

THE JINDERERA NEWS

FREE local Newsletter distributed by the first Saturday of each month (except January) published by:-

A Jindera based, not-for-profit charity organisation.

PREPARE YOUR HOME

- ✂ **Trim overhanging trees and shrubs** This can stop the fire spreading to your home.
- ✂ **Mow grass and remove the cuttings** A cleared area around your home will give firefighters a safe area to work.
- ✂ **Remove material that can burn around your home** Door mats, wood piles, mulch, leaves, outdoor furniture.
- ✂ **Clear & remove all debris & leaves from gutters on your home.** Burning embers can set your home on fire.
- ✂ **Have a sturdy hose/s that reaches around your home** Ensure a reliable source of water (pool, tank, dam).

A well prepared home can also:

- Be easier for you or our firefighters to defend
- Be less likely to put your neighbours' homes at risk
- Give more protection if a fire threatens suddenly & you cannot leave

Make a Bushfire Survival Plan - Prepare yourself and family

- Preparation isn't just about cleaning up around the house and having a bush fire survival plan.
- It is also about considering your physical, mental and emotional preparedness.
- A bush fire can be a terrifying situation. Strong gusty winds, intense heat and flames will make you tired quickly.
- Thick heavy smoke will sting your eyes and choke your lungs. It will be difficult to see and breathe.
- The roaring sound of the fire approaching could be frightening. Embers will rain down, causing spot fires all around you. Power and water may be cut off.
- You may be isolated, and it will be dark, noisy and extremely demanding both mentally and physically.

Leaving early is always your safest option.

* Bushfire Survival Plan Packs are available at the Jindera Hub Council office in Urana Street

For more information go to the NSW RFS website:

Headlines and Happenings

From the Committee

Jindera Swimming Programme donation:

We are happy to announce our \$4,500.00 contribution towards the Jindera Public School Swimming Programme. In requesting our assistance, the School Principal noted that they run parallel programmes- their 'Learn To Swim and Survive' Programme for non-swimmers, along with their programme to provide opportunity to regularly engage in swimming for the purpose of building stamina, refine swimming strokes and techniques.

Permission Forms:

If you are a regular volunteer, or just new to our organisation, you may be approached to gain your formal permission to have your photo, video footage, sound recordings, etc. used by Rural Care Link for inclusion as part of the Website, Newsletter, event promotion, etc. We are on the lookout for new photos denoting the heart and soul of and highlighting our Jindera and Greater Hume Communities.

Carers Week:

It has become the practice to spread the celebrations of our Carers over more than one event during the month of October. Our Coordinator of the Carers Group, part of the Carers Plus Group, and also the Chair of the Border Carers Reference Group, Vickie Priscina, is currently organising a luncheon in Albury for around 90 attendees on October 26th with a meal, entertainment, raffles and lots of care-free time for those in caring roles and support services on the Border. For our Carers Support Group, Vickie has a movie, then a meal organised for October 17th. The Carers Grant she received allows extra treats like Gift Bags, lucky seat and door prizes, along with donated items to add a pampering touch. (see page 4 - Carers Week advert)

Strategic Planning Day:

To be held SUNDAY 5TH NOVEMBER. Members will receive a personal notice to attend

the meeting, outlining the day's location, times and topics. Collective input will be very much welcomed as we discuss our future vision for RCL to work alongside our community. We will be guided overall by our Mission, Vision and Values, whilst being realistic about our capacity to deliver.

Enjoy the Spring weather,

Cheers,

Lizzie Pogson (Secretary—Rural Care Link).

Postponement Notice

Regrettably, the free Mental Health and Wellbeing Workshop, which was to be held on Sunday 24th September, had to be postponed late the previous day.

Due to an unexpected family situation, our presenter, Sally, from Glow Wellbeing, had to be called out of town. Those who had booked were contacted immediately, with the assurance that they will be top of the list as soon as we establish a new date. We were grateful to them for their understanding and shared compassion towards Sally and her family.

We hope to hold the event later this year, when we

recognise that there can be quite a lot of stress around the festive season for many people.

Please keep your eyes open for a renewed advertising campaign.

Lizzie Pogson, Event Coordinator, on behalf of Leeny Mason and Vickie Priscina.

Carers Plus Group—Rural Care Link.

Meet our Secretary—Lizzie Pogson

I have enjoyed a rural Jindera lifestyle with my husband for nearly 45 years, joining Rural Care Link in the last 18 months.

Fresh out of Wagga College of Advanced Education, I started as a Kindergarten Teacher at Albury

Public School, soon meeting my husband-

to-be. We bought land on the outskirts of Jindera, where we raised 3 daughters. I returned to teaching in preschools, being the Director at Jindera Preschool for 7 years, which remains a place dear to my heart, where I formed life-long relationships with staff, families and children.

My community work goes back 35 years ago, starting with the Base Hospital Nunyara Committee, progressing to preschool committees, school P&F's and high school boards. I'm very proud of my affiliation and chairing of the Management Committee of disability service, Cooina Family Support Group, with around 600 families, which provided a dual opportunity for my preschool families and staff to gain access to the many educational events we held. Prior to the introduction of the NDIS, I oversaw the transition of Cooina with 3 other services into what is now 'Aspire Support Services' where I enjoyed 10 amazing years of growth, challenge, and pride. I remain part of a Subcommittee that informs the Board on Quality Assurance and Governance, which feeds neatly into my input at RCL.

A yearly highlight was our Aspire Oaks Day Ladies Luncheon, which raised funds for our Community Grants Scheme, where hundreds of local recipients benefited.

