Jindera CWA celebrates 100 years at the Pioneer Museum

The Jindera branch of the Country Women's Association want to remind people that the organisation is more than 'tea and scones,' they also fundraise for bushfire and flood relief, those in need and 'push' issues that need to be pushed such as regional health and education access and land management practice.

The plaque under the new ceramic birdbath.

The CWA is celebrating a century of activism and service. The CWA of NSW had its beginnings at the Bushwomen's Conference held in Sydney in April 1922 and in the 100 years in existence, members have helped bring about some major changes including better health facilities, compulsory seat belts and flashing speed signs in school zones.

The Jindera CWA have just held a very successful 3 day event over the 9th, 10th and 11th September at the Jindera Museum. On Friday, 80-100 school children came through, on Saturday we had the Car Club come through and on Sunday Justine Clancy MP, unveiled the commemorative ceramic bird bath placed in the Museum garden to celebrate the 100 Years.

Justin Clancy unveils the commemorative birdbath.

Over the 3 days there was a rope making display, Scottish Piper, Roger Buck playing the bagpipes (*what a stirring sound*), a horse-shoeing demonstration, a talented choir and wool spinning as well as stalls which included cakes and slices for sale.

Everyone had a wonderful time and we had great feedback about the CWA history boards and the Museum displays.

The Jindera CWA thank all who participated and contributed to our 100 year celebration.

Safety Net—Help & Support

We can provide basic food, clothing, and other financial and emotional support for local people in need.

We can help them to connect with other services and give support to help them navigate today's challenging systems.

As an agency for Albury Wodonga Food Share, we can access their Community Pantry Vouchers, and we can connect the aged and disadvantaged with local RSPCA volunteer services to help take care of their pets.

Phone for an appointment on **02 6026 3001** or text **0475 594 073** to find out how we may be able to help. Messages responded to promptly.

The Jindera News

We'd like to hear your opinion!

Rural Care Link Inc. is seeking to find out what the community want in our community newsletter.

Our current policy emphasises the importance of retaining and building bridges and bonds between people in our community as well as communicating the support that is available to people in need.

What do you think? Is this right? Have you other ideas?

Please email any comments to office@ruralcarelink.org.au

Carers Support Group

If you care for someone....please reach out!

We invite anyone from the Hume Shire Community who is in a Caring Role to attend. If you know someone who you feel would benefit from attending, please pass this information on to them.

You may not identify as a Carer but if you are looking after someone who is aged or has an illness or disability this group is for you.

Please join us for support, information, a friendly chat and Morning Tea.

We meet on the second Tuesday each month in the Lutheran Church Hall, Adams Street, Jindera.

For any further info please contact **Vickie Priscina, Carers Co-ordinator** on **0428 406 060**.

Jindera Op Shop

Hours

10am to 4pm Tuesday to Friday, with lunch closure from 1pm to 1.45pm. Saturday open 10am to 1pm.

Restocked for Summer!

We have now re-stocked the shop with Summer clothing, so as the weather gets warmer, why not stop in and grab some bargains!

You'll notice that we have some very talented volunteers who are doing a great job creating special shop displays.

Matching clothing and jewellery and bric a brac in themes and colour schemes and bundles, draws the eye to explore different pieces, and gives shoppers ideas for certain pieces that may fit in with their own wardrobe or decor.

This in turn helps to generate sales, move our stock and hence boost funds that can then be channelled back into our community, to help those in need.

Well done team!

Boomerang Bags Booming!

It has been great to see everyone embrace our "No Plastic Bags" policy, and support the Boomerang Bags, that we now use in our shop.

As previously mentioned, the fabric used to make these bags has been donated by businesses who had end of roll and/or discontinued stock on hand. That material would have normally ended up in Landfill. So by using these bags, we are helping the environment in two ways!

The Boomerang Bags can be purchased from us for \$1, and also make great gifts.

We are also offering a \$1 discount at point of sale, each time you re-use your Boomerang Bag in our shop.

Other RCL Activities Community Calendar

Last year Rural Care Link Inc. ran a school art competition with the winning entries forming part of our 2022 community calendar.

We are once again running this primary school art competition, with 12 entries selected to be published in 2023 Rural Care Link Calendar.

Entries close Monday 24th October, two weeks after return to school from September holidays. The entries should be submitted to our office in Urana Rd Jindera.

The theme this year is "things I like to do with my family or friends in our local community".

Artworks are to be submitted on A3 size paper in Portrait orientation.

