A Jindera based, not-for-profit charity organisation.

Our Community **GARAGE SALE** nobody town *does it better!*

A perfect autumn day welcomed hundreds of eager bargain hunters to Jindera on **Sunday 4th May** for the **26th Annual Jindera Garage Sale**.

Over 70 sites registered to be part of the fun and sheds and garages were emptied of all those special unwanted pieces. Unfortunately, there were still some residents who took advantage of the garage sale happening without actually registering their site. All the money raised goes to support people in the community which is why sites are checked out for registration during the morning.

People from a wide area including Melbourne made the most of the opportunity to snap up a bargain. There are many who return year after year. Due to the ebb and flow of people through a myriad of locations it is always hard to accurately count numbers of people attending.

Visitors supported the Op Shop along with the food outlets. **Thank you** to the Jindera Bakery, Fox and Brew, the Next Level Café, the Jindera Hotel and of course the Jindera Anglers Club with their annual offering of 'tasty fare', for providing a great variety of food. Free furniture items were keenly snapped up from the Rural CareLink storage facility at St John's Chapel.

Jindera Rural CareLink continues to support and coordinate this annual event by organising the registration of sites, providing advertising and producing the maps as well as placing corflute signs at the entrances to the town. This will continue to be an annual event because it:

- ★ Supports people to declutter unused belongings
- ★ Is a means to recycle, reuse and repurpose items
- ★ Gets people out and about in their own community encouraging social connections
- ★ Showcases our lovely town of Jindera

A big thank you to the Council Parks and Gardens team who had the town looking immaculate.

Any suggestions to add to next year's event would be welcomed. Feedback can be sent to:

office@ruralcarelink.org.au

One idea was to invite buskers to come along and provide entertainment.

Headlines and Happenings

By Lizzie Pogson. (Secretary, RCL).

The Volunteer Week Morning Tea:

This month, we welcomed 2 new volunteer members, both of whom are already volunteering in the Op Shop. It was wonderful to get together during Volunteer Week, sharing an informal Morning Tea at the Fox and Brew - a

lovely opportunity for we who were able to come along, to just mingle, meet some of the newer faces and enjoy each other's company. We missed those who were unable to attend on the day, but acknowledge the contributions that all of us as volunteers bring, and the huge significance of the roles played by volunteers, everywhere. Special little 'Volunteer-in-Training' was Lizzie's granddaughter who volunteered to help make the Volunteers Week Sign.

Anzac Day:

Thank you to our Jindera News Editor, Julia, for the moving editorial coverage, and accompanying photos of our recent Anzac Day Services. With hundreds attending, it was heartwarming to see so many pay their respects for those who have served and continue to serve our country. The best laid plans for sound, had it working perfectly the day before, but went awry on the day. We will gratefully accept the kind offer from-Daniel (Jindera Theatrical Company) who has volunteered to provide sound system gear, setting up and monitoring for both the dawn and 10.30 services, in 2026. RCL's wreath was laid with pride by Leeny Mason and Vickie Priscina.

School Grants:

All our local schools eligible to receive Grants have now responded. RCL is happy to be able to play a small part in ensuring more children are able to receive support, should the school see that it be required.

Solar Farm Nomination to Community Committee

RCL have nominated one Committee Member to become a member of the GPG Australia Glenellen Solar Farm Community Grants Committee which will determine how \$100, 000 will be distributed in the Jindera Community.

Glenellen
Solar Farm

Pamper Sessions UPA:

It's gratifying to see the continuation of these sessions run through our Community Assist Volunteer Team, and we are delighted to get feedback that our sessions are being so well received.

Hume Bank Spam Information Session.

This has been deferred for the moment, with a lack of capacity to drive the organisation of, but it will be announced when we have a future definite date.

Garage Sale:

With fantastic coverage and taking front page position in this edition of the Jindera News, this is a follow up to say a **BIG Thank You**, to the **volunteers** who helped out in selling maps, working in the Op Shop, setting up and packing up. Events can't happen without these behind-the-scenes tasks being done and the generous helpers who offer their time to do so. RCL is happy to announce that we made **\$3678.00**, which will be put to very good use, back into our community.

COMMUNITY ASSIST:

CAN YOU HELP?

- ◆ Do you know someone?
- ◆ Do you have a family friend or a neighbour who might be housebound for whatever reason, recuperating from an injury or hospital stay?
- ◆ Someone who might have no family nearby?
- ◆ Someone who might be vision-impaired and would like to have the newspaper read to them?
- ◆ Someone who might enjoy going out for a coffee, need some groceries picked up and delivered, who might just enjoy some extra company from a friendly visitor every now and then?

Get in touch with us at Rural Care Link (RCL) if you have anyone in mind, or if you would like to be someone who might provide that help or that company.

For more information about the volunteer Community Assist team see page 30

OP SHOP News

GARAGE SALE Poem

No Garages Were Sold!
The sun was up
The crowd arose.
A cup of tea and throw on the clothes.
Some came early,
some came late.
Buyers and sellers
met at the gate.
Door to door
And street to street,
The mix of goods
Was hard to beat.

The young and old
The shy and the bold
The folks all rummaged,
A search for pure gold.
The bargains were bought
After lots of deep thought,
But all with goodwill
And community spirit.

The idea ... to raise money,
You just had to be in it.

That left unsold
Remained in the hand.
Returned to the garage
Awaiting the demand,
to bring it all out
At next year's big sale,
when Jindera gets together
Again ... without fail.