I was blessed with an ability to play the piano by ear, with memories going back to when I was four years old. It remains a life-long passion and therapy, topped up every year (for the past 20+) as part

of the Creative Team to produce Albury City's Carols by Candlelight. Amongst many behind the scenes tasks, I get great joy from working with our local talents, especially guiding the younger performers to gain confidence and grow as performers.

I've dabbled in songwriting, lent a hand in creating a school musical, and played piano for numerous weddings, school functions, concerts, and eisteddfods....even for past Jindera Carols.

I'm relatively new to Rural Care Link, but this year, took on the Secretary role. I'm finding out just how much this organisation does for the community. I am working closely with our President, Leeny Mason and our Committee to bring us up to date with all the rules and regulations that go hand in hand with Not-For-Profit organisations.

My time is split between seaside trips, visiting family and grandchildren which requires the occasional trip to the UK.

I look forward to serving the community in the many programmes Rural Care Link offers and in my role within the Carers Plus Group to bring events to a wider audience.

More time needs to be spent practising the piano, in my garden and continuing with my new love of painting. I would love to exhibit something...one day.

Recognise and celebrate carers across Australia in 2023 from 15 - 21 October.

National Carers Week will run from Sunday 15 to Saturday 21 October 2023. It is a time to recognise, celebrate and raise awareness about the 2.65 million Australians who provide care and support to a family member or friend.

AROUND THE TOWN

UPDATE

with *Jenny O'Neill*

- **NEW PLAYGROUND** - The anticipation is building as progress is being made on the new playground. A completion date has not been determined yet. Even though we would all appreciate some rain, at least that is not holding up installation at the moment..

- **DEFIBRILLATOR** - A reminder to the community that a defibrillator is located outside the Jindera hub building near the Hume ATM. This was donated by Rural CareLink.
- Outside the **Op Shop** on the end wall there is a display case which contains a list of **emergency contacts** for various occurrences.

-  **PARK VANDALS COST US \$** - As posted on Facebook there have been more instances of vandalism around the parks in town. Two youths were seen at the Pioneer Park having damaged the paper roll dispenser from the men's toilets. As these youths have been identified, the police will be informed. Continual damage happens at the Village Green toilets which is not only costly for our community and council but affects their use by the public. The BBQ is a popular spot for lots of groups who use it. Please be vigilant when out and about and report any suspicious activity. Phone the Council 1300 653 538 or the Police 60238299.

- **HUB RECYCLE CENTRE** - For those who are unaware the Council Hub has a free & handy recycling centre for household **batteries, fluoro tubes, old phones** and **smoke detectors**. Please drop in to the Jindera Hub to use this great recycling facility.

- **FOX & BREW** - And.. it is getting closer! October is the likely date for the local launch of the new revamped Fox and Brew. An official opening will take place 4-6 weeks after the 'soft' opening. You will be surprised by the layout inside the building and the big item is that there are toilets located inside.

Festival of the Arts Celebrating 15 Years of SMMC

Our school community recently held its first Festival of the Arts; in celebration of the college's 15th year since it opened and started taking enrolments in 2009.

The festival was a showcase of the college student's talents in the fields of art, music drama and hospitality.

Our visual art students provided an amazing display of artworks using various mediums of charcoal, water colour, oil and acrylic paint, to name a few. Our school choirs, music and drama students shared their outstanding talent through their on-stage performances and our food technology student's hospitality skills were on display with canapes that were served on the evening.

It was a wonderful evening, enjoyed by all those who attended and we would like to congratulate our students on what was a most successful event.

We would also like to thank St John's Lutheran School for allowing us to use their multipurpose hall for the event.

Jindera community POOL needs community help!

We urgently need your help to make this swimming season a huge success and to ensure our pool continues to be a great community facility.

If your family uses our pool

- ☺ be an active participant
- ☺ come to our next meeting
- ☺ have some input
- ☺ ask questions
- ☺ make suggestions
- ☺ share your ideas

You don't have to be an official member ...
... we have some 'friends of the Jindera pool'
who help out when they are able.

The next Jindera Pool Committee Meeting
is MONDAY 9th OCTOBER - 7.30 pm
at the Jindera Swimming Pool Meeting Room

Please come along and see what helping out your local pool committee involves.

Ph 0438 263 417 for more information.

JINDERA COMMUNITY FORUM

Next Meeting is at the **Jindera Community Hub** (entry via rear carpark) on
***** **Tuesday, October 17, 2023** *****

***** **7:30pm** *****

Items for the agenda are welcome by emailing below.

Come and join a group of locals who are interested in our community and its people, and who would like to help improve the facilities our community offers to both visitors and residents alike.

WHAT DOES THE FORUM DO?

The Forum holds community meetings which are open to residents of Jindera to attend and discuss what is happening in Jindera, as well as consider the future of Jindera. Meetings are generally held bi-monthly on the third Tuesday in February, April, June, August and October.

The Forum is able to put forward ideas and comments to Greater Hume Council on issues facing our Jindera community, facilitate direct discussion with Councillors who are in attendance at regular meetings, in addition to holding special meetings relating to specific issues.

For more information contact:
jinderacommunityforum@gmail.com

JINDERA PUBLIC SCHOOL

Book Fair and Grandparents Day

This year we braved some very challenging weather conditions to celebrate book week and Grandparents Day. The theme of this year's book celebration was "Read, Grow, Inspire, and our children were encouraged to reflect on the books that they have read in the past and why they enjoyed them so much.

