Jindera Carers celebrate Carers Week with some fun activities !

West African Rhythms were heard throughout the Village Green in Jindera when the local Carers Group got together on a magnificent Spring day in September.

Our Teacher, Brianna, from In The Groove Community Drumming, taught us some rhythms on the djembe. These beautifully hand carved pieces allowed us to experience the community of creating 4 different rhythms together as a group.

The drums were a positive and relaxing way to de-stress and just enjoy the moment, being lost in our rhythms. A most pleasurable morning was had playing and hearing about Brianna's experience of living in Ghana and learning the traditional way of drumming from the local people.

A delicious barbeque finished off a most enjoyable morning of being together, respite from caring, and learning something new.

Carers need the ongoing support of all Australians: from government to businesses, classrooms to families, and medical professionals to communities.

National Carers Week was officially from Sunday 15 to Saturday 21 October 2023. It was a time to recognise, celebrate and raise awareness about the 2.65 million Australians who provide care and support to a family member or friend.

Carers are people who provide unpaid care and support to people who have a disability, mental health condition, chronic condition, terminal illness, an alcohol or other drug issue or who are frail aged.

Anyone can become a carer, at any time in their life. National Carers Week is an opportunity to raise community awareness among all Australians about the diversity of carers and their caring roles.

Please contact Jindera Rural Care Link Carers Group Co Ordinator, Vickie Priscina, for information on what events are happening locally as well as Carer Support available.

The Jindera Rural Care Link Carers Group meet on the 3rd Tuesday of the Month.

Carers Week Activities 2023 (cont'd from front page)

The Rural Care Link Jindera Carers Group members lunched at Soden's Hotel as one of our Carers Week Activities.

Delicious food good company and support was shared. We are looking forward to a Movie together in November when there is something enjoyable on at the Cinema. A Carers NSW grant paid for the Lunch and Movie tickets. We are very thankful for their contribution.

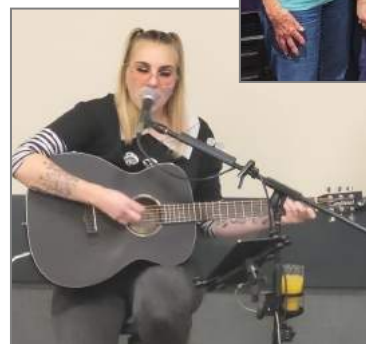

National Carers Week is an opportunity to recognise Carers and appreciate what a great role that they play in the lives of their Families and Friends.

Caring for someone can become very isolating, people can feel overwhelmed and frustrated, even though they may love the person that they are caring for. The grief of a lost future and extreme fatigue can mean it is difficult to stay connected to others.

Groups like our Carer Support Group in Jindera provide an opportunity for those in a similar situation to enjoy some respite, connect and support one another and learn new information.

I represent Rural Care Link with the Border Carer Reference Group (BCRG). This group is made up of services from Albury, Wodonga and surrounds. The group organises 2 major events for carers each year, one of which is a Luncheon at the Commercial Club Albury. The Club provides a lovely lunch to approximately 90 carers and representatives of the BCRG. It is another great opportunity to create awareness of carers and their role as well as celebrate them as carers.

Our entertainment this year was the very talented Miss Mikaila.

To add to the excitement of the day many Raffle prizes were won.

What our Carers said.....

“A lovely treat to make up for some of the bad days”

“Most enjoyable to talk, laugh and be together with fellow Carers.”

“Great catching up with like minded people from different journey paths in life.”

“Lots of resources about services.”

“A chance to have a rest and recharge”

I would like to thank the Jindera Butcher, Jindera Chemist, Jindera Post Office, Next Level Café, The Fox and Brew, Jindera Pet Supplies, Jindera Op Shop and Jindera IGA who gave donations to create a small treat bag for our local Carers as well as Raffle prizes for the Border Carer Reference Group day.

Please remember the support that they have given to enable the provision of some joy to our often unrecognised members of the community, the Carers.

You are One in a Million!

If you are a carer or know of someone who is please make contact with myself, Vickie Priscina, Carer Group Co Ordinator on 0428 406 060. You will be made very welcome.

Meet another Committee Member

Hello, my name is Toni Terlich and I live within the local Jindera community. I live with my husband and two children, a dog, cat, rabbit, chooks and several sheep. We enjoy the country life-style Jindera and surrounds offers. I love

shopping in our town and supporting our local businesses.

Some of the things we enjoy doing together as a family include participating and watching our local sports teams, eating out at one of our many wonderful eateries, attending the wonderful facilities in summertime at our Jindera pool, and some of my family (not me) enjoy running in fun runs.

I joined the Rural Care Link committee at the beginning of the year. My role within the Rural Care Link committee is to support and facilitate the workings of the Op Shop within our community. I have enjoyed getting to know our amazing

volunteers and am very grateful for the time they give up to help run the Op Shop.