The artwork will be judged by staff from Murray Art Museum Albury. Once again, the 12 selected Artists will each win family movie tickets.

A Poem—Author unknown

It doesn't matter who you are,
Or what you have, or do.
If you give of your very best
The best returns to you.
A law of compensation works,
We get just what we earn.
If we love others with our hearts,
We get love in return.
The little things we sometimes do
For others day by day,
Return quite unexpectedly
In some peculiar way.

Proposed Telstra Colocation on Optus Tower - Jindera Recreation Reserve

Telstra plans to install a new telecommunications facility located at Jindera Recreation Reserve at Dight Street, Jindera. Telstra are proposing to co-locate new equipment on, and adjacent to, the existing ATN facility located within the Jindera Recreation Reserve. As part of this proposal, Telstra propose to install both 4G and 5G technologies to service the Jindera township. 5G has the potential to transform the way we all live and work. It will deliver more network capacity and faster download/upload speeds. Additionally, it will support vastly more connected devices at low latency.

New Adventure Playground update

The orange surveyor pegs that can be seen on the old soccer field are indicating where the new adventure playground will be situated. Stay tuned for more updates in a future edition of the Jindera News.

This year St John's has implemented the **Zones of Regulation** curriculum with our students. The Zones is an emotional regulation program that teaches children that all emotions are ok and appropriate at different times and in different circumstances. At regular times throughout the day, our classes pause and check in with their state of emotions, with the idea of being 'ready to learn'.

Children have been able to trial various different strategies such as figure eight breathing, using weighted blankets and wall push ups to help get themselves into the best headspace for learning. Once they have trialed these, they have developed their very own toolbox of strategies that best suits them for use when they feel they need a little extra support to be 'ready to learn'.

The NSW Department of Education has released a new K-2 English syllabus, which is due to begin implementation next year. St John's is investing heavily in upskilling our teachers and purchasing new resources to go along with this new syllabus. Our K-2 teachers, along with the team from St Paul's Henty, participated in a two-day professional development on InitialLit. InitialLit is an evidence-based

whole-class literacy program providing all children with the essential core knowledge and strong foundations to become successful readers and writers. Our teachers gained valuable insight and skills over the two days and are excited to begin trialing elements of the program in Term Four.

Justin Seidel (just-dance-Justin) came to teach the year 5/6 class how to perform a hip-hop dance while worshipping God. Everyone in the year 5/6 class loved trying something new and they nailed the performance!

Two of our year 4 students, Eve Barclay and Maddison Baker, travelled to Sydney to compete in the CIS athletics competition on Tuesday. Maddison placed 15th and Eve 25th overall. We are so proud of you both for making it this far and representing both St John's and our region.

Molly Ginnivan (Year 4) has the privilege of presenting an AFL Premiership medal to a player on the winning team in the AFL Grand Final! She is also involved in a lap of honour during quarter time and the Grand Final Parade on Friday. Congratulations Molly on being nominated for Auskicker of the Year, and for all of the exciting things that you have been able to do at the Grand Final!

Axel Podubinski (Year 5) participated in the South Australian State Archery Competition last weekend in the Cubs A-Grade division. Axel trains with his dad, Daniel, and clearly has a good aim because he won his division and is now the SA State title holder. Axel adds this state title to his NSW and Victorian titles. Congratulations Axel!

What a busy term we have had! All term we have been kind to each other and showed that we can be Good Samaritans, meaning that we were successful at filling our marble jar for the bucket filling program. Children celebrated by wearing casual clothes all week and having special treats each day.

We finished up our **Little Explorers Program 2022** by soaking up the sunshine as much as we could, playing in nature, exploring, and discovering our world's environments. The children have been out and about within St John's grounds exploring and utilising the facilities. They have particularly loved playing on the playground equipment, and this has encouraged their risk taking and physical development.

Book Week was a huge success with children and teachers dressing up all week. We participated in the St John's Book Week Parade and all children had a great time.

Many of our children have been excitedly attending their Kinder Transition Days at St John's. We look forward to hearing about all our children's transition days as they begin their journey to school life in 2023.

Miss Rouch and Miss Penny are preparing to engage in Professional Development for the Pre-Lit Early Literacy Program. This is a play-based literacy program that compliments the InitialLit English program that St John's is implementing.