Despite very cold, wet, and windy conditions, our students and staff went to great lengths to dress as their favourite characters with much excitement in the playground as wizards, giants, heroes, and villains started to arrive and compare costumes. We even had a few dinosaurs and an alien wandering the playground.

A little later in the day, we welcomed our visitors to the school to share some time in and out of classrooms and to visit and purchase books from our book fair. We then celebrated our costume efforts with the annual book costume parade.

It really was fabulous to have so many visitors through our school helping to make this one of our most successful celebrations to date.

We would like to sincerely thank all those parents, grandparents and visitors who took the time to brave the conditions and join us for such an important day.

PBL
Acknowledgement Day.
Sport Colour, hot dog,
and tabloid sport day.

Our school continues to focus on the four key values of Respect, Responsibility, Resilience & Relationships. Our **Positive Behaviour for Learning (PBL)** lessons help students to make informed and positive life choices and they form the basis for all conversations within our school.

To help celebrate our efforts, we recently conducted a sport colour day and a free hot dog lunch. This was to acknowledge the effort all children at our school make in demonstrating our core values.

We concluded the day with a tabloid sport afternoon where our Peer Support groups competed in ten different activities to achieve the highest score.

We had a fabulous day and this was a great way to conclude a very busy term three.

SNAPSHOTS

Fathering Project

Earlier this term, we held our first school event as part of the Fathering Project.

This initiative is designed to encourage positive role models to spend some time in the school, working and playing alongside our students. Whilst this project is primarily designed to engage our male role models, at Jindera Public School we acknowledge the significant impact that all adult role models can have on children and our first event truly reflected a broad range of participants.

Our first event was a Pizza and Planes afternoon, where visitors came to the school to enjoy some pizza before working with the children to create paper planes, used in a mass competition. This was a fantastic, relaxed afternoon with over 70 adults and children attending. A huge *thankyou* to **Jindera Pizza** for supplying the pizzas for this event.

We look forward to our next afternoon activity.

Persevere
with sincerity.

Jindera Preschool is working towards creating and sustaining a **Wiradjuri Bush Tucker Garden**, filled with native edible plants and trees for our children, families, staff and community to care and learn from. We would like to celebrate and promote our Wiradjuri culture and connect with our natural environment and land.

CAN YOU HELP?

We are reaching out to the community seeking donations to support this project. If you have any bush tucker seedlings or plants that you are able to donate Jindera Preschool, we would be honored to care for them in our garden. We thank our community for connecting and supporting our Community Preschool.

Challenging Our Bodies

We are building **Confidence, Persistence, Core Strength, *Balance*** and **Body Awareness** as we work our bodies across the rip line. The children are encouraging one another with supportive language and celebrations as they wait in line for their turn. Jindera Preschool is supporting the growth and development of bodies and minds.

We have had a busy end of term.

We hosted a Springtime Working Bee and prepared our environment and preschool for the change of season. The children have planted a vegetable garden, built a worm farm, and developed a new connection with our land and its resources.

We have had a visit from Bec (Ellie's Mum) who is an Environmental Scientist to teach us about our local bush and the animals we share our land with.

We visited St Johns Primary Schools Concert and reconnected with past Jindera Preschoolers and their families.

We are learning about our feelings and emotions and how to listen and care for our bodies. We explored concepts of science as we experiment with reactions and materials in creative and fun play.

We are busy and active participants as we learn through our play, discovery, and adventure!

For 2024 enrollments please

It starts with you ...

Jindera (Holbrook Library meeting)

If you are passionate about your local community and want to make it more dementia-friendly then this session is for you.

You will understand common myths and stereotypes and discuss the many ways people can live well with dementia everyday. You will learn what a dementia-friendly community is and how it benefits the whole community. You will explore practical examples and identify a process for 'getting started' as an individual or as a community, to enable your community to be dementia-friendly.

You will become a Dementia Friend and receive a Dementia Friend badge!

People living with dementia and their families are encouraged to attend.

nbn® education session

Henty Library - 17 October at 12.30pm
Culcairn Library - 18 October at 10.30am
Holbrook Library - 19 October at 11.30am
Jindera Community Hub - 25 October at 10.30am

This workshop will cover these topics:

- Financial impact of scams in Australia
- Most susceptible groups
- Main types of scams
- What to look out for
- How to protect yourself
- Useful contacts:
 - to find out more and
 - for reporting scams

This is a free workshop
For bookings please call 02 6036 0100

PLANTING PLANTS at the Jindera Wetlands

The **Petaurus Education Group** recently teamed up with **St John's Lutheran School Jindera**, **Friends of Jindera Wetlands** and the **NSW Biodiversity Conservation Trust** to plant trees and grasses at the Jindera Wetlands.

What a great opportunity it was for the students to learn about biodiversity, including the different frog species that live in the area. As a special bonus, the students got to see a brushtail possum living in one of the nest boxes

The Conservation Champions project is the result of a proud partnership between Petaurus Education Group and NSW Biodiversity Conservation Trust to support NSW's future conservation landholders.

Jindera Wetlands is located behind the Jindera tennis courts and can be accessed via the entrance to the football ground, we highly recommend visiting the area for a relaxing walk along the well maintained paths or you can sit on one of the seats provided and listen and watch, it is exciting to become aware of our Wetland's beauty and biodiversity.

The Jindera Wetlands need ongoing management and development. Weed control is an on-going issue; more pathways would allow better access and observation. *Can you help?*

Are you interested in helping to maintain and develop the JINDERA WETLANDS?

