A Jindera based, not-for-profit charity organisation.

RURAL CARE LINK INC. CARING FOR OUR COMMUNITY

In 2022, we formed the Carer Plus Group with the aim to provide 2-3 workshop events per year, based on identified topics or needs within the community and presented in a public forum. We have consciously decided to include a wider catchment area and provide events free of charge where we can.

We ran our Inaugural event last year 'Assisting Families to Find Hope in Grief and Loss' in the leadup to Christmas and are pleased to announce our second event, the 'Well-Being Workshop' to be held on Sunday 24th September 2023.

This is a FREE event, enabled by our success in receiving an Australia Post Grant, after being nominated by the Burrumbuttock Local Post Office. Our Grant project is "Supporting Mental Health and Wellbeing for Rural Families", aiming to bring community members together, and to make connections, as they gain a better understanding of how stress affects our wellbeing, and what we can do to address this.

We identified the need to recognise the state of rural and regional mental health and well-being, post-Covid, and with the growing effects of everyday pressures people are experiencing through cost of living, rising energy bills, etc., we want to highlight the broad range of ages that are affected when well-being drops. We encourage all ages to attend, with a particular desire to encourage young people from teenage years onwards. The worry of dealing with stress is very real, and the workshop aims to assist with practical ways to counterbalance stress in our lives.

We are especially lucky to have Sally Jean from 'Glow Well-Being' run our event, as she grew up in this region, and is now qualified in many different well-being and counselling modalities. She will combine a variety of approaches including activities and large group situations, but will provide options for small group interactions, creating age-appropriate discussion groups, where similar concerns or feelings can be comfortably and confidentially shared.

The day will begin with registration and Morning Tea at 9.30am, a break for lunch at 12pm and at

3pm, you will go home armed with a fabulous toolkit of practical advice, and your take-home Handbook.

We look forward to sharing this incredibly positive day and learning alongside you. We will also welcome any ideas you may have for future events.

FREE Community Well-Being Workshop
Aimed at supporting the mental & physical well-being of our communities.
All Ages Welcome

Sunday 24th September 2023
9.30am to 3.00pm
Jindera HUB (opposite IGA)
RSVP 18th September 2023

- Practice proactive well-being tools that can be implemented into your life.
- Develop a deeper understanding of how your body can manage stress effectively.
- Explore the science behind stress and trauma.
- Smaller peer groups especially for Teens

Facilitated by
Glow Well-Being (see over)

Headlines and Happenings

From our Secretary—Lizzie Pogson

Updating our website:

We're excited to revisit the Webpage development and have the whole Committee taking an active part in updating the content and photos. Final contributions are due from our Coordinators.

Glow Wellbeing Event:

9.30am-3pm Sunday September 24th. Our **FREE** workshop, enabled by an Australia Post Grant, is shaping up to be a fantastic day. All ages welcome from Teens and above. We'd love to have our Op Shop Volunteers with us as well. We'll learn how to better manage stress in our lives and take home strategies to lower those pressure points and improve our well-being.

Brochure Update:

RCL are updating our Brochure. The Committee saw that the current leaflet did not exactly reflect what RCL covers. Vickie has presented some excellent changes, which will truly reflect what and how we deliver the supports that we do. She is at the final draft stage which will be reviewed at the next meeting.

Welcome Packs:

Welcome Packs for Newcomers have been created. This is a new Committee initiative - a conscious part of our 'Charity Begins at Home' inclusion for those making the Jindera area their new home. It comes in a sustainable white paper bag at present, but we are hoping to swap over to a re-usable fabric bag, containing many snippets of local amenities and services, available from the Post Office. We are delighted to hear that they are being very well received!

Procedures, Constitution and Risk Assessments:

Lots of work is going on behind the scenes to ensure that we are up to date with the governance of the organisation—from reviewing procedures, to creating easy-to-read packs for Membership and the various Orientations required, e.g. Op Shop volunteering or joining the Committee. We are looking to simplify the Constitution and are

reviewing our Risk Assessments, ably guided by new member, Dave Cochrane.

Strategic Planning:

A Strategic Planning Day is to be held Sunday 5th November at 10am. A day for all Members to attend. Please put this date into your calendars, as we need your input to help shape the future of Rural Care Link. More information will be sent in the coming weeks, asking for your attendance or your vote by Proxy on a couple of Special Resolutions which will simplify the task of governance.

Long Standing Committee Member taking a step back

Colleen Lord OAM has been a member of RCL for the best part of 20 years. She moved to the area from Sydney, after her marriage to Dr Brian Lord, then head of School of Environmental and Information Sciences at Charles Sturt University.

Colleen held the position of RCL President in 2014 & 2015, and Vice President from 2016 to 2020. She has been the Op Shop Co-ordinator for just on 5 years, taking over from Jenny White in 2018, and has been Co-ordinator of our 'Necessitous Circumstances' division for a similar time.

Colleen was the driving force behind moving the Op Shop and RCL operations in July 2017, from the old and then rather run-down premises, to where we are now situated, in the Jindera HUB (Greater Hume Council) building. Her foresight and tenacity with instigating and negotiating this move has been a great legacy to RCL.

Below L: Receiving Order of Australia Medal from Gov. NSW—1991. **Above L to R:** Op Shop Move 2017; With Brian—Citizen of the Year Award; With long time friend Pat from Bourke. **Top Right:** Jindera's Aqua Lady. **Bottom Right:** Receiving AquaFitness Award 2015.

Further to her positions on RCL Committee, Colleen has also been active on

the Committee's of the Jindera Swimming Pool, Jindera Multi Purpose Hall, Jindera School of Arts Hall and Jindera Red Cross.

In recent years, Colleen has had her fair share of personal struggles, but none of this has held her down from her passion to give and to support others in her local community. With help from her team and her trademark positivity and diplomacy, she has continued to oversee the management of our very successful little Op Shop and has also continued to co-ordinate assistance to many people experiencing hardship.