The most exciting news out of Little Saints has been the very recent wedding of our director, Louise Rouch to Cameron Habermann. The children have been excitedly 'helping' Miss Rouch to prepare by brushing her hair and pampering her. The children are excited for next term because they will finally be able to see what her wedding dress looked like! Congratulations Miss Rouch!

Little Saints are still taking enrolments for 3- 5-year-old Preschool for 2023.

Please call us on (02) 6026 3908 to book a tour today!

We would love to hear from you

JINDERA

• PIONEER MUSEUM •

It has been another busy month at the museum as we celebrated the 100th Anniversary of the CWA in NSW. Many of the ladies involved in the local branch of the CWA displayed a wonderful collection of their handy-work from across many years; a wide range of unusual items as well as beautiful quilting and embroidery.

The display also featured the many major works the CWA has been involved in over these years, including legislation involving safer roads and vehicles and better health facilities in country areas.

This organization has worked for the betterment of country people over this long history and it is appropriate that it should be recognized for these great achievements and for the smaller benefits that have made life in the country a little easier. As a museum, it seemed ideal for the CWA to hold their celebrations in this precinct, given its 150 year history in the township of Jindera.

Many interested people came to look at the CWA exhibition and listen to the choir on Saturday and the bagpipes on Sunday. Justin Clancy unveiled a mosaic bird bath, gifted to the museum to dedicate the 100 year celebration.

On the Saturday of this weekend we also welcomed a Melbourne based car club that was visiting the district. Although Melbourne based, the cars came from many areas in Australia and ranged from Vintage

to Veteran to Classic. These added a great visual element to the town, particularly when parked at the museum.

This month we have also welcomed several schools, some came specifically for the CWA anniversary.

These groups were entertained by billy-cart rides, quilts, horse-shoe tossing and an interesting display and activity on washing and hygiene and medicines of the past. We were also intrigued to have a rope maker on site and watch a rope appear from an interesting hand-operated machine.

At the CWA celebration, Abbey-May Collis & Heather Collis with photo of Heather's mother and Auntie Doris

Over the next months when hopefully we see some warmer, dryer weather, we will look to have the new watering system installed and some additional paving completed. Additional electrical work is underway and we hope, a solution to the glare on the buggy shed will be dealt with in the near future.

Planning is underway for our Lost Trades day on the 26th February next year. We hope to make this a large event with stalls and activities from across the area. This will be a major fund raiser for the new building which we hope to get underway soon. Plans and information will be available and we hope to gather sponsorship to support this initiative for the town and museum.

Our Spring High Tea will be celebrated on Sunday 2nd October and we are all praying for good weather. We are sorry to those who missed out on tickets. Our High Teas are a signature for the museum and very quickly sell-out.

These lovely events provide an opportunity for people to experience the museum in a very different way as well as sample wonderful home baked delights and delightful service with attendants in period costume. A wonderful celebration of the start of Spring which is a bit slow in coming this year.

Greater Hume Children Services Educator wins Regional Award

Greater Hume Children Services was able to send three staff members to this year's event, Charmaine Blackett, Janese McGown and Kim Hawkins.

It was a unique opportunity to explore further areas such as Children's mental health, wellbeing and resilience, leadership, embedding indigenous languages into educational programs, the role of the Support Coordinator and innovative approaches to risk management of outdoor environments.

To top off an amazing few days, one of our incredible educators, **Nanda Jamble** was presented with the Regional Educator of the Year award. This is such a prestigious award and highly deserved.

Nanda has been recognized for her beautiful nature with children, the quality of care she provides and her gracious sharing of her culture with all that work with her. Nominations for this award come from families and it is a great honour for any of our educators to be held in such high esteem by the families they support.

Nanda was lucky enough to win a scholarship from Family Day Care Australia to attend the conference and receive her award.

Congratulations Nanda, we are all so very proud of you and delighted that your commitment to your families and the children that you care for has been acknowledged in such special way.

BIRD COUNT

17-23 October 2022

The Aussie Backyard Bird Count is on again from 17-23 October to coincide with national Bird Week.

Check out the Aussie Backyard Bird Count website for further details, to register and win prizes.

You can register as a bird counter at www.aussiebirdcount.org.au.

It's Australia's largest citizen science project and the biggest Australian animal census. Despite the name, birds can be counted anywhere in all habitats, city and rural, in all Australian states, territories and islands.

Join thousands of people from across the country who will be heading out into their backyards, local parks or favourite outdoor spaces to take part.