For more information, please contact (Robert) **Bob Done** - Ph: 0407 180 730 or Email: rhnjdone@gmail.com

Any help you can give - small or big - would be *most welcome!*

St John's School teachers, Carmin Lukins, Fiona Schulz and Petaurus staff Toni Terlich

St John's News Concert

Last week, we had a packed house of over **450 spectators** attend an awesome night showcasing outstanding performances from our talented St John's Team! Our school was transformed into a **newsroom** where local **Jindera news** framed songs, dramatic performances and our students' dedication to the arts shone brighter than ever.

See more St John's News Concert photos -page 20

The power of a positive school community is truly remarkable and can have a profound impact on students. A close-knit school community reinforces positive emotional and physical safety for students. They feel a sense of belonging, which can boost their self-esteem and motivation to learn.

Engaged parents can have a significant impact on a child's education. A strong school community is where families and staff are in high levels of communication to support each child. When students, teachers, and parents work together, it promotes a collaborative learning environment that students benefit from.

Beyond academics, a supportive school community can help students develop important social and emotional skills such as empathy, communication, and conflict resolution. A positive school culture is crucial for effective learning.

A strong community cultivates a culture of respect, inclusivity, and enthusiasm for learning.

St Johns Café - by Ben Wenke, Vivienne Jarick and Zoe Podubinski

During recess on the 5th of September, the cooking team and Kristy Wenke provided a mini café. At the café, students could purchase a cup cake, choc chip cookie, brownie or lemon slice and a milk shake, for two dollars.

The money raised will go to the Carevan foundation which is a charity in Albury. They provide meals for people who are experiencing difficulties. - **We raised \$320.**

Year 3/4 PV Class - by Jackson

On Week 9, Friday afternoon, our class went to the Lavington library to meet an award-winning author. Her name was Andrea Rowe. She taught us tips and secrets she used when it came to writing books. It was helpful for us and most people in our class got inspired by her that day.

We asked her a question, "Did you always like to write and when did you start?" She answered, "I started when I was in school, I loved to make books!" Andrea showed us her first book about a mouse living in a person's house in the city. Also, her most recent book called 'Sunday Skating'. A lot of our classmates were getting her autograph on things such as notebooks. Andrea also gave us a couple of peeks at her writing notebook. She rewrote her award-winning book 'Jetty Jumping' seven times to get it just right!

Andrea mentioned that the illustrator and author must work hard with each other to make the picture suit the writing. She also made a book called 'Rockpool'. Since people liked those books so much that she kept getting told to make another one, so she is in the middle of making one right now! I wonder what the name of it is and when it will come out!

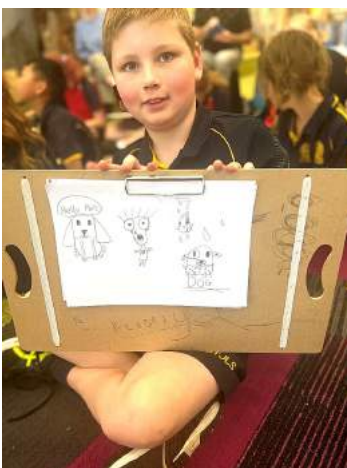

Year 3/4 Lk Class

Last Thursday we went to the Lavington library, and we met a famous author and illustrator, Mick Elliot who created famous book Squidge Dibley and Dads and Dogs. Mick Elliot drew Leo and gave him a signed book for being brave and letting Mick draw Leo.

Then he taught us how to draw like he does in his books, it's the easiest person I have ever drawn, said Jim who also got a signed book for answering the correct answer for a question, along with Eden who also got a signed book.

Mick Elliot also showed us the 6 things to use while drawing people in cartoonish ways.

Jindera Rural Fire Brigade - *continued from page opposite*

Callouts

September was another quiet month with the Jindera Brigade responding to only one callout.

Community Engagements

And, of course, September cannot go by without our brigade attending the **Henty Machinery Field Days**.

Graham, Bruce, Paul, Ian and Nikki spent the day supporting the field days by providing an active firefighting team.

LIVE BUSH FIRE READY
 PREPARE. ACT. SURVIVE.

NSW RURAL FIRE SERVICE
 FIRE + RESCUE
 NSW GOVERNMENT

NSW RURAL FIRE SERVICE
Jindera
 PH: 0427 263 414

JINDERA RURAL FIRE BRIGADE

As we move closer to **bush fire period**, it is great to see so many notifications of burns coming in. As a result, neighbours and community are aware of impending burns and unnecessary callouts have been kept to a minimum.

The statutory **bush fire period** runs from 1 October to 31 March for most of NSW, however, as Jindera is part of the Southern Border area, our **fire season** runs from

1 November to 31 March.

Make a Plan - Pack an Emergency Kit

- 🔔 People who are at higher risk, such as children, elderly, disabled or with medical problems, should always leave early. And please don't forget about your pets. Leaving early is always your safest option.
- 🔔 To help your family prepare for a bush fire, you need to make a [bush fire survival plan](#). This will help you make important decisions like when to leave, what to take, and what to do with animals.
- 🔔 You can assess your risk using the [bush fire household assessment tool](#). Bushfire Survival Plan PACKS are available at the Jindera Hub Council Office in Urana Street.

At the risk of repeating our message, fire preparation is important and information is available on the RFS website: <https://www.rfs.nsw.gov.au/plan-and-prepare/prepare-your-property>.

Training

Paul, Nikki and Dave are busy training three cadets from Trinity Anglican College in Thurgoona to compete at the Sam McPaul Cadet Championships in Holbrook over the weekend of 14-15 October.