With increasing responsibilities at home, however, Colleen has decided to stand down from her positions on the RCL Committee.

She will still be involved with RCL as a member and volunteer, offering her experience and guidance to her successors as and if needed, and helping out in the Op Shop when she can.

Colleen grew up on a farm on the outskirts of Sydney with her parents and siblings and professes "I loved it and never wanted to leave".

She did Business studies at Gosford TAFE and then in her early 20s went working as a Jillaroo and Governess on remote rural properties in N.S.W.

After a couple of years, Colleen returned to Sydney and trained as a Radiographer and travelled throughout NSW with the Anti-TB Association. She later located herself into the town of Bourke in NSW where she worked at the Bourke Hospital with the Bush Brotherhood and other agencies supporting Aboriginal groups in the community.

After 9 years, and seeking a change of career, Colleen trained as a Beautician with Estee Lauder, which lead her to travelling Australia as Head Marketing Consultant for Revlon.

But in 1975, she went back to work at Margaret Reid Hospital at St Ives in Sydney, which lead to a long

career in Health Promotion. She moved on to Manly District Hospital where she also managed 300 "Pink Ladies" (volunteers) and set up two new units - one on the education of youth about hospitals, and the other on health education.

In 1983 Colleen was appointed to the position of State Director of the Senior Adult Unit, NSW Department of Health, and worked in that capacity until 1991 when she established her own health promotion consultancy business - Healthy Lifestyle Health Promotion Services.

Colleen has developed numerous national healthy lifestyle programs, and has travelled extensively throughout Australia's regional and remote areas, as well as overseas, promoting the benefits of health and wellness for all.

For a time she worked with Odyssey Travel, entertaining groups of American Tourists on Norfolk and Lord Howe Islands, which is where she met her husband Brian, who was doing the same.

Colleen has conducted workshops for Veterans and Families of Veterans Counselling Service in the ACT and Victoria.

She is an accredited fitness instructor, and a Master Trainer for Pole Walking and Aqua Fitness and has received many honours and awards for services in health and wellness for the population of Australia.

We look forward to supporting and continuing our association with this wonderful lady, as she winds down her long and successful working life, and we thank her for her long term and ongoing contributions to Rural Care Link Inc.

Jindera Community Survey

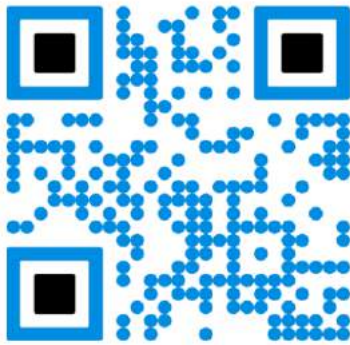

Jindera COMMUNITY SURVEY

The Greater Hume Council and the Jindera Community Forum have commissioned a survey to identify what future facilities are required for the Jindera community.

This is your chance to put forward ideas for the future of the community. The survey contains some suggestions but there is room to submit other ideas and comments.

The revised closing date for the survey is 29th September 2023

To access the Jindera Community Survey and to submit your ideas go to (or copy - click on) - <https://au.openforms.com/Form/67cbcc70-233c-489b-983e-c03e72ff5661>

Council is wanting to hear from you about the investment in future facilities for the Jindera Community.

Scan the QR Code to complete the short survey.

AROUND THE TOWN

UPDATE

with
Jenny O'Neill

- * Thank you to **Christian Clarke** from **O'Brien Real Estate** (see opposite) for the donation of \$200.00 towards the *Lighting Up the Village Green*. Any cash donations are very welcome.
- * A new footpath will be constructed along Urana Rd from Creek St into Pioneer Park.
- * Included in the **adventure playground** will be a swing for wheelchair users. Work on the playground will progress when the ground dries out.
- * Funding for a **dog park** in the Rec. Reserve has been approved.
- * A **Community Survey** will be circulating by electronic means and hard copy regarding possible projects that the Jindera community see as important to be supported by council. This will impact whether a Multi-Purpose Hall be built or the School of Arts refurbished particularly. Please see info advert above and please participate.

The community's opinions are important.

Visit to Jindera Pioneer Museum

In History our Year 2 & 3 students have been learning about our local community and how it has changed and stayed the same throughout time. Year 2 have also been studying persuasive writing, and after some very persuasive writing pieces - it was clear that an excursion was needed!

In Week 4 of term, years 2 and 3 went for an excursion to the Jindera Museum. Students studied bygone artefacts, asked many questions of the staff at Jindera Museum, and participated in an exciting history scavenger hunt. A big thank you to the Jindera Museum Staff for hosting our students' visit.

Here is what some of the students had to say:

"At the museum, I learned what some of the things were used for and looked like. It was fun as well because we had a treasure hunt (we had to find things in the museum)" - *Evangeline*

"I enjoyed learning about the history of Jindera. I liked the attic and all the old suitcases, penny farthings, and old trunks." - *Celeste*

"At the museum, I learned lots of things especially in the machinery shed where there were steam trains, lots of carts, harvesters, and weight-lifters. I also saw old tricycles, irons, and wagons." - *Theodore*

"I enjoyed the museum with the machinery and old houses. I also liked the way they used to do things like they used wood with a block of ice on top for a fridge, and for a bike, they had one wheel bigger than the other." - *Genevieve*

JINDERA RURAL FIRE BRIGADE

Wow ... September is here already, and the annual servicing of the brigade trucks and other equipment is nearing completion so the Jindera brigade is ready for the coming fire season.

The statutory bush fire period runs from
1st October 23 to 31st March 24

however, this may vary due to local conditions

ALL landholders and householders should also be preparing for the fire season by:

- 🚒 removing rubbish from around buildings
- 🚒 cleaning out gutters
- 🚒 preparing any firebreaks required
- 🚒 limiting your property's exposure to fire.