The Op Shop is always brimming with wonderful treasures and when my kids were younger, we would often enjoy a baby chino at the Jindera Bakery and then wonder over to see what we could find in the Op Shop. The kids thought it was so much fun.

We still frequent the Op Shop and last year we visited to see what material we could find for one of my daughter's school sewing projects. There were lots of options to choose from which only made her ambitions for the project bigger!

These days I like to teach my children the value of recycling items we no longer need or use that are still in good condition and we regularly have a declutter at home which results in items being donated to the Op Shop.

I encourage you to have a perusal through the Op Shop and see what you can find to upcycle for Christmas gifts this year. It might be a pretty glass canister you can fill with rum balls for a loved one, or a new summer outfit for the holiday season. If you have grandchildren coming for the Christmas holidays there are plenty of children's DVDs and books you could stock up on at a very low cost to entertain them while they stay with you.

Wishing you and your family a wonderful Christmas and restful break - Toni

Council All Staff Team Building and Training Day - Wednesday, 29 November 2023

Council will be holding its annual All Staff Team Building and Training Day on Wednesday, 29 November 2023. This is a compulsory event for all Council employees. The function enables all staff to receive briefings regarding Council strategy and programs, undertake training, as well to provide the opportunity for all staff to come together as a single group.

All Council offices will be **closed** for the full day **Wednesday, 29 November 2023**.

All Council services will resume as normal on Thursday, 30 November 2023.

AROUND
THE TOWN

UPDATE

with
Jenny O'Neill

* The new **playground** is still progressing on schedule although there have been some issues with the supplier. It looks like there will be a great Christmas present for everyone!

* Council have been very busy slashing and spraying roadsides as part of **fire management** and beautification.

* Quotes are being sought for the erection of the **dog park** at the Jindera Recreation Reserve.

* Once again, the **Village Green** toilet block has been **vandalised** on the weekend of Oct 14th-15th. These toilets are used frequently by locals and visitors alike so having them thoughtlessly damaged all the time is a bad reflection on the whole Jindera community.

STOP VANDALISM IN YOUR PARK!
**SEE SOMETHING...
SAY SOMETHING!**
Phone 6023 8299

* **St John's School** was also **vandalised** recently. Security cameras will be installed. Anybody on the premises out of school hours without permission are considered to be trespassing.

* *It's really happened!* **Fox and Brew** are now part of the local dining scene again. We welcome their contribution to our local community (see page 8).

THE FOX & BREW
JINDERA

* The **Lighting up the Village Green** project has nearly come to fruition with additional donations coming in this past week. A list of donors will be published in next month's edition and the up-lights will be installed before the **Community Carols** evening on December the 15th.

Hello Jindera!

Having grown up in Jindera and having strong family ties in the area Christian is excited to assist locals on their property journey. Offering a fresh approach to the industry, Christian Clark began his real estate career in 2019 and has fast earned a reputation as a real estate professional who achieves results. Genuinely passionate about property, Christian has an intimate knowledge of the local market and prides himself on his ability to provide informative and honest property advice.

With a background in restaurant consultancy and hospitality, Christian uses his experience in customer service to provide 6-star service to his clients and thrives on being able to match buyers and sellers alike. Christian's ability to think outside of the square means that his clients benefit from an agent who is willing to go the extra mile in order to succeed.

In his free time, Christian enjoys keeping fit, good coffee and family time. If you're looking for a proactive agent to work with, Christian is definitely the person to contact for trusted real estate advice.

PABLO THE PIG

Congratulations Little Saints!

Pablo the Pig won the Preschool pig decoration contest at the Walbundrie show. Our interest in artists led us to explore different creative expression ways; we enjoyed Pablo Picasso's bold colours, lines, and shapes. Each child at Little Saints was encouraged to participate in our beautiful Pablo's design and final look.

The hard work, research and love we put into this paid off.

Well done, Little Saints. You will now find him displayed within our indoor play space

LOOSE PARTS

At Little Saints, we took the exciting plunge into the world of loose parts play, setting up an inviting play area stocked with a bounty of versatile items for our children to explore and engage with.

One standout item has been the gold curtain rod holders, which might seem like an odd choice for a children's play area in most contexts, but the creative wonder of our children has truly been astonishing.

These everyday items have been transformed in play using children's imagination, taking on roles as soldiers from England, Kings and Queens, shiny trophies, and supportive pillars for grand buildings and bridges. The range of imaginative play was inspiring and has been a joy to watch. Our resourceful team has also found imaginative uses for cardboard boxes, wooden rings, and pieces of cut material, which is further testament to the immense creativity pouring out in these loose parts of play space.

Inspired by the gold curtain rod holders, it's apparent that the children are brimming with creativity. They are forming and extending their ideas and building their understanding of the world around them through imaginative play (*EYLF Outcome 4: Children are confident and involved learners*).

