Lest We Forget

ANZAC Day 2023

More ANZAC Day on pages 15 & 16

In 2013 the idea was mooted that Jindera should be conducting its own **ANZAC Day Dawn Service**.

And from that idea the Jindera ANZAC Day dawn service was resurrected. The concept was that it was to be a simple service of remembrance and the service was designed with that purpose in mind.

The first service was attended by about 50 people and now, some ten years later, the Dawn Service's attendance has grown to well over 200 and also includes a Gun Fire Breakfast put on by the Jindera Fire Brigade. The Jindera Dawn Service continues to grow, now with some Albury residents making the trip to Jindera for the service.

The ANZAC Day service held at 10.30am, also saw a large crowd of 500 hundred plus participants, both old and young, attending here in Jindera. Excitement built up as a helicopter from our local company Forestair flew overhead which really added to the atmosphere. The Air Cadets Catafalque party paraded and stood at attention with great dignity.

Army Captain Neville Stott was the guest speaker. He commented on the immense pride and community spirit he sees on days such as ANZAC Day and spoke of the history of the Gallipoli action and how all servicemen and women who have died in action are remembered on this day.

Peter Martin, local resident, played The Last Post and The Rouse-Reveille.

Jindera is probably unique in the fact that the three local schools take it in turns to host ANZAC Day from year to year thus ensuring the interest and participation of our youth. St Johns School hosted the service this year.

Rural Care Link Inc. News

Jindera welcomes many visitors to the town for Garage Sale Day.

The 24th Annual Jindera Community Garage Sale was held on Sunday 23rd April.

Quote of the day.... "The weather was perfect" (23 and sunny).

It was reported that the early bird garage sale enthusiasts were true to form and were observed driving the streets pre-dawn. One site holder reported their first sale was at 6.45am. It was noted that people were not so frenzied as other years.

The maps were keenly sought after and the 200 printed were all gone by 11am requiring a reprinting of more maps. Overall, 240 Maps were sold from the Jindera Hub/Op Shop.

We had 50 sites registered on the Wednesday prior. This grew to over 60 sites in operation by Sunday. Late registrations have always been welcomed by contacting Rural Care Link.

Four participants this year, who had not registered, were encouraged to contribute the \$15 registration fee, as a community minded gesture. Most of the registration fee goes in advertising the event for the day through online media, local town newsletters, the Border Mail, Signage and posters, TV and Radio. Rural Care Link Inc. sincerely appreciated the articles in the Border Mail by Jodie Bruton and the talk back with ABC Goulburn Murray with Sandra Moon and Ray Terrill.

One stall holder reported that people told her they 'just love it'. At the map sales, we met people from Holbrook, Henty, Howlong, Killara, Tallangatta, Myrtleford and Wangaratta. We received a call from a person in Melbourne asking, 'how many houses are registered' and telling us that they are very excited as they come up and stay each year in Albury for the weekend, just to attend the Jindera Community Garage Sale.

People love it. Stallholders that group together reported having a great day enjoying each other's company. This was observed at one site where six

different family members had a site together, and also at the Jindera Community Garden stall, out on the Walla Walla - Jindera Rd. Sitting, chatting, having fun and catching up with friends and neighbours was certainly the flavour of the day. People who haven't seen each other for months and years caught up on Garage Sale day.

Some of the more interesting sale items this year included carnivorous plants, a hexagonal pool table, air hockey and football tables, a portable ballet barre, gum boots, woolshed wooden gates (old), an industrial sewing machine, fowlers vacola, budgies, chooks, birds, kindling and silver ware.

A lady from Wodonga heard about the 'ballet barre' for sale on the talkback session with Ray Terrill on the ABC radio on Saturday and came specifically to Jindera to purchase this item for her granddaughter.

The 'kindling' sales were reported at being slow, but a chat with an acquaintance at the end of the day resulted in the sale of the lot with some very happy younger people reporting that their hard work spitting old pallets and bundling the kindling was worth the effort!