A well prepared home is more likely to survive a bush fire. Even if your plan is to leave early, the more you prepare your home the more likely it will -

- 🚒 survive a bush fire or ember attack
- 🚒 be easier for you or firefighters to defend
- 🚒 be less likely to put your neighbours homes at risk
- 🚒 give you more protection if a fire threatens suddenly and you cannot leave.

Fire preparation information is available on the RFS website: <https://www.rfs.nsw.gov.au/plan-and-prepare/prepare-your-property>

Please remember to avoid unnecessary callouts by notifying your neighbours and the NSW Rural Fire Service of your intention to burn at least **24 hours prior** to lighting up – you can be fined for lighting up without notification. Further details are available on the NSW RFS website: - <https://www.rfs.nsw.gov.au/fire-information/BFD/notifications>

Callouts

We are always happy to report a quiet winter with one structure fire and one motor vehicle accident in July and zero callouts for August – up to now....

Community Engagements

As always, community engagement attendances are a favourite with our brigade volunteers. It is great to see the kids climbing into the trucks like ants and having the opportunity to pass on the vital fire safety messages to both children and parents to help keep our community fire safe. In August one truck attended Jindera Preschool and two attended the Jindera Football Club for their family fun day and the photos (below) say it all.

And last, but not least, we are always looking for **new Volunteers** to join our ranks. If you are considering becoming a volunteer with the Jindera brigade, please do not hesitate to call our captain Graham on 0427 263 414 for further information. All you need is a little time and willing attitude and all necessary training will be provided.

A huge thank you to the Cycle Station for their generosity in servicing our preschool bikes.

The children are beginning to observe bees exploring plants and flowers across our environment. We are responding to our preschoolers' observations and interest by investigating and learning about bees, their work and habitat.

We are learning through programmed play environments, literature, intentional teaching, expertise, and knowledge from families. We have had the opportunity to learn from a bee frame and see the waxed infrastructure and storage of raw honey. A big thank you to our families who have contributed their time, resources, and expertise.

Jindera Preschool continued

Jindera Preschool was very lucky to have a visit from the **Jindera Rural Fire Service**.

A big thankyou to firemen Graham and Ray for visiting us at Jindera Preschool and teaching us about fire safety. We learnt that if we see or smell a fire it is important to tell an adult. We practiced moving low and finding outside if our home has smoke in it. We learnt about what fire fighters wear and how it keeps them safe.

Everyone got their own fire helmet, and we used the real fire truck hose to put out pretend fires. Fireman Anthony lifted us in and out of the truck so we could see what it looks like inside.

We are learning about the important people in our community and how these people help others and keep us safe. Following this visit we are seeing children recall and share the safe message within their play, language, and art. We have built our own Jindera Preschool Fire Truck, practiced saving people and have rehearsed fire drills.

OFFICIAL SUPPLIERS

Our **Jindy Pups** have once again achieved a triumphant season of Auskick, fearlessly facing the elements week after week. With a lively assembly of 150 young pairs of feet gracing us, every Friday night beneath the illuminating lights of Jindera Oval, we have witnessed a vibrant congregation of parents, grandparents, caregivers, and the remarkable committee of devoted volunteers who orchestrate this endeavour.

An exceptional highlight has been the resounding success of our **GIRLS ONLY GROUP**. Jindera have set precedent again, hosting the largest girl group in the region. We are resolute in our commitment to expand this group further in 2024.

This year unfolded with our Auskick Committee hosting a Trivia fundraising night, that yielded a remarkable sum of over \$7,000. These funds facilitated an unforgettable journey for our young Auskickers and their families to the MCG, where they reveled in the spectacle of Carlton taking on Hawthorn, leaving our president very happy with the result.

Our season has been spirited with weekend clashes against fellow Hume League Auskick clubs. Our adventures have taken us to distant locations such as Culcairn, Burrumbuttock, Osbourne, Henty, Howlong, and Lockhart, as we embraced the thrill of competition and camaraderie.

An engaging twist arrived when the Seniors and Reserves from the Jindera Football Club graced us with their presence, guiding our young pups through an evening of training and skill enhancement. This delightful insight into our future was further augmented by the assistance of *Emma Mackie* from the Bushrangers, alongside the capable guidance of *Mario* and the *Bushrangers' own Lauren*, who collectively nurtured the growth of our girls' team.

Our expedition to the Rand carnival was a success, with teams across U8, U10, and U12 categories participating in a spirited round-robin of games against fellow clubs. Each of our teams exhibited their determination, clinching well-deserved victories.

As we reflect on this year's accomplishments, we eagerly anticipate the forthcoming highlights of 2024:

- The continued cultivation of our girls' team, with an earnest aspiration to welcome more girls to the field.
- The orchestration of another memorable MCG trip, offering our young enthusiasts the privilege of witnessing a football game in action.
- Our biannual comedy night, curated with celebrated comedic acts, promises to infuse joy and laughter into our community.

With anticipation, we await the 2024 football season, to once again embark on a journey of growth, camaraderie, and spirited competition. Until then, keep those kicks soaring and spirits high!

Jindera Pioneer Museum - *Bush Dance*

The Bush Dance on Saturday 26th August, was an idea suggested by the School of Arts Committee in conjunction with the Jindera Pioneer Museum as a fund-raiser for the new building at the museum. The evening was well supported with a surprising number of young folk attending who were very excited to have an opportunity to dance the night away.

The band kept the dancers busy with rounds of square dancing and old fashioned dances like the Barn Dance and Pride of Erin. The excellent GMO (*stands for Griffin, Mannering, O'Kane*) band are Bec Griffin - the caller, Brendan Griffin on Banjo, Mark Griffin on Violin, Gary Carcarello on Guitar, Michael Green on Bass, and Daniel Clarke on the drums. A few things out of the 80's also snuck into the program, Nutbush dancing and the chicken dance add a hint of the modern.