The Championships are all about putting the next generation of rural firefighters to the test, with a series of challenging scenarios designed to hone and refine their skills. It's not only an incredible learning experience but also a fantastic opportunity for these young furies to connect with their peers and have a blast while doing it!

Good luck team.

Two new volunteer members are currently undergoing training for Bushfire accreditation in preparation for the upcoming bushfire season.

On the weekend of 8-10 September, 3 members from Jindera - Corey, Brent (Legend) and Luke along with Drew from Burrumbuttock and Elise from Walla Walla fire brigades attended the South Western Area Command District exercise in Grong Grong to get **ready for the upcoming fire season** and learn new skills.

Scenarios included Structure Fire, search and rescue, running grass fire tactics, electric vehicle fires, vehicle accident, communications (*which was interesting seeing we had*

no phone service), driving and chainsaw obstacles, and Aar incident debriefs. Accommodation BYO swag (it got down to 1 degree the first night) and catering was brilliant, thanks to the Grong Grong Sporting club volunteers and the local hotel.

Please Help

And last, but not least, we are always looking for new **volunteers** to join our ranks. If you are considering becoming a volunteer with the **Jindera Brigade**, please do not hesitate to call our captain **Graham** on **0427 263 414** for further information. All you need is a little time and willing attitude, all the necessary training will be provided.

JINDERA SCHOOL OF ARTS HALL

GREATER HUME SHIRE

Annual General Meeting

The Hall Management Committee would like to warmly invite all those interested to our Annual General Meeting on **Wednesday 18th October at 7.30pm.**

The focus for the AGM will be on **the restoration of the hall.** There will be an overview of hall hire for 2023 and we will hold Elections for Office Bearers for the next 12 months.

Current office bearers are:

Kieran Williams (President), Michael Green (Vice President) and Olivia Hanel (Secretary/Treasurer)

A New Breed of Breeder!

Story: S E White (Photos supplied)

When most of us think of a 14 year old boy, we don't picture the image of a Stud Poll Dorset Breeder?

But that's exactly what young Sam Williams is passionate about. He spends as much time as he can in the paddock with his beloved 'Ovis Aries'. Walking among them, observing them, teaching them that they have nothing to fear, giving them a pat or a head scratch. Sam gets to know them all individually. He can tell every ewe, lamb or ram apart.

"To me they all look different and they certainly have different personalities. They are not scared of me or my dogs because they are so use to us. That is the benefit of a stud. It is more personable and more refined."

From a very young age, Sam remembers being around sheep. His Grandfather had his own Stud Sheep Farm, and other family and friends also ran sheep.

"The turning point was when I was helping my cousin crutching. I found working with the sheep very rewarding and satisfying. From there my passion grew."

Sam and his family moved from near Ballarat to this area, looking for a warmer climate. They found the property 'Round Hill' at Culcairn, which Sam says... "has a really impressive Ram shed that once was a stud farm. I felt that it was the perfect opportunity to fulfill my dream, continue a family tradition and honour the farm to bring back stud farming to the property."

Since his birth, Sam's parents had put away \$20 per week for him, which was only to be used as an investment. He also worked with his Dad during holidays and during Covid, when the school went into lockdown, for some extra pocket money. When he received money for Christmas and birthdays, he saved it to put towards buying ewes.

At the age of 12 Sam purchased 26, 1 year old ewes and 2 rams. They came from the people who had purchased his Grandfathers stud so are from his Grandfathers breed line. From there it has grown and he is now ready to go to market with his first lot of rams that were born in 2022.

"I have 19 rams to sell, and they are looking good. They scanned well and are from strong pedigree backgrounds"

There have been a few challenges to this point. The last two years excessively wet conditions, the current sheep market/prices and reaching out to clientele in a new area, for starters.

"Also my age. Still being a teenager and having other commitments. Getting the market to take me seriously when I am only a kid. But I know I have a great product and all the ability

and passion to make this work."

"My goal is to continue to breed a high standard of rams to supply a regular clientele base. Not necessarily to breed 100's of rams at this point, but definitely in the long term. And to warrant my own on farm sales so as to show case what I can do and the great facilities for stud farming in a highly productive farming area. I want to be successful and I want to do it well."

Interested buyers please contact La-Mar Poll Dorset Stud, "Round Hill", Culcairn-Holbrook Rd, Culcairn, NSW, 2660. Ph: 0457 520 765.

Check out @La Mar Poll Dorset Stud on Instagram and Facebook.

JINDERERA

• PIONEER MUSEUM •

The warmer weather approaches and the museum garden has come alive, and the grass is growing furiously. As we have probably all noticed, our lawns are needing mowing almost every week with the warmer days, but we are missing the rain.

The focus of this past month for the museum has been opening the **blacksmith precinct** across the road from the

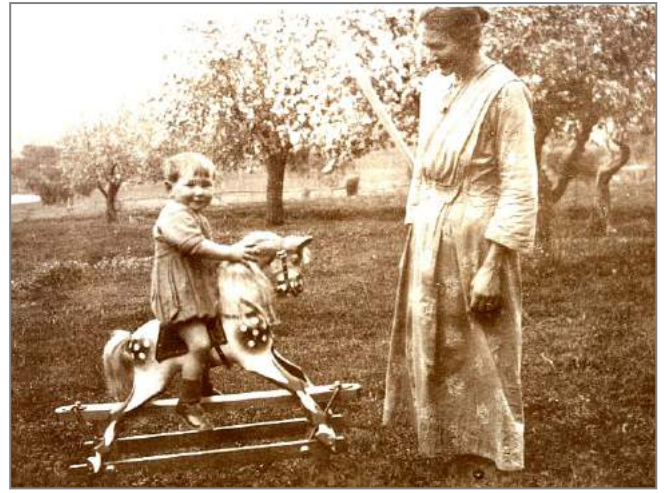

main body of the museum and Wagner's store. A huge amount of work went into getting the site ready for the opening on the 17th September and a **big thank-you** to all the volunteers who helped to get the site to the brilliant state that it is in. A site banner has been created along the southern fence line featuring the reproduction of several old photographs of the blacksmith or its workers. The reproduction of these photographs is quite spectacular, particularly when you see the original photographs from which they have been taken.

