## JINDERA LIBRARY OFFICIALLY OPENED

On Tuesday 25 June the new Jindera library, part of Riverina Regional Library, was officially opened by Justin Clancy MP, member for Albury. The library will be open 5 days per week from 8.30am to 5pm, except on public holidays and will provide a collection that includes picture books, adult fiction, non fiction, large print, DVD's, and MP3 audios.

The new library will also provide a range of programs and services offered at other branch libraries in the Greater Hume Council that include access to public computers, borrowing, returning and reserving books and other resources.

Planned activities also include regular story time, holiday programs, Seniors Week, Grandparents Day, technology classes and outreach visits from Riverina Regional Library staff.

Greater Hume Council's staff look forward to working with the Jindera community to provide a space in the Jindera Community Hub that will have an up to date collection of resources, and sophisticated information and reference services available online through Riverina Regional Library which are authorised, accurate and up to date. The branch library will also play a role as a hub for the community and literacy development for all.

*Robert Knight, Director of Riverina Regional Library, Heather Wilton Mayor of Greater Hume, Kayla Sins a year 3 Student at St Johns Lutheran School and Justin Clancy MP, Member for Albury, at the Library opening.*

Collection items borrowed from the Riverina Regional Library Mobile Service on a Saturday can be returned to the Jindera Library as both are Riverina Regional Library Services. Follow the Jindera Library Facebook page and notice boards in the Jindera Community Hub for upcoming library programs.

*St Johns students checking out the new Library.*

## Jindera CWA News

On Friday, 21<sup>st</sup> June, Jindera members hosted the Murray Group International Day with Country of Study Papua New Guinea. Approximately 40 people attended, which included Group President, Genevieve Knobel. Group International Officer Rhoda Scott experienced several hitches, firstly the guest speaker was not able to attend, thankfully two members Gush Kipper from Gerogery branch and Bev. Blair from Jindera were able to fill in the spot, heavy fog delayed some members arriving on time and to top it off the power went off while the girls were heating lunch and the heating disappeared in the community hall. But overall it was a great day and CWA ladies can handle any crisis!!!!

At the June meeting, Handicraft and Land Cookery Officers congratulated our members who received awards at the State Conference and our branch was delighted to receive the CWA State Handicraft Trophy.

Land Cookery Officer, Narell Tassell distributed the Cooking Schedule for 2019/20, and encouraged all members to bake an entry for the cookery contest in February next year.

*Displaying the CWA State Handicraft Trophy,  
and their winning entries*

*L-R Kay Thomson, Helen Glachan, Virginia Morey.*

**Our next meeting will be 3<sup>rd</sup> July at 10a.m in the School of Arts hall, new members welcome.**

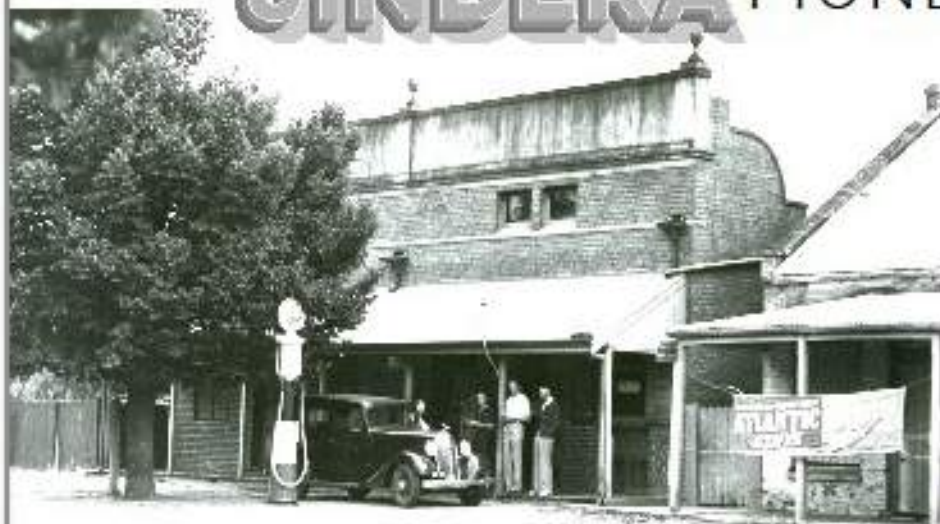

Yours in CWA Friendship.