The old-time supper served during the night was a big hit, with many of the old fashioned cream cakes, jelly slice, cream puffs etc. on offer. Not all participants made it to the end of the night but many enjoyed what their energy levels could manage and many just enjoyed sitting, watching and listening to the great music. This was a return to the School of Arts halls original use when an old time dance was held every month and was part of its yearly program.

It would be brilliant to see the hall used for more events; it has been great to see it used for movie nights and the wonderful performances of the Jindera Theatrical Society and hopefully we will see more such activity in the future. The School of Arts hall has a great deal of character and is part of the history of the town.

Discover THE MAGIC OF YESTERYEAR

Spread over two acres this renowned museum features multiple dwellings, exhibits and displays which showcase the early pioneering days and heritage of the region. All set within lovely gardens in the heart of Jindera.

ART/2023/048

JINDERERA

• PIONEER MUSEUM •

This month at the museum we see that Spring is emerging. The gardens look fabulous, thanks to the work of our gardening crew. We have created a new rose garden near the horse drawn and agricultural machinery shed. Many of these roses are from very old stock, so hopefully will survive the transplant. We have also moved the CWA 100th anniversary bird bath to a sunnier position as we have also been entrusted with 3 of the roses developed especially for this CWA auspicious occasion. These have been planted around the birdbath and will hopefully do well in this sunnier position.

Many may have noticed the removal of 2 large trees along side the museum over the last few weeks. We have spent several days clearing up the timber from this major exercise, in between the rain which hasn't helped the site. This tree removal was necessary as we prepare for the new building which will occupy much of this site.

A new site plan is also being drawn up that will show the placement of the new building and the proposed future development of the museum site. As a committee we always need to be thinking how the site can be improved or developed. We cannot rest on the work that has gone before us, we always need to be looking forward to other opportunities to encourage people to visit.

As part of this ongoing development, the **blacksmith precinct**, directly opposite Wagner's Store, will be officially opened this month and visitors will be able to experience this whole new site from the **18th September**. Entry to the blacksmith precinct will be included with entry to the museum. A token will be issued that will allow entry through the turnstiles. These turnstiles were once how visitors entered the sports ground for sports events. The refurbished sheds to the rear of the blacksmith now houses buggies and sulkies, some from the original families that settled in the Jindera community.

There is also a collection of farm memorabilia from additional items required for the art of building and reconstructing cart and wagon wheels, an important part of the wheelwright's trade in this bygone era. Both rear sheds on the blacksmith site have been reconstructed, one funded by a government grant several years ago.

Part of the fencing was also covered by a federal grant, but the majority of the work has been completed with hard work by the museum volunteers. Years of filth and grim have been removed, part and parcel of a blacksmith, and many interesting items from the trade have been uncovered. Plaques will provide information on the trades (blacksmithing and wheelwrighting) and the history of the blacksmith on this site.

Many people are often totally surprised at the size of the museum when they visit. Many folk have only been to the museum when on excursion at primary school. The site has grown considerably over the years, with the addition of new displays and buildings.

This is why we have to continually look to find ways to raise funds. We have to provide new experiences so that people have a reason to visit not just once in their lifetime. It is a very different experience now to what it was even 10 years ago, and hopefully with continued support, it will continue to develop well into the future.

Many people don't realise the museum has to completely fund itself. It isn't supported by the government, other than if we are successful in applying for grants, which isn't often. It is very hard to secure a grant for a large amount which is what we need for the next step in our development, so we continue to fund raise and look for support.

A variety of opportunities will be presented to residents as alternate Christmas gifts in our November issue, so keep that in mind when next thinking about your Christmas gift list – give a lasting legacy, rather than something that ends up being recycled in 6 months or less.

We look forward to seeing you.

Margie Wehner

President

Jindera Pioneer Museum & Historical Society Inc.

Spring/Summer Program of Events

* Monday	18 th September	BLACKSMITH Grounds open to the public
* Sunday	8 th October	Spring High Tea
* Saturday	11 th November	The Coming of Summer Long Lunch

Kindergarten Celebrated 100 Days of School!

This month our Kinder class celebrated 100 DAYS OF KINDER!! Can you believe it has been 100 days since the start of the year? What a celebration we had. The morning started with a red-carpet parade to show off their costumes. This was followed with writing about what they have learnt in 100 days of Kinder so far and making crowns and wands. It was a hive of creativity and fun. During maths the children had a wide range of activities that had them explore the concept of 100. These included 100 hole-punches, writing 100 numbers, counting 100 items, stacking 100 cups, creating pictures with 100 stickers and so much more. In the afternoon, everyone had cupcakes and fruit, followed by 100 exercise activities outside and an art activity imagining what they would look like at 100 years old. So much fun was had by everyone. 100 days of school is a huge milestone, and we are so proud of all the Kinders. They have grown and developed a lot in such a short time, and we can't wait to see what the next 100 days brings!

St John's Concert 2023

12 September 12:30 pm Matinee
13 September 8:30 pm Evening
Doors open 6 pm for 6:30 pm start

Tickets \$10 (children under 12 years free)

St John's School Concert

Have you heard the good news?
The St John's School Concert is back, presenting 'St John's News' – bringing you news about the many happenings at St John's and Jindera.

Please join us as we share our talents and community spirit.

All funds raised from entry fees will go towards new decodable readers for our school to support our Literacy program!

Dates:

Tuesday 12th September 2023
12:30pm – 2:00pm

Wednesday 13th September 2023
6:30pm – 8:00pm

Location:

St John's Multipurpose Hall
154 Adams Street, Jindera NSW 2642

RAS Athletics

On Tuesday 1st August, 33 of our Year 3-6 students competed in our **Regional Associated Schools** Athletics Carnival at Les O'Brien Park in Albany. They participated in a wide range of events and displayed wonderful team spirit and sportsmanship. We're so proud of the courage with which they competed and did their best on the day.