The site also features the museum's collection of buggies and sulkies, all donated from original families to the area, and many worked on by the blacksmith or wheelwrights from this site. There is also a feature of brick making machines and the original hub, spoke and rim room where these items for wheel work were stored awaiting use.

The blacksmith precinct opens up another aspect of the Jindera village and the museum site is becoming more a history of the township and not just Wagner's Store as many visitors to the area experience.

We continue to get some wonderful additions to the museum collection from time to time and this week were very pleased to receive the **Granite Hill rocking horse**, with thanks to the Holmes family of Table Top.

A photograph of **Roy Schulz on the rocking horse** with **his mother** nearby, is included. Artifacts from the families of the district are wonderful additions to the museum collection.

We are preparing for our **Spring High Tea** on the **8th October**; this is a signature event for the museum held twice a year in Autumn and Spring.

It is always very popular, so it is important to book early if you would like to attend.

We are looking forward to our **Long Lunch** on **11th November** (Tickets available only via Trybooking on 11th October).

Our first **Music at the Museum** event will be held on **Saturday 25th November**, in conjunction with Murray River Fine Music Inc. This is the first of a new series of events at the museum and this one will include three local musicians – more details will follow in the November Jindera News. This series will feature the quite renowned Grigoryan Brothers playing at the museum in March of next year, which we are all very excited about.

September is the last of our winter trading hours months; we will remain open until **4pm from the 1st October, continuing to open at 10am.**

Our very popular **Tea Room** is **closed** on **Sunday 8th October** for our High Tea event but will be open from 15th October until 4pm.

Remember, dining in the garden is always an option on Sundays when the Tea Room is open.

We look forward to seeing you.

Margie Wehner

President

Jindera Pioneer Museum & Historical Society Inc.

Spring/Summer Program of Events

* Sunday	8 th October	Spring High Tea
* Saturday	11 th November	The <i>Coming of Summer</i> Long Lunch

Tickets are available approximately 4 weeks prior to the event and are advertised via our direct marketing email – if you would like to be notified when events are available for ticket sales, contact info@jinderamuseum.com.au

Blacksmith and Stables *Grand Opening* at Jindera Pioneer Museum

On Sunday 17th September, members and invited guests were able to finally view the Jindera ‘blacksmith precinct’, a full quarter acre of memorabilia attributed to 120 years of blacksmithing in Jindera. The collection of steel “bits” for this period of time attributed to the big job of clearing the site to make it safe and presentable. We have had several working bees just on the site and many more hours as well by several dedicated volunteers. We are now very pleased to present the site to the public for visitation. Inspection of the blacksmith precinct is included when you visit the museum site. If you just want to visit the blacksmith, purchase a token from the museum for \$5 which will give you access to the site.

A Brief History of the Blacksmith

Mol Kentin Blacksmith circa 1800's

Reinhardt Mol Kentin was the first blacksmith and wheelwright for the settlement but in 1885, when in his early 40's, he was involved in a fatal workplace accident. Harry Harberecht, business partner to Reinhardt, carried on the business until Reinhardt's two sons, Paul and Fred were old enough to run the blacksmith shop for their mother.

Ticketed blacksmith and wheelwright, Fred Wehner, arrived from Germany in 1890, following his brother. In 1892 he travelled to Walla Walla to work for the blacksmith there. Fred moved to Jindera in 1899 working in the Mol Kentin business. Here he later met and married Bertha, sister to Paul and Fred. He took over the wheelwrighting at the Jindera blacksmith in 1908. In 1915 Fred Wehner purchased the business from the Mol Kentin family and continued operating the business with his son Ernst. Fred died in 1957 and Ernie, or Frostie as he was known on the football field due to his white legs, operated as both blacksmith and wheelwright until his death in 1994.

At the Blacksmith opening (L to R) Tony Quin, Jenny O'Neill, Margie Wehner, Justin Clancy and Evelyn Arnold

Officially opening the Blacksmith precinct Margie Wehner (Museum President) & Justin Clancy MP

Jindera CWA News

OCTOBER 2023

Jindera Public School Principal Emma Andrews and Leaders Lily Vroomen and Blake Golwin attended our September meeting to receive our donation of \$1000 to support the funding of Swimming Instructors. A motion is planned by the CWA to follow up this support to lobby the NSW State Government “To provide funding for training of Swimming Instructors for primary children in remote and rural areas”.

Our Cultural Trip was a most enjoyable day via Martins Tours. We visited the Emu Farm at The Rock, lunching on salad and tasting emu meat, viewing day old emu chicks and learning of the benefit of emu oil.

We continued onto Lockhart Museum to view Doris Goldner wool art and the Tim Fisher Exhibition. Travelling along we all admired the farm country which was abundant with green and gold ripening crops.

Our cake stall at Bunnings was very successful and one happy customer commented on facebook - “I bought a small date loaf – the date loaf was amazing and bought back memories from my childhood”.

Thank you to everyone who supported our stall.