Jindera IGA Plaza CARPARK

We are so fortunate in Jindera to have our own little shopping plaza. The convenience of having the **IGA**, the **Bakery**, our own **Pharmacy**, a **Pizza Shop** and a proper **Butcher** is indeed a huge benefit of living in our community, especially with its own handy accessible car park.

Unfortunately, it seems far too many people are taking this convenience for granted. The Plaza is for use to all within our community, passers by and visitors. However, the **misuse and inappropriate behaviour** of drivers within the carpark is becoming **ALARMING!**

Near misses between vehicles and pedestrians are a daily occurrence. From cars rolling out of their car spaces because the brake wasn't put on, to vehicles entering the wrong way, exiting the wrong way and navigating the car park the wrong way at speed – it is only a matter of time before a major incident occurs.

One small way we can all ensure the carpark is a safe space for ALL to use, is simple. **Park appropriately!** Jindera is only getting busier and growing by the month. Showing consideration for each other and our community by parking responsibly and using the carpark correctly according to the **directing arrows and signs** is a great way to ensure we can all utilise the convenience of the Plaza carpark at all times, without risk of incident or injury.

So next time you pop down to the IGA or any of our other local businesses whether in the Plaza or not, just take a moment. Take a breath. Slow down! We all love this part of the world for the peace and quiet you can have living in a small town, so let's keep it chill and enjoy the conveniences we have by showing consideration and respect to those around us.

The below "**Parks of Shame**" are rated from 1 to 10. One being the worst and ten being the best.

10 out of 10
- perfect park

0 out of 10 - so close ... Yet so far!

-11 out of 10 - we **really appreciate** our On-demand Bus service but this is not how to park to let a passenger pick up groceries with cars trying to drive around you.

-9 out of 10 - taking up 6 carpark spaces when there is lots of parking space on the roadside. Is this a very bold or very silly move??

1 out of 10 - maybe consider getting a new driving instructor, that is not how you park.

1 out of 10 - would have been a -1 but at least the park is straight

1 out of 10 - Taking up 2 spaces during the busiest time of the day, not very chill

0 out of 10 - another one ... so close yet so very far!

How *THE WELCOME EXPERIENCE* Benefits Regional Employers

By Karin Willcox Manager, The Welcome Experience Program, Regional Development Australia Murray

Attracting and retaining essential workers has never been more important for regional employers. In areas like Albury and Greater Hume, demand for staff across healthcare, education, emergency services and the care sectors continues to grow. But while filling a vacancy is one thing—helping a new employee settle into the community is quite another.

That's where The Welcome Experience comes in.

Delivered by **Regional Development Australia Murray** and funded by the NSW Government, The Welcome Experience is a free, tailored service that supports essential workers and their families as they relocate to regional NSW.

While its primary focus is on the individuals making the move, the flow-on benefits for employers are significant - and often underestimated.

Stronger Staff Retention

Relocation is about more than just a job. For new workers to feel confident staying long-term, they need to feel like they belong. Research shows that social connection and community integration are key to retention—especially in the early months after a move.

By supporting housing searches, childcare enrolments, school tours, partner employment, and introductions to local clubs and services, The Welcome Experience reduces the social and logistical friction that can otherwise lead to early exits. For employers, this means less turnover, greater stability, and a better return on investment when onboarding skilled staff.

Less Pressure on HR Teams

Many organisations may not have the capacity - or the remit - to provide support beyond the workplace. Yet when new hires are trying to juggle rental inspections, school decisions, and a job search for their partner, it can directly impact their performance and wellbeing. The Welcome Experience acts as an extension of your team, providing hands-on support that goes beyond what most HR departments can offer.

Local Connectors - like Lou Newman - bring deep regional knowledge and personal networks to the table, helping new arrivals feel supported and informed from day one.

Community Connection That Drives Retention

Local Connectors don't just help with logistics - they help people feel like they belong. That could mean recommending a walking group, connecting someone to a local arts collective, or introducing them to a weekend soccer team. These moments of connection may seem small, but they can make the difference between a short-term placement and a lasting contribution.

When people feel welcome in their new community, they're more likely to stay, grow, and become ambassadors for the region, and your workplace.

Flexible, Free and Ongoing Support

The Welcome Experience is designed to be low-barrier and highly responsive.

Employers can refer new hires or simply encourage them to reach out directly. Support is available before, during and after the move - and continues long after the boxes are unpacked. It's also completely free for eligible essential workers, making it one of the most cost-effective retention tools available to regional employers today. With the right support, essential workers don't just relocate to regional NSW - they put down roots, build lives, and become part of the community. And when that happens, everyone benefits.

The Welcome Experience

How to Get Involved

If you're an employer in the Albury, Federation or Greater Hume areas and you'd like to learn more about how The Welcome Experience can support eligible essential workers to your business contact **Karin Willcox** on **0400 030 595**.

The Welcome Experience is part of the NSW Government's Essential Worker Attraction Program, fully funded until 2025/26.

NSW RURAL FIRE SERVICE

by "Poppa Pomegranate"

Jindera Bush Fire BRIGADE

The Brigade has finally taken delivery of a replacement vehicle for our Personnel Carrier (PC). The vehicle is also the key chainsaw response vehicle in the Southern Border Team District. The old PC was damaged in a fireground incident and has taken nearly 12 months to be replaced.

Our old PC was affectionately known as the **Kitchen**. At the time the brigade purchased the original vehicle, many years ago, it was money either spent on fitting out the kitchen in our brigade station or purchased the vehicle. The vehicle won the debate but was then named the '**Kitchen**'. The brigade then had to raise a bit more cash to fit out the kitchen in the shed.