The rare and unusual hexagonal pool table was reported as an early sale, even though it was in poor condition.

As usual food and drink was a plenty. Thank you to Jindera Bakery for keeping up the coffees and food during the day. The fishing club did not disappoint. Their egg & bacon sandwiches were to die for. It was noted that the 'Multipurpose Hall' cake stall sold out quickly and the tea rooms at the Jindera Pioneer Museum were also kept on their feet.

A big thank you to all the Jindera residents who had a garage sale site and to the local community who got out and about on such a beautiful day.

Jindera Rural Care Link Inc. is a not-for-profit charity. We run the Op Shop, publish the Jindera News, help people in necessitous circumstances, support local projects and of course, coordinates the Jindera Community Garage Sale.

Exciting News from the Op Shop!

Rural Care Link Inc. has recently taken up residence (i.e. is leasing) St John's Lutheran Chapel in Adams St, Jindera, as a second site to the current Op Shop.

The purpose of the second site has a few layers that may evolve over time. Firstly, it will allow us to now accept donations of furniture, which we have never had the space to accept in the past. It also doubles as our storage area, replacing two storage sheds previously rented in the industrial estate. This makes the management of sorting and re-stocking the main Op Shop much easier, simply due to the storage being closer in proximity to the existing shop.

The Chapel will also provide a private space for our Carers Group to meet on regular occasions.

To start with, the Chapel site will only be opened by appointment, for both donations and sales. Appointments can be made by contacting the Op Shop on **6026 3001** during their trading hours, or the Office phone **0475 594 073**, which is manned continuously.

Our normal Op Shop hours remain the same. Open from Tuesday to Friday, 10am to 4pm with lunch break 1pm to 1.45pm. Open Saturdays from 10am to 1pm.

During April our shop had extremely successful bag sales, which helped to clear our Summer clothing.

We are gradually changing over to Winter stock, albeit a little slower than usual due to our big changes.

From 9th to 20th May we will have bric a brac on sale. Also, all of our Jigsaws, which we continue to have an enormous amount, will be half price.

You'll always find a treasure and/or a bargain in our shop, and don't forget to keep an eye on our facebook page for interesting items.

Carers Support Group

The Carer Group now meets on the third Tuesday of the Month, at 10am – 12 noon. Next meeting will be held at St John's Chapel.

For any information and details of times and venues please call Vickie Priscina, Carer Group Co Ordinator, on **0428 406 060**.

Assistance to those in need

We stand strongly behind our mission statement, by providing a safety net of kindness, consideration and support to those in need within our local community.

We continue to have requests for support each month. Whether it be people new to the area, or long term residents who are experiencing crisis, we are willing and able to assist with at first a listening ear and kindness, and then assessment of what is imminently needed, which in most cases we are able to provide.

Phone our office to find out how we may be able to help. Office Hours: 1.00pm to 5.00pm Monday to Thursday by appointment.

The Office phone number is **0475 594 073** and is manned continuously, so messages will be replied to promptly.

Next Meeting is at the **Jindera Community Hub** (entry via rear carpark) on

***** **Tuesday, June 20, 2023** *****

***** **7:30pm** *****

Items for the agenda are welcome by emailing below.

Come and join a group of locals who are interested in our community and its people, and who would like to help improve the facilities our community offers to both visitors and residents alike.

DISCUSSION WITH GREG BLACKIE (GHC) AT MEETING 18 APRIL 2023:

Jindera/Dight Street Flooding – The works on the Jindera Street drainage are now on hold with the Lutheran Church sub-division held up due to rules changing re tree removal – re-designing of sub-division being carried out to work around the trees, but still include a new drain. Adams Street work has been done to help alleviate flooding on Jindera Street/Adams Street corner and behind Preschool. Further drainage works planned for further west of Jindera Street – depending on future grant applications. Council not planning to clean out current drain due to tree removal issue but will continue to sandbag the problem flooding area. Gutter and road surface (front of new Post Office) – Council planning to fix area in front of building and also repair ongoing road surface problem.