Multi-Purpose Hall ... Cake Stall and Raffle

A very successful cake stall and raffle were held last Saturday on a beautiful spring morning outside the IGA. There were lots of people out and about obviously preparing for Grand Final celebrations so custom was brisk.

A total of \$1,140.00 was raised. The raffle tickets will be sold again this week to add to that total.

LOCAL LAND SERVICES

Water for stock, environment and peace of mind

Being drought prepared is having enough water, where you want it and of good quality. A guaranteed supply of water is essential for any livestock enterprise. Seasons of average and above average rainfall are the ideal time to prepare for future droughts. That time is now.

Murray Local Land Services is partnering with the Australian National University's (ANU) Sustainable Farms project to host farm water security field days.

Farm water security has multiple benefits including stock health and production, environmental and biodiversity improvements, and importantly, peace of mind at a time of climate challenge.

Join us at properties working to secure water supply and quality, enhance biodiversity and protect production. Hear what is motivating the landholders and what they hope to achieve.

Presenters will discuss:

- Climate change impacts
- Improving livestock water on farm
- Water quality, stock health and performance
- Dam regulations and renovation, construction considerations
- ANU Sustainable Farms research: biodiversity and water quality

Locations and dates:

- Savermake, Thursday, 6 October

Jindera Community Garden

We are a social group who are creating a garden for EVERYONE to enjoy. Check our news on Facebook, and read *here* each month for updates. If anyone has ideas or suggestions, please let us know.

Phone or Message **Eileen White—0400 023 290** or email jinderacommunitygarden@gmail.com.

Community Garden Helpers

Thanks to John and Lorraine for setting up the Garden Bed after it was washed away from the last flood.

We now need cardboard boxes and papers in the bin before we can top up with soil.

Can you help to fill bin please?

Thanks, Lorraine, for helping with planting a few vegetables and pulling the weeds out. These little jobs always give a different view to the garden.

Sometimes we have to just go and spend a few minutes in the garden each day and by the end of the week you will notice the difference.

Anyone can go to the garden in their own time and pull a few weeds out or plant.

Would be great if you could put it up on our community garden post.

Sunday—No Garden Day

Today was a beautiful sunny day so Cheryl and myself decided to put our garden tools away and cycle out to Howlong to the 1/4 Acre Cafe for coffee and ideas that may help us with our Community Garden plans.

While we were looking at their creative garden ideas and plants, we both thought “it's a shame we don't have something like this in Jindera”.

It's worth a drive out there everyone! Soft music in the background while you're having breakfast or coffee.

Maybe we might be able to squeeze one or two of these ideas into our Community Garden.

We cycled around some of the streets to get some colour ideas from people's gardens and were very impressed by how some people can create low maintenance gardens.

Are you as **Busy as Bees** and not getting your garden jobs up to date?

Then just plant some flowers in a few pots, which add colour to your garden and that will put a smile on your face until you can catch up.

A big **Thank You** to all the helpers who organised a few trailer loads of materials for our garden features which will be taking place as soon as it stops raining....

Lorraine and hubby with trailer, Terry, Daryl, Russell.

Social Members

If you would like to be a Social Member **ONLY** because of your Family commitments that is fine.

You may only have 10 minutes per week where you might like to water or pull a few weeds out.

Or just come to our Social Garden events—Gatherings, Coffee Mornings, Christmas Party, Stall Helper, etc.

At the moment I have noticed that you can buy seeds just about anywhere ...so plant!

How lucky are we?

Learn how to create and enjoy

All our updates and events are advertised in Jindera Community Garden Posts on Facebook where you can ask questions or add your ideas.

JUSTICE JOURNEY 2022

With brave wings...she rides!

Rose and Pip are riding MTB trails from Sydney to Coffs Harbour in support of Bravehearts, an organisation working to educate and protect children from sexual abuse. They are raising awareness for the need to change the current legal process for child witnesses in the judicial system.

WE CALL ON THE NSW GOVERNMENT TO MAKE THE CHILD SEXUAL OFFENCE EVIDENCE PILOT LAW FOR ALL NSW CHILDREN

"The Child Sexual Offence Evidence Program aims to reduce stress and trauma experienced by children and young people who are victims and prosecution witnesses in sexual offence cases."

After two interrupted years, we welcomed old and new faces back to the Kennel for what we hoped would be the first full season of football and netball in quite a while. Strong training and trial numbers had the committees led by Simon Cossor and Jess Guy feeling that this would be a year to remember, and it certainly has been.