The new vehicle (*our renovated kitchen*) is fitted out with the new NSW RFS livery and markings which is vastly different to what we have had in the past. The vehicle also has a range of innovative technology fitted to it. This includes a Star Link mobile base station which provides us with Vehicle as a Node (VaaN) capability.

The VaaN gives the vehicle full Public Safety Network access through satellite technology. This vehicle can access the full suite of NSW RFS systems, including stronger radio communications when we are on a fire ground. It also provides greater mobile telephone coverage to the 4G and 5G networks. The technology also has the capability to provide internet access if our current fire shed access is affected by natural disasters or fires.

Over the coming weeks you will see our Captain driving the vehicle around the village as we make some final adjustments to the storage area to ensure we can have all our necessary chainsaw equipment ready to respond to anywhere in the Southern Border Team Area and beyond.

**JOIN US AS A
VOLUNTEER**

If you would like to join us in assisting our great community of Jindera, we encourage you to drop in when you see us at the **Fire Shed**.

Our brigade training and maintenance session are **every second Saturday** morning from **8:00am** or give the captain a call on **0427 263414**.

We have many roles that you can help us with if you do not want to get on a fire truck.

*Thanks for your ongoing
support of your local
Jindera Brigade.*

Motorsport Miles for MENTAL HEALTH

Meet Alice: radiographer, mental health advocate, and racer in the upcoming Tatts **Finke Desert Race!**

Originally from **Jindera**, attending Jindera Public School, she now works at Alice Springs Hospital and has been training hard for one of the most challenging off-road events in the country, to be held **7th to 9th of June, 2025**. *"The desert has no sympathy for you. I just want to have the feeling of: I did that. It was hard, but I did it!"*

She's racing in memory of her brother, who died by suicide, and fundraising for 'It's Okay Not to be Okay', a charity dedicated to mental health awareness and breaking stigma.

Donations can be made by visiting

<https://www.mycase.com.au/p/359311/alice-does-finke-for-mental-health>

and she is fast approaching her target of \$10,000.

"Because the Finke Desert Race is such a male-dominated sport, I felt like it was a good space to bring up conversations around mental health. More people should be able to talk about it."

Women make up only 5% of the Finke Desert Race entrants. Alice hopes her ride inspires her young niece, and others, to believe that women belong in every space, including Motorsport.

Best of luck Alice!

Year 11 & 12 Sydney Trip

Recently our Year 11 and 12 students made an overnight trip to Sydney. Highlights of the trip included visiting liberal arts college, Campion College, the tomb and museum of our college patroness, **St Mary MacKillop**, as well as St Mary's Cathedral. Students also enjoyed an evening ferry ride on Sydney harbor and dinner at Circular Quay.

The trip concluded with a visit to NSW Parliament House where the group was met by our local member for Albury, Justin Clancy. We are thankful for the time he made to speak to the students, giving an insight into his experience as a member of Parliament. Our Year 11s and 12s then participated in a lively debate on changing the legal drinking age in Australia, in both the upper and lower houses, before hitting the road for a taste of rain-soaked Sydney traffic.

It was no doubt a trip that will be a happy highlight of school life at SMMC for years to come.

RAS & BISSA Cross Country Competitions

Congratulations to our primary student team of runners who competed at the RAS Cross Country Competition at the Jindera Golf Course in early May. They all ran well with one student qualifying for the CIS Competition that will be held in Sydney.

We also congratulate our high school Cross Country team who recently competed in the BISSA Cross Country competition held in Narrandera.

[JOIN OUR WAITLIST!](#)

This term will see the Jindera Preschool engaging with Murray Arts Albury to deliver Kinder Kulture to all our preschool groups.

"Murray Arts works with local First Nations creatives to deliver fun and engaging hour-long creative workshops to pre-school aged children. Started In 2015, the program aims to introduce pre-school aged children to authentic First Nations creative practice in various creative, fun and interactive ways. By engaging First Nations creatives across music, visual arts, drama and storytelling throughout the region, we hope to work alongside the community to celebrate Aboriginal arts and culture." <https://murrayarts.org.au/kinder-kulture/>

We will welcome Indigenous artists to our preschool from week 3 and have booked sessions with different artists throughout the rest of the year.

Kangaroos – Tuesday/Thursday

Teacher – Chloe Roberts - Bach of Ed. Early Childhood
Masters of Special Education

Wombats – Monday/Wednesday

Teacher – Jessica Parascos -- Bach of Ed. Early Childhood

Kookaburras – Friday

Teacher – Olivia Phegan -- Bach of Ed. Early Childhood

At the beginning of the term, the **5yo Kangaroos** were very lucky to have Jonas from Ghana Have Some Fun visit and perform with his African instruments. We learnt words from his native language and, using these newly learnt words, we participated in traditional call and response songs. Uncle Jonas taught us about the traditional African instruments, and we had the opportunity to play the instruments and dance. We sang songs and listened to stories, taking in the ways and culture of Africa. To follow on from this amazing experience, we are very excited to be exploring different realms of music during the term – listening to various genres and styles, connecting with music and ways to move our bodies in response, and experimenting with playing a variety of instruments.

This term the **4yo Wombats** are diving a rich and meaningful journey of emotional understanding, creativity, and connection with the world around us. Our Wombats are being introduced to the 'Zones of Regulation' through an interactive station that helps them tune into their feelings and build strategies to manage big emotions.

As the seasons shift, we've already noticed the magic of Autumn — *colourful leaves falling and changing* — sparking curiosity, creativity, and collaborative art experiences using natural materials.