Jindera PONY CLUB

by Melissa Chaston

Our riders have been out and about in September. Matilda Smith competed successfully at Border and District Show jump Club winning the 80 cm event, well done Matilda and Eddie.

Lyla Ferrari has been busy, placing at Adelaide Royal in the showjumping and also competing at the at the Border & District Show jump Club.

At our September Rally we welcomed new member Norah Heath and her cherished Horse Teddy joining her sister Tully at Jindera Pony Club, Norah is 7 years old and has only recently started riding and we look forward to seeing them many more times.

We would also like to congratulate our instructor Julie Barber on winning her class at the Melbourne Royal show with her Clydesdale Aarunga Spot on.

Our next event will be **Culcairn Gymkhana** on the **15th of October** then the annual Zone 20 pony club camp at Tumbarumba in January.

Matilda Smith winning at border district show jump club

Norah Heath with big sister Tully at our rally

Julie Barber winning at the Melbourne Royal show with her Clydesdale

Thanks to **Cathy, Lorraine and Daryl** with all their muscles in action.

It's good to make jobs easier

Thanking **Peter** for bringing his trailer so he could take away some old rubbish and the team effort in pulling down an old compost bin, this work was much appreciated. Thanks, **Cheryl**, for solving our hose reel problem to make watering easier.

It's Watering Time

Wanda is checking out the hose to see if the flow is quicker with the hose wheel. Daryl looking on with lots of communication.

It was Great to Catch Up

Often Tuesday mornings after 10 am, you will often see somebody wondering around the garden. Bring a coffee down, have a chat and catch up.
 Thanks Cathy, Lorraine and Daryl well done.

Call in and see Jindera Community Garden

Pioneer Park Urana Rd. You will probably see Helena wondering around keeping the garden tidy.

SUSSAN LEY

FEDERAL MEMBER FOR **FARRER**

Putting Farrer First

As your local Federal MP, my job is to represent, help and speak up in your interests.

You may also need specific assistance in an area such as social welfare, family law, immigration or taxation, through to a post, phone or internet service.

Can I help with an employment issue, housing, health or education...perhaps you just want to offer an opinion?

Whatever you need help with, please don't hesitate to get in touch through any of the below contact options.

PROBUS Monthly News - by Helen Squires

Introduction - Probus is a club for retirees and aims to promote growth, development and support for former professional and business people fostering the true spirit of Probus - FRIENDSHIP-FELLOWSHIP-FUN. **The Henty Probus Club** meet on the 2nd Wednesday of each month at 10.am at Henty Bowling Club. Membership is \$30 p.a. Anyone from Jindera would be very welcome to attend our meetings.

For more information - www.probusouthpacific.org or contact: Yvonne Booth 0428293193 - Kevin Fogarty 0428293480

Probus Club met at **Henty Community Club** on **13th September 2023**. Our President Yvonne welcomed us to another lovely day at Probus.

Our five minute speaker was Joyce Gardiner who is also our pianist for a little community style singing and she (along with Herb on violin) is patiently helping us to learn the Carol, Twelve days of Christmas.

Joyce told us of being born at Crows Nest near Toowoomba. Her mother was the eldest of eleven children growing up on a dairy farm. Her father was a photographer and his studio at Crows Nest is now the Nazarene op shop. Joyce learned piano from seven years of age, and as a young woman in Brisbane, learned that St Paul's college Walla Walla needed a music teacher, and she successfully applied. Joyce met her Ron at Walla Walla, they married and settled to farming at Culcairn. Joyce told of overseas trips to Tasmania, England, Europe, China and travelling Australia and then moving to Culcairn.

Yvonne, as President, presented Joyce with our Probus pen as a token of our thanks for sharing such a happy story.

Our general business was to talk about Probus month, in October, to be held at Henty with clubs from Wagga Wagga, Albury and Holbrook being invited to share lunch at Henty Community club. Bernard Clarke has been asked to be our speaker, with his photography. We need to advise Kevin or Yvonne of intention to attend, for catering, by the week before 11th of October.

Thank you to the beanie knitters. There is a big post bag full of beanies going to the Seamen, each month.

Our main speaker was Bradley Booth. He was proudly introduced to us by Kevin Fogarty, who had known Bradley since childhood. After finishing school, Bradley had gone to work for his parents Graham and Yvonne, in their family shops. He had learned to wash windows and sweep floors and meet people. In 2001 at 27 years of age, Bradley bought the first Billabong store in Australia, at Wagga Wagga. In 2011, he opened his first work wear store at Leeton. Bradley's business is IWS Australia, (Independent Work wear Specialists). Independent traders are important to Bradley. He had seen his father's business ignored as too small for sales people to visit, and decided that here was an opportunity. He had the idea to have a group of independently owned businesses to sell work wear. There are 193 members, some with 100 staff. To Bradley, little people matter, and he has an ability to get people together. We saw a most successful young man, who has included his family in his business. Bradley's company supports charities:- Tradies support Ladies, where pink is worn on Fridays. And Boys to the Bush.

Neil Parker was most proud to present Bradley with the Probus Pen as a token of our thanks for his most inspiring speech.

Yvonne mostly finishes our day with a wise saying.

Today's was:-

We like somebody because.....

We love somebody although.....

We had a lovely lunch at the Community club and lots of conversation.

We look forward to the **next happy Probus day 11th October**.

Jindera Football and Netball Clubs

The 2023 season has drawn to a close for the Jindera Football and Netball Clubs. Congratulations to both committees led by Lyndon Kerr and Jess Guy for a sensational season.

With the Reserves Football, 13's, C Reserve, C Grade, B Grade and A Grade netball all making finals, it was certainly a busy period, throwing in catering!