**Bev. Blair.**

Publicity Officer.

## Jindera Red Cross Crisis Care Commitment

The June Red Cross meeting was held on Tuesday 4<sup>th</sup>.

A report was given by several members who attended the Zone 20 Conference at Culcairn on Wednesday, 22<sup>nd</sup> May.

This meeting was chaired by Zone 20 representative Valmae Ryan and the official opening was by Anne Knox, NSW Divisional Board Member of the Australian Red Cross.

Guest speaker at the Zone Conference was Laura Coburn who spoke on the Refugee settlement in Albury, Wagga and the Walla area and the volunteer program that had been established, to support the Ceylonese refugees in the Albury region.

Mr John Pocus, Regional Manager of the Red Cross also spoke at the conference. John spoke on the "Learn to drive programme for Aborigines and Torres Strait Islanders". Both speakers inspired the audience with their information on these projects.

### OTHER NEWS

The Wagga Wagga Conference will be held on the 6<sup>th</sup> September.  
More news on this event in Jindera News in August.

**The next Jindera Red Cross meeting will be on 2<sup>nd</sup> July 2019 at 1.30pm  
at the School of Arts Hall, Jindera. All welcome.**

## Jindera Swimming Pool News

Although it's winter, and you could probably ice-skate on the pool at the moment - we (the Jindera Pool Committee) have not slowed down - we have been busy carefully spending the money we received from the NSW Stronger Country Communities Fund to improve our facilities in readiness for next season.

Our pool is now ACCESSIBLE TO ALL!!!  
So far we have purchased a hoist and slings.

With a most generous donation from the Tollis family, we now also have a wheelchair which is suitable to be used in the water (or can be hoisted in). This will open up opportunities for people with disabilities or injuries (who are unable to use the current steps) to access the pool.

For those that may not be aware, as from last season we also have accessible toilet and shower facilities.

Please get the word out to your friends for next season.

Also in the planning are more shade sails and kiosk revamp.

There is one major spend which we have not mentioned in this article.....

..... as you drive or walk past the pool - see if you can spot the difference!

From the  
Jindera Pool Committee

13 Stockwell Rd, Jindera Industrial Estate

In NSW Councils and insurers fund emergency services agencies in NSW, with councils required to pay 11.7 per cent of the budget required by NSW Emergency Services. These charges are embedded in council rates and insurance premiums. Greater Hume Council only recently received an invoice for \$510,068.70 for its 2019/2020 levy, an increase of \$97,689.70 more than last year's levy, representing an increase of 23.69%. Council resolved to write to the NSW Premier, and key Ministers to object to this unplanned increase. Council has asked the NSW Government to fund the first twelve months of this extra cost, and to work with councils to ensure a fairer implementation into the future.

Council agreed to refund development application fees of \$786 to the Walla Motoring Club.

In relation to a further request from the developer of the proposed Glenellen Solar Farm, Council did not accede to the developer's request that an amount of \$500,000 of the development contribution levy be allocated to the Jindera Multi-purpose Hall project.

Effectively this means that in the event that the Glenellen Solar Farm development is approved by NSW Planning (*Council is not the consent authority*), Council's earlier decision taken at the February 2019 meeting applies and Council agrees to enter into a Voluntary Planning Agreement (VPA), to receive a 1% contribution of the capital investment value of the proposed solar farm. **Note that the VPA will only come into effect should approval for the Glenellen Solar Farm be granted by the NSW Department of Planning and Environment.**

Council resolved to exhibit the Draft Waste Management Strategy. Residents can view the document at any council office or via Council's website, and have a say until 27 June 2019.