We will connect further with the land as we explore bush walks in our environment around us.

We'll also be getting our hands dirty in the garden, planting vegetables and flowers while learning how to care for the earth with kindness and responsibility.

This term our **3yo Kookaburras** are focusing on our communication and language. We are building our knowledge of words and how to respond when we hear or see them. Communication and language can look like gestures/actions, facial responses, behaviours, spoken words, key signs, visual cues or sounds. It is important that our children recognise and understand the value of communication and the impact it has on their environment and self. We are learning to recognise and respond to our verbal name. We are learning to keep ourselves safe and redirect others – ie **STOP** I do not like it! We are building our understanding of talking and listening through experiences with the Talking/ Yarning Stick and learning about participating in shared communication.

ALL WELCOME!

Playground Area Upgrades

Work continues around the playground area with posts for the new fence in place. The poles for the last set of shade sails were installed with the sails to be put up shortly. (maybe by the time Jindera News has been distributed)

The work on the ramp for the zip line is nearly complete along with the other new playground activity sites.

Traffic Speed Counter s

The traffic speed counter which was placed in Creek St between Wood and Fallon St indicated that the majority of road users were travelling at the correct speed. Keep up the good work! Unfortunately, the one on Pioneer Dr developed a fault and didn't record any of the traffic use. Hopefully another one will be placed.

Pathway Grant Unsuccessful

Unfortunately, the grant which was applied for to construct a sealed pathway from Pomegranate Estate to the Walla/Jindera Rd intersection was unsuccessful along with other places in the rest of Greater Hume

Telstra/ Optus Power Pole

Essential Energy installed a new pole and transformer at the western entrance to the Rec. Reserve to boost power for the Telstra/ Optus tower. This should allow the generator which has been operating behind the football clubrooms to be removed.

Netball Club NEW Clubhouse

Congratulations to the Netball Club on the near completion of their new clubrooms, which will be available for general use also. The new lights on the verandah certainly shine out brightly.

A lot of hard work, persistence and planning have gone into this project!

Village Green Bus Stop

The bus zone near the Village Green has been extended to allow an extra bus to fit in. Please be aware of this change when parking.

New Trees along Dight Street

The Council Parks and Gardens crew have been busy planting the new trees along Dight St with more to be placed elsewhere. Please keep an eye out for anyone causing damage to the trees or supports. This is ratepayers' money which is wasted when malicious damage is done.

School Crossing at St Mary McKillop School

St Mary McKillop College are happy to announce that they have finally been approved for a school crossing supervisor who will start on **June 12th** for an hour in the mornings and afternoons. Please slow down and drive carefully during school hours.

Jindera War Memorial

The Friends of the Jindera War Memorial group now has six members. At the moment we are waiting on quotes for the restoration. Contact **Jenny O'Neill 0438 263 417** or **Aimee Keogh (Riley) 0467 000 306** for more information or to indicate your interest.

Friends in Action (Caritas) Diary: 2025

A Group that can offer emotional and spiritual support and opportunity for growth through caring and personal relationships.

11th June

Golf Club Movie Day Corowa:

M/tea 9.15am ½ Acre Coffee Lounge (52 Hawkins St, Howlong).

Movie TBA @ approx. 11am Federation Cinema, Corowa Golf Club (1 Hume St, Corowa).

Lunch 1.30pm Corowa Civic Bowling Club (32 Bridge St, Corowa).

Depart St Paul's 8.45am.

Contact: Sharon Redding 0418 466 331.

JINDERA

• PIONEER MUSEUM •

May has flown by and we find ourselves looking to the middle of the year. As June has announced its arrival, so has the cooler weather. The museum has cooled down considerably, but we now see **soup** again in the **Tea Room** on a Sunday, along with the open fire, both are always crowd pleasers. The Tea Room has seen very good patronage over the past few weeks with a very busy day on Mother's Day. Thank-you to all of those wonderful mothers who helped in the Tea Room on Mother's Day, leaving their family celebrations until later in the day.

During the month of May, we also had a visit from the **Armstrong Siddeley Car Club of Australia** - Armstrong Siddeley vehicles are luxury cars produced in England between 1920 and 1960, later absorbed by Rolls Royce. We saw a beautiful collection of cars and great people from across Australia who also enjoyed the museum and lunch.

We have had several other small groups in over the month and another two schools bringing their Year 2 groups for a visit. School visits are always a lot of fun, with many children never having seen some of the exhibits we have at the museum. Their comments and insights into the life and times depicted at the museum are often very funny.

The **Craft Shop workshops** have been continuing through May with Macro Photography, Sashiko Embroidery and Acrylic painting (see page 32). These were small group workshops, all held in various locations within the Museum. Attendees all enjoyed the various activities and the morning or afternoon tea provided by the wonderful Tea Room ladies. These workshops were sponsored by Murray Arts and provided great opportunity to have a taste of a craft or skill that you might be interested in, for a very reasonable price.

May heralds the need for those sun seekers to pack up their houses into their caravans and head north. Many of our regular volunteers fit into this category and so we are somewhat depleted of door attendants over the next few months. If anyone has a spare few hours of a morning or afternoon, we would be more than happy to offer you the opportunity of filling them by volunteering at the museum. Just give me a call or pop in sometime.

June sees our **Wicker Workshop**, which will be held at the old Jindera Police Station, now the home of one of our volunteers. Two workshops are available, one at 11.30am and another at 1.30pm. Tickets can be booked at Trybooking through this link <https://www.trybooking.com/DBRCS>, thanks Alison for offering this interesting use of your Autumn prunings. See page 19.