The cardboard boxes, wooden rings and cut material usage demonstrate their ability to create and design, highlighting their abilities to problem solve, innovate and think critically.

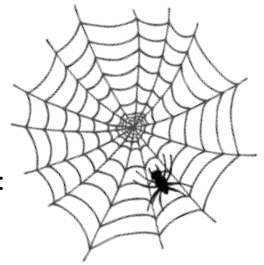

Our children's engagement in loose parts play presents numerous opportunities for creativity & lays a foundation for mathematical and scientific concepts.

Physically manipulating objects allows them to understand differences in size, weight, quantity and even basic principles like cause and effect.

This valuable learning aligns with *EYLF Outcome 5: 'Children are effective communicators'*.

PROJECT WORK

The Little Saints children found a beautiful, unattended spiderweb. We were so captivated by how fine and "cool" this looked. We had so many questions about the web:

- "How do spiders make their web?"
- "Why do they have a web?"
- "Can we make a web?"

This led to us exploring weaving concepts and how we can achieve this idea. Our friend drew pictures of spider webs and their interpretations of how it was made. We started noticing how the lines formed and how the circle was weaved. We tied some sticks together and tried weaving the wool through the posts to create this pattern.

This was working beautifully, and the children showed happiness with this. But it broke, so a discussion broke out about how to make it stronger and more prosperous for all children to participate. The children suggested "in the trees like how we found the web" " but we couldn't find a tree to make it work.

We then found the tyre in our climbing area is round, just like the spider web. This led us to use wool to wrap around the tyre and explore threading and weaving concepts on a larger scale. This proved more successful; our friends continued this interest the whole morning, and we will continue looking at spiderwebs for the remainder of the term.

SENSORY PLAY

During indoor/outdoor play in the little yard, the children have been exploring the concept of ice melting. An Educator supplied the children with large square pieces of ice with cut-up lemon slices throughout them.

Some children picked mint leaves from the garden to add to their lemon ice cube mixtures. Patiently waiting for the ice to melt, the children used sticks, spoons, and their fingers to pull the lemon slices out.

Playing with ice is an excellent way to give children a fun and stimulating sensory experience.

This play supports development in crucial learning areas like fine motor skills, cognitive skills, emergent science, and language development.

The Fox and Brew - reopening!

THE FOX & BREW
JINDERA

Good News! The Fox & Brew has finally reopened and we are thrilled to reveal the new and improved establishment.

We are open 7 days a week and because you have been so patient with us we are also looking to open a couple of nights in the near future. We've poured our hearts and hard work into creating this incredible space, and now it's time to share it with our wonderful Jindera community.

We've created a modern and inviting space for you to relax and enjoy, all while we do what we love - brewing exceptional coffee and serving delicious food. Our Head Chef Ashleigh, has been working tirelessly to perfect every meal and with a team effort we have created a menu that has had an incredible and great reaction from all our customers.

We would love to welcome you to the Fox and Brew - Come see for yourself, it will not disappoint.

Carrick Real Estate

CARRICK REAL ESTATE is your GO TO AGENT!

Friendship in Action

Learning through play. The Kangaroos are exploring scientific processes and developing dispositions for learning such as curiosity, cooperation, creativity, and persistence. The children are captured investigating and experimenting with the flow and direction of the water as it passes through connecting pipes. They are working together to transfer the water from one container to another and investigating direction, motion, and gradient. We are tomorrow's engineers, scientists, mathematicians, and creators.

Creating with shape, height, pattern, stability, length, number, colour, balance, weight and direction! **ALL OF THIS AND MORE IN PLAY!**

The children are excited to see the production and growth happening in our vegetable gardens. We are observing change and responses to our care as the children feed the word farm, water the seedlings and weed the soil. We are learning through experience, enquire and discovery.

BUSH TUCKER GARDEN We have built our garden bed and prepared our soil. We are ready to source our plants and plant our garden with the help and support of our community.

Jindera Preschool is working towards creating and sustaining a **Wiradjuri Bush Tucker Garden**, filled with native edible plants and trees for our children, families, staff and community to care and learn from. We would like to celebrate and promote our Wiradjuri culture and connect with our natural environment and land.

CAN YOU HELP?

We are reaching out to the community seeking donations to support this project. If you have any bush tucker seedlings or plants that you are able to donate Jindera Preschool, we would be honored to care for them in our garden.

We *thank our community* for connecting and supporting our Community Preschool. The children are preparing to make signs and visual tools to celebrate our garden and identify the produce.

JINDERA PUBLIC SCHOOL

Culcairn Cricket Gala Day.

In the first week of this term, we participated in the Culcairn cricket gala day, held at the Culcairn Sport Recreation Ground. We entered both junior and senior teams this year and all teams participated with enthusiasm and a healthy element of competition. All teams had the chance to play three games against other local school teams and we had a few wins and a few losses during the day. All teams improved as the day wore on and our children displayed excellent sporting values throughout the day.