Alongside many successful junior and senior club functions and some very entertaining Thursday night club dinners, Jindera Football and Netball clubs were also proud supporters of several fundraisers throughout the 2022 season. Terry's **Sock it to Cancer Day** was held on our final round of the year, with the club donning yellow socks to take on Henty. We are also strongly supporting a local family who are raising awareness for **Bravehearts**, an organisation working to educate and protect children from sexual abuse.

Alongside this, they are currently completing a bike ride from Sydney to Coffs Harbour to raise awareness for the need to change the current legal process of child witnesses in the judicial system. We encourage everyone to scan the QR code, sign the e-petition and be part of the change.

Congratulations to our six netball teams (A Grade, B Grade, C Grade, C Reserve, Under 17's and Under 15's) and two football teams (Seniors and Reserves) for making the finals. A special mention to A Grade who unfortunately fell short in the grand final to Osborne, but the biggest celebration of the season was for our C Reserve netballers who hoisted the cup as the 2022 premiers. Congratulations must also be extended to Matt Louwrier (Reserves league best and fairest runner up), Mackenzie Thomson (Under 15's league best and fairest runner up) and Amba Russell (C Reserve league best and fairest runner up).

Our junior and senior presentation nights were also held recently. Congratulations to Jessica Guy and Sarah Parker who were inducted as life members of the Jindera Netball Club at our senior presentation. Awards from both presentations are listed below.

Thank you to our committees, coaches and all other officials who have worked tirelessly to run a smooth and successful season, we look forward to welcoming you all back to the 2023 campaign.

On Demand Regional Buses

'With demand comes growth'

Matthew Kane writes -

Regional Buses started as a partnership between Allan Ofak and Matthew Kane. Both Allan and Matt attended a meeting in Wagga that Transport for NSW had for the new On Demand Service that they wanted to offer in 2018. They asked that operators put in a proposal on their best ideas of transport in the country areas and Regional Buses was born.

Transport for NSW awarded 13 proposals around the state of NSW and Regional Buses was awarded 2 Trail runs, Burrumbuttock run had been Allan's idea and Holbrook had been Matt's idea.

We started the Burrumbuttock run in February 2019 which had 2 drivers and Allan & Matt working the phone to take the bookings and doing the timetable plus all the reporting that went along with it.

The Holbrook run started July 2019 which grew our team from 4 to 5 people working the business.

As the runs become busier and busier it became apparent that we needed some kind of technology to help us out. We approached David Van Damme about our issues, and he was able to write a software package that has taken complete care of our fleet management system with timetables, routes and reporting for Transport for NSW. David has been able to form his own company around this project called LM Software, which offers fleet management systems to buses, trucks and parcel delivery services.

Sean Atherton and Matthew Kane of Regional Buses

This had now grown our little team to 6 and at this point we also needed another person on the phones, so Tania I'anson came on board which grew the team to 7.

In the first year of the trial, we were picking up around 400 people per month and at present we are picking up 1000 to 1200 people a month which is unbelievable.

We have been operating for 3 and half years now, and as of the 1 July 2022 we have been awarded a 3-year contract by Transport for NSW.

We are not upgrading the buses to 17-seater buses with wheelchair lifts, the new buses will be blue and have On Demand on them which is the standard for all On Demand services through NSW. We will see the new buses early next year.

We now have 9 people employed with Regional Buses plus a spin off company from it.

I believe this kind of transport is the way of the future for country transport.

Our course is holding up well given the amount of rain we have had, with some of the major courses in the area having to close at times due to being saturated.

The **September "Monthly Medal"** winner was Chris Larkin. The **"Medal Of Medals" competition** – which is where all previous winners of the monthly medal play off for the coveted title of "Medal of Medals Champion" - was held on Sunday 18th and won by Robin (Strop) Weldon. Congratulations to all those who participated.

The "9-Hole" Comp is still running in conjunction the normal 18-hole Sunday comp and provides a great opportunity for those looking for an entry level into competition golf. Ideal for juniors.

The Friday night "Chook Run" will revert to a 4.00/4.30 start when daylight savings starts in October.

Work on the irrigation upgrade will start around late October, early November depending on when the 220kl water tank arrives, this will be followed by trenching and installation of pipe-works.

This will involve some closing of the course for periods of time.

Our annual Tournament was held on Sunday 11th September. The "2 Ball Ambrose" mens and mixed unfortunately had to be cancelled due to flooding on the course.

The men's event on Sunday however was a great day with 45 players enjoying a great day of golf.