New playground – Works to begin in 2 weeks with upgrade to 4 stall toilets. Funded by Crown Land grant (toilets) and sales of land (playground). Paths to be constructed from toilets to playground and out to Urana Street.

Molkentin Road/Urana Street intersection drainage works – Culverts currently in rec ground to be put in place to divert water under south side of Molkentin Road. Kerb and channel and footpath now too expensive from Urana Street to Cade Court – current drain to be filled and piped in the interim to allow walking on gravel footpath. Suggestion for JCF to request funding in future budget.

Jelbart Road – Roadworks now pushed back another 12 months to 2 years time.

POSITION OF JINDERA COMMUNITY FORUM SECRETARY:

At the end for the Forum Meeting Kathy Anderson announced that she would be retiring as the Forum's Secretary. Chairman Pat Hayes thanked Kathy for her more than 10 years of service as Secretary. This was followed by applause to Kathy by the members of the Forum present.

Peter White was nominated and accepted the position as the new Forum's Secretary.

AROUND THE TOWN **UPDATE**

with
Cr. Jenny O'Neill

★ Jindera certainly has been a busy little place during the past month with the Garage Sale attracting lots of out of this area visitors, both ANZAC Day services which were both extremely well attended. It was pleasing to see such a lot of children participating.

★ Next year it will be St Mary McKillop College's turn to host the ANZAC Day 10.30am service. Thanks to St John's for this year.

For anyone wondering why there was a large number of cars outside Bethlehem Lutheran Church last Saturday it was because Jindera was the venue for the NSW/ACT Lutheran Women's convention. Lots of positive comments about Jindera.

★ The perimeter fence is up around the area for the proposed playground on the Rec. Reserve so expect to see some action soon.

★ Road repairs are happening around the district with heavy patching being carried out on Bungowannah Rd.

★ Looks like Fox and Brew will be open soon which we have been eagerly anticipating!

★ Remember if you want to see a brightly coloured copy of the Jindera News let the editor know to put you on the email list.

Jindera Skate Park ...Venue for 1st NSW Regional Skate Comp Series

On Sunday 23 April Jindera was host to the inaugural event in the 2023 NSW Regional Skate Comp Series. This new series, delivered by Wodonga based indoor skate park and lesson provider **Al's Skate Co**, is a **FREE** community based grass roots skate park event aimed at promoting community engagement and positive skate park culture.

The Jindera event was well attended with 56 competitors registered across Skateboard, Scooter & BMX. The event provided an opportunity for local riders to compete with visiting competitors from the surrounding towns. Highlighting the community engagement was the event catering for participants ranging from 5 to 40 years old.

The comp series, made possible by local not for profit **Drop In and Take Off Incorporated** with funding from NSW Government Dept of Regional Youth, will be held across Southern NSW with the next event held at Culcairn Skate Park this Sunday 7 May from 10:30am.

We are asking families and children "What do you love about Jindera Preschool?" to support the creation of our new philosophy.

Here is some of our feedback:

- ★ All children are accepted, Friendly Staff,
- ★ Easy to communicate with, Risky Play,
- ★ Every child is capable, Kindness,
- ★ Resilience, Safe and Welcoming
- ★ Beautiful Open Learning Space Inside,
- ★ Warm, Friendly, Loving,
- ★ My girls and I love this Environment!
- ★ Play Based, Outside Play, Active,
- ★ Educators who treat us like family,
- ★ Beautiful Caring Teachers

Jindera Preschool is always working towards providing a safe, enriched environment for children to engage, challenge themselves and explore new ideas and materials through play and investigation. We have had a busy term break constructing new furniture and recreating an inviting and inspiring space ready for our children to return in Term Two. A huge thank you to our Mums and families who volunteered their time to build our lockers and new furniture. **You are AMAZING!**

Jindera Preschool is very lucky to be connected to our community. We value the partnerships and contributions that are developing our preschool environment, philosophy, program, and culture.