Congratulations to the following students whose results were in the top 3 in the following events and will receive a ribbon:

- * Indi Knight (8/9 years girls) – 2nd in 200m sprint
- * Maddison Baker (11 years girls) – 1st in Discus; 1st in Shot Put
- * Eve Barclay (11 years girls) – 3rd in Discus
- * Axel Podubinski (12/13 years boys) – Equal 1st in High Jump
- * Maddison's shot put and discus results were both new RAS records!

- RAS Age Champion Results:
- * Indi Knight – 3rd in 8/9 years girls
 - * Maddison Baker – 4th in 11 years girls
 - * Levi Wilson – 6th in 11 years boys
 - * Axel Podubinski – equal 6th in 12/13 years boys

Special thanks to Felicity Habermann, our PE Teacher, for her organisation, and to Pavlina Vaccaro and Kaela Hutchinson, our staff who assisted with student supervision and events. Thanks also to parents and family who attended to show support for our students.

Book Week

Book Week is always an exciting time at St John's and it was brilliant to see the whole school turn out in costumes on Thursday 24th August, dressing to the overall theme of 'Read, Grow, Inspire'. We are so proud of the huge range of costumes that were made by students (and parents!) and of course our staff who love any occasion to get dressed up! Each class selected a book and engaged in some craft activities associated with the story being told. Our Kindergarten class was also lucky enough to go to the Lavington Library to learn more about Book Week.

Volunteers Needed! *Volunteering is the heart of Australian communities.*

- ♥ *Where* - Volunteers feel respected and know their contribution makes a difference.
- ♥ *Where* - Diversity in volunteering is recognised, celebrated, and supported.
- ♥ *Where* - People individually and collectively realise their potential for creating thriving communities.
- ♥ *Where* - Volunteering is valued and properly considered in policy settings, service design, and strategic investment.

(Source: National Strategy for Volunteering 2023-2033 www.volunteeringstrategy.org.au)

Jindera is a growing, thriving community with many community groups and organisations looking for more members to become willing volunteers. Currently, although the population is increasing the number of people volunteering is not keeping up and many of the same people are involved in more than one group. Our local community needs your *HELP*.

Avenues for volunteering include the following local organisations:

Jindera Museum

The Jindera Pioneer Museum has been around for 55 years. It is one of the few volunteer owned and operated museums around. A group of interested citizens got together in the 1960's and decided the building and site were too good to let deteriorate. The museum has thrived since then. The museum has been blessed with many talented volunteers who carry out a myriad of tasks ... from manning the door for visitors, working in the tearooms, gardening, cleaning, cataloguing, helping at functions and lots more.

Information & contact - [facebook](https://www.facebook.com/jinderamuseum) - Ph: 0408 409842 - www.jinderamuseum.com.au

Jindera Gardens UPA Hostel

The Hostel is looking for volunteers for:

- ◆ One-on-one time with residents - reading the paper or just even talking and reminiscing.
- ◆ Taking the residents for a walk especially the ones who are in a wheelchair.
- ◆ Running groups-box bowls, hang man, bingo, board games and trivia.
- ◆ Playing musical instruments or leading singing. A piano is available.
- ◆ Assisting with outings for residents using the UPA bus or car.

Information & contact: - Ph: 02 6026 3799

- www.upariverinamurray.org.au/facility/jindera-gardens-hostel

Jindera Rural CareLink

This important charity organisation is financed purely through the hardworking people at the **Jindera Op Shop**.

The Management Committee are all volunteers. Anybody is welcome to become a member or volunteer or be available to help at other events run by RCL.

Information & contact: - Ph: 0475 594 073 - Email: office@ruralcarelink.org.au

Jindera Public School

Helping out at the local schools is a great way to get involved and get to know the students, staff and other members of the school communities. Research shows that children benefit when their parents or carers, friends and family are actively involved in their education and school life. You can help by:

- Listening to children read in the classroom.
- Volunteering on sports days
- Getting involved in fundraising activities.
- Joining school committees
- Volunteering to help in the canteen and uniform.

Information & contact: [facebook](https://www.facebook.com/jindera-p.schools.nsw.gov.au) - Ph: 02 6026 3280 - www.jindera-p.schools.nsw.gov.au

St Mary McKillop College

Volunteers play an invaluable part in the day-to-day life of Saint Mary McKillop college. Whether it is helping out in the school library or uniform shop, organising the annual country fete or assisting with school excursions, our volunteers enrich the life of the college and for that we are truly grateful.

Information & contact: - [facebook](https://www.facebook.com/smmc.nsw.edu.au) - Ph: 02 6045 9422 www.smmc.nsw.edu.au

VOLUNTEER Make A Difference!

St John's Lutheran School

Volunteers are welcome to help out in various ways whether it be in the Library shelving and covering books, running a Gardening Club, running Mother's and Father's Days stalls. The children enjoy the interaction with other adults. Sports Days are other important times when extra help is world's largest.

Information & contact:- [facebook](#) - Ph: 02 6026 3220 - www.stjls.nsw.edu.au

Jindera Netball and Jindera Football Club

The club is totally run by volunteers from the President down. Game days are when the largest numbers of helpers for jobs are needed. This includes manning the gate, helping serve in the canteen, donation of sandwiches/cakes/slices for the afternoon tea boxes, helping in the bar, running the boundary and running water for the players. Volunteers are also needed for the little Bulldogs with Auskick & NetSetGo. The list is almost endless. People can volunteer for as little or as much as they want to and every offer of help would be gratefully accepted.