Year 6 Boys to the Bush Cultural Day.

In the same week, the Year 6 group from Jindera Public School travelled into Lavington Sports Club to participate in the annual Boys to the Bush cultural day which is held each year to allow local schools to bring their Year 6 students along for a day where they can meet other Year 6 students that will be heading into high school the following year. Our Year 6 group had a fantastic, however very cold, day where they participated in a variety of games, sport, singing and dance activities. As always, our values were on full display with all children representing their school with pride.

Possums, Bilbies and Turtles Assembly.

Last Friday, three of our Early Stage 1 and Stage 1 classes joined together to run our fortnightly assembly. As always, we had a very healthy turn out of parents and visitors who thoroughly enjoyed the performance items and our junior classes taking turns to run the assembly and introduce the items. It is always fantastic at this time of year to reflect on the journey our current Kindergarten class has undertaken and how much they have grown and changed in such a short time.

Walbundrie Show.

Our students really embraced this year's theme of country life and we had an all time record number of student artwork entries at the annual Walbundrie show. In addition, we also entered two wooden cut out pigs, designed and decorated by the students as part of a static display at the show. As always, we would like to thank Mrs Wendy Habermann for helping to coordinate the entries and transporting them to and from the show on our behalf.

Summer Swimming Program.

Jindera Public School will be running a swimming program throughout the pool season for our Year Three to Year Six students. Students will be given the opportunity to regularly engage in swimming for the purpose of building stamina, refining swimming strokes and strengthening techniques.

The school would like to thank and acknowledge the support of our local Jindera CWA and Jindera Rural Carelink in providing donations to allow us to deliver our Summer Swim program to students at no cost.

We look forward to kicking off the program a little later in the term with our three newly accredited swim teachers who will complete learn to swim, water familiarisation, stroke correction and squad style stamina programs. Now we just need the weather to warm up a little!

with sincerity.

Jindera CWA News

NOVEMBER 2023

At our Annual General Meeting in October, President Christine McIntyre presented Olivia Hanel and Helen Glachan, with certificates as Patrons of Jindera Branch for their many years of service, devotion and loyalty to CWA. Both ladies were emotional and pleasantly surprised.

Murray Group President, Elaine Strong chaired the AGM. 2024 President is Christine McIntyre, Secretary - Olivia Hanel and Treasurer - Denice Murphy.

COUNTRY OF STUDY FOR 2024 – FRANCE.
FAUNA – MICROBATS, FLORA - FUNGI which are in a whole kingdom of their own. FOE – RED IMPORTED FIRE ANTS.

ADVOCACY UPDATE from Head Office :

CWA is following up on the following -

MATERNITY CARE IN NSW,
HOUSING AND HOMELESSNESS,
REGIONAL SENIORS TRAVEL CARD,
SHINGLES VACCINATION.

Murray Group Annual General Meeting was held in the Albury Rooms on 19th October. It was a celebration of 60 years for the Group. Guest speaker was Immediate Past A.C.W.W. South Pacific Area President Mrs. Gail Commens, who informed everyone on the countries in the South Pacific she has visited and the help which they have received through the ACWW.

Olivia Hanel and Helen Glachan receiving their Patron Certificates.

Two members from Jindera branch were voted into positions in the Murray Group, Olivia Hanel is Group Secretary and Bev. Blair Publicity.

Christine McIntyre entered an arrangement in the Floral competition and won. Mary Fielder (our flower girl) won this competition for many years.

Congratulations Christine.

Our next meeting will be **1st November** in the **School of Arts Hall at 10am**

All Visitors Welcome.

Bev. Blair
Publicity Officer.

President Chris McIntyre receiving trophy for flower arrangement from Jenny Chobdzynski at Murray Group AGM.

Wiradjuri Walk & Talk on West Hume Country & AGM

Save the date!

West Hume Landcare invites you to join a family-friendly walk and talk with Wiradjuri man Darren Wighton - our AGM and BBQ Dinner

When: Sunday 12 November, from 4pm

Where: On a farm between Jindera & Burrumbuttock

Details: Let's learn on Country together about local Aboriginal history, language, storytelling, special sites, and features such as scar trees. Following this we will hold our AGM and BBQ dinner in a woolshed.

More information is coming soon, including how to register. Keep an eye on our website (www.westhumelandcare.org.au), Facebook page (@westhumelandcare) or ask to join our mailing list by contacting Kathie@westhumelandcare.org.au.

West Hume Landcare committee:

Please get in touch if you'd like any information about joining our committee.

We meet 4-6 times per year, generally in the evenings at Wirraminna in Burrumbuttock.

2022/23 Committee members are Joe Corrigan (Chairperson), Jono Schulz (Vice-chairperson), Tiphonie Boyd (Secretary), Cameron Odewahn (Treasurer), Ashely Paech (Communications) and General committee members: Judy Frankenberg, Patrick Salzke, Sue Rose, Jim Everitt, Julie-Ann Mills and Guy Paramore.