Playdough

Squishing, rolling, sculpting, modelling . . . young children love to play with playdough. Add some props from around the home and playdough play becomes a powerful way to support your child's learning.

This simple preschool staple lets children use their imaginations and strengthen the small muscles in their fingers — the same muscles they will one day use to hold a pencil and write. Using playdough with you, a friend, or siblings supports your child's social skills such as sharing, taking turns, and enjoying being with other people. Playdough also encourages children's language and literacy, science, and math skills—all at the same time!

JINDERA PUBLIC SCHOOL

Welcome Back:

We welcomed our staff and families back for term 2 at Jindera Public School and with the weather still providing beautiful warm days, prepared for the busy term ahead.

Student Representative Council Induction

Late last term, we inducted our most recent SRC representatives at a special assembly. Parents and guests attended, and we invited family members to the stage to present badges and help welcome students into this very important role. Our SRC group have already been busy planning some activity days to help raise money that will be used to support a local cause.

AFL clinics

At the end of Term 1, all students participated in AFL clinics conducted by Albury AFL development and supported through the Giant's Academy. Students were given the opportunity to hone skills in kicking, marking and handball with many of our students showing the talent that they use each week playing in our Jindera Auskick and Under 14 teams.

Easter Parade and Raffle

What a fantastic way to end the term. Our annual Easter hat parade, raffle and egg hunt was, again, a huge success. Students had worked very hard to create their Easter hats and our parade was hugely well attended and very successful. Each class had the chance to showcase their creations and our big parent and community group really enjoyed the parade. The parade was followed by our annual P&C raffle draw and many of our students were successful as prize winners. To finish the day, and term, we had our highly anticipated Easter egg hunt with a frenzy of fun and sharing which followed. Please enjoy some photos from the day.

ANZAC Day Ceremony

ANZAC day is always a very important Jindera community event, and our students had been involved in many lead up activities at the completion of first term. To help commemorate this important day, our students represented the school at the local ANZAC Day service. Our school leaders laid a wreath and were fantastic representatives of our school. Thank you to all families that attended and helped us commemorate this day.

Athletics Preparation

Early in Term 2 we will complete our school athletics carnival. To help prepare our students, each class has been completing events such as high jump, long jump, discus and shot put. We anticipate a great day for our carnival and more photos will be available for the next edition.

St John's School hosts ANZAC DAY in Jindera

Our School had the privilege of hosting the Jindera ANZAC Day on Tuesday 25 April, with the wonderful assistance from Jenny O'Neill from the Greater Hume Council.

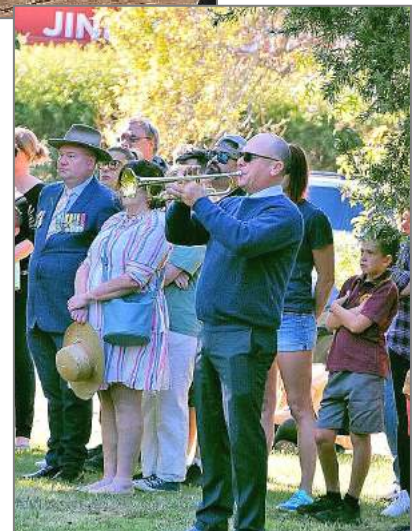

The event was a momentous occasion and lovely celebration of our Anzacs.

The sun was shining, community attendance outstanding and we were lucky to have a heartfelt speech from our guest speaker, Captain Neville Stott from Army School of Logistics Operations.

JINDERA RURAL FIRE BRIGADE

The Jindera Bush Fire Brigade is proud to announce that **Lily Delahunty** and **Samantha Hewson** qualified as Bush Fire Fighters on the 3rd of April. Congratulations to both Lily and Sam and we look forward to seeing you continuing to support the community.