Highlights of the third quarter delivery plan performance report included:

- ✓ Achievement of additional funding of \$3.1m to enable the Henty Rail Crossing Relocation and Intersection project to proceed.
- ✓ Commencement of centre based of Long Day Care services at Henty and Walla Walla.
- ✓ Completion and replacement of stairs and viewing platform at Morgans Lookout

- ✓ Project management of a large number of projects funded under Rounds 1 and 2 of the Stronger Country Communities Fund.

- ✓ Free waste facility access day at all waste depots across the shire

- ✓ Hard Waste collection at Henty, Jindera and Walla Walla in conjunction with Holbrook Rotary and local football clubs.

A full list of achievements is included within the report.

Residents can view the 2019 Community Survey via Council's website.

Council also resolved to amend its Code of Meeting Practice and place the amended document on the website.

Council resolved to lobby and work with the Member for Farrer and mobile network operators to support the applications for funding for mobile base stations to eliminate black spot issues across the Greater Hume local government area.

Council received a report which provided an overview of the establishment of the new Riverina Joint Organisation (known as RivJO) which will in time replace the existing REROC (Riverina Eastern Organisations of Councils) structure. A draft strategic plan has been prepared for the RivJO.

Council's budget as at 31 March 2019 indicated a projected 2018/2019 cash surplus of \$22,048, an improvement of \$6,072 on the previous quarter.

Council resolved to prepare the necessary documents in preparation for the sale of land for unpaid rates.

Council accepted an offer of \$62,000 for Lot 109 Jarick Way Jindera Industrial Estate.

Finally the council authorised the General Manager to negotiate an offer to purchase land suitable for residential development at Culcairn, with a future report to come back to Council on the matter.

Next Council meeting will be held on 19 June at Culcairn.

Meeting agendas and minutes are available for viewing at any time on Council's website or in person at any Greater Hume Customer Service Officer.

## **GETTING ACTIVE IN JINDERA**

Jindera residents who would like to be more active are invited to attend a new gentle exercise classes on Fridays at 10am at

the Community Hub 83 Urana St Jindera.

The classes will be run by volunteer Ruth Dunn. Ruth has been trained by Murrumbidgee Local Health District to lead the gentle exercise class.

Murrumbidgee Local Health District is supporting volunteers to provide low cost exercise opportunities.

"Gentle Exercise is a great way to improve your balance and flexibility in a friendly social setting. Everyone is welcome to come and join in" said Ruth.

Murrumbidgee Local Health District Health Promotion Officer, Adelle Kennedy said, "We know the importance of regular physical activity to maintain good health and the class is ideal for people who have always thought about getting involved in gentle exercise, and the classes are run in a very friendly environment."

Participants are asked to bring a gold coin donation per class to assist with program running costs.

For more information about the Gentle Exercise class in Jindera please contact Ruth Dunn on 6026 3806.

For any other information about any physical activity classes provided by Murrumbidgee Local Health District please contact Adelle Kennedy Health Promotion Officer on 0409 781 326 or visit [www.activeandhealthy.nsw.gov.au](http://www.activeandhealthy.nsw.gov.au).

# SAINT MARY MACKILLOP COLLEGE ALBURY LIMITED

197 Urana St, Jindera NSW 2642  
PO Box 310 Jindera NSW 2642  
Phone: 02 60 459 422 Fax: 02 6026 3745  
Email: [office@smmc.nsw.edu.au](mailto:office@smmc.nsw.edu.au)

Our year 9/10 Visual Art class had to design and make a terracotta sculpture, which had some practical function, in addition to aesthetic considerations. Once the initial design was complete, the students worked on them for several weeks. Once the sculpting was complete, we allowed them to dry for a little while, and then took them to St Paul's in Walla Walla, where their Visual Arts teacher was kind enough to fire them for us. Aside from a few minor casualties during the firing process, the final sculptures turned out very well.

This Term students enjoyed a visit from Questacon, who held a smart skills workshop for our year 6-12 students. We were also fortunate enough to have a Deadly Creatures visit. Students in both primary and secondary were lucky to have a talk on unique animals that live in Australia. Students were given the opportunity to hold non venomous snakes, lizards and turtles.

