - the next general meeting will be held on **Friday, 5th November** at 5.30, this is to enable our November Open fishing comp to be held on Friday 12th November, from 5pm with the weigh-in at the clubhouse on Sunday, 7th November at 5pm.