Boys To the Bush

On Thursday 12 October our Year 6 class attended the Boys To The Bush community fun day at the Lavington Sports Ground. The focus of the day was community, engagement and respect as students completed a range of sport and Indigenous based activities. The students had a great day participating and collaborating with other schools.

Updates on Building Project

The past few months has also seen us begin our building projects.

Our new bus shelter is well-underway and will be a great addition for all seasons, from the searing sun to the winter rain.

The new shed is completed and in use.

Grandparents and Special Friends Day

A very special day was held at St John's on Friday, 27 October - our annual Grandparents and Special Friends Day. We celebrated together in song, dance, classroom visits and a wonderful morning tea. Thank you to our amazing students and Chappie Pete who led the morning Chapel service with students from Kinder to Year 6.

After Chapel, prizes were handed out: **'most grandchildren at St John's'** (which had to be decided between two families with a rock, paper, scissors match off), **'longest connection at St John's'** (5 generations), **'furthest distance travelled'** (all the way from England) and the **'oldest grandparent'** (a spritely 89).

Classroom visits had grandparents and special friends attempting puzzles, quizzes, colouring in and games. Students proudly showcased their learning before grandparents and special friends headed back to the hall for morning tea and a catch up with old and new friends.

• PIONEER MUSEUM •

What's Coming Up This Month - November 2023

This month we have two events for you to enjoy, our **Long Lunch**, an eight course degustation, will be held on **Saturday 11th November** in the museum grounds. This is a long and lazy afternoon spent in our lovely gardens (weather permitting) that takes guests through a culinary experience of the best of the local seasonal feasting delights. There is no rush with plenty of time to enjoy the variety of tastes and flavours on offer during this event. The bar will be open for you to select wines to accompany your feast. No BYO permitted.

On **Saturday 25th November** we will hold our first **Music at the Museum** event, featuring Dean Haitani. With his unique finger style and soulful earthy vocals, Dean draws inspiration from roots music, and his love of funk and old school R&B rhythms. Stylistically, Dean's music is Roots Music – a melting pot of funky rhythms, jazzy influenced progressions, folk subtleties, country flavours & blues grit. An accomplished guitarist/singer/songwriter, over the last 28 years Dean has toured the US, UK, NZ and Europe. His unique sound comes from his experimentation and his ability to cross many musical genres. Dean has honed the craft of both acoustic & electric guitar & his dynamic live performance comprises of foot percussion, a variety of guitars (running octave, delay, distortion, phaser and wah effects) vocals and harmonica.

Tickets for both these events are available through Try-booking – see the advertisements on *pages 24 and 25* in this Jindera News for booking details.

Save the Date ... for a sensational musical experience on **Saturday 23rd March 2024** when the museum will host the famous Grigoryan Brothers in conjunction with Murray Fine Music. Superb classical guitarists, this is an event to plan to attend.

Our Fundraising Events this Past Month

On the 8th of October the museum presented their **Spring High Tea**. This was again a wonderful afternoon of great food and enjoyment by all those attending. The High Teas for the museum are a signature event, with many people returning in both Autumn and Spring each year (*see page 27 opposite*).

The museum has recently embarked on a 12 month program of cinema advertising which you may see next time you visit the cinema. The advertisement has been produced locally and we think it is a great depiction of what is on offer at the museum. We hope this encourages folk to venture over the hill to visit our village with so much to offer.

The newly opened **blacksmith precinct** has proved a popular edition to the museum site particularly with several groups that have visited the museum during this last month. We have also been able to obtain many items for the museum from the clearing sale of one of the last original properties in the district, Granite Hill. Armour, Roy and Norma Schulz were all contributing members of the museum during their lives and the family presence at Granite Hill dates back to Jindera's early settlement. We are particularly thankful to David and Judy Gray for allowing the museum access to many pieces of memorabilia from this property and the district's history.

We look forward to seeing you.

Margie Wehner

President

Jindera Pioneer Museum & Historical Society Inc.

BUY a PIECE of HISTORY

The **Jindera Museum** is keen to commence a major fundraising drive for the new building which will nestle between the present Wagner's Store and what was the Wagner's second residence, on what is known as the Cottage Craft block. As part of this fundraising effort, we would like you to consider a **Christmas gift** that will have a lasting impact on the gift recipient as well as this town and community.

Give a gift that will last long after many others have found their way to the recycle.