Operationally April was one of the quieter months for the Jindera Fire Brigade. We responded to six callouts all of which were relatively minor in nature ranging from a small fuel spill to minor issues with planned burns.

April provided us with the opportunity get involved with some community engagement activities.

The Good Friday Appeal was a huge success with our members collecting **\$7,620.25** from the generous communities of Jindera and Lavington. Although the weather wasn't kind to us this year it was great to see the community coming out to give generously to the Royal Childrens Hospital.

April also saw us support Legacy by providing bacon and egg sandwiches for breakfast which was held at the fire station for the community which followed on from the **ANZAC Day** dawn service.

This year we raised **\$773.70** for **Legacy's** Albury branch.

Thank you very much to our generous community for supporting both of these very worthwhile causes.

MAY 2023

CWA members provided morning tea at the hall after the 10am Anzac Service. Many attended and we are happy to announce \$100 was raised to donate to Legacy.

Our April meeting guest speaker, Gush Kipper, Group International Officer attended and spoke on CWA Country of Study, LATVIA. Displayed was a banner which was embroidered by members of the eight Murray Group branches with Latvia's national flower a DAISY onto denim fabric.

Banner – L-R Olivia Hanel, President Chris McIntyre, Gush Kipper, Heather Collis, Marie Leddin.

Latvian born tailor Jacob Davis invented denim for trousers in 1871 in Reno, Nevada USA. Then partnered with fabric merchant *Levi Strauss*, changing men's (and later, women's) apparel forever.

Our **5th May meeting** will be followed by a luncheon at the Jindera Museum.

Let's make it happen!

Candy bar ~ 170 inch screen ~ 5.1 Surround Sound

Little Saints have been very busy during the last week of term 1 for 2023. The children had worked hard to understand the message behind Easter, and then we were so excited to invite our parents, grandparents, and other special people in our lives to watch our Easter mask parades.

We loved having so many of the special people in our lives come in as a community to witness our creative sides. The Little Saints looked fantastic in their creations and confidently showed them off.

We also participated in the St John's cross country. Our friends were so excited to run and have some good old fashioned sporting fun. We were all so proud of their efforts in completing this big event !

Our **Easter raffles** were drawn on **Monday the 3rd of March** and we would love to *congratulate* our winners again.

1st prize: Anna Griffiths.

2nd prize: Mary Evans - 3rd prize: Cam Smith

4th prize: Brantley Deegan - 5th prize: Betty Sagers

6th prize: The Carey family - 7th prize: Claire Phelps

Thank you so much to our Little Saints families and community for your wonderful donations and enthusiasm to join in some Easter fun!

We are so proud of the efforts that went into this and are happy to announce we raised **\$1,347**.

JINDERA

• PIONEER MUSEUM •

The museum had a wonderful day for the **Autumn High Tea** at the beginning of this past month. Many of our regular, loyal customers returned, but we also welcomed a new group of visitors, which was lovely to see. The day was 'picture perfect' and the feedback very positive on a wonderful day. Our group of helpers as always, did a fabulous job, both front and back of house, and we were pleased that all enjoyed a great day.

This past month we have also begun to look at ways to increase our profile, particularly in the Albury Wodonga market. We have had a professional photographer visit the museum and we now have a fabulous array of amazing photos to use in promotional situations. Thank-you to all of those that participated in the photo-shoot on the day. We plan to have an advertisement put together to screen in the local cinema, so if you are a movie buff, keep an eye out for that in future visits.

The committee have spent time in the last month looking at our future maintenance work, which is always an on-going concern. With a building as old as ours, we are always plagued with things that need fixing – repairing or replacing. We are extremely fortunate to have a group of folk who are very good at many aspects of the things that come up for repair. We will need to replace part of the Wattle and Daub roof and the front veranda roof in the next few months as well as have the sign writing redone on the front of the building.