13's won their first game and were straight through to the grand final, with B Grade playing through finals to reach the grand final.

Congratulations to both who were successful in their premiership tilt. A wonderful result for the club. Congratulations to all other teams for strongly competing in finals.

Junior and Senior Presentations have both also been held. Congratulations to both Sam Crawshaw for taking out the Seniors Best and Fairest (Don Star Medal), and Tayla Vogel for taking out A Grade Best and Fairest (Edna Funk Memorial Trophy).

Full results from both presentations will be published in the next Jindera News.

Congratulations also must go to our Club Person of the Year award winners:

Football Junior Club Person - **Shane O'Toole**

Senior Football Club Person - **Sharee Harding**

Joint Junior and Senior Netball Club Person – **Cassie Sutcliffe and Rhian Dower**

Our annual Men's and Ladies Tournaments were held on Thursday 7th (Ladies) Saturday 9th (Mens and Mixed 2 Ball Ambrose) and Sunday the 10th (Men's Open Tournament).

The ladies had 46 players on Thursday, 56 players for the "2 Ball Ambrose" on Saturday and 54 players for the men's tournament on Sunday.

It was a big week for the club which saw around 150 players competing over the 3 days of competition in fantastic weather and course conditions, a great result for a small volunteer run golf club.

Successful events like these don't just happen without a lot of work and organisation, not to mention the support from our great sponsors. Many thanks go to the major sponsor of our tournaments in Daryl (Doc) Klein – Jindera Veterinary Clinic – for his generous sponsorship again this year and also to the Jindera IGA.

Congratulations to the respective Ladies and Mens captains – Rawinia Smithenbecker and Craig McMillan and their match committees for their organising of the competitions. There are many hours of work behind the scenes goes into organising events such as these.

Also the many volunteers involved in getting the course ready – which looked immaculate - and the ladies for their work in providing the wonderful lunches.

Major winners were as follows :-

Ladies - Scratch – Rawinia Smithenbecker and Glenda Hoskins – 75 Handicap - Di l'Anson and Kaye Bingham – Net 69

Men's/Mixed Ambrose - Ron and Rawinia Smithenbecker – Net 66 Men's - Robin (Strop) Weldon and Wade Mcpherson Net 65.75.

Men's Tournament

- A Grade Scratch - Nathan Schneider 78
- A Grade Handicap – Mike Warburton Net 73.
- B Grade Stableford – Neville Power Net 34.
- C Grade Stableford – Bruce Hill Net 45.

The September Monthly Medal was won by "Veteran" Don (Fairway) Singleton, with a very good score of Net 68.

Our 2023 competition season concludes this Sunday 1st October with our "Closing Day" 2 Ball Ambrose event, which marks the finish of the official competition season involving monthly medals, club championships etc. All usual competitions will continue, with the Sunday comps running standard Stableford events.

The "9-Hole" Comp is still running in conjunction the normal 18-hole Sunday comp and provides a great opportunity for those looking for an entry level into competition golf. Ideal for juniors or for those looking to get a handicap.

The Friday night "Chook Run" "Tee Time" will revert to a 4.00/5.00 pm start with DST.

The Sunday competition is now the summer time of 8.30 for 9.00am start.

In the meantime, current comps are as follows :-

Sunday – Men's 18/9 holes, event according to calendar on website Tee-off 8.30/9.00. (11.30/12.00 from June)

Wednesday – VETS 9 Holes, Stableford (unless notified differently) Tee-off 8.30/9.00

Friday – Chook Run – 9 Holes, Open to all, 3.00 to 4.00pm, can also be played throughout the week – Play your game, place cards – signed and verified by partner with \$10.00 in an envelope and slide under the door.

The club has an electric golf cart for hire by members and visitors. For bookings, contact us via email.

Membership – To join our great community golf club, simply download a membership form from our website or request one via email, email it back and pay via eftpos.

Annual **memberships** become due on **31st March** and cost \$110.00 (inc .GST), Juniors \$33.00 (inc. GST)

JINDERA ANGLERS CLUB INC.

Great weather, the fish are biting what could go wrong *aaahhaaa* *flat battery* *3 batteries later*..... *buga!*

The fish are biting and if you are prepared to put in the time you will get a feed, also if you find one, work the area as they are starting to school up so the likelihood is you will catch plenty, particularly at the moment with the yella's. Look for rocky banks and drop-offs.

The Jindera anglers had there monthly comp on the weekend of 22nd to 24th September with most anglers fishing locally at the weir and a couple going up to the Dartmouth pondage and managing several trout.

The comp was won by Brian Shannon with a 58cm yellowbelly and Sham also won best bag of fish with yellowbelly and redfin (all released to bite another day) Makes you wonder how often these fish get caught and released?

The ladies best fish went to Erin with a 61cm yellowbelly and Erin also had some really good sized redfin, apparently her net-man sacrificed his fishing to concentrate on his netting duties.

Doughnuts went to the Bradbury team of Shane and Josh and double doughnut to Lachie, Mac and Zol.

Laz also spent some time during the week at Jindabyne where he caught some big trout on scrub worms, the lake was dropping but fished great, early morning and late in the evening, other anglers who fished Lake Eucumbene had a blinder of a time catching several hundred fish in a day, all were released.

SAVE the DATES

Next club general meeting will be held on **Friday, 13th of October** at **5.30pm** at the clubhouse.

Next fishing comp will be an **Open Comp** held from **Friday, 20th October** from 5pm with the measure in at the clubhouse at 5pm on Sunday, 22nd October.