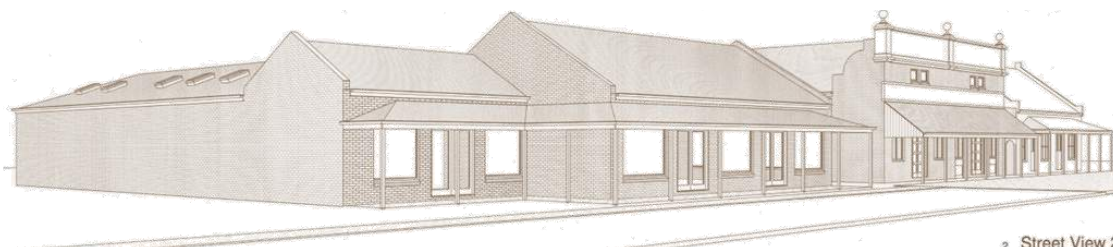

We have a collection of gifts relating to the new building for which you will be presented with a **Gift Certificate**, delivered in a specially designed **Jindera Museum Christmas Card**, celebrating the gift and the contribution to Jindera's history making. These include pavers, a section of brick wall, outdoor tables and chairs, screening panels as well as having your gift recipients name, or business or family inscribed on our honour board or glass windows.

We also have gift certificates for museum entry, yearly passes and tearoom vouchers and event attendance vouchers if you are looking for other ideas.

A full list of gifts and donation ideas will be sent to you and these ideas will also be available on our website.

Use the web contact form, **phone 0408 409 842** or email the museum on info@jinderamuseum.com.au to place your order for a gift. These will be sent directly to your chosen recipient in the weeks prior to Christmas or delivered to you for you to give in person.

Literally, be a part of this exciting new development!

2 Street View 2

Spring High Tea at the Museum ... a Spectacular Event !

Following the 150th anniversary of the Jindera Township, the museum embarked on a range of events in an effort to raise funds for ongoing maintenance at the museum and the concept of a new building to expand the museums ability to enhance its operations. The concept of a High Tea was one of the first such events and this has proved to be a highly successful event for the museum.

The High Tea afternoon is set in the museum's lovely gardens with a beautiful array of delicate bone china. Delicious morsels of savoury and sweet foods are served to guests during the event. The afternoon starts with a glass of bubbles and guests are also served tea and coffee throughout the afternoon. Guests love that table service is done in period costume and that the afternoon is reminiscent of an old style garden party. At this year's Spring High Tea we were again blessed with a beautiful day; perfect weather for enjoying great food in the museum's lovely garden environment.

Two High Teas have been run each year since their inception, one in Spring, one in Autumn, with many guests returning each time. Several of our excellent cooks supply many of the delicacies served on the day with all our events being supported by our volunteer workforce to whom we owe a great deal of appreciation. Thanks to all those that contributed, worked at and supported this event by attending.

how they love those small spades shovels and buckets.

Jindera Tennis Club

Just an update announcement of the Jindera Tennis Club to all those lovely readers of the Jindera News. It's been a good start to the tennis season so far. We were a little rocky to start with though have settled in nicely by round 4.

We have 7 teams entered and playing in this years Hume mixed tennis league. We have teams in section 1, 2, 3a, 3b, 4(2 teams) and 6. A mixed bag of results so far but it does look like a few of our teams are sitting on the tops of their ladders.

Another few things to mention regarding the tennis courts, we now have a smart padlock on our gate and a new booking system in place. This allows members of the public to scan a QR code that will be located next to the gate, this will take the player straight to the booking system. Follow the prompts and book a court for you and your friends to play.

Once you've booked, our system will send you a unique code that allows you access to the courts. The court hire fee is \$10 though if you become a social member through our website (\$60 per year), you can have free admission to courts anytime.

We also have family memberships available.

Just jump on our website and have a look. <https://play.tennis.com.au/jinderatennisclub>

PROBUS Monthly News - by Helen Squires

Introduction - Probus is a club for retirees and aims to promote growth, development and support for former professional and business people fostering the true spirit of Probus - FRIENDSHIP-FELLOWSHIP-FUN.

The Henty Probus Club meet on the 2nd Wednesday of each month at 10.am at Henty Bowling Club. Membership is \$30 p.a. Anyone from Jindera would be very welcome to attend our meetings.

For more information - www.probussouthpacific.org or contact: Yvonne Booth 0428293193 - Kevin Fogarty 0428293480

Henty/Culcairn Probus Club met at Henty Community Club on Wednesday 11th October, 2023.

October is a time to celebrate Probus and we had invited Albury Hume Club, Wagga Wagga Murrumbidgee club, and Holbrook Probus Club and they came to enjoy the day with us.

Yvonne Booth OAM, our President at Henty/Culcairn Probus, welcomed us and Joyce Gardiner played for us as we sang through two verses of the National Anthem. Yvonne was overjoyed at so many people in attendance.

Rhonda Walmsley from Murrumbidgee club, told us of thirty members coming to visit us and told of the various groups that they have within Probus. They have coffee at various clubs and shops, have a bowling group and book club and meet at the Wagga Wagga Botanical Gardens for lunch and guest speakers. Members walk around the Botanical Gardens and have visited the R.A.F museum and are planning a visit to Gore Hill for a picnic lunch. Yvonne invited Julie and Stephen Colley to join our Henty/Culcairn Probus club and they were presented with name badges.