These are things we can help with but also need professional advice and assistance, all which cost. The balancing act, with trying to make ends meet financially, is always a challenge, particularly as we need to pay rising running costs as well as to continue to add to our building fund. If you would like to look at the plans for the new addition to the museum to be built at the front of the present **Cottage Craft** block, please call in to the museum to check them out, they are on display on the back veranda of the shop.

This new building will give the museum the additional space we need and will provide the Cottage Craft Group with a new area to display and sell their work every day. A large undercover area is part of the new development, which is becoming essential as we do more functions and events. Our school groups also have no-where to place their belongings before they start exploring and our larger bus and family groups like to be able to sit out of the weather while they discuss their plans. We will begin a major campaign over these winter months to find sponsorship and apply for our DA. This new development will not only add to the museums infrastructure but will help to encourage more people to the village.

Our events program slows down over these winter months as we have little undercover area to hold events. We will hold our **Heritage Dinners in July** and we are looking forward to hosting the drama group based at St Mary MacKillop as part of this event, more news on that in future editions. Our **Tea Rooms** continue to be a popular meeting place on Sundays with many familiar faces each week as well as new visitors and passing traffic. It is valuable for the town to have a place where people can get lunch or a cuppa on a Sunday.

The Easter break saw many visitors to the village and many commented on how lovely to be able to visit the Tea Rooms and savour lovely home-cooked goodies. Now that the weather is cooling off, the open fire is also a great attraction, with many wanting to book those tables closest to it. May also sees the return of **soup** to the menu which is always a popular edition.

The recent school holidays also saw more visitors to the museum with many parents and grand-parents bringing their children for a look at what life was like in those past era's. The **Museum Treasure Hunt** is always a great way to engage the children that visit and the games are also popular. Visitors are welcome to bring a picnic during the week and enjoy this in the grounds, when the weather is pleasant.

The museum is always in need of **volunteers** to work in many areas around the museum. If you have an interest in hospitality, children's programs, machines and motors or just old historic things, we have a job for you. Call in, or give me a call, we will be pleased to welcome you to volunteering at the museum.

Car Club - Swap Meet & Show N Shine held at Jindera Recreation Reserve

"What a massive day it was when the Morgan Country Car Club held its 26th Annual Swap-Meet / Show & Shine at the end of March.

An estimated crowd of 4000 people turned out on a perfect Autumn morning in search of a treasure or two.

The day saw a record number of sites sold, which filled the Jindera Recreation Grounds to capacity and provided everything from Face Painting for both the little and big kids, through to household items, car parts & memorabilia, home-made & baked goodies, antiques and all things in between. Not to mention plenty of food and good coffee.

For those who were more interested in all things with wheels and engines, a great display of over 200 motorcycles and vehicles were on display in the Primary School grounds.

The Morgan Country Car Club would like to thank the following for their support.....

- ◆ Club members, family and friends for all hours they gave up to make the day run smoothly.
- ◆ The Jindera Primary School, The Jindera Recreation Grounds Committee & Greater Hume Shire for the use of their grounds.
- ◆ The township of Jindera, Show & Shine entrants, our sponsors as well as all our sellers & buyers.

As without everyone's support, this event would not have been a success."

Planting Trees is Exciting

Cheryl is smelling the Lemon Scented Trees. We picked up a few more Autumn native trees from Howlong.

It will be interesting to see these trees in 12 months' time, they will be big enough to start taking photo shots of sun rising glows through the trees.

Adding Colours to the Garden

Getting a little exciting at the moment starting to add a few colours to the garden.

Thanks Helena you did a great job.

Our Garden Nook

The Garden Nook is starting to stand out with the lovely blue.

Cheryl was enjoying that little project.

Thanks, Cheryl, for your help!

The competition season is now well underway with all Sunday competitions being run according to the 2023 competition calendar.