June also sees the museum host the **Southern NSW Regional Heritage Group**, a collective of museum representatives from across Southern NSW, predominantly Southern Riverina. Members come from Wagga Wagga, Yass, Coleman and sometimes even from as far away as Hay. This is an interesting group, often with excellent speakers or insights; it is also an opportunity for us to ensure the museum is seen further afield.

July sees the museum offer the first of their **Cemetery Walks**; this will be conducted at St John's Cemetery on Sunday afternoon **6th July**. See page 19 in this edition. Tickets again are available through Trybooking. The walk will conclude at the Tea Room with a mug of soup and a tot of port to dispel the winter (and cemetery) chills.

We look forward to seeing you.

We've had a week full of imagination, exploration, and meaningful connections with our learning environment. Here's a snapshot of the wonderful experiences that unfolded.

Surf's Up in Jindera

Who needs a beach when you have a grassy hill and a big imagination? This week, the children designed their own surfboards and zoomed down the hill, embracing adventurous play while building balance, coordination, and fine motor skills. A fantastic example of creativity meeting movement.

Tree Decorating with Wool

Our front yard tree is looking brighter than ever. The children worked together to wrap it in colourful wool, developing fine motor control and a strong sense of pride in their collaborative art project. The result is a vibrant, welcoming feature of our outdoor space.

Messy Play and Open-Ended Art

Guided by the Curiosity Approach, our art provocations have been full of texture, colour, and creative freedom. From mud kitchens to textured painting and playdough exploration, the children have been expressing themselves through messy, meaningful play.

Insect Investigations

Our stick insect explorations have captured the children's interest once again. They have been closely observing, asking thoughtful questions, and engaging in gentle, respectful interactions. These experiences continue to nurture curiosity, care, and a deeper understanding of the living world around us.

Marble Run Madness

The marble run investigations continue to inspire our budding engineers. There's been lots of trial and error, teamwork, and "aha" moments as the children test designs, solve problems, and learn through hands-on physics play.

JINDERA COMMUNITY FORUM

JINDERA COMMUNITY FORUM - **AGM**

The **AGM** will be held at the Jindera Community Hub (entry via rear carpark) on

Tuesday 17th JUNE 2025

7:30pm

ALL WELCOME

Come and join a group of locals who are interested in our community and its people, and who would like to help improve the facilities our community offers to both visitors and residents alike.

WHAT DOES THE FORUM DO?

The Forum holds community meetings which are open to residents of Jindera to attend and discuss what is happening in Jindera, as well as consider the future of Jindera.

Meetings are generally held bi-monthly on the third Tuesday in February, April, June, August and October.

The Forum is able to put forward ideas and comments to Greater Hume Council on issues facing our Jindera community, facilitate direct discussion with Councillors who are in attendance at regular meetings, in addition to holding special meetings relating to specific issues.

For more information contact:

jinderacommunityforum@gmail.com

Members of the **Hall Committee** and **Football Club** have met to work through inclusions for the draft plans of the new combined Community Centre.

A basic draft plan is being drawn up at present and will hopefully be presented to the next **joint committee meeting** on **Tuesday, June 24**.

The draft plan will need further discussion, as the basic concept has been arrived at, with variables as to positioning and further inclusions.

Thanks to community members who have provided feedback at the Community Meetings and via direct contact.

Fundraising for the new Community Centre is ongoing with the need for **donations** to the Return and Earn Collection being held at NA Auto (94-96 Urana Street) - cans, plastic and glass bottles containing the **10c** refund label will be gratefully received — please **do not crush the cans** as they cannot be submitted.

If you are interested in being part of this community venture, we would love to hear from you—phone Kathy Anderson on 0407 357 082.

JINDERA PS

MURRAY CONSERVATORY

This term JPS welcome the Murray Conservatorium for weekly music lessons. The children will be exploring rhythm, beat patterns and concepts.

FUTURE DREAMS DAY

The SRC had another Successful fundraiser with a Future Dreams dress up day. There were singers, Police officers, hairdressers, nurses, doctors, a truck driver and many teachers!

CONTACT US FOR A TOUR

Our goal is to collaborate with families to provide high-quality learning experiences that empower each student to reach their full potential and cultivate a love for learning.

QUOTE OF THE MONTH

The beautiful thing about learning is that no one can take it away from you.

PROBUS - June Update

The Henty/Culcairn Probud group held its May meeting at the Culcairn Bowling Club. The gathering was well attended.

The meeting's keynote speaker was Craig Broughton, who recounted the journey he and his wife Karen undertook after deciding to relocate from their Albury home rather than renovate. In November 2021, they purchased a 40-acre lot on Coach Road, which suited their needs, and started them on the odyssey of planning and building their new home.

After discovering that it would cost \$80,000 to get power to the property, they investigated going solar. They thus began their adventure and challenge of building a three-bedroom off-grid home that was as solar-passive as possible. In designing the house which looks like an old shearing shed, the Broughtons decided to use materials that don't require upkeep, including corrugated iron for the outside walls. The walls and ceiling are exceptionally well insulated, the windows are double-glazed, the whole house is wrapped, such that no air transfers from outside to inside or vice versa, and the rooms have high ceilings and ceiling fans.

Major windows face north to optimise the use of sunshine for heating. The house has polished concrete floors that capture

heat during the day and release it in the evening to help heat it. The house's ambient temperature is between 18 and 20 degrees all year. The Broughtons supplement the solar heat in winter with a wood fire and have a split system for heating and cooling that runs from their stored power as a final backup. In summer, the doors are opened to create crosswinds for cooling, plus the ceiling fans for air circulation. The solar system comprises 48 solar panels that can generate up to 23.5 kWh daily, plus seven batteries for storage. With careful scheduling of major appliances, the Broughtons use less electricity than they generate.