Judi Garvi from Albury Hume Probus, told of having enjoyed a recent day meeting our group at Culcairn Hotel for lunch. The Albury Hume folks travelled both ways by XPT and enjoyed their train trip. Hume Probus have a show and tell project, Secret Men's Business Day and they meet for lunch at Commercial club on club days and share lunches and morning teas at various venues. Alison Schuster and Kevin Fogarty were presented with twenty year membership badges, surprising both people.

Cathy Jones from Holbrook club told how our day was coinciding with golf and bowls days at Holbrook and still she came with representatives of her club. They meet at the Holbrook club with lunch as part of the meeting. For outings, they have car pooled three trips this year. They went to the cinema in Albury as part of Probus 30 year celebrations and to Corryong recently as part of their club 20 year anniversary. Yvonne told of Henty/Culcairn joining with Wrap with Love to make blankets to send world wide, with many needed in Australia in recent times.

We send beanies to Seamen's Mission in Sydney with 60 beanies going each month by post bag. The trauma teddies are part of our game, and we have sent singlets and beanies to babies in Alice Springs.

The most recent project is to send post cards in support of people in Ukraine. The address for supportive cards and messages is: Post Cards to the Front, Box 565 Williamstown 3156.

They are then packaged and sent to offer support from Australia.

Eleanor introduced our guest speaker, Bernard Clarke. Bernard was born in Hobart and grew up on a farm, learned about agriculture and mechanics and worked in paper mills in Tasmania and Albury. Bernard likes gardening and photography and walking in the bush. His early photography was of birds and in 15 years has identified 148 species in the Henty area. In 2009 Bernard joined Henty Camera Club and has been president for much of the time since.

In 2018 Henty's Creative Gallery started after Graham Booth wanted a local creative centre with some of the work as display and some for sale. They are open on Friday and Saturdays with hours of 10.00am to 2.00pm, all operated by volunteers. Bernard likes to photograph insects and fungi as well as scenery and birds. He showed a slide show of a trip to Western Australia that took six weeks but condensed to 10 minutes of beautiful photographs with lovely music playing in the background. Bernard likes to involve his audience by having pictures that are part of a bigger image. Most interesting for us all.

Rhonda Walmsley thanked Bernard for the amazing photography and presented him with a Probus pen as a token of our appreciation.

Yvonne has been closing our meetings with interesting quotes from a book by Trent Dalton, called Love Stories. Her quote today, was:

The smallest good deed is better than the greatest intentions.

We had lunch at beautifully decorated tables with blue and yellow flowers and blue serviettes. Lunch was fish and chips and salad, followed by slices. All were made with love and care, and we give thanks to all our helpers who made a lovely day for around 100 Probus members.

We look forward to seeing you at **Culcairn Bowling Club** on the **second Wednesday in November at 9.30 am** for a 10.00 am start.

**SUSSAN
LEY**

FEDERAL MEMBER FOR **FARRER**

Putting Farrer First

As your local Federal MP, my job is to represent, help and speak up in your interests.

You may also need specific assistance in an area such as social welfare, family law, immigration or taxation, through to a post, phone or internet service.

Can I help with an employment issue, housing, health or education...perhaps you just want to offer an opinion?

Whatever you need help with, please don't hesitate to get in touch through any of the below contact options.

[517 Kiewa Street, Albury NSW 2640](https://www.facebook.com/SussanLeyMP) [02 6021 3264](tel:0260213264) farrer@aph.gov.au sussanley.com [SussanLeyMP](https://www.facebook.com/SussanLeyMP)

Authorised by Sussan Ley MP, Liberal Party of Australia, 517 Kiewa Street, Albury NSW 2640.

With summer just around the corner, the course seems to be drying out very quickly considering the amount of rain we had during the year and the new watering system has already seen some action around the greens and tees.

With the weather warming up, we have been doing some improvements around the greens such as washing and re-sanding the synthetic greens, spraying around the greens in order to remove weeds and promote the growth of "Couch" grass and top dressing around the greens with sand.

Thanks go out to our tireless volunteers who give their time on the mowers and general course maintenance etc.

Our winter competition season has now officially finished, marked by the annual "Closing Day" 2 Ball Ambrose on Sunday the 1st October. This was a great day, with 17 pairs (34 players) enjoying a relaxed day in beautiful spring weather.

The "Vets" Club Championships are currently running over a 3 week period with the second round played last Wednesday the 25th.

The respective 2023 Men's and Ladies club champions were Simon Cossor and Rawinia Smithenbecker.