We have had two monthly medals - the March medal being won by Greg Preston with a net score of 64 and the April medal by Chris Larkin with a score of 69 (on countback).

Also underway throughout the year are the club championships – which are run in conjunction with the monthly medal “Stroke” days whereby the best 4 out of 5 rounds are used to determine the A, B and C grade club champions.

The “9-Hole” Comp is still running in conjunction with the normal 18-hole Sunday comp and provides a great opportunity for those looking for an entry level into competition golf. Ideal for juniors or for those looking to get a handicap.

Also, you can now play your Sunday comp. match on the Saturday before, this is being run on a trial basis to gauge interest.

The Friday night “Chook Run” “Tee Time” is now 3 – 3.45pm.

In the meantime, current comps are as follows: -

- **Sunday – Men’s 18/9 holes**, event according to calendar on website Tee-off 8.30/9.00. (11.30/12.00 from June)
- **Wednesday – VETS 9 Holes**, Stableford (unless notified differently) Tee-off 8.30/9.00
- **Friday – Chook Run – 9 Holes**, Open to all, 3.00 to 4.00pm, can also be played throughout the week – Play your game, place cards – signed and verified by partner with \$10.00 in an envelope and slide under the door.

The club has an electric golf cart For Hire by members and visitors.

For bookings, contact us via email.

Membership – To join our great community golf club, simply download a membership form from our website or request one via email, email it back and pay via eftpos.

Annual memberships become due on 31st March and cost \$110.00 (inc. GST), Juniors \$33.00 (inc. GST).

The irrigation upgrade – Is now practically completed with just a few “Tidy-ups” and top dressing of trenches.

JINDERA ANGLERS CLUB INC.

April has been a hectic month with Jindera Anglers hosting garage sales and catering for the masses with bacon and egg rolls, coffee and tea, hot chips, hamburgers, snag sangas. It was a very successful day and made possible by the hard work of Graham, BJ, Laz, Kerry, Mark, Chris, Wayne, Grub and Sham, the members appreciate your efforts.

WOOD RAFFLE, thanks to everyone who bought tickets in the wood raffle, the club appreciates your support, unfortunately there can only be one winner and the lucky person was Tanya Gleeson from Rand. Thanks to David Gray for donating the wood.

Jindera Anglers also commemorated **Anzac Day** by laying a wreath, thanks BJ for organizing and the laying of the wreath.

Fishing during April was interesting with the plug being pulled on the river and water levels ridiculously low, most cod being caught and kept have had small crays and shrimp in them.

In the right spot at the right time lures are working well in the river.

At Lake Hume the redfin are biting well if you can find them, trolling then drifting and anchoring will get you a feed and you don't have to go far from the Bowna ramp.

There are still plenty of redfin that have the worm rash mainly on the better sized fish, the smaller redfin appear clean of virus.

Results of the April fishing comp, lots of fish caught with anglers fishing from Eildon pondage, upper Murray, below the weir wall and many anglers fishing Lake Hume. The good news is the fish were biting in all places and the redfin coming out of the weir are looking a lot healthier.

The winner of the best fish ladies was Erin Rodgers with a 450mm yellowbelly, best fish men was Leif with a 360mm redfin, best bag of fish went to sham with a good bag of redfin (could have been a cod their as well except for his netman), Shane had some good redfin, Wade had redfin and all the usual suspects received doughnuts.

Next general meeting to be held at the clubhouse on **Friday, 12th May** at 5.30, get along as we will be discussing the upcoming closed fishing comp at Walwa.

Next fishing comp will a closed comp to be held on the **26th, 27th and 28th May** at **Neils Reserve** just past Walwa, fishing to commence at 4pm on the Friday, for more info get along to the clubhouse on Fridays.

Tight lines!

Winners are grinners, Wood Raffle winner Nicole Gleeson was very happy with the trailer load of wood she won on the garage sale weekend.