The property only had five trees when purchased; however, over the past several years, Craig and Karen have planted 1,000 trees. These trees are reducing water runoff and erosion and providing habitat for wildlife. As well, a part of the property has been fenced off as a birding area. The couple also utilise a sustainable water approach for their extensive vegetable garden and orchard. While an off-grid home is not for everyone, Karen and Craig love theirs.

If you are retired or semi-retired, Probud may be the social group for you. Contact Beryl Meyer at 0427 293 147 for more information. Our **next meeting** is **Wednesday, June 11, 9:30 for 10 am** at the Henty Community Club.

Jindera Community Garden (JCG)

We are a social group who are creating a garden for EVERYONE to enjoy. Check our news on Facebook, and read *here* each month for updates. If anyone has ideas or suggestions, please let us know.

Phone or Message - Eileen at JCG on **Ph: 0400 023 290** or email jinderacommunitygarden@gmail.com.

Successful Cake Stall

What remarkable generosity we have here in Jindera. Our Community Garden Cake Stall held on Saturday 10th May in front of IGA was filled with surprises from mums making time to donate their cooking or crafty ideas for our Mother's Day stall and raffle.

My Superwomen

Thanks, Ladies, for your wonderful help ❤️

Lorriane Morgan's Crafty Skills

A beautiful, decorated **Mud Cake** was donated by Lorriane who has special skills. Well done for your devoted skills and time. This delicious Mud Cake was our second prize in our raffle won by Gary Piper.

Sue's Beautiful last minute Posies

Michelle had a smile on her face when she admired Sue's last minute posy floral arrangements. These were a very popular and interesting gift for many Mums.

Mother's Day Raffle Draw

Our raffle was divided up into several prizes this time so we could share them amongst more people.

Our beautiful Mother's Day Flowers were popular.

Everyone took time out to admire them. A special thanks to Jill and Roger who donated them. You must have a lovely garden.

On Mother's Day we did something different and it was very enjoyable. We had coffee and cake down at the park to thank all the helpers with our stall and raffle.

Everyone had a turn in organising our winners.

The **Winners** of the Raffle Prizes were:

- * **1st** - from Jindera Butcher - **Richard**
- * **2nd** - Decorated Mud Cake - **Gary Piper**
- * **3rd** - IGA \$50 voucher - **Kathy Johnson**
- * **4th** - from Jindera Pizza - **Ann Thompson**
- * **5th** - from Jindera Pizza - **Jason**

Coffee Voucher winners from Fox and Brew were:

Daryl Lane - Danielle McLaren - Peter O'Connor - Dulcie - Kurt

Big thank you to the local businesses who donated these prizes which helped to make our fund raising stall successful. We raised over \$1000 for the Jindera Community Garden.

Our Social Outings are Happening

Some of the Community Garden members went to the Burrumbuttock Pub for the Cancer Day Morning Tea. It was a very enjoyable morning especially with the great coffee from Jason's Coffee Van.

Save the Date - Sunday June 22nd

Community Garden members Social Day for lunch at **Burrumbuttock Pub** at **12pm**. If Jason has that coffee van open, we could have coffee at 11am before lunch. Everyone is invited but need to know numbers please.

Coffee Mornings are happening more often, especially Saturday mornings. If you would like to join us let me know or just turn up.

JINDERA NEWS - CONTACT US ON: jinderanews@ruralcarelink.org.au

**Greater
Hume
Council**

Council News - Summary of May meeting

At the May Council meeting some key decisions for our community were made.

At the meeting Council resolved to:

- Formally write to the NSW Minister for Agriculture, Minister for Emergency Services, and relevant Federal departments to urgently request a drought declaration for our region. Please find attached a media release for more information.
- Restrict public access to the Carabost Hall due to safety concerns. Community consultation will occur in the coming months in order to determine the future of the Hall.
- Support the development of a new regional hospital for Albury Wodonga Health at the existing hospital located in Albury.
- Adopt the Payment of Expenses and Provision of Facilities to the Mayor and Councillors Policy, as previously publicly exhibited.
- Authorise the General Manager to sign the Service Level Agreement between Greater Hume Council and WAW Credit Union Walla Walla. More information in regards to the reinstatement of Council services at WAW Walla Walla will be provided in the following weeks.

- Place the draft Delivery Program 2025 - 2029 incorporating draft Operational Plan 2025-2026 and budget, draft Resourcing Strategy 2025-2029, draft Fees and Charges 2025-2026 on public exhibition and accepts submissions until Thursday 19, June 2025. **Have your Say** on the various documents here - <https://shorturl.at/PXP24>.
- Advise TfNSW that Council objects to the proposed speed zone change on Dights Forest Road due to inadequate consultation with the community. Council will advise TfNSW to formulate a plan in order to appropriately consult with our community in regards to the proposed change.
- Give public notice of its intention for the leasing of the road reserve adjoining 19 Shea Road Mullengandra. Have your say on this proposed road lease here - <https://shorturl.at/PXP24>.

For more information on these decisions and to read the full Council minutes from the meeting, go to or click here – <https://shorturl.at/Rqwxxy>.

ST JOHN'S LUTHERAN SCHOOL

154 Adams Street, Jindera 2642
Phone: (02) 6026 3220 Fax: (02) 6026 3289
Email: admin@stjls.nsw.edu.au
Web: www.stjls.nsw.edu.au
Principal: Anna-Marie Bothe

Term 2 is halfway through, and we have been busy here at St John's with Mother's Day Chapel and Morning Tea, Little Saints 20th Birthday Party and lots and lots of sports!