Information & contact:-

Netball - Ph: 0417 463 609 - www.facebook.com/jinderanetballclub

Football - Ph: 0409 263 658 - www.facebook.com/JinderaFootballClub

Jindera Wetlands (see page 21) and the Jindera Community Garden

Both these individual groups have set up wonderful spaces in Jindera for people to appreciate natural beauty and plants. Volunteers are greatly needed for both groups to help with planting, weeding and generally maintaining these great environments for the local community to appreciate.

Information & contact:-

Jindera Wetlands - Ph: 0407 180 730 - www.envirostories.com.au/2017004-jindera-wetlands

Community Garden - Ph: 0400 023 290 - jinderacommunitygarden@gmail.com

Jindera Fire Brigade

The NSW RFS is the **world's largest Volunteer Fire Service** made up of more than 70,000 dedicated volunteers across NSW.

Volunteers are ready to respond to emergencies 24 hours a day, 7 days a week, all year round. Volunteering offers you the opportunity to learn new and valuable

skills that will not only assist you in your voluntary role but in day to day life and even your workplace.

As with all RFS brigades the Jindera Brigade plays a vital role in the community, not only defending properties from fire, but providing further assistance such as medical callouts, filling and distributing sandbags, attending motor vehicle accidents, conducting fundraising

activities and attending community events. As in all institutions, supportive roles are vital and varied: maintaining equipment, vehicles and machinery, office work, community engagement, kitchen duties, communications.

Information & contact:- [facebook](#) - Ph: 02 6051 1511 - www.rfs.nsw.gov.au

Jindera Swimming Pool Committee

Jindera Swimming Pool is a well-supported community asset but the current committee members do not have children who use the pool. They are looking for family members who use the pool and are interested in helping it progress. There is a 23 year history of the pool which was built as a result of dedicated people fundraising over many years and a myriad of volunteers who physically took part in the actual building. If your family enjoys using the facilities then consider becoming involved.

Information & contact:- [facebook](#) - Ph: 02 6026 3900

- www.greaterhume.nsw.gov.au/Living-in-Greater-Hume/Public-Swimming-Pools

If any of these organisations interest you as a volunteer, information and contact details are shown with each of these write-ups. There may be special requirements to be fulfilled but become an important part of the community by VOLUNTEERING.

our Jindera Wetlands

BIODIVERSITY in Our WETLANDS

Over the years Jindera Wetlands have become an attractive place to visit. Right now, the wattles are in full bloom and if you look carefully the purple Happy Wander is spectacular. Native grasses, Kangaroo Grass and Wallaby grass have both established well and look attractive.

Many of the plants have been planted by pupils from Jindera's three schools. Only last week year 5/6 from St John's Lutheran Primary School added more grasses and some long-wanted Rushes alongside the small watercourse which runs through the area adjacent to the woodland and which enters the wetland nearby.

Staff from Petaurus Education Group and West Hume Landcare assisted the planting exercise. A short talk about Biodiversity emphasised that Jindera wetlands are just that, 'bio-diverse' with many different forms of life, plant and animals inhabiting Jindera Wetlands.

After the planting exercise finished, a Bushy-tail Possum was discovered in residence in a nest-box in a woodland tree. Nearby was a Magpies nest, and Reed Warbles flittered among the water reeds. There is an abundance of frogs in the wetland ponds and St John's pupils learnt how to identify frog species using a mobile phone app.

Yes, as you sit and listen and watch, it is exciting to become aware of our Wetland's biodiversity.

But the Wetlands need ongoing management and development. Jack Healy and I are well beyond retirement age and are 'running out of steam'. 'New blood' is needed. Can you help? Weed control is an on-going issue; more pathways would allow better access and observation.

Are you someone interested in maintaining and developing the biodiversity of JINDERA WETLANDS? For more information, please contact me by phone or email. Your interest would be most welcome.

Robert (Bob) Done - Email: rhnjdone@gmail.com - Phone: 0407 180 730 - Friends of Jindera Wetlands

JINDERA PUBLIC SCHOOL

Stage 3 Excursion - Canberra

Our Stage 3 students recently completed their major excursion to Canberra. This event, supported learning about civics and citizenship and was completed over three days, allowing for visits to many cultural, scientific, sporting, and political venues.

Students had the opportunity to visit Questacon, The War Memorial, Parliament House, and The Australian Institute of Sport in what was a very busy itinerary. As always, the students were encouraged to broaden their knowledge and understanding of these places and the important part they each play in Australia's present and past.

Going to Canberra last week was not only educational but also an extravagant experience. One of my favourite things we did was visit the War Memorial. When we were there, we learnt a lot about different aircrafts that were used in the Wars. We also found out a few things about different uniforms worn in the Wars. To pay our respect and condolences to those who have fought and possibly died in war we stayed quiet when entering the tomb of the unknown soldier, and while walking around other parts of the building. The war memorial for me was a very special place.

Grace

Questacon

Last week year 5 and 6 went on an excursion to Canberra. Everyone had a great time and had lots of fun. We spent 2 nights there and went to many significant places. For me, my favourite place that we went to was Questacon. Questacon was an amazing place to go to and it had some very exquisite things to do and places to visit. One of my favourite things to do was going down the vertical slide. There were many different rooms like the under the moon room and heaps more.

Blake

Education Week Celebrations

Earlier in the term, Jindera Public School celebrated Education Week 2023. This year's theme was 175 years of public education in NSW and focused on learning from our past, celebrating our achievements and embracing the future with confidence. Our school opened the doors to parents and guests for the day and our school community enjoyed celebrating this great school with classroom visits focusing on mathematics, a fantastic BBQ lunch and the unveiling of our Aboriginal Story Poles, a long-term project that has reached its conclusion and is now a lasting centrepiece to our beautiful school and a teaching and learning resource for years to come. We would like to acknowledge and thank Kianna Edwards for her hard work in designing and creating the artwork that is now on display throughout the school.