For Mathematics, Year 6 have been learning about interpreting and representing data in graphs. They had a lesson on finding the mean (average) of a set of numbers. The students went out onto the basketball court and recorded how many hops they could complete on one leg. They had to record three attempts and then calculate the mean of the number of hops on one leg. From the photos, you could easily mistake this lesson for a dancing lesson on Irish dancing! Whilst some were able to complete the hopping looking as graceful as swans, others found it so easy they could do it with their hands in their pockets.

The Year 11 Ancient History and Chemistry students went on an excursion to Lake Hume to conduct an archaeological dig as well as to assess the abiotic factors for life. The Chemistry students discovered the following: Air Temperature was 15c, Water temperature was 17.5c, and Humidity was 80%; Water pH was 7 (Normal.) with a medium level of chloride and a low level of sulphate detected.

The Ancient History students had an exciting time discovering 'hidden' civilisations out at Lake Hume. We discovered that there was a small civilisation which lived hundreds of years ago and based on our 'finding', we 'concluded' that this civilization was destroyed by a war based on the different coloured shotgun shells, a 'bow', and many other items located in the images below. Overall it was an enriching day.

# JINDERA ANGLER'S CLUB Inc.

of May fishing competition.

A raging campfire, great camp site, and another superbly set up camp (thanks Graham and Bruce) saw the fishers have a top weekend.

Plenty of fish caught and some really good size as well, Shammo caught and released a nice 88cm cod on Friday night, Ricko outdid him with a 93cm cod Saturday morning and then Laz outdid the lot with a 96cm cod Saturday evening, all were in very fat condition and were released to fight another day.

Gary Morey caught the biggest legal cod of 5.36kg and also had the best bag of fish 15kg, others to get fish were Wade Morey cod 2.72, Shamrock cod 3.88, Ricko cod 2.96. There were many fish also released and this month's donuts award was shared between Mark (the hook) Taylor and Graham.

★ ★ ★ ★

**Very Important AGM**, all members and family are invited to attend our end of year feast and Presentation Day to be held on Sunday, 7th July

commencing at 12.30 pm with our Annual General Meeting.

**Change to constitution**, it has been proposed that the Jindera Anglers Club fishing competitions be changed from recording weight to overall length, (the full proposal can be viewed at the notice board at the clubhouse).

As more fishers choose to release legal fish this proposal will allow all fishers to be on a level playing field as weight to length is not an accurate or fair comparison (we have had some huge variations with native fish).

This is a significant change and with the catch and release policy becoming so popular amongst our fishers, if you have an opinion on this **make sure you attend the AGM** and have your say.

Also, the club will be asking for your suggestions for our annual fishing calendar of competitions, do we need more closed comps, should there be a club weekend at the coast, now is the time for your input?

Our next fishing comp will be an open comp at the end of July.

Mark Taylor warming his hands in anticipation of the fire, Gary Morey working up a sweat on the saw .

A very big 97cm Murray cod being measured prior to release, caught by Laz

Gary Morey with a beautiful conditioned 69cm cod prior to release.

**Jindera Anglers with  
some of their great  
fishing catches.**

**Wade Morey being congratulated  
by team Shannon.**

**A nice 93cm Murray Cod caught by Ricko  
about to be released.**

Jindera Anglers Club  
**AGM Sunday 7th July**  
12.30pm meeting followed by trophy  
presentations and a **complimentary lunch**  
to all present, potential and past members.  
RSVP to Ricko 0409537452

**CLUBHOUSE**

**LUNCH**

A decorative border with a blue background and a brown wavy line. Inside the border, there are several colorful gift boxes with various patterns (stripes, polka dots, etc.) and small palm trees.

**Grub and Harley on a northern fishing  
weekend.**

The golf course is looking a treat, the fairways have enjoyed the winter rains even with ongoing work of irrigation and water boring, the 2nd, 5th and 8th greens have been renovated and even I managed to slot a huge put.

*The water drilling team between the 1st and 8th hole...  
...great news for the club is they found good quality water.*

The water boring company has finished its work and they found good water and although not a massive flow this will greatly improve the clubs ability to irrigate the course in summer, the next step is to power a solar pump.