On behalf of the school boards of St John's Lutheran School, Jindera and St Paul's Lutheran School, Henty, we congratulate Mrs. Anna-Marie Bothe on being appointed Principal of both schools. Her strengths are in innovation and design thinking, as well as relational leadership, and will provide the schools with insightful and creative leadership. ***Congratulations Mrs. Bothe!***

Mother's Day Chapel and Morning Tea

We had a fantastic turn out to our Mother's Day Chapel and Morning Tea with lots of mums and special women in our students' lives joining in on the fun. Every Mother is adventurous when they start the journey to motherhood, and we spent the morning celebrating those nearest and dearest to us all.

Little Saints 20th Birthday Party

Our preschool, Little Saints celebrates 20 years this year. We held a party so everyone could celebrate together. There was cake, a jumping castle, face painting, Lego and games to play. A special thank you to everyone who made our party amazing. You all made the day very special and a lot of fun!

SPORTS!

What a term for sports! We have had **RAS Cross Country**, **Albury Paul Kelly Cup**, **Netball Schools Cup Gala Day** and a **Rugby Incursion**.

Our students represented St John's with pride, resilience and sportsmanship.

We are proud to say we had some outstanding achievements across the board with Angel and Fletcher coming 2nd in their respective age levels at RAS Cross Country and Indi making it through to CIS Netball, Sydney. Our senior boys football team participated in the Albury Paul Kelly Cup and the whole school enjoyed learning some new skills from Callum (Rugby Union ACT Brumbies).

Jindera CWA News

June 2025

Jindera Branch delegates at the NSW CWA Conference held at Wagga on 18 – 22 May, were Olivia Hanel and Margaret McMaster, several Jindera members were able to attend on a day basis with Wagga being a short distance from Albury.

The new State President is Tanya Jolly from Barellan Branch, Murrumbidgee-Lachlan Group. Tanya has been a CWA member for 28 years and held many Branch and Group positions. Weethalle is her home being dryland cropping farmers, growing canola, wheat, lupins, barley and oats.

It was announced the NSW CWA Disaster Relief Fund donated \$100,00 to Queensland CWA to assist with flood relief in Far North Queensland. Jindera CWA donated \$2,000 towards the fund.

Thank you to everyone who supported our **MOTHERS DAY CAKE STALL** at **BUNNINGS** – we raised over a **\$1000.**

CWA Sunday was celebrated on **25th May**, at **St. Matthew's Albury**. CWA members were piped into the church by Highland Cathedral Piper – Roger Buck. Following the service a CWA Morning Tea was held at Adamshurst with all welcome..

**Our next meeting – 4th June at 10am
in the School of Arts Hall, Jindera.
VISITORS MOST WELCOME.**

Yours in CWA Friendship,
Bev. Blair
Publicity Officer.

Jindera Cottage Crafts Group

Right next door to the iconic Jindera Pioneer Museum, on the site of the Old Flour Mill, is the Jindera Cottage Crafts Group shop (JCCG).

May 18 was the last day of the **Country Arts Support Program** (CASP) funded workshops. 10 workshops, spread over 12 weeks saw up to 70 participants from across 5 shires acquire new skills. The workshops conducted were:

- ♦ Creative Embroidery with Lorraine Morgan.
- ♦ Wet Felting with Vivien Naimo.
- ♦ Basket weaving with Cate Ewin.
- ♦ Acrylic painting with Rhonda Wallace.
- ♦ Sashiko, visible mending with Meredith Wallace.
- ♦ Macro photography with John Naimo.

The Artists, who ran the workshops, are all members of the Jindera Cottage Crafts Group and most have their hand-crafted items available for you to see and buy in the shop.

A huge thank you to the funding organisations of **Murray Arts and Create NSW**. Create NSW is the NSW Government's arts and cultural driver. They grow and support the arts and cultural sectors in NSW for everyone to enjoy. Murray Arts is a connector between creatives and their community. They focus on fostering arts and cultural development across the Border and surrounding regions through facilitation, participation and promotion.

Following is a montage of photos from the workshops, some by the participants themselves.

Member Profile:

Continuing with our member profiles, this month is all about **Patricia Bourner** and her handiworks.

Patricia enjoys sewing bags, baby doll cradles, kids aprons and has some new items in the pipe line so come and see us at **Cottage Craft**.

Hickory Hill Tennis Club REUNION 2025

Calling All Former Members of the Hickory Hill Tennis Club!

Remember watering, rolling, bagging and marking the courts of a Saturday morning. The sport, friendship, fun and afternoon teas on Saturday afternoons during the summer?

It's been 30 years since the Hickory Hill Tennis Club closed.

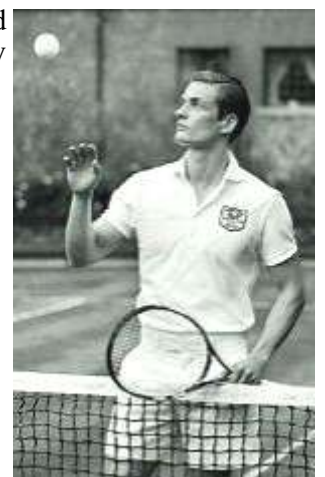

Former members are advised that a **Reunion Dinner and Unveiling of a Plaque** on the site of the Old Courts Hickory Hill Road will occur during the **October long weekend 2025**.