Murray Conservatorium Music Program

This term we are very fortunate to have weekly music lessons provided by The Murray Conservatorium and all students have been engaged in lessons to broaden their understanding of pitch, beat, rhythm and performance. Our Kindergarten and Year One classes love the tuned percussion tubes and are learning to use them to play some well-known tunes.

Jindera CWA News

SEPTEMBER 2023

MOTION TO CWA GROUP CONFERENCE

Following our donation to Jindera Public School for funding to support the **Swimming Instructors Project**, a motion was put forward at the Murray Group Meeting -

“That the policy of CWA of NSW to advocate the NSW Government to ensure adequate funding be available for providing accredited Oz Swim Instructors for swimming lessons and water safety skills to primary school children in Rural and Remote areas”.

A very interesting and successful **CWA FACTS DAY** was held on 12th August at the Albury rooms. CWA State President, Joy Beams, Secretary Pam Wright, Treasurer Sharyn Buck covered lots of information for the 42 members who attended, which included Henty, Pleasant Hills Branches and CWA members from Murray, Riverina, Hume and Sturt Groups. Jindera was represented by four members.

AWARENESS WEEK will be held from 3rd to 9th September, focusing increasing awareness around the concept of **NEURODIVERSITY** (which includes *ADHD*, *autism*, *dyslexia* and *Tourette's syndrome*) and the challenges those with neurodiverse conditions face.

Gerogery Members celebrating 80 years.

CENTENARY ROSE – Ten roses have been purchased to commemorate 100 years. Three will be planted at the **Jindera Museum** (see page 15) in memory of past members including **Barbara Brian** and **Mary Fielder**, both avid gardeners.

CONGRATULATIONS to Gerogery Branch celebration 80 years on 10th August, at the Gerogery Hall, CWA – NSW President, Joy Beams attended.

UPCOMING EVENTS

- ★ **MURRAY CAKE STALL** – Bunnings – 8TH SEPT.
- ★ **JINDERA Cultural Trip to ROCK** – 13TH SEPT.
- ★ **JINDERA CAKE STALL** – Bunnings – 16TH SEPT.
- ★ **HENTY FIELD DAY** – 19, 20, 22 Sept. - Member from Jindera to help Riverina Group.

CWA next meeting will be 6th September at 10am in the School of Arts Hall All VISITORS WELCOME

Yours in CWA Friendship
Bev. Blair - Publicity Officer.

Joy Beams – NSW CWA President.

Jindera Football and Netball Club

COMMUNITY FUN DAY

The Jindera Football & Netball Clubs Community Fun Day was a great success and definitely their biggest day of the year. It was bustling with crowds of locals and visitors alike all eager to participate in a spectacular lineup of activities. This included the legendary Jindera rural fire brigade bringing out the trucks, pony rides, face painting as well as lots of food and drinks and the classic carnival treats - fairy floss and popcorn. It was a memorable day as the footy and netball season comes to a close.

The highlight of the **Fun Day** was an exciting half-time exhibition game by the North Albury Hoppers FIDA vs Jets -Wodonga Bulldogs FIDA.

North Albury Hoppers FIDA was established in 2023 by North Albury Football and Netball Club and has proven to be a great success for all involved. The Hoppers thanked both the Jets for a great game and the Jindera Football and Netball Club for being so inclusive as these games are a great way of promoting pathways for anyone with an intellectual disability to play AFL.

PROBUS Monthly News - by Helen Squires

Introduction - **Probus** is a club for retirees and aims to promote growth, development and support for former professional and business people fostering the true spirit of Probus - FRIENDSHIP-FELLOWSHIP-FUN. Monthly meetings attract excellent speakers, minimum business, and possible arrangements for outings. Membership is \$30 p.a. **The Henty Probus Club** meet on the 2nd Wednesday of each month at 10.am at Henty Bowling Club. Anyone from Jindera would be very welcome to attend our meetings. For more information - www.probussouthpacific.org or contact: Yvonne Booth 0428293193 - Kevin Fogarty 0428293480

Probus Club met at **Culcairn** on **9th August**. We have been quite busy in the past month.

There was Knitting in the Henty Library at the end of July, where we joined with those making rugs for Wrap with Love. We saw the lovely rugs made by Henty's Knit Wits and shown by Pam Green, and we had a lovely lunch arranged by Susan of the Library. Thank you for a happy day.

On August 3rd we had been invited to join Albury's Hume Probus at the Culcairn Hotel. The Hume Probus people travelled by train and we all had a lovely lunch with lots of conversation. Thank you to Kevin for his skills in notifying us.

At the July meeting of Henty Culcairn Probus, we had Yvonne speak about making a book of memories for our grandchildren, and we had Tom White, Senior Land Services Officer and farmer, telling us about the Reconnecting River Country program, part of the Murray Darling Basin plan.

We have been learning from lots of guest speakers. For August, we had as five minute speaker, Gary Kenney. He told a story of fifty years ago, when as a member of the military, before he became a pastor, he was studying a degree in England. As it was an honours degree, he had a tutor, and this person owned a yacht which needed four people to help sail around the Channel Islands. Gary's story of sailing, and being able to project his voice over a storm to get help, was enthralling. Our President Yvonne, presented our Probus pen as a token of our thanks, for Gary sharing his story.

We had Herb playing his violin for us as we learned to sing five verses of 12 days of Christmas. We are all trying to please Yvonne by learning the Carol in time for the Christmas meeting.

Our main speaker was Graham Pearson, introduced to us by his cousin, our Margaret Pumpa. Graham is from Belmont Probus club and he told of having been an Executive member of Industrial Relations. Graham had known at sixteen years of age that he wanted to be involved in Industrial Relations. He wrote 100 letters to potential employers and had three answers. Graham was looking for a pathway to industrial relations, and he went to work through CSR who had sugar and building materials, and put young people through schooling involving University degrees. He told us of working fifty percent of his time between Perth and Brisbane, as a job. Graham is now retired after working in various industries, and has a lovely collection of "war stories". Diane Allit presented Graham with our Probus pen as our thankyou for being our speaker.