June has seen the 3rd round of the men's club championships completed, it is very pleasing to see good numbers taking advantage of the clubs rule to take the best 4 rounds out of 5 potential rounds. The leaders in A Grade are Graham Schilg from Craig McMillan and Bob Polkinghorn.

B Grade is very tight with a bunched field all vying for the trophy, Bob Sheerans is in front however Nev Brand, Dave Gray, Peter Kilo, Daryl Klien, David Briggs, Stu Millar, Scott McMillan and John Todd all in the mix.

C grade Championship is still up for grabs with Aaron Melbourne, Dave Castles, Frank Carmody, Frank Shannon all in with a big show of winning.

★Upcoming events for July are:  
monthly medal and 4th round of club championships on July 7th, 2 ball ambrose on 14th July, stableford and 2nd round of Col Rainbow Matchplay on July 21st and there is stableford events on July 28th and 4th August...

... TEE OFF TIMES 11.30 to 12.00

VETS Golf is on every Wednesday with a 9am hit off and is a 9 hole event.

The 5th and final round of club championships is on August the 11th and keep the 18th August free for the Annual Beyond Blue Charity day, this is a 3 ball ambrose.

### Results

June 6th monthly medal, winner D. Edwards 71, r/up N. Brand 72, ball comp B. Skeerans 72, G. Schilg 75, A. Docker 76, D. Briggs 77, P. Kilo 76.

NTP 16th S. Millar, 3rd N. Brand, 9th G. Schilg.

June 9th, stableford winner J. Todd 36, r/up G. Schilg 35, ball comp D. Klien 32, A. Melbourne 32, C. McMillan 30 NTP 3rd S. Millar, 7th A. Melbourne.

June 16th stableford winner B. Sheerans 36, r/up A. Melbourne 35, ball comp S. Millar 34, J. Metcalf 32, C. McMillan 32, N. Brand 32, G. Schilg 31. NTP d. Briggs 16th and C. McMillan 7th.

23rd June 2 ball ambrose winner G. Schilg and A. Melbourne 61 3/4, r/up D. Briggs and D. Polkinghorne ball comp D. Klien and F. Carmody, A. Metcalf and A. Docker, D. Gray and S. Kilo.

NTP D. Gray and G. Schilg 16th

### Wanted lady golfers!

or Heather Chaston 0429120844

*Happy Hitting and remember  
the course is always open for social golf.*

*What a putt.....who is this???*

# **Jindera Football Netball Club Update**

**W**ith the season currently at the halfway point for the year, we have certainly packed a lot in so far! We've held some incredibly successful functions so far, starting with the Pick A Box at the footy clubrooms, a great day had by all, Red Faces, with some of the football boys showing some hidden talents, Past Players Day for the footballers, and the Family Day complete with the disco at night which by all accounts was a raving success. The netballers also claimed bragging rights over the boys winning the annual football netball challenge and the first spot on the Kevin Takle trophy at the Jindera Fun Run.

**T**he netballers are positioned very well halfway through the season with all senior grades and under 16's in the top 6, and the under 14's and 12's still in the hunt for the finals and the non-competitive under 10's improving every week. Footballers are also doing their bit with Seniors giving the best of the best some very close games, with Reserves, 17's and 14's still a big chance for finals, 14's being in the six currently. Auskick has

also been very successful on the Friday nights, it is fantastic to see the next generation working on their skills!

**W**e also as a club have been very lucky to have multiple players represent our league in Inter-league this year against Farrer. Congratulations to Sharna Holland (opens) and Montanna Kerr (Under 17's) in the netball and to Ryan Speed, Harrison Weaven, Mitsch Lawrence, Danny Warren and Michael D'Arcy (seniors) and Cory Brown (under 14's).

**T**hank you to the community for their ongoing support of the clubs, and to the many volunteers that make every game day possible, and ensure it runs as smoothly as it does. Finally, a huge thankyou to the businesses that sponsor our clubs and help make all this possible.

**G**o Doggies!