Results as follows: -

LADIES

Club Champion	- Rawinia Smithenbecker
Match Play Winner	- Rawinia Smithenbecker
Vets Stableford	- Rawinia Smithenbecker
Eclectic	- Rawinia Smithenbecker
Pars	- Rawinia Smithenbecker
Handicap Winner	- Lucy Kimpton
Most Improved	- Lucy Kimpton (Elizabeth Heir Memorial Perpetual)
Medal of Medals	- Judy Gehrig
Putts	- Heather Chaston

With the end of the winter competition season, our annual **Presentation Night** was held at the Albury Golf Club on Friday the 20th October. The venue and format – *an initiative of Men's club captain Craig McMillan* - was a step up from our usual format at our clubrooms and was a great evening, enjoyed by around 40 members and **their partners** (see results below).

The Friday night "Chook Run" "Tee Time" is now at DST time with the latest tee time being 5.15pm.

The Sunday competition is now the summer time of 8.30 for 9.00am start.

In the meantime, current comps are as follows: -

- Sunday – Men's 18/9 holes, event according to calendar on website Tee-off 8.30/9.00. (11.30/12.00 from June)
- Wednesday – VETS 9 Holes, Stableford (unless notified differently) Tee-off 8.30/9.00
- Friday – Chook Run – 9 Holes, Open to all, 3.00 to 4.00pm, can also be played throughout the week – Play your game, place cards – signed and verified by partner with \$10.00 in an envelope and slide under the door.

The club has an electric golf cart for hire by members and visitors.

For bookings, contact us via email.

Membership – To join our great community golf club, simply download a membership form from our website or request one via email, email it back and pay via eftpos.

Annual memberships become due on 31st March and cost \$110.00 (inc. GST), Juniors \$33.00 (inc. GST)

MEN'S

A Grade Scratch (Club Champion)	- Simon Cossor - Perpetual
A Grade Nett	- Ash Paech
B Grade Scratch	- Greg Preston
B Grade Nett	- Chris Larkin
C Grade Scratch	- Aaron Melbourne
C Grade Nett	- Rob Weldon
Col Rainbow Matchplay	- Aaron Melbourne Perpetual, presented by Julie Hayes
Medal of Medals	- Peter Penny
Captains Trophy	- Alex Christensen

JINDERA ANGLERS CLUB INC.

October has been a great fishing month for the dedicated anglers prepared to take on some very varied weather conditions, temperature ups and downs and lots of very windy conditions.

Those venturing up to into the mountain country have done very well with trout catches and it isn't rocket science, bunch of scrubbies or garden worms on the bottom off the bank will do the trick.

Catches of redfin and yellowbelly have been reported at the weir, just a matter of perseverance and the more you fish the luckier you get, fishing at the weir will only get better as the warmer more stable weather arrives.

Jindera anglers held their October comp to coincide with the Leigh Martin Fishing Classic at Lake Hume on the 20th, 21st and 23rd of October with many club members fishing both comps.

Winner of the best fish went to Kevin Brown who fished Blowering Dam and managed to snare a 98cm Murray cod (released), and before you question closed cod season, Blowering is open for cod fishing as is Lake Eildon, best bag of fish was won by Zol Peli with a good bag of redfin with the biggest around the 30mm mark, Laz caught 5 redfin and the general consensus was fishing was hard work and a bit dangerous with very rough water conditions.

Next fishing comp will be an **Open Comp** held from **5pm on Friday, 17th November** with the weigh-in at the clubhouse at 5pm on **Sunday, 19th November**.

The December comp will coincide with **cod Opening**, commencing on **Friday, December the 1st** from 5pm,

NOTE: anyone catching fish prior to 5pm Friday and trying to weigh them in will be disqualified and beaten to a pulp with a dead fish.

Weigh-in time and the Christmas Party arrangements will be discussed at the **next general meeting** to be held at 5.30 on **Friday, 10th November**.

South West Anglers Association will hold their next **general meeting** at the **Jindera Clubhouse** on **Sunday, November 5th**, commencing at 9.30am. All Jindera members are welcome to participate and if you can assist with catering for lunch please contact Wade Morey.

Anglers are also reminded that they have to the **17th November** to comment on the **trout cod recovery plan**, it is important, so read it and have your say, key areas for me of the trout cod overpopulating the Murray River down Cobram way and also the closed water in that region.

The other problem in the river below Mulwala is the trout cod are aggressive feeders, that will be a problem for Murray cod now and into the future. One thing that is for sure there are plenty of trout cod around the 12 mile reserve and they also appear to be going well in the upper Murray.

Happy fishing and tight lines!

Zil Peli weighed in 10 nice sized redfin.

Kevin Brown got this ripper Murray cod at Blowering at the last comp

A very nice yellowbelly weighed in at the recent comp

Mark Lynch with a terrific redfin yeah right !

Kerry with a ripper Yella from near Talgarno

Still some good redfin to be caught at the Hume Weir

Graham demonstrates the new headwear available for members in 2023