Herb, and Gary and Jeannie have been visiting Henty hospital and invite volunteers to join them.

We send our best wishes to those dealing with illness and bereavement, and we invite you to join us on **September 13th** at our **next meeting** at **Henty, 9.30 am** for a 10am start.

We are planning another happy day.

The Jindera Tennis Club

is having an Open Day at the
Jindera Tennis courts.

Tell your friends to dust off their tennis racquets
and come down for a hit and a snag on the
3rd of September.

Summer Comp starts in October so if you are
interested we can help grade you and add you
to a team. We also start our Wednesday
Social Tennis in September so come on down
and find out all about it.

Jindera Country Golf Club INC.

The sun is starting to shine, grass is growing and the course is looking spectacular, thanks in no small part to our dedicated band of volunteers.

The next major event on our calendar is the annual tournament to be held on Saturday and Sunday the 9th and 10th of September. The major sponsor for this event is the Jindera Vet Veterinary Clinic, thanks again to Daryl Klein who has been the major sponsor of this event for a number of years now. Thanks also to Jindera IGA for their sponsorship and the Murray Districts Golf Association (MDGA) for their sponsorship of the Sunday event.

This is a two day event, with the Saturday being a "2 Ball Ambrose" mixed and men's and Sunday is the MDGA men's A-Grade Scratch and net and men's B, C grade stableford.

Details as follows: -

SAT 9th – 2 Ball Ambrose Men's and Mixed – Shotgun start, 9.15am for 10am start - \$30.00 per player includes lunch and plenty of great prizes – everybody welcome.

SUN 10th – Men's Tournament - A-Grade Scratch/Net, B and C Grade Stableford. Shotgun Start 9.15am for 10.00am Start - \$35.00 per Player includes lunch and plenty of great prizes.

To Register please contact – Craig McMillan 0418 966207, Trevor Freeman 0418 690 510, or email admin@jinderagolfclub.com with name and "Golfink" number.

The August Monthly Medal was won by Frank Carmody, with a very good score of Net 64.

The "9-Hole" Comp is still running in conjunction the normal 18-hole Sunday comp and provides a great opportunity for those looking for an entry level into competition golf. Ideal for juniors or for those looking to get a handicap.

The Friday night "Chook Run" "Tee Time" is now 3.15pm. until around 4.00pm (at the latest).

The Sunday competition will finish the late starts next week and revert to 8.30 for 9.00am start.

In the meantime, current comps are as follows: -

- Sunday – Men's 18/9 holes, event according to calendar on website Tee-off 8.30/9.00. (11.30/12.00 from June)
- Wednesday – VETS 9 Holes, Stableford (unless notified differently) Tee-off 8.30/9.00
- Friday – Chook Run – 9 Holes, Open to all, 3.00 to 4.00pm, can also be played throughout the week – Play your game, place cards – signed and verified by partner with \$10.00 in an envelope and slide under the door.

The club has an electric golf cart for hire by members and visitors. For bookings, contact us via email.

admin@jinderagolfclub.com

Membership: To join our great community golf club, simply download a membership form from our website or request one via email, email it back and pay via eftpos.

Annual memberships become due on 31st March and cost \$110.00 (inc. GST), Juniors \$33.00 (inc. GST)

D. Briggs	22	16	R/U
D. Lord	22	15	B
D. Castles	16	14	B
D. Rixon	20	14	B

Our annual "Golfing Bus Trip" was held last Sunday where the Mitta-Mitta golf club hosted us. 23 players attended and it was a great day, with the Mitta boys putting on some delicious steak & sausages to complete proceedings.

Thanks to men's captain Craig McMillan for organising the trip.

The Penny Graeber golf clinic for ladies looking to get into golf was held again on Saturday 19th and is proving to be a great success for those wanting to learn the fundamentals of golf.

JINDERA ANGLERS CLUB INC.

Fishing locally is still good if you're prepared to put the time in, trout, redfin, yellowbelly and Murray cod are being caught both in the weir and also in the upper Murray and below the wall.

The Murray cod and the crayfish season closes at the end of August, the Murray cod season will reopen on December 1st and crayfish season you will have to wait till June 2024.

The clubhouse is open every Friday from about 5 for a catchup, new or intending members are invited to pop in and see what we are about and find out a little more about where the fish are biting and best methods to catch them.

The next **General Meeting** will be held at the clubhouse on **Friday, 8th September** commencing at **5.30pm**.

Next **fishing comp** will be an open comp held on the last weekend of the month on the **22nd and 23rd September** with the **weigh-in** on **Sunday 24th** at 4pm at the club house. This comp will be confirmed at the general meeting.

All current members and intending members are advised that **memberships are now due**, single adult membership is \$25 and family membership will be \$50 for the year. Membership includes Friday night nibbles a Christmas party and presentation day which are fully catered for with gourmet food.

Jindera anglers' clubs August competition was held with the South West Anglers Annual Kiffens comp at Lake Mulwala.

Jindera was well represented with 15 of the clubs' elite anglers representing our club. The Brown twins !!!!! and Amber and Indi, Squeaky, Kirsty, Naomi, Leanne, Aaron, Laz, Dick and Dot. Well done gang, flew the flag brilliantly.

Amber won the ladies best fish and also the best bag of fish for the ladies, Jindera were second place overall in the comp narrowly being defeated by Berrigan. Doughnuts were awarded to Aaron, Dick and Dot and Laz probably should have got one as well for under performing on the big stage.

Tight lines!

Trevor Brown with a healthy Murray cod

Trevor Brown with his magnificent mud marlin

Naomi with a nice cod

Amber was the big winner for Jindera ... well done