Thanks go to our generous sponsor in **Daryl Klein of Jindera Veterinary Clinic**, Craig McMillan our men's captain and the match committee for organising the day, the ladies for another tremendous catering job and the grounds committee for ensuring the course was in great condition and the MDGA (Murray District Golf Association) for their sponsorship of prizes.

Major winners were –

- ★A-Grade Scratch (and tournament champion) – Dave Porter (78 off 3), A-Grade Hcap Brendan Schneider (Net 70 off 10)
- ★B-Grade Hcap (Stableford) – Winner Brendan Wilson (37 off 13), Runner-up Greg Gibbs (35 off 16)
- ★C-Grade Hcap (stableford) – Winner Gray Spurr (39 off 28) (count back) to Runner Up Chris Larkins (39 off 23)
- ★Best Junior – Noah Wilson

Plus numerous other prizes for best front/back nine, nearest to pin, straightest drive etc.

Upcoming Events –

- **Closing Day** – (end of "calendared" competition season) will be on **Sunday 2nd October** and will be a Men's and Mixed 2 Ball Ambrose, Tee Time 9.00/9.30 – registrations to **Craig 0418966207 or admin email.**
- **Presentation Day** – will be on **Sunday 9th October** beginning around 4.30 following completion of the first round of pennant matches being hosted by Jindera.
- **MDGA Pennant** – From Sunday 9th Oct through to end of November.

In the meantime, current comps are as follows: -

- * **Sunday – Men's 18/9 holes**, event according to calendar on website Tee-off 8.30/9.00. (11.30/12.00 from June)
- * **Wednesday – VETS 9 Holes**, Stableford (unless notified differently) Tee-off 8.30/9.00
- * **Friday – Chook Run – 9 Holes**, Open to all, Tee-Off Currently 3.00/3.30, can also be played throughout the week – Play your game, place cards – signed and verified by partner with \$5.00 in an envelope and slide under the door.

The club has just purchased an electric golf cart for hire by members and visitors. **For bookings, contact us via email.**

Membership –

To join our great community golf club, simply download a membership form from our website or request one via email, email it back and pay via eftpos.

Cost of membership for October has been **reduced by \$10.00** to \$80.00 plus GST (\$90 inc).

JINDERA ANGLERS CLUB INC.

Results of the August fishing comp where most anglers fished locally at Lake Hume with plenty of redfin on the offering and the odd trout.

It was great to see a couple of young tackers getting out and catching some nice redfin. In the digits, Jet had 2 redfin 600 and brother Luke had 4 redfin 1100 in length.

The comp winner was Leif Wikman with a trout 450, best bag of fish went to Ricko with (7) redfin (2300) the best being 370, Laz had 5 Dartmouth trout 1740, Alex had a good bag of redfin (7) 1980, Wade had 6 redfin 1940, with the best being 380 and doughnuts were awarded to Kevin, Trev, Ashton and Chris Lavis on suspicion and Squeaky, Trevor, Kirsty and Naomie was also under suspicion having been seen near a fishing spot. *Happy belated birthday Naomie.*

Lots of quality redfin are still being caught at Lake Hume, mostly females full of eggs, the yellowbelly should be about to come onto the bite and a nice 54 cm cod was recently caught and released at Lake Hume on the troll taking a deep diver. There are definitely more Murray cod being caught at the lake of recent times, fish restocking is working.

On the flip side the thickness and amount of green Algy on the lake for this time of year is of real concern, it is sickly thick green and will be a huge problem going into summer.

Anglers should be gearing up for the **Lake Hume Fishing Classic** to be held on the weekend **22nd and 23rd October**, see the website www.lakehumeclassic.com.au to enter or go to your local tackle, boating or camping store for a brochure and more information.

The clubs next **general meeting** will be held on **Friday, 14th October** at 5.30pm.

The next fishing comp will be a **Open Comp** held from **Friday, 28th October**, 5pm with the weigh-in on **Sunday 30th October** at the clubhouse.

November comp will be a closed comp at **Blowering Dam** to be held from **Friday 18th to Sunday 20th November**.

Tight lines!

Laz had a nice bag of Dartmouth trout

Kevin and Ashton fished hard and were rewarded with doughnuts for their efforts

A nice bycatch while trawling for yellowbelly at the Weir, the cod was released.

Juniors Jet and Luke were happy with their prizes for catching some redfin

Alex with 2 very nice redfin

Nice fish kids

Wade with a couple of stinker reddies