If you would like to attend the **Dinner on Saturday 4 October at 6:00pm**, and/or the **Plaque Unveiling on Sunday 5 October at 10:30am** you are requested to contact one of the following by **20 September 2025**:

Jennifer Christensen - 0418 449624 • Joan Lyons - 0427 298785
Peter Lyons - 0428 298785

The cost of the dinner at the Henty Community Club will be \$30 per person. A set menu with alternate meals of roast lamb and chicken mignon will be served. Special dietary requirements will be catered for on request.

Any photos or other memorabilia that you could contribute to a display ... even your memories please let us know!

THE BENEFITS OF VOLUNTEERING WITH LIFELINE ALBURY WODONGA

✓ Meet new people

Our local volunteers are a tight -knit group who are passionate about helping their local community - and have a great time doing it!

✓ Connection with local community

Volunteering is a great way to build connections with like minded people whilst contributing to achieve Lifelines vision of an Australia free from suicide.

✓ Improve your health

Volunteering has been shown to positively impact your mental and physical wellbeing!

✓ Make a real difference

Our drivers, balers, sorters and retail volunteers play a vital role in ensuring our work can continue.

✓ Learn new skills

When you volunteer for Lifeline, you gain valuable skills.

TO LEARN MORE:

Call or text 0418 690 336

Email us: admin.aw@lifeline.org.au

Or drop into our Lifeline stores to have a chat!

Jindera Golf Club is a fully volunteer run organization. President Robin Weldon, would like to thank all the workers around the club for volunteering their time. He thanks those who come to working bees, those who mow, irrigate, blow, fertilize and manage the greens. Those who keep accounts, pay bills and organize competitions, those who organize and cook food, complete tech support, and restock prizes and the bar, the people who collect and put out the bins, those who clean and collate scores, those who give their time to keep the jobs list ticking on and all those hidden workers doing things around the club to keep everything going along well. The club appreciates you and could not function without such a high level of volunteers. You are a big part of what makes our club so great. We are a friendly bunch and welcome new players and members to our regular competitions.

A special thanks goes out to retired local, John Pepper who has been giving his time and expertise helping us with some specialized work on our irrigation system. We appreciate you sharing your knowledge and expertise with us.

Club meetings are on the **first Monday** of each Month at the clubhouse at a new time of **6:30pm**. All members are welcome to attend and contribute ideas to the running of the club.

This coming monthly competitions:

Men's: Winner season time of 11:30-12pm tee off.

1st June – June monthly medal and third round of club championships.

8th, 22nd, 29th June – Stableford

15th June – 4BBB drawn pair and par

Ladies: Tee off 8:30am Monday for 9 holes or Thursday/Sunday 11:30-12pm tee off.

Week beginning **2nd June** Tennis golf, **9th June** monthly medal and 3rd round of Championships,

16th June 2 ball Ambrose, **23rd June** Captains vs President-Stableford.

VETS - 9 hole Stableford every Wednesday

Chook run: new time 2:45-3:15pm tee off.

The men are entering their third round of match plays, with 16 players remaining. If you win you progress to the next round. Good luck to those still involved. There were some very strong scores in the May monthly medal with both Simon and Strop scoring 4 under par in the back 9.

The ladies have just completed 5 weeks of pennant against Wagga City, Wagga Country, Howlong and Thurgoonga golf clubs. Consisting of players: Heather Chaston (captain), Rawinia Smithenbecker, Virginia Ebert, Joan Jamison, Marita Christensen and Ros McMillan. The ladies represented our club well and enjoyed their golf days at each of the clubs, with Howlong golf club being the section victors. The ladies have completed their second round of club championships and congratulate Rawinia for winning and Sandra runners up in the May monthly medal competition.

Battery Drive: Kate's daughter Kiera, is collecting batteries from cars, trucks, boats, tractors, industrial or commercial vehicles and machinery batteries as a fund-raising option to build homes for people living in Cambodia. Kiera will be travelling to Cambodia with her school later in the year. The batteries can be dropped off in the car park or can be arranged to be collected from other places (*see page 37*). **Call 0479 055083.**

We would like to welcome the new members to the club and we look forward to seeing you out on the course.

Some work has been done to improve some of the tee boxes, with the irrigation issues resolving. We are grateful for the rain and hope to see some greening up of the fairways so everyone can come out and enjoy their golf.

JINDERA ANGLERS CLUB INC.

Winter is here and it certainly tested out a few members for our Upper Murray comp. What a fantastic weekend we had away at Walwa. 15 Members braved the rain and fished between Jingellic and Tintaldra.

Congrats to everyone who made the effort and well done to Squeaky on burning your only pair of boots and catching a 95cm Upper Murray monster !! Thanks so much to the Walwa Caravan Park and the Walwa pub for accommodating us and your hospitality.

Other members that had success was Laz with a 57, 61 and 66cm, Kevin Brown 63cm, Jacob 55 and 74cm and Marcus with a 60cm, all fish were released. So many memories made with a fun weekend and remember it is always important to ensure that your **hook with cheese** is actually in the water and not in the tree whilst fishing !

Q. - How many people open a packet of chips upside down ? **A.** - Refer photo below

Save the Date

Our presentation day will be **Sunday, 3rd of August** which the club will be ...

Celebrating 40 years!!

A great achievement to have kept this wonderful club going for such a long period of time.

We hope to get all present and past members to attend.

Next fishing competition will be the **27th, 28th, 29th of June**.

For more Angles Club information please contact Kerrie Lynch on **0427 238 281** or message us on [Facebook](#)
